Independent Auditors' Report

The Board of Directors of MLMIC Deferred Profit Sharing and 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the MLMIC Deferred Profit Sharing and 401(k) (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from a qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**The Board of Directors of
MLMIC Deferred Profit Sharing
and 401(k) Plan**
Page 3

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting as described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule (modified cash basis), other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA

In our opinion:

- The form and content of the supplemental schedule (modified cash basis), other than the information in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule (modified cash basis) related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

The Board of Directors of MLMIC Deferred Profit Sharing and 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits (modified cash basis) of MLMIC Deferred Profit Sharing and 401(k) Plan (the "Plan"), as of December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which were certified by State Street Bank and Trust Company, Transamerica Financial Life Insurance Company, Transamerica Life Insurance Company, and Massachusetts Fidelity Trust Company, the custodians of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the custodians hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained certifications from the custodians as of December 31, 2020, that the information provided to the plan administrator by the custodians is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Basis of Accounting

We draw attention to Note 2 of the financial statement, which describes the basis of accounting. The financial statement is prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statements

The form and content of the information included in the 2020 financial statements (modified cash basis), other than that derived from the information certified by the custodians, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

MLMIC Deferred Profit Sharing and 401(k) Plan

Notes to Financial Statements
(Modified Cash Basis)
December 31, 2021

1. Plan Description

The following description of the MLMIC Deferred Profit Sharing and 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan has two components, a profit sharing plan covering all full-time employees of MLMIC Services, Inc. (the "Company" or "Employer") who have completed one year of service and a voluntary contributory (Code Section 401(k)) feature covering all employees who have completed one month of service and are eighteen years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

In December of 2021, the Plan received a transfer of assets relating to certain participants, which amount to \$9,913,847, from the Fager Amsler Keller & Schoppmann, LLP Deferred Profit Sharing and 401(k) Plan. The Fager Amsler Keller & Schoppmann, LLP Deferred Profit Sharing and 401(k) Plan was merged into the MLMIC Deferred Profit Sharing and 401(k) Plan effective December 15, 2021.

Contributions

Each year, under the 401(k) feature, participants may contribute a percentage or amount deducted from their eligible compensation on a pre-tax or after-tax (Roth) basis, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing contributions from other qualified plans. There is an annual limit as to the amount that can be deducted from compensation that is determined by the Internal Revenue Code ("IRC").

The Employer will make a fully vested matching contribution to each participant's account in the amount of 100% of each dollar a participant defers not to exceed 3% of the participant's eligible compensation and 50% of the amount a participant defers in excess of 3% up to 5% of their eligible compensation. This contribution is intended to satisfy a safe harbor contribution formula permitted by IRC.

During the 2021 plan year the Plan received \$2,591,459 of Employer discretionary profit sharing contributions. The Employer discretionary profit sharing contributions were calculated as nine percent of an employee's eligible compensation. For Plan computation purposes, annual employee earnings may not exceed the dollar limit prescribed by law.

Vesting

Vesting in the Employer's profit sharing contributions plus earnings occurs ratably with employees being fully vested after five years of service. Participants are 100% vested in their salary reduction contributions, Employer safe-harbor matching contributions plus account earnings thereon at all times

1. Plan Description (*continued*)

Forfeitures

All forfeitures are used to pay administrative fees and recordkeeping expenses incurred as a result of offering this Plan. In any year when forfeitures exceed expenses, the excess may be used to reduce future contributions or reserved to cover future Plan expenses. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$13,021 and \$207. In 2021, administrative expenses were reduced by \$47 and no Employer contributions were reduced by from forfeited non-vested accounts.

Plan Credit Account

The Plan and Transamerica Retirement Solutions, LLC have entered into a revenue sharing arrangement whereby a portion of the revenue earned by the trustee from certain funds is passed through to the Plan for payment of permitted plan expenses. In order for the Plan to receive credits as a result of this arrangement, and to use this credit to pay Plan expenses, the Company created the Plan Credit Account under the Plan. The Plan Credit Account is a nonparticipant directed account within the Plan, and is used to record the redistribution of Plan-generated fund revenue that exceeds the costs associated with plan administration. The Plan Credit Account balance was \$0 at December 31, 2021 and 2020. In 2021, Plan expenses were not reduced from the Plan Credit Account.

