With Independent Auditors' Report**

Independent Auditors' Report

To the Plan Administrator of
Cinfed Credit Union 401(k) Plan
Cincinnati, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Cinfed Credit Union 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompany 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Independent Auditors' Report
(Continued)**

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Cinfed Credit Union 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cinfed Credit Union 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Independent Auditors' Report
(Continued)**

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cinfed Credit Union 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cinfed Credit Union 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Independent Auditors' Report (Continued)

Other Matters (Continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Cinfed Credit Union 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CINFED CREDIT UNION 401(K) PLAN

Notes to Financial Statements

NOTE 1 SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Cinfed Credit Union 401(k) Plan (the "Plan") are prepared under the accrual basis of accounting using accounting principles generally accepted in the United States of America ("GAAP").

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment Valuation and Income Recognition

Investments are reported at fair value except for the fully benefit-responsive investment contract. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Market risk include global events which could impact the value of investments securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statement of net assets available for benefits.

Payments of Benefits

Benefits are recorded when paid.

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions to net assets during the reporting period. Actual results may differ from those estimates.

CINFED CREDIT UNION 401(K) PLAN

Notes to Financial Statements (Continued)

NOTE 1 SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Related Party Transactions / Expenses

Certain administrative functions are performed by the officers or employees of Cinfed Credit Union (the "Plan Sponsor" and "Company"). These services include Plan oversight and day-to-day Plan administration. The Plan is not charged by the Plan Sponsor for the services of the employees to the Plan. All fees and expenses of the Plan, to the extent not paid by the Company, are paid by the Plan. Certain investment related expenses are included in the net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated events subsequent to the balance sheet date through August 18, 2022, which is the date the financial statements were available to be issued.

NOTE 2 DESCRIPTION OF PLAN

The following description of the Plan is provided for general information only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company, except co-op students, interns, and seasonal employees whose regularly scheduled service is less than 1,000 hours. Employees become eligible after 90 days of employment and after reaching age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

With respect to employee contributions, participants may contribute up to 100% of compensation, as defined by the Plan. However, contributions may not exceed limitations established under Section 402(g) of the Internal Revenue Code of 1986 as amended (\$19,500 in 2021). The Plan has an Eligible Automatic Contribution Arrangement ("EACA") and Qualified Automatic Contribution Arrangement ("QACA"), whereby any participants without an existing salary reduction agreement will be subject to the EACA/QACA and 6% will automatically be withheld from their compensation and remitted to the Plan. The Plan also has an automatic increase of the EACA/QACA. Beginning January 1, 2020 and each subsequent first day of the Plan year, any participants included in the EACA/QACA will be subject to automatic deferral percentage increases of 1% up to a maximum of 10%.

The Plan permits catch-up elective deferrals for participants over 50 years of age subject to Internal Revenue Code limitations.

The Company makes a QACA safe harbor employer matching contribution equal to 100% of the first 4% of eligible compensation the participant contributes to the Plan, plus 50% of the next 2%. The Company also has the ability to make an additional discretionary contribution to the Plan. No discretionary contribution was made in 2021.

CINFED CREDIT UNION 401(K) PLAN

Notes to Financial Statements (Continued)

NOTE 2 DESCRIPTION OF PLAN (CONTINUED)

Rollover Contributions

Participants may rollover their taxable portion of funds previously held for their account in another employee benefit plan to the Plan on a tax-free basis.

Participant's Account

Each participant's account is credited with the participant's and Company's contributions and a pro-rata allocation of the Plan's earnings. The pro-rata allocation is based upon the proportion of individual account balances to total participants' account balances in the respective investment funds. Each participant's account is reduced by participant withdrawals, as applicable. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions, including rollovers, plus actual earnings thereon. Participants vest 100% in their QACA Safe Harbor contributions and additional matching contributions after two years of service. With respect to any nonelective contributions, participants vest 33% after two years of service, 67% after three years of service, and 100% after four years of service.

Forfeitures

Forfeitures of the Plan are intended to pay plan expense or reduce future employer contributions to the Plan. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$17,698 and \$10,870, respectively. During 2021, \$0 was used to reduce employer contributions.

