Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Participants and Beneficiaries
of the Porky Products, Inc. Employees' Profit Sharing and Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Porky Products, Inc. Employees' Profit Sharing and Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note B[1].
- the information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

"EisnerAmper" is the brand name under which EisnerAmper LLP and Eisner Advisory Group LLC provide professional services. EisnerAmper LLP and Eisner Advisory Group LLC are independently owned firms that practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. EisnerAmper LLP is a licensed CPA firm that provides attest services, and Eisner Advisory Group LLC and its subsidiary entities provide tax and business consulting services. Eisner Advisory Group LLC and its subsidiary entities are not licensed CPA firms.

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note B[1] of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note B[1], and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) (modified cash basis) (the “supplemental schedule”) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 2, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PORKY PRODUCTS, INC. EMPLOYEES' PROFIT SHARING AND SAVINGS PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE A - DESCRIPTION OF THE PLAN

The following description of Porky Products, Inc. Employees' Profit Sharing and Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

[1] General:

The Plan, established on December 31, 1964 and restated on October 1, 2012, is a defined contribution plan covering substantially all employees of Porky Products, Inc., Primal Custom Cutting, LLC and Green Tree Foodservice, LLC (collectively, the "Company"). All employees with retirement benefits not covered by a collective-bargaining agreement, who have attained the age of twenty-one with one year and 1,000 hours of service, are eligible to participate in the Plan. An employee's entry date into the Plan is the first day of the Plan year or the first day of the seventh month of the Plan year coinciding with or following the date of eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The trustee and recordkeeper of the Plan was Wells Fargo Bank, N.A through April 16, 2021. Effective April 16, 2021, as a result of the purchase of the institutional retirement and trust business of Wells Fargo Bank, N.A. ("Wells Fargo") by Principal Financial Group, the trustee became Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company, a member of Principal Financial Group ("Principal Trust"). Principal Life Insurance Company became the recordkeeper of the Plan. As a result of the change in trustee and recordkeeper, the Plan's assets were transferred from Wells Fargo to Principal Trust. The transfer of assets was executed on April 16, 2021, in the amount of \$51,928,133, and notes receivable from participant balances in the amount of \$299,120 were transferred in kind.

[2] Contributions:

Participants may contribute a whole percentage or fixed dollar amount of their annual compensation, as defined by the Plan, up to the maximum allowable under the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. In no event may participant contributions exceed any statutory limitations. Participants may also contribute amounts representing distributions from other qualified defined contribution plans.

The Company's matching contributions are equal to 25% of participant salary deferrals up to the first 3% of participant total compensation, as defined, and amounted to a total of approximately \$155,000 for the year ended December 31, 2021.

Each participating employer may also make an additional discretionary profit-sharing contribution to the Plan at the option of the Company's Board of Directors. This discretionary profit-sharing contribution is made on an annual basis. Porky Products, Inc. and Primal Custom Cutting, LLC declared discretionary profit-sharing contributions of approximately \$625,000 during the year ended December 31, 2021, based off wages earned by eligible participants during the year ended December 31, 2020. Green Tree Foodservice, LLC did not declare a discretionary profit-sharing contribution during the year ended December 31, 2021, based off wages earned by eligible participants during the year ended December 31, 2020.

Participants direct the investment of both participant and Company contributions into various investment options offered by the Plan.

[3] Participant accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, (b) Plan earnings (losses), (c) forfeitures of a terminated participant's non-vested accounts, and may be charged with an allocation of administrative expenses paid by the Plan. Allocations are based upon participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

PORKY PRODUCTS, INC. EMPLOYEES' PROFIT SHARING AND SAVINGS PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

[4] Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Participants vest in the Company's matching and discretionary profit-sharing contributions, plus actual earnings thereon, based on the following schedule:

<u>Years of Service</u>	<u>Vesting Requirement</u>
Less than one year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

[5] Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. Interest is charged based on the prevailing prime rate at the inception of the loan plus 1%. Related fees are recorded as administrative expenses and are expensed when they are incurred.

The loans are secured by the balance in the participant's account and all outstanding loans bear interest at an effective rate ranging from 4.25% to 6.50% at December 31, 2021 and 2020. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

[6] Payments of benefits:

Distributions from the Plan are permitted under the following circumstances: (i) attainment of age 59 ½, (ii) termination of employment, and (iii) death or permanent disability. Distributions of a terminated participant's account are made in the form of a lump-sum payment.

[7] Forfeitures:

Forfeited nonvested amounts are allocated to all eligible participants or used to offset employer contributions. During the year ended December 31, 2021, approximately \$19,000 of forfeitures were allocated in accordance with the Plan document. Forfeited nonvested amounts available at December 31, 2021 and 2020 were approximately \$9,000 and \$19,000, respectively.

PORKY PRODUCTS, INC. EMPLOYEES' PROFIT SHARING AND SAVINGS PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of accounting:

The financial statements are prepared on the modified cash basis of accounting. The modified cash basis of accounting is a cash basis that adjusts securities to fair market value and does not provide for accrual for contributions receivables or payables. Interest and dividends are recorded when received.

Investments held by a defined contribution plan are required to be reported at fair value.

[2] Subsequent events:

The Plan has evaluated subsequent events through August 19, 2022, the date the financial statements were available to be issued.

[3] Investment valuation and income recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest and dividends are recorded when received. Net realized/unrealized appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

[4] Payment of benefits:

Benefits are recorded when paid.

[5] Plan expenses:

Administrative expenses are paid by the Plan to the extent not paid by the Company.

