Independent Auditors' Report

Administrative Committee
ALCAL Industries, Inc. 401(k) Savings Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of ALCAL Industries, Inc. 401(k) Savings Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of ALCAL Industries, Inc. 401(k) Savings Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ALCAL Industries, Inc. 401(k) Savings Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ALCAL Industries, Inc. 401(k) Savings Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ALCAL Industries, Inc. 401(k) Savings Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ALCAL Industries, Inc. 401(k) Savings Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

ALCAL INDUSTRIES, INC.
401(k) SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 1. DESCRIPTION OF THE PLAN:

The following brief description of the ALCAL Industries, Inc. 401(k) Savings Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for more complete information.

General:

The Plan is a defined contribution 401(k) plan covering all the employees of ALCAL Industries, Inc. (the “Plan Sponsor”) and wholly owned subsidiaries. The Plan is subject to the Provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 401(k) of the Internal Revenue Code.

Eligibility:

Employees are eligible to participate in the Plan after completing one month of service and have attained age 18. Upon meeting eligibility criteria, employees will be automatically enrolled in the plan with an initial pre-tax deferral contribution of 4% of compensation with a 1% escalating annual scale increase until reaching a maximum deferral percentage of 12%. Employees are eligible to receive employer contributions after completing six months of service. The entry date will be the first day of the month coinciding with or next following the date the employee satisfies the eligibility requirements.

Participant contributions:

The maximum annual amount that can be contributed to a 401(k) arrangement as an elective deferral, that is, as a pre-tax contribution, is \$19,500 for 2021 and 2020, respectively. Individuals aged 50 or over, by the end of the plan year, are allowed to make additional contributions to a 401(k) plan, in excess of the standard limits. Such additional contributions will be limited to the lesser of a specified dollar amount (\$6,500 for 2021 and 2020, respectively) or the participant’s compensation for the year reduced by the participant’s other elective deferrals.

The Plan permits Roth Deferrals.

Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer contributions:

The plan sponsor may make a discretionary matching contribution equal to a uniform percentage or dollar amount of the participant elective deferrals each payroll period. The plan sponsor matched participants contributions at the rate of 50% up to 4% of compensation for the year ended December 31, 2021.

Participant accounts:

Each participant’s account is credited with the participant’s contribution and allocation of the plan sponsor’s contribution and the Plan earnings and charged with an allocation of administrative expenses.

Investment options:

Upon enrollment in the Plan, a participant may direct the investment of his or her account balance into the various investment funds offered by the trustee and custodian of the Plan.

ALCAL INDUSTRIES, INC.
401(k) SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 1. DESCRIPTION OF THE PLAN (Continued):

Notes receivable from participants:

Under the terms of the Plan, participants may borrow from their account, a minimum of \$1,000 up to a maximum of \$50,000 or 50% of the participant's account balance, whichever is less. The loans are secured by the balance in the participant's account. Loans bear a fixed rate of interest determined on the date of advance. Principal and interest are paid ratably through payroll deductions.

Vesting:

Participants are immediately 100% vested in their contributions and earnings thereon.

Plan sponsor contributions are subject to a vesting schedule of 20% per year after the first year of service.

Payment of benefits:

Participant accounts are available for withdrawal at the participant's death, retirement, total disability, age 59½, or termination of employment with the plan sponsor. Participants who qualify for benefits and withdrawals may elect to receive their benefits in the form of a lump sum or in periodic installments. The benefit to which a participant is entitled is the benefit that can be provided solely from the participant's vested account.

Forfeitures:

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$60,730 and \$32,817, respectively. Forfeitures are retained in the Plan and are to be used to reduce nonelective contributions, employer match and to pay plan administrative expenses. During the plan year ended December 31, 2021, \$29,749 of forfeitures was reallocated as an additional contribution.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Method of accounting:

The financial statements are prepared using the accrual basis of accounting.

Investment valuation and income recognition:

Investments are generally included in the financial statements at fair value as reported to the Plan by the trustee. Shares are stated at quoted market value. Gains and losses on investments are recognized in the period in which the appreciation or depreciation occurs. The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in fair value of investments, which consists of the net realized gains or losses and unrealized appreciation or depreciation on those investments.

As described in the Professional Accounting Standards, investment contracts held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contract because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

ALCAL INDUSTRIES, INC.
401(k) SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Investment valuation and income recognition (continued):

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant loans:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of benefits:

Benefits are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account. Investment related expenses are included in net appreciation of fair value of investments.

Date of management's review:

The Administrative Committee has evaluated events through July 29, 2022, the date which the financial statement were available for issue. Management has concluded that there were no subsequent events to be disclosed or recognized in the financial statements.