Payment of Benefits

Upon a participant's retirement, death, total and permanent disability, other termination of employment with the Company, or termination of the Plan, the participant's account is distributed under several options. Participants may elect to receive their benefit in a lump sum, equal installments, or partial withdrawals.

In-service distributions are permissible for participants that have attained the age of 59½. Participants electing in-service distributions may elect to receive all or a portion of their vested benefits. Participants may also take an in-service distribution from their matching account if they have attained age 55 and have four years of service.

In conditions of "financial hardship", a participant may apply to the Plan administrator for approval to withdraw that portion of their elective deferrals (excluding earnings) necessary to meet the financial hardship, subject to the limitations of the Plan and the Internal Revenue Code. Hardship distributions may only be taken from a participant's elective deferral account.

NOTE 3 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board *Accounting Standards Codification 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs.

The hierarchy is broken down into three levels based on the ability to observe inputs as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation approaches used for assets measured at fair value:

Mutual funds: Valued using quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

CINFED CREDIT UNION 401(K) PLAN

Notes to Financial Statements (Continued)

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different approaches or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets Measured at Fair Value on a Recurring Basis

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Description	12/31/2021	Level 1	Level 2	Level 3
Assets				
Mutual funds	\$ 7,232,991	\$ 7,232,991	\$ -	\$ -
Total assets	<u>\$ 7,232,991</u>	<u>\$ 7,232,991</u>	<u>\$ -</u>	<u>\$ -</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

Description	12/31/2020	Level 1	Level 2	Level 3
Assets				
Mutual funds	\$ 7,259,945	\$ 7,259,945	\$ -	\$ -
Total assets	<u>\$ 7,259,945</u>	<u>\$ 7,259,945</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 4 INFORMATION CERTIFIED BY THE QUALIFIED INSTITUTION

The following information provided by Great-West Trust Company, LLC, the custodian of the Plan, for the years ended December 31, 2021 and 2020 was certified by them to be complete and accurate with respect to the following:

- (a) The assets held at December 31, 2021 and 2020, as well as the transactions involving these assets for the year ended December 31, 2021.
- (b) The amount of investment income for the year ended December 31, 2021.
- (c) The Schedule H, Line 4i – Schedule of Assets (Held at End of Year) for the year ended December 31, 2021.

CINFED CREDIT UNION 401(K) PLAN

Notes to Financial Statements (Continued)

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTE 6 TAX STATUS

The Plan Sponsor has adopted a prototype plan which has received an opinion from the Internal Revenue Service ("IRS") dated March 31, 2014, which states the provider's prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan itself has not received a determination letter from the IRS. Both the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related Plan was tax exempt as of the financial statement date.

NOTE 7 FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACT

The Plan entered into a fully benefit responsive investment contract ("FBRIC") with Great-West Life & Annuity Insurance Company ("Great-West"). Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly.

Under certain circumstances Great-West may terminate the contract, causing a loss of interest adjustment that would limit the Plan's ability to transact at contract value. Those events include: 1) the contract holder adopts and amendment to the Plan or operates the Plan in a manner which is unacceptable to Great-West; 2) the contract holder fails to comply with any provision continued in the contract; 3) the Plan fails to qualify or becomes disqualified under Internal Revenue Code 401(a), as amended; 4) the total amount of deposits received by Great-West in the preceding twelve months is less than \$25,000; 5) the sum of all participant annuity account values falls below \$25,000; 6) the contract holder fails to make deposits which have been deducted from participant's paychecks within 30 days following the end of the month in which such deduction was made; 7) transfers to investment vehicles outside the group annuity contract exceed the limitations provided under the contract; 8) Great-West may terminate the group annuity contract if the Plan Sponsor ceases doing business; or 9) this group annuity contract shall terminate if there are no remaining participant annuity accounts. The Plan administrator does not believe that the occurrence of any such event is probable.

NOTE 8 CARES ACT

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law. The CARES Act provides immediate and temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions, and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the plan document. Plan management has adopted certain relief provisions included in the CARES Act and continues to evaluate other provisions.
