We have performed an audit of the financial statements of AstroNova, Inc. Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended December 31, 2021, in accordance with ERISA Section 103(a)(3)(C) pursuant to Code of Federal Regulations (CFR), *Labor*, Title 29, Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and have issued our report thereon dated August 18, 2022. The audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a qualified institution that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and whether the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We have previously communicated to you information about our responsibilities under auditing standards generally accepted in the United States of America, as well as certain information related to the planned scope and timing of our audit in our engagement agreement dated May 17, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant audit findings or issues

Qualitative aspects of accounting practices

Accounting policies

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by AstroNova, Inc. Retirement Savings Plan are described in Note 2 to the financial statements.

No new accounting policies were adopted and the application of existing policies was not changed during 2021.

We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no accounting estimates affecting the financial statements which were particularly sensitive or required substantial judgments by management.

Financial statement disclosures

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. There were no particularly sensitive financial statement disclosures.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties encountered in performing the audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Uncorrected misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management did not identify and we did not notify them of any uncorrected financial statement misstatements.

Corrected misstatements

The attached schedule summarizes all misstatements (material and immaterial) detected as a result of audit procedures that were corrected by management.

Disagreements with management

For purposes of this communication, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. No such disagreements arose during our audit.

Management representations

We have requested certain representations from management that are included in the attached management representation letter dated August 18, 2022.

Management consultations with other independent accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Significant issues discussed with management prior to engagement

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to engagement as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our engagement.

ERISA-required supplemental schedule

With respect to the ERISA-required supplemental schedule accompanying the financial statements, we performed certain audit procedures to express an opinion on whether the form and content of the supplemental schedule, other than the information agreed to or derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We compared and reconciled the ERISA-required supplemental schedule to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves. We have issued our report thereon dated August 18, 2022.

Reading the draft Form 5500

Audit standards require that we obtain and read a draft of the Form 5500 that is substantially complete prior to the dating of our auditors' report. The purpose of these procedures is to identify material inconsistencies, if any, with the audited Plan financial statements. These audit procedures are not sufficient nor are they intended to determine that the Form 5500 is completely and accurately prepared. We did not identify any material inconsistencies between the Form 5500 and the audited financial statements.

This representation letter is provided in connection with your audits of the financial statements of AstroNova, Inc. Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

We elected to have the audit of the plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to Code of Federal Regulations (CFR), *Labor*, Title 29, Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with generally accepted accounting principles and that the assets held by and certified to by a qualified institution agree to, or is derived from, in all material respects, the certified investment information.

As permitted by 29 CFR 2520.103-8, we instructed you not to perform any auditing procedures with respect to the 2020 information certified by a qualified institution. Because of the significance of the information that you did not audit, we understand that you did not express an opinion on the 2020 financial statements.

Certain representations in this letter are described as being limited to misstatements that are material. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We confirm, to the best of our knowledge and belief, as of August 18, 2022, the following representations made to you during your audits.

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement agreement dated May 17, 2022, for the preparation and fair presentation of the financial statements and related notes in accordance with U.S. GAAP and for the fair presentation of the ERISA-required supplemental schedule in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. The notes to the financial statements include all disclosures required by laws and regulations to which the Plan is subject.
2. We acknowledge our responsibility for administering the plan and determining that the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
3. We acknowledge and have fulfilled our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
5. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.
6. Related party relationships and transactions, including transactions with parties-in-interest, as defined by ERISA section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
7. All significant plan amendments, adopted during the period or subsequent to the date of the financial statements, and their effects on benefits and net assets have been disclosed in the financial statements.
8. No events have occurred subsequent to the financial statement date and through the date of this letter that would require adjustment to, or disclosure in, the financial statements.
9. We have not identified or been notified of any uncorrected financial statement misstatements.
10. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
11. There are no other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, or events that may jeopardize the tax status of the Plan) that legal counsel have advised us that must be disclosed.
12. There are no—
 - a. Non-exempt party-in-interest transactions [as defined in ERISA sections 406—408 and regulations thereunder] that were not disclosed in the ERISA-required supplemental schedules or financial statements.

