INDEPENDENT AUDITOR'S REPORT

Retirement Committee
Adelphoi USA, Inc. 403(b)
Tax Deferred Annuity Plan
Latrobe, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Adelphoi USA, Inc. 403(b) Tax Deferred Annuity Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA (qualified institution).

Management has obtained a certification from the qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by the ERISA

The supplemental schedule, schedule of assets held at end of year, as of December 31, 2021, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.
- The information in the supplemental schedule related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.

ADELPHOI USA, INC. 403(b) TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following brief description of the Adelphoi USA, Inc. 403(b) Tax Deferred Annuity Plan (Plan) provides only general information. Participants should refer to the Plan document or the Summary Plan Description for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution 403(b) plan established for the benefit of the employees of Adelphoi USA, Inc., Adelphoi Village, Inc., and Adelphoi Education, Inc. (collectively, Organization and Plan Sponsor). The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (Code) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was most recently amended effective January 1, 2021.

Eligibility: Employees, who normally work more than 20 hours per week, are eligible to participate in the Plan upon date of hire.

In addition, the Plan includes an automatic enrollment policy. Under the policy, if an employee does not submit an automatic enrollment waiver, he or she will be automatically enrolled in the Plan at a 4% deferral rate. The deferral rate increases 1% per year up to 8%.

Contributions: Eligible employees may contribute pre-tax and after-tax annual compensation as defined in the Plan up to the maximum amount allowed by the Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Organization is required to make a matching contribution equal to 50% of an employee's elective deferral contribution up to a maximum of 4% of an employee's annual compensation (Note 10). In addition, the Organization may make discretionary matching and non-elective contributions. There were no discretionary employer matching or non-elective contributions made to the Plan during the year ended December 31, 2021. Participants may also roll over amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to certain limitations.

Participant accounts: Each participant account is (a) credited with the participant's contributions, (b) credited with the Plan Sponsor's contributions, (c) credited (reduced) with an allocation of investment income (loss) and appreciation (depreciation) in the fair value of investments, (d) reduced by the participant's withdrawals, and (e) reduced by administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Allocations to individual participant accounts are based upon unit values at specified valuation dates.

Vesting: Participants are immediately vested in their contributions and rollover contributions as defined by the Plan document plus actual earnings thereon. Vesting in the Organization's matching and discretionary non-elective contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Prior to normal retirement age, a participant is 100 percent vested after two years of credited service, as defined in the Plan document. Additionally, participants become fully vested, regardless of the vesting schedule, upon attainment of normal retirement age, disability, death, or termination of the Plan.

Notes receivable from participants: A participant may borrow from his or her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of his or her vested account balance. Loans terms may not exceed five years unless the loan is for the purchase of a principal residence where the Plan Administrator may permit a longer repayment term not to exceed fifteen years. Loans are collateralized by the participant's vested account balance. Participants may only have one loan outstanding at a time. Interest rates are equal to 2% over the prime rate on the first day of the month in which the loan is requested. The interest rate on outstanding loan balances ranges from 5.25% to 7.50% as of December 31, 2021. Principal and interest are paid through payroll deductions. During 2020, the Plan authorized supplemental changes established by the Coronavirus Aid, Relief, and Economic Security (CARES) Act. These supplemental changes established coronavirus-related loans for eligible participants for loans made between March 27, 2020, and September 23, 2020, whereby eligible participants could borrow up to the lesser of 100% of their vested account balance or \$100,000 during

ADELPHOI USA, INC. 403(b) TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

this period. Additionally, the supplemental changes allow special loan repayment provisions for eligible individuals whereby loan repayments due between March 27, 2020, and December 31, 2020, may be suspended for up to one year.

Payment of benefits: Upon termination of service due to death, disability, retirement, or other reason, a participant may elect to receive a lump-sum distribution or installments of his or her vested account balance. The Plan Sponsor may initiate an immediate cash-out of benefits (mandatory distribution) for those terminated participants whose vested account balance is \$1,000 or less. During 2020, the Plan authorized supplemental rules established by the CARES Act which allows coronavirus-related distributions for eligible participants up to \$100,000 through December 31, 2020. Eligible participants can elect to repay all or part of a coronavirus-related distribution up to three years after the date the distribution was received by the eligible participant. Additionally, the Plan authorized the supplemental provisions made available by the CARES Act relating to required minimum distributions. The supplemental provisions suspend calendar year 2020 required minimum distribution payments and 2019 required minimum distributions that were due to be paid by April 1, 2020.

Forfeited accounts: Forfeiture of non-vested employer matching and non-elective contributions arising from employee terminations and withdrawals may first be used to pay administrative expenses and then to reduce employer contributions, as provided by the Plan document. As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$19,904 and \$1,308, respectively. During the year ended December 31, 2021, \$37,640 of forfeitures were used to reduce employer contributions.