[6] Use of estimates:

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits, and changes therein, and when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

NOTE C - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company, as of December 31, 2021 and for the period April 16, 2021 to December 31, 2021, and Wells Fargo Bank, N.A., as of December 31, 2020 and for the period January 1, 2021 to April 16, 2021, have certified to the completeness and accuracy of all investments and related investment activity and notes receivable from participants and related activity in the accompanying statements of net assets available for benefits (modified cash basis) as of December 31, 2021 and 2020, the statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2021 and the accompanying supplemental schedule of assets (held at end of year) (modified cash basis) as of December 31, 2021.

PORKY PRODUCTS, INC. EMPLOYEES' PROFIT SHARING AND SAVINGS PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE D - FAIR VALUE MEASUREMENTS

The Financial Accounting Standard Board's ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

- Shares of registered investment companies are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Shares of common/collective trusts are valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investments for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

PORKY PRODUCTS, INC. EMPLOYEES' PROFIT SHARING AND SAVINGS PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020:

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	<u>\$ 32,402,669</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 32,402,669</u>
Total investment assets in the fair value hierarchy	<u>32,402,669</u>	<u>-</u>	<u>-</u>	<u>32,402,669</u>
Investments measured at net asset value (A/B)				<u>22,639,846</u>
Investments at fair value	<u>\$ 32,402,669</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 55,042,515</u>

	December 31, 2020			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	<u>\$ 28,624,048</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 28,624,048</u>
Total investment assets in the fair value hierarchy	<u>28,624,048</u>	<u>-</u>	<u>-</u>	<u>28,624,048</u>
Investments measured at net asset value (A/B)				<u>18,952,018</u>
Investments at fair value	<u>\$ 28,624,048</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 47,576,066</u>

- (A) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.
- (B) The strategy of these investments is generally embedded in the name of the particular account as shown on the supplemental schedule of assets (held at end of year). The BlackRock S&P 500 Index CIT seeks to approximate the total return of the Standard & Poor's 500 Index by investing in one or more of the underlying collective investment funds maintained by BlackRock that invests in the equity securities that compose the index. The Wells Fargo Core Bond CIT invests principally in investment-grade debt securities, seeking total return consisting of current income and capital appreciation. The Wells Fargo/Dodge & Cox Intermediate Bond CIT invests in a diversified portfolio consisting primarily of high-quality bonds and other fixed-income securities, seeking a high and stable rate of current income, consistent with long-term preservation of capital. The Wells Fargo Stable Return Fund seeks to provide investors with a moderate level of stable income without principal volatility. The Wells Fargo Stable Return Fund also requires 12 months advance written notice from the Plan to initiate a full redemption of the collective investment fund.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

PORKY PRODUCTS, INC. EMPLOYEES' PROFIT SHARING AND SAVINGS PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE E - TAX STATUS

The Plan has adopted a Prototype Standardized Plan sponsored by Wells Fargo Bank, N.A. On March 31, 2014, the Internal Revenue Service ("IRS") stated in an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the IRC and therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

The modified cash basis of accounting requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

NOTE F - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain investments are shares of registered investment companies and common/collective trust funds managed by Wells Fargo Bank, N.A. and Principal Trust, the Plan's trustees. These transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services and participant-initiated transaction fees amounted to approximately \$183,000 for the year ended December 31, 2021, and are included in administrative fees.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2021 may not necessarily be indicative of amounts that could be realized in a current market exchange.

The extent of the impact of the coronavirus ("COVID-19") outbreak on the financial performance of the Plan's investments will depend on future developments, including the duration and spread of the outbreak and related advisories and restrictions and the impact of COVID-19 on the financial markets and the overall economy, all of which are highly uncertain and cannot be predicted. If the financial markets and/or the overall economy are impacted for an extended period, the Plan's investment results may be materially adversely affected.

COVID-19 poses risks to the Company as well, given that such public health epidemics, if sustained, could impact Company employees, customers, supply chain and production in affected regions. Additionally, a prolonged widespread epidemic could adversely impact global economies and financial markets resulting in an economic downturn that may impact demand for the Company's products. Such impacts could adversely affect Company profitability, cash flows, financial results, and the ability to make required Plan contributions. At this point, the extent to which the coronavirus may continue to impact the Company's financial results is uncertain. Both the Company and the Plan have not experienced a materially adverse consequence to operations as a result of the outbreak of COVID-19.

PORKY PRODUCTS, INC. EMPLOYEES' PROFIT SHARING AND SAVINGS PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE H - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participants will become fully vested in their accounts.

NOTE I - MUTUAL FUND FEES

Investments in mutual funds are subject to sales charges in the form of 12b-1 fees. 12b-1 fees are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940. These annual fees are used to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus not separately identifiable as an expense.

NOTE J - SUBSEQUENT EVENTS

On March 14, 2022, the Investment Committee of the Plan terminated the Wells Fargo Stable Return N Fund with Wells Fargo as the Investment Advisor as an available investment option, which is being replaced with the Principal Stable Value Z Fund with Morley Capital Management as the Investment Advisor (the "Fund") effective May 13, 2022. Prior to the effective date of the change, participants were able to change his or her investment direction, however if no affirmative change of investment direction was made by a participant, then the default would have been to the Fund. The Fund seeks to provide preservation of capital and relatively stable returns by investing primarily in a variety of high quality Stable Value Investment Contracts as defined, the performance of which may be predicated on underlying investment grade fixed income securities. The duration of the Fund will not exceed four years and the Fund also requires 12 months advance written notice from the Plan to initiate a full redemption.