- b. Investments or loans in default or considered to be uncollectible that were not disclosed in the ERISA-required supplemental schedules.
 - c. Reportable transactions [as defined in ERISA section 103(b)(3)(H) and regulations under that section] that were not disclosed in the ERISA-required supplemental schedules.
- 13. Receivables recorded in the financial statements represent valid claims against debtors for transactions arising on or before the financial statement date and have been reduced to their estimated net realizable value.
- 14. The methods and significant assumptions used to estimate fair values of financial instruments are disclosed in the financial statements as follows:
 - a. Mutual funds are valued at the quoted price of shares held by the Plan at year end.
 - b. The common and collective trust is composed primarily of fully benefit-responsive investment contracts and is valued at the net asset value of the units held of the collective trust. The net asset value is used as a practical expedient to estimate fair value.

The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

- 15. We have no plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
- 16. We have no intentions to terminate the Plan.

Information Provided

- 1. We have provided you with:
 - a. Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements such as records (including information obtained from within and outside of the general and subsidiary ledgers), documentation, and other matters.
 - b. Additional information that you have requested from us for the purpose of the audits.
 - c. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
 - d. The most current plan instrument for the audit period, including all plan amendments.
 - e. Trust or custodial agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.
 - f. A draft of the Form 5500 that is substantially complete.

- g. Complete minutes of the meetings of the plan administrative committee, board of trustees, and committees of trustees, or summaries of actions of recent meetings for which minutes have not yet been prepared.
- 2. There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.
- 3. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
- 4. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- 5. We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
 - a. Management;
 - b. Employees who have significant roles in internal control; or
 - c. Others when the fraud could have a material effect on the financial statements.
- 6. We have no knowledge of any allegations of fraud, or suspected fraud, affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
- 7. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.
- 8. We are not aware of any pending or threatened litigation, claims, or assessments, or unasserted claims or assessments, that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
- 9. There are no other material liabilities or gain or loss contingencies that are required to be accrued or disclosed in accordance with U.S. GAAP.
- 10. We have disclosed to you the identity of all the Plan's related parties and all the related party relationships and transactions, including transactions with parties-in-interest, as defined by ERISA section 3(14) and regulations thereunder, of which we are aware, including any side agreements.
- 11. The Plan has satisfactory title to all owned assets, and there are no liens, encumbrances, or security interests requiring disclosure in the financial statements, nor has any asset been pledged as collateral.
- 12. The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- 13. All required filings of plan and trust documents with the appropriate agencies have been made.

14. The Plan obtained its latest opinion letter dated October 6, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
15. The Plan and the trust established under the Plan is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust). The plan sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
16. The Plan has complied with the Department of Labor's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
17. The Plan has complied with the fidelity bonding requirements of ERISA.
18. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable, and we are in compliance with DOL regulations regarding ERISA section 408(b)(2).
19. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
20. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedule in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and we believe the ERISA-required supplemental schedule including its form and content, is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
21. We have obtained the service auditor's report from our service organization, ADP Retirement Services. We have reviewed such report, including the complementary user controls. We have implemented the relevant user controls, and they were in operation for the year ended December 31, 2021.
22. As part of your audits, you prepared the draft financial statements, related notes, and ERISA-required supplemental schedules. We have designated an individual who possesses suitable skill, knowledge, and/or experience to understand and oversee your services; have made all management judgments and decisions; and have assumed all management responsibilities. We have evaluated the adequacy and results of the service. We have reviewed, approved, and accepted responsibility for those financial statements, related notes, and ERISA-required supplemental schedules. We have also ensured that the Plan's data and records are complete and received sufficient information to oversee the service.
23. We understand that as part of your audits, you prepared the adjusting journal entries necessary to convert our cash basis records to the accrual basis of accounting and acknowledge that we have reviewed and approved those entries and accepted responsibility for them. We have also ensured that the Plan's data and records are complete and received sufficient information to oversee the service.

24. The Plan's sponsor has determined that no discretionary profit-sharing contribution will be made to the AstroNova, Inc. Retirement Savings Plan for the year ended December 31, 2021.
