Independent Auditor's Report

To the Participants and Plan Administrator of the
Profit Sharing Plan of Liggett Group Inc. for
Bargaining Unit and Hourly Employees:
Mebane, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Profit Sharing Plan of Liggett Group Inc. for Bargaining Unit and Hourly Employees (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Profit Sharing Plan of Liggett Group Inc. for Bargaining Unit and Hourly Employees. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PLAN CHARACTERISTICS

Basis of Presentation

The financial statements of the Profit Sharing Plan of Liggett Group Inc. for Bargaining Unit and Hourly Employees (the "Plan") are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

The Plan

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

The Plan was established as of January 1, 1976 as successor to a plan established on January 1, 1964. The Plan is administered by an Employee Benefits Committee consisting of persons appointed by Liggett Vector Brands LLC's ("Liggett," or the "Company") Board of Directors. Pursuant to Liggett's contract with the Tobacco Workers Union and other unions, effective January 1, 1992, the Company amended and restated the Plan. The amended and restated Plan includes a deferred arrangement under Section 401(k) of the Internal Revenue Code. Participants in the Plan will continue as participants of the amended and restated Plan. The Plan was most recently amended and restated on January 5, 2016, effective January 1, 2016, and further amended on October 12, 2017.

The Plan covers employees subject to various collective bargaining agreements, which expressly provide for participation of bargaining unit members in this Plan. These bargaining unit and hourly employees become participants in the Plan on the next January 1, April 1, July 1 or October 1 following or coincident with the date on which they complete their probationary employee period under the applicable collective bargaining agreement. They cease to be participants upon termination of employment with Liggett and after complete distribution of vested interests in the Plan.

Great-West Financial Retirement Plan Services, LLC ("Great-West Financial"), marketed as Empower Retirement, provides certain administrative services to the Plan pursuant to an Amendment to Master Services Agreement among Great-West Financial, Liggett Group LLC, and the Employee Benefits Committee of Liggett Vector Brands.

Great-West Trust Company, LLC ("Great-West Trust") is the trustee / custodian for the Plan pursuant to an Amendment to the Trust Agreement between Great-West Trust and Liggett Group LLC.

Accordingly, Great-West Trust is the trustee for the Plan and Great-West Financial, doing business as Empower Retirement, is the recordkeeper for the Plan.

Contributions

Each participant of the Plan could elect to defer a portion of their covered compensation not to exceed \$19,500 in both 2021 and 2020. The Plan provides for Company matching of the participant's deferral contributions not to exceed 5% of the participant's Covered Compensation. The Company may also (but is not required to) contribute a discretionary amount based on achievement of Company operating income targets established by the Company's Board of Directors. The Company contribution is limited to the maximum amount permitted by law or regulation as a deduction in the Company's federal income tax return.

**PROFIT SHARING PLAN OF LIGGETT GROUP INC.
FOR BARGAINING UNIT AND HOURLY EMPLOYEES**

NOTES TO FINANCIAL STATEMENTS

The Plan permits additional participant voluntary after-tax contributions of up to 100% of Covered Compensation less the amount of pre-tax Deferral Contributions for the Plan year. Total contributions to a participant's account under the Plan are limited annually to the lesser of \$58,000 for 2021 and \$57,000 for 2020 or 100% of the participant's eligible earnings for the Plan year.

Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Effective January 1, 2022, the Plan was amended and restated to add a Roth 401(k) feature, add an automatic enrollment feature for new employees at a rate of 5% of pre-tax compensation, and permit rollovers for eligible employees who are not yet participants.

Notes Receivable From Participants

The Plan provides for loan arrangements for participants. Upon written application to Empower Retirement a participant may obtain a loan from their participant account that shall not exceed the lesser of one half of the value of the vested portion of the participant's account or \$50,000 reduced by the highest outstanding balance of any prior loan from the Plan during the previous one year period. Loan terms shall not exceed five years except for loans used to acquire a principal residence which shall not exceed a period of 15 years. The loans are collateralized by the related portions of the participants' accounts and bear interest at a rate of one percent above the prime rate, as published by the *Wall Street Journal*. Principal and interest is paid ratably through periodic payroll deductions.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Participant Accounts

Company contributions, other than matching contributions, and amounts forfeited by terminated participants are allocated to participants in the same ratio as each participant's compensation for the year, as defined in the Plan (limited to \$290,000 for 2021 and \$285,000 for 2020), bears to total compensation for the year for all participants. In addition to participants actively employed on the last day of the Plan year, participants whose employment was terminated during the Plan year by reason of retirement, disability, death, or transfer to an affiliated company or to a salaried position and still employed at year-end, are eligible for such allocation. Company matching contributions are allocated to participant accounts based on the participant's contribution. The participant's benefit is limited to the participant's vested balance in the Plan.