Notes Receivable from Participants

Loans of up to 50 percent of a participant's vested account balance that are not less than \$1,000 or no more than \$50,000, are permitted subject to the approval of a loan application. Participants may not have more than three loans outstanding at any time and no more than two loans (three, if a loan was repaid during the year) may be requested in any given year. Loans bear interest at the rate of prime plus one percent set as of the first day of each calendar quarter. Loans are repaid through payroll deductions over a period of between one and five years, unless the loan was made to acquire a primary residence, in which case the loan can be repaid over a thirty-year period. Loans may not be prepaid prior to the lapse of one year.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of: (a) Employer contributions and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. All investments are participant directed.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either: (1) a lump-sum payment, (2) one or more payments within one year, (3) installment payments, or (4) to purchase an annuity contract. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Withdrawals are permissible for certain financial hardships.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accounts of the Plan are maintained, and the accompanying financial statements have been prepared, on the modified cash basis; investment income is recognized when received and disbursements are recognized when made, except for investments and investment income which are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in conformity with generally accepted accounting principles in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Investment Valuation and Income Recognition

All the Plan's investments are stated at fair value except for the guaranteed investment contract, which is stated at contract value since it is fully benefit-responsive. The guaranteed investment contract is valued at contract value, which equals deposits made, plus interest credited, less any withdrawals and expenses. Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily net asset value and to transact at that price. The mutual funds are deemed to be actively traded.

Personal choice retirement accounts are considered to be self-directed accounts and are valued at the closing price reported in the active market in which the individual investment is traded. The personal choice retirement accounts consist of: common stocks, mutual funds, exchange traded funds, and money market funds. Included in other on the statement of net assets available for benefits is the Secure Path 2025, which is a variable annuity fund that is valued based on the value reported to the Plan by the insurance company, which represents the approximate fair value of the underlying investments.

2. Summary of Significant Accounting Policies (*continued*)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded when received. Net appreciation in value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Administrative expenses consist of expenses associated with administering loans, distributions to participants, personal choice retirement account and participant account charges. All other expenses associated with administering the Plan are paid by the Employer. Investment related expenses are included in net appreciation in value of investments.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is August 18, 2022.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) (modified cash basis) including investments and notes receivable from participants held at December 31, 2021 and 2020, and the net appreciation in value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by State Street Bank and Trust Company ("State Street"), Transamerica Financial Life Insurance Company ("TFLIC"), and Transamerica Life Insurance Company ("TLIC"), qualified institutions. In addition, Massachusetts Fidelity Trust Company, a qualified institution, certified certain investments held at December 31, 2020.

4. Investments

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2021		
	Level 1	Level 2	Total
Mutual funds	\$ 162,620,119	\$ -	\$ 162,620,119
Self directed brokerage accounts	5,210,602	-	5,210,602
Other	-	537,541	537,541
	<u>\$ 167,830,721</u>	<u>\$ 537,541</u>	<u>\$ 168,368,262</u>

	2020		
	Level 1	Level 2	Total
Mutual funds	\$ 140,350,345	\$ -	\$ 140,350,345
Self directed brokerage accounts	4,250,100	-	4,250,100
Other	-	433,703	433,703
	<u>\$ 144,600,445</u>	<u>\$ 433,703</u>	<u>\$ 145,034,148</u>

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

Investments at contract value amounted to \$41,342,364 and \$47,449,726 at December 31, 2021 and 2020.

5. Transamerica Guaranteed Investment Option

The Transamerica Guaranteed Investment Option ("GIO") is provided under a group annuity contract issued by TLIC. The GIO is part of the general assets of TLIC. Participant elected withdrawals are generally paid at contract value. The GIO is fully benefit-responsive and, therefore, is stated at contract value on the statements of net assets available for benefits. A participant may elect to withdraw all or a portion of their balance in the GIO at contract value without a market value adjustment or surrender charge for any of the following reasons: disability, death, retirement or severance from employment, hardship, compliance with a qualified domestic relations order, attainment of at least age 59 ½, in-service withdrawals from the Plan, loans, transfer to a non-competing fund subject to a 90 day equity wash, unforeseen emergency, and the purchase of an annuity from TLIC.

The credit risk of TLIC was evaluated by nationally recognized statistical rating agencies as follows: A.M. Best Company (A since October 2021), Moody's Investors Service (A1 since April of 2022), Standard and Poor's (A+ since March of 2021).

6. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. Upon termination, all amounts credited to participant accounts become 100% vested. At that time the Company shall direct that benefits be distributed in any manner permitted by the Plan as soon as practicable.

7. Party-in-Interest Transactions

Transamerica Retirement Solutions, LLC is the record-keeper for the Plan.

Certain investments of the Plan are managed by TFLIC, TLIC and State Street, custodians. Therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statement of net assets available for benefits.

8. Tax Status

The Internal Revenue Service ("IRS") has determined and informed the prototype document preparer by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by the taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

9. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Risk and Uncertainties (*continued*)

The global economic uncertainty associated with the COVID-19 pandemic has resulted in significant volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.