Investment options: Participants are permitted to direct the investment of their account balances into a variety of investment choices as more fully described in the Plan's literature. Participants may change their investment allocations on a daily basis.

Note 2. Significant Accounting Policies

The accounting policies followed by the Plan and the method of applying those policies which materially affect the determination of net assets available for benefits and changes in net assets available for benefits are as follows:

Basis of accounting: The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates: The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets available for Plan benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade date basis. Dividend income from mutual funds is recorded on the ex-dividend date and interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and (losses) on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Payments of benefits: Benefits are recorded when paid.

ADELPHOI USA, INC. 403(b) TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

Administrative expenses: The Plan's administrative expenses are paid by either the Plan or the Plan Sponsor as provided by the Plan document.

Subsequent events: In preparing these financial statements, the Plan evaluated events that occurred through August 25, 2022, the date the financial statements were available to be issued, for potential recognition or disclosure.

Note 3. Information Certified by Custodian

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA for 2021 and 2020. Accordingly, Empower Retirement, a Great-West Life & Annuity Insurance Company and subsidiary, Great-West Trust Company, LLC, (Empower), the Custodian of the Plan, has certified to the completeness and accuracy of all investments reported in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the supplemental Schedule H, Part IV, Line 4i - schedule of assets held at end of year as of December 31, 2021, and the related investment activity reported in the statement of changes in net assets available for benefits for the year ended December 31, 2021.

Note 4. Investments and Fair Value Measurements

Authoritative guidance regarding *Fair Value Measurements* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I measurements) and the lowest priority to unobservable inputs (Level III measurements). The three levels of the fair value hierarchy under the authoritative guidance are described as follows:

Level I Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level II Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

Level III Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are the descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 or 2020:

Mutual funds: Valued at the closing price reported in the active market in which the individual funds are traded.

Fixed annuity: The reported value is reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

ADELPHOI USA, INC. 403(b) TAX DEFERRED ANNUITY PLAN**NOTES TO FINANCIAL STATEMENTS**

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement as of the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Assets at Fair Value as of December 31, 2021				
	Total	Level I	Level II	Level III
Investments in the fair value hierarchy:				
Mutual funds	\$ 25,022,487	\$ 25,022,487	\$ -	\$ -
Fixed annuity	906,194	-	906,194	-
Total assets at fair value	\$ 25,928,681	\$ 25,022,487	\$ 906,194	\$ -

Assets at Fair Value as of December 31, 2020				
	Total	Level I	Level II	Level III
Investments in the fair value hierarchy:				
Mutual funds	\$ 21,461,317	\$ 21,461,317	\$ -	\$ -
Fixed annuity	1,007,898	-	1,007,898	-
Total assets at fair value	\$ 22,469,215	\$ 21,461,317	\$ 1,007,898	\$ -

Transfer Between Levels

For years ended December 31, 2021 and 2020, there were no significant transfers between Levels I and II and no transfers in or out of Level III.

Note 5. Related Party Transactions

Certain Plan investments are shares of mutual funds managed by Empower. Empower is the Custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Fees paid by the Plan for administrative services amounted to \$96,926 for the year ended December 31, 2021. Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officers or employees receive compensation from the Plan. Certain other administrative expenses are paid directly by the Plan Sponsor for which it is not reimbursed.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of the ERISA. In the event of Plan termination, participants would become 100 percent vested in their entire account.

Note 7. Tax Status

The Plan has adopted a 403(b) volume submitter plan sponsored by the Plan's Custodian. The 403(b) volume submitter Plan document has received an opinion letter from the Internal Revenue Service dated March 31, 2017, as to the volume submitter plan's qualified status. Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

ADELPHOI USA, INC. 403(b) TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

U.S. GAAP requires plan management to evaluate tax positions taken by the plan to recognize a tax liability (or asset) if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the appropriate taxing authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally tax returns for years ended December 31, 2018, and thereafter remain subject to examination by the appropriate taxing authorities.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits.

Note 9. Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of the financial statements to the Forms 5500 as of and for the years ended December 31:

	2021	2020
Net assets available for Plan benefits per the financial statements	\$ 26,201,950	\$ 22,746,520
Deemed participant loans	(15,978)	(16,640)
Net assets available for Plan benefits per Schedule H of Forms 5500	\$ 26,185,972	\$ 22,729,880
Net increase in assets available for Plan benefits per the financial statements	\$ 3,455,430	
Interest on deemed participant loans	(417)	
Deemed distributions of participant loans	1,079	
Net income per Schedule H of Form 5500	\$ 3,456,092	

Note 10. Subsequent Event

Effective July 1, 2022, the Plan was amended to increase the matching contribution to be equal to 50% of an employee's elective deferral contribution up to a maximum of 5% of an employee's annual compensation. Also, as part of this amendment, the matching contribution will be increased to 50% of an employee's elective deferral contribution up to a maximum of 6% of an employee's annual compensation on July 1, 2023.
