LAURA BAKER SCHOOL ASSOCIATION 401(k) PROFIT SHARING PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Laura Baker School Association 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2021 and the related Statement of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Laura Baker School Association 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Laura Baker School Association 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information. In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Laura Baker School Association 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 3, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Respectfully submitted,

LAURA BAKER SCHOOL ASSOCIATION 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1 DESCRIPTION OF PLAN

The following description of the Laura Baker School Association 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Summary Plan Description or the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a single employer 401(k) defined contribution plan covering substantially all full-time employees of Laura Baker School Association, d.b.a. Laura Baker Services Association (Organization). The Plan was established on July 1, 2004 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and all requirements of Section 401(a) and 401(k) of the Internal Revenue Code.

Plan Administration

The Organization is the Plan Sponsor and Plan Administrator. The Organization contracts with Paychex Retirement Services to assist and advise about plan administrative matters. Paychex Retirement Services is responsible for: executing investment transactions, processing and collecting participant loans, receiving and disbursing rollovers to and from the Plan; maintaining plan records, including participant account information; making disbursements to former participants and for monitoring compliance of the Plan with regulatory requirements. The Organization also contracted with ERISA Fiduciary Services, Inc. to utilize their 3(16) fiduciary services to assist in overseeing the Plan's administration and selecting investment options. Mid Atlantic Trust Company (Custodian) holds the assets of the Plan and provides the Organization with a certified list of the Plan's assets, as well as a detailed transaction register at the end of each Plan year.

Eligibility

For elective deferrals, each employee meeting minimum eligibility requirements is eligible to participate and can begin elective deferrals on the first day of the month immediately following their date of hire. For employer match contributions, each employee meeting minimum eligibility requirements is eligible to participate and can become eligible on the first day of the month following their completion of twelve months of service. During those twelve months, the employee needs to have worked 800 or more hours and needs to be of age eighteen or older.

Automatic Enrollment

Each employee meeting eligibility requirements will be automatically enrolled into the Plan with a deferral percentage of 2% of compensation and the deferrals to be invested in the Plan's default investment alternative, unless the employee advises the Organization otherwise.

Employee Contributions

The Plan includes a salary deferral arrangement allowed under Section 401(k) of the Internal Revenue Code (IRC). Eligible participants are permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax 401(k) contributions to the Plan. Participants are allowed to change their deferral election at any time. Participants 50 and older are eligible to make catch-up contributions.

NOTE 1 DESCRIPTION OF PLAN – Continued

Rollover Contributions

Participants may also contribute amounts from other qualified defined benefit or contribution plans or conduit IRAs.

Employer Matching Contributions

The Organization will contribute a nondiscretionary matching contribution equal to 50% of the employee's wage deferral amount contributed during the Plan year that does not exceed 2% of the employee's compensation received during the Plan year.

Employer Profit Sharing Contributions

Each year, the Organization may elect to contribute a discretionary nonelective contribution to all employee accounts. To receive the employer discretionary nonelective contribution, the employee must have met the eligibility requirements, worked 800 hours in the Plan year, and be employed on the last day of the Plan year. The Organization elected to make discretionary nonelective profit sharing contributions of \$24,711 and \$25,266 for the Plan years ended December 31, 2021 and 2020, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocation of the employer contributions, allocation of plan earnings or losses, allocation of administrative expenses, and charged with plan withdrawals.

The allocation of the employer contributions is based upon a uniform percentage or dollar amount of individual participant wage deferrals each Plan year. Allocation of plan earnings and losses is based on the share of each individual fund in a participant's account to the total of each fund in all participants' accounts. Allocation of administrative expenses is dependent upon the type of expense and is allocated either proportionately based on the value of the account balances or as an equal dollar amount based on the number of participants in the Plan. The benefit to which a participant is entitled is the benefit that can be provided by the participant's account.

Participants direct the investment of their contributions and all employer contributions into various investment options offered by the Plan.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Note terms range up to five years, except for notes to fund the purchase of a principal residence, for which the note may be repaid over a reasonable period that may exceed five years. These notes are secured by the balance in the participant's account and bear a reasonable rate of interest which is determined according to current commercial rates charged on similar loans by persons in the business of lending money, including duly licensed insurance companies issuing contracts funding qualified retirement plans. The participant is limited to two outstanding loans. At December 31, 2021, interest rates on outstanding notes ranged from 4.25% - 6.50%. Principal and interest is paid through payroll deductions.

NOTE 1 DESCRIPTION OF PLAN – Continued

Payment of Benefits

Upon termination of service due to retirement, death or disability, or normal retirement age, a participant may elect to receive either a lump-sum distribution or installment payments subject to the restrictions of the Plan. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan Administrator will authorize the benefit payment without the participant's consent. The Plan allows for in-service distributions upon attainment of age 59½ and hardship distributions subject to Plan provisions.

Vesting

Participants are immediately vested in their elective deferral contributions. Vesting in the employer contributions, plus actual earnings thereon, is based on years of credited service. A participant is 100% vested after two years of credited service. Notwithstanding the above, a participant is fully vested upon reaching normal retirement age, death or permanent disability.