**PROFIT SHARING PLAN OF LIGGETT GROUP INC.
FOR BARGAINING UNIT AND HOURLY EMPLOYEES**

NOTES TO FINANCIAL STATEMENTS

Vesting

Benefits from Company contributions vest at 20% per year and are fully vested after five (5) years of vesting service. Any nonvested portion of an active participant's Company contribution account becomes fully vested when the participant retires, dies, becomes 65 years of age, becomes disabled or terminates for the convenience of the Company. Generally, if an active participant otherwise voluntarily terminates employment with the Company, the nonvested portion of his Company contribution account may be used by the Company to restore forfeitures reinstated, to reduce employer matching contributions, or to correct any errors in the adjustment of participant accounts. Voluntary contributions by active participants are 100% vested.

Payment of Benefits

Upon termination of service, a participant generally may elect to receive a lump-sum amount equal to the value of his or her account, a partial lump-sum, deferred lump-sum, installment payments, or a direct rollover. Benefits are recorded when paid. Effective March 22, 2021, the Plan was amended to automatically distribute lump sum payments in the amount of \$5,000 or less.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$8,166 and \$5,250, respectively. These accounts will be used to reduce future employer contributions.

Administrative Costs

Liggett personnel and facilities are used by the Plan for accounting and other activities at no charge to the Plan. The Plan pays for eligible trustee and other administrative expenses as permitted under ERISA guidelines. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

Statements of Changes in Net Assets Available for Plan Benefits

The Plan presents in the statements of changes in net assets available for plan benefits the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

SECURE Act and CARES Act

On December 20, 2019, the Setting Every Community Up for Retirement Enhancement (“SECURE”) Act was passed, and most provisions in the law became effective on January 1, 2020. The SECURE Act implements key retirement legislation reform for plan sponsors and individuals. These provisions did not have a material impact on the financial obligations under the Plan.

In response to the COVID-19 global pandemic, on March 27, 2020 the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act was enacted and signed into law. Certain provisions of the CARES Act impact the operation of retirement plans during 2021 and 2020. These provisions did not have a material impact on the financial obligations under the Plan.

2. INVESTMENTS

Investments are reported at fair value as determined by the trustee. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s Investment Committee determines the Plan’s valuation policies utilizing information provided by the investment advisers and custodian. If available, quoted market prices are used to value investments. All investment transactions (purchases and sales of securities) are recorded by the Plan as of the trade date. Gains or losses on sale of investments were determined by the specific identification method. Interest income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date.

Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**PROFIT SHARING PLAN OF LIGGETT GROUP INC.
FOR BARGAINING UNIT AND HOURLY EMPLOYEES**

NOTES TO FINANCIAL STATEMENTS

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The categorization of an investment within the fair value hierarchy is based upon the pricing transparency of the investment and does not necessarily correspond to Plan management's perceived risk of that investment.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. While Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

3. DATA CERTIFIED BY THE PLAN'S TRUSTEE

The Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, plan management instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Great-West Trust Company, LLC, the trustee of the Plan, as complete and accurate, except for comparing such information certified by the trustee with information included in the Plan's financial statements and supplemental schedule:

Investments held and participant loans receivable certified by trustee:

	<i>As of December 31,</i>	
	<i>2021</i>	<i>2020</i>

American Century Value-R6	1,836,899	8%	-	-
American Century Value-R5	-	-	1,746,020	8%

During the years ended December 31, 2021 and 2020, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$821,212 and \$1,935,824, respectively.

4. INCOME TAXES

The Plan was established as a plan exempt from income tax pursuant to Sections 401(a) and 501(a) of the Internal Revenue Code ("IRC"). The Plan was most recently amended and restated on January 5, 2016, effective January 1, 2016, and further amended on October 12, 2017. The Plan received an updated Determination Letter from the IRS on August 29, 2017. The plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the IRC.

**PROFIT SHARING PLAN OF LIGGETT GROUP INC.
FOR BARGAINING UNIT AND HOURLY EMPLOYEES**

NOTES TO FINANCIAL STATEMENTS

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Great-West Trust Company, LLC is the trustee as defined by the Plan and Great-West Financial, doing business as Empower Retirement, is the recordkeeper as defined by the Plan, and, therefore, plan assets used to pay Empower Retirement and Great West Trust Company, LLC fees qualify as exempt party in interest transactions. Fees incurred by the Plan for recordkeeping and trustee services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Effective January 1, 2022, the Plan was amended and restated to change the method of accounting for Plan recordkeeping fees. The Plan Sponsor pays directly any other fees related to the Plan's operations except where otherwise indicated to Plan participants. Notes receivable from participants are also considered exempt party in interest transactions.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

7. CONCENTRATION OF CREDIT RISK

Financial instruments which potentially subject the Plan to concentrations of credit risk consist principally of investment contracts with insurance and other financial institutions. The Plan has no formal policy requiring collateral to support the financial instruments subject to credit risk. The Plan includes various investments in any combination of mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statements of changes in net assets available for plan benefits.