Note 3. NATURE OF ESTIMATES:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Note 4. SIGNIFICANT CONCENTRATION OF CREDIT RISK:

The Plan's investments are held in a trust fund administered by Empower Retirement. The Plan provides for various investment options in any one of a combination of mutual funds that invest in stocks, bonds, fixed income securities and other investment securities. These investments are exposed to various risks, such as credit, interest rate and market. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

ALCAL INDUSTRIES, INC.
401(k) SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 5. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED):

In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the trustee certified information regarding the cost and fair value of all investments and notes receivable from participants held at December 31, 2021 and December 31, 2020 and investment and notes receivable from participants transactions entered into during 2021, which was used in the preparation of the accompanying financial statements and supplemental schedule.

Note 6. FAIR VALUE MEASUREMENTS:

Professional accounting standard establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under professional accounting standards are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual fund: Valued at the net asset value (NAV) of shares held by the plan at year end.

Benefit responsive investments: Valued based on the credited rate or the underlying unit value communicated to the plan. Any market value adjustment or surrender charge will be based on the formulas and schedules in the contract.

ALCAL INDUSTRIES, INC.
401(k) SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 6. FAIR VALUE MEASUREMENTS (Continued):

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, the Plan's assets at fair value as of December 31, 2021 and December 31, 2020:

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 17,902,902	\$ -	\$ -	\$ 17,902,902
Fixed Annuities	<u>-</u>	<u>2,767,442</u>	<u>-</u>	<u>2,767,442</u>
Assets at fair value	<u>\$ 17,902,902</u>	<u>\$ 2,767,442</u>	<u>\$ -</u>	<u>\$ 20,670,344</u>

Assets at Fair Value as of December 31, 2020

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 14,621,517	\$ -	\$ -	\$ 14,621,517
Fixed Annuities	<u>-</u>	<u>2,282,307</u>	<u>-</u>	<u>2,282,307</u>
Assets at fair value	<u>\$ 14,621,517</u>	<u>\$ 2,282,307</u>	<u>\$ -</u>	<u>\$ 16,903,824</u>

Note 7. BENEFIT-RESPONSIVE INVESTMENT:

The Plan entered into a benefit-responsive investment contract with Empower Retirement. Empower Retirement maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 2, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to benefit-responsive investment. Contract value, as reported to the Plan by Empower Retirement, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than a certain percentage.

ALCAL INDUSTRIES, INC.
401(k) SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 7. BENEFIT-RESPONSIVE INVESTMENT (Continued):

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

As of December 31, 2021 and December 31, 2020, the Plan had \$2,767,442 and \$2,282,307 in the Key Guaranteed Portfolio Fund, a group annuity contract.

Note 8. INCOME TAX STATUS:

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014, that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe that the Plan is qualified and the relate trust is tax-exempt.

Note 9. PLAN TERMINATION:

Although it has not expressed any intent to do so, the plan sponsor may, at its sole discretion, terminate the Plan in whole or in part at any time. In the event of termination, each participant's account balance will be 100% vested.

Note 10. RELATED PARTY TRANSACTIONS:

Certain plan investments are shares of mutual funds managed by various brokerage houses and investment transactions are executed by Empower Retirement. Empower Retirement is the products and services offered by Great-West Trust Company, the trustee as defined by the Plan. Fees paid by the Plan for the investment management services amounted to \$75,979 for the year ended December 31, 2021. These transactions qualify as party-in-interest transactions, which are exempt from the ERISA, prohibited transaction rules.

Note 11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:

The following is a reconciliation of the increase in net assets per the financial statements to Form 5500 for the year ended December 31, 2021:

Increase in net assets per the financial statements	\$ 3,780,749
Employee contributions refundable as of December 31, 2020	<u>(21,482)</u>
Increase in net assets available per the Form 5500	<u><u>\$ 3,759,267</u></u>

ALCAL INDUSTRIES, INC.
401(k) SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 12. C.A.R.E.S ACT PROVISIONS:

The Plan has adopted the following benefit plan provisions of the March 2020 Coronavirus Aid, Relief, and Economic Security Act (CARES Act):

- Added an in-service withdrawal option for coronavirus-related distributions of up to \$100,000. Participants may repay all or a portion of distributions within three years, and repayments will not count towards annual contribution limits. Distributions under this option will not have tax withheld, and for those under 59 ½, will not be subject to a 10% early withdrawal penalty.
- Increase limit on coronavirus -related loans to \$100,000 (from \$50,000) or 100% (from 50%) of the present value of the participant's vested benefit, during a 180-day period from March 27, 2020 through September 30, 2020.
- Waive required minimum distributions otherwise due to be made in 2020.