Forfeited Accounts

Forfeited non-vested accounts are used to reduce employer contributions. There were no forfeited non-vested accounts as of December 31, 2021 and 2020. There were \$213 and \$168 of forfeitures used to reduce employer contributions during the years ended December 31, 2021 and 2020, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

The financial statements and related notes are intended to conform with the Department of Labor's rules of Section 2520.103-8 and regulations for reporting and disclosure under The Employee Retirement Income Security Act of 1974. All information required to comply with these laws has been included herein and is in conformity with those laws.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the Custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Investment income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividend income is recorded on the ex-dividend date. Interest is recorded as earned.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan is reclassified as a benefit distribution based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan is sponsored by the Organization. Personnel within the Organization perform various administrative services for the Plan. The payroll and related overhead costs associated with these services are not included in the Plan expenses. The Plan incurred administrative expenses during the 2021 and 2020 Plan years consisting of, investment advisory fees to ERISA Fiduciary Services of \$3,072 and \$2,821, respectively, recordkeeping and other administrative fees to Paychex of \$9,986 and \$8,407, respectively and custodian and other administrative fees to MidAtlantic Trust Company of \$932 and \$860, respectively.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

NOTE 3 INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (UNAUDITED)

In accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Organization has received certifications from the Custodian as to the accuracy and completeness of certain plan financial information. The Independent Auditors have not audited the following information contained in the financial statements and supplemental schedule to the financial statements as it has been certified by the Custodian:

- Investment balances
- Interest and dividend income from investments
- Net appreciation in fair value of investments
- Supplemental Schedule of Assets (Held at End of Year) – December 31, 2021
- Notes receivable from participant balances and interest income

NOTE 4 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: ◆ Quoted prices for similar assets or liabilities in active markets; ◆ Quoted prices for identical or similar assets or liabilities in inactive markets; ◆ Inputs other than quoted prices that are observable for the asset or liability; ◆ Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions may occur daily.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

LAURA BAKER SCHOOL ASSOCIATION 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 4 FAIR VALUE MEASUREMENTS – Continued

Fair value of assets measured on a recurring basis are as follows:

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 1,224,285	\$ -	\$ -	\$ 1,224,285
Collective Trust at NAV	-	-	-	278,632
Investments at Fair Value	<u>\$ 1,224,285</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,502,917</u>

	December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 1,211,435	\$ -	\$ -	\$ 1,211,435
Collective Trust at NAV	-	-	-	301,283
Investments at Fair Value	<u>\$ 1,211,435</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,512,718</u>

Fair Value Measurement and Disclosure (Topic 820): *Investments in Certain Entities that Calculate Net Asset Value Per Share (or its Equivalent)* requires disclosures of certain attributes in entities that calculate a net asset value per share (or its equivalent) and do not have a readily determinable fair value.

The following table sets forth the disclosure of the attributes at December 31, 2021 and 2020:

Investment Type	Fair Value		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	12/31/2021	12/31/2020			
Collective Trust	\$ 278,632	\$ 301,283	N/A	Daily	None

The Plan Administrator determines the fair value measurement policies and procedures, subject to oversight by the Plan's investment committee. Those policies and procedures are reassessed at least annually to determine if the current valuation techniques are still appropriate. At that time, the unobservable inputs used in the fair value measurements are evaluated and adjusted as necessary, based on current market conditions and other third-party information.

NOTE 5 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

LAURA BAKER SCHOOL ASSOCIATION 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 6 PLAN TERMINATION

The Plan Sponsor has the right to discontinue its contributions or terminate the Plan at any time subject to the provisions of ERISA. In the event the Plan is completely terminated, all amounts credited to the affected participants' accounts shall become 100% vested and shall not be subject to forfeiture. All unallocated amounts shall be allocated to the accounts of all participants in accordance with the provisions of the Plan Document.

Upon such termination, the Plan Sponsor will direct the trustee and Plan Administrator either to completely distribute all assets in the trust fund to the participants or continue the trust and distribute benefits in such a manner as though the Plan had not been terminated.

NOTE 7 TAX STATUS

Paychex Retirement Services, the provider of the prototype Plan Document adopted by the Plan effective July 1, 2019, has received an opinion letter in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan is relying on an opinion letter that the prototype plan received from the Internal Revenue Service, that the Plan is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. The prototype plan has been amended since receiving the opinion letter. However, the Plan Administrator believes the prototype plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The Plan Administrator believes the Plan meets the requirements of Section 401(a) of the IRC and is exempt from federal income tax under Section 401(a) of the Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 PARTY-IN-INTEREST TRANSACTIONS

Plan Custodian

The investments are managed by Mid Atlantic Trust Company, the custodian, therefore, these investment transactions qualify as party-in-interest transactions under ERISA. The custodian is not precluded under contract provisions or by ERISA, from executing investment transactions involving assets under the custodian's control.

Fees incurred by the Plan for investment services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing and are charged directly to each participant's account, rather than a direct payment. In addition, as described in Note 2, the Plan made direct payments to Paychex Retirement Services for recordkeeping and other plan expenses which were not covered by revenue sharing and are included in administrative expenses of the Plan.

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The Plan prepares its Form 5500 (Annual Return/Report of Employee Benefit Plan) using the modified accrual basis of accounting whereby it does not record employee or employer contributions receivable. Therefore, the following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2021 and 2020:

	December 31,	
	2021	2020
