INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
Avid Bioservices, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Avid Bioservices, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("Qualified Institution").

Management has obtained a certification from a Qualified Institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“U.S. GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 Financial Statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 9, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

AVID BIOSERVICES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2021 and 2020 and
For The Year Ended December 31, 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Avid Bioservices, Inc. 401(k) Plan (the "Plan") provides only general information about the Plan. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General

The Plan was adopted on January 1, 1997 to qualify as a defined contribution retirement plan for the eligible employees of Avid Bioservices, Inc. (the "Company"). The Plan was established for the purpose of providing retirement benefits to eligible employees of the Company. The Plan is intended to satisfy the provisions of Section 401(k) of the Internal Revenue Code ("IRC") of 1986, as amended. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan has been amended with an effective date of January 1, 2019.

On March 27, 2020, Congress passed the Coronavirus, Aid, Relief, and Economic Security ("CARES") Act which is intended to provide economic relief to retirement plan sponsors and participants in the midst of the global COVID-19 pandemic. Under the CARES Act, sponsors were permitted to make changes to plan provisions impacting participant loans and distributions. In 2020, the Plan adopted certain of the CARES Act provisions which allow certain eligible participants to (i) receive coronavirus-related distributions; (ii) temporarily borrow a maximum of \$100,000; and (iii) suspend loan payments for up to one year. The Plan was not formally amended to conform these Plan changes.

Plan Administration

The Company is the Plan's sponsor and administrator, and is responsible for the day-to-day administration and operation of the Plan. The Plan's trustee and custodian are Reliance Trust Company. Reliance Trust Company is referred to as the "Custodian."

Eligibility

Employees are eligible to enter the Plan coincident with or immediately following the completion of 90 days of service and the attainment of age 21.

NOTE 1 - DESCRIPTION OF PLAN, continued

Contributions

Each participant may elect to contribute a prescribed percentage of his or her compensation to the Plan, subject to certain IRC limitations, up to a maximum amount of \$19,500 for the 2021 plan year. All or part of the deferral contribution may be designated by the participant as a Roth Deferral (after-tax) contribution. The Plan provides for an automatic deferral of 3% of compensation for employees that become eligible on or after September 1, 2016, unless the employee selects an alternative deferral amount or elects not to defer under the Plan. The Plan also provides for an automatic 1% annual increase in the deferral rate (up to a maximum of 6% of eligible compensation) for all participants who have been automatically enrolled in the Plan, unless the participant affirmatively elects otherwise. The deferral rate automatically increases on May 1 in the second plan year following the year in which the automatic deferral election first becomes effective.

Eligible employees who are age 50 or older are eligible to make additional catch-up contributions. For 2021, the limit on catch-up contributions was \$6,500. Participants may also rollover amounts representing distributions from other qualified plans.

The Company currently matches 50% of the first 6% of the salary contributed by each participant for each payroll period. During 2021, the Company's matching contributions to the Plan totaled \$569,390.

The Plan also permits the Company to make discretionary employer contributions to participants' accounts. The discretionary employer contributions are allocated to participants in the same ratio as each participant's compensation bears to the total compensation of all participants for the Plan year. For the year ended December 31, 2021, there were no discretionary employer contributions made to the Plan.

NOTE 1 - DESCRIPTION OF PLAN, continued

Payment of Benefits

Upon termination of service including death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account. These payments may be paid in a lump sum payment or paid in installments over time.

For participants still employed by the Company and under age 59½, a withdrawal from the participant's account may be permitted if the participant has a financial hardship for certain specific reasons as defined in the Plan document. However, such hardship distributions are subject to a 10% excise tax in addition to being taxable to the participant. There were three hardship withdrawals during the year ended December 31, 2021, totaling \$17,591.

Vesting

Participants are fully vested in their contributions and the earnings thereon. Vesting in employer discretionary matching and other employer contributions is based on years of continuous service.

Participants vest in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	33%
2	33%
3 or more	100%

Forfeited Amounts

Forfeited amounts from terminating participants' non-vested accounts may first be used to pay any Plan expenses, and then to reduce employer contributions for the Plan year in which the forfeiture occurs. During the year ended December 31, 2021, the Plan used forfeitures totaling \$59,750 to reduce employer matching contributions. At December 31, 2021, and 2020, there were forfeited non-vested amounts held by the Plan of \$36,752 and \$19,978, respectively.

NOTES TO FINANCIAL STATEMENTS

**As of December 31, 2021 and 2020 and
For The Year Ended December 31, 2021**

NOTE 1 - DESCRIPTION OF PLAN, continued

Participants' Accounts and Investment Options

Individual accounts are maintained for each of the Plan's participants to reflect each participant's contributions and related employer contributions, as well as each participant's share of the Plan's income and any related administrative expenses. Allocations of the Plan income and expenses are based on the proportion that each participant's account balance has to the total of all participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contributions made on behalf of the participants are invested in various funds according to participant elections. Participant contributions must be allocated among the available funds in whole percentages. Participants may change their investment allocations at any time directly with the Custodian via telephone or Internet access.

Participant Loans

Participants may borrow from their accounts up to a maximum of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and must be repaid at a fixed interest rate which is commensurate with local prevailing rates. Loans must be repaid within five years unless the loan was for the purchase of a principal residence; in this case, the repayment period may be extended.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

**As of December 31, 2021 and 2020 and
For The Year Ended December 31, 2021**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Investment Valuation

Investments are reported at fair value (except for the guaranteed investment contract, which is valued at contract value) (see Notes 3 and 4). Net appreciation or depreciation in the fair value of investments for the period is reflected in the accompanying statement of changes in net assets available for benefits. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

Promissory Notes from Participants

Promissory notes from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021, and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. During the year ended December 31, 2021, there were no participant loans that became deemed taxable distributions.

Payment of Benefits

Benefits are recorded when paid. Participants terminating employment are entitled to a distribution of their vested portion of accrued benefits.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company; no such officer or employee receives compensation from the Plan for these services. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. During the year ended December 31, 2021, the Plan incurred administrative expenses totaling \$81,364. Fees related to the administration of promissory notes from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in the net appreciation in fair value of investments.

NOTE 3 - FAIR VALUE MEASUREMENTS

ASC Topic 820, *Fair Value Measurements* (“ASC 820”) defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal, or in the absence of a principal market, the most advantageous market for the asset or liability, in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy that requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs in priority that may be used to measure fair value:

Level 1—Quoted prices in active markets for identical assets or liabilities;

Level 2—Observable inputs other than quoted prices included within Level 1, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; inputs other than quoted prices that are observable for the asset or liability (such as interest rates and yield curves, credit risks, and default rates) or other inputs that are principally derived from or corroborated by observable market data by correlation or by other means; and

Level 3—Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such investments pursuant to the valuation hierarchy.

Mutual Funds

Investments in mutual funds are stated at fair value as determined by quoted market prices based on the net asset value (“NAV”) of shares held by the Plan at year-end. The Plan’s mutual funds are classified as Level 1 investments.

Common Collective Trusts

Investments in common collective trusts are valued based on the NAV reported by the trustee of the funds, which is based on the value of the underlying assets owned by the fund, minus its liabilities and then divided by the number of shares outstanding. The NAV is used as a practical expedient to estimate fair value. The redemption frequency of the common collective trusts is daily, and there are no redemption restrictions.

NOTES TO FINANCIAL STATEMENTS

**As of December 31, 2021 and 2020 and
For The Year Ended December 31, 2021**

NOTE 3 - FAIR VALUE MEASUREMENTS, continued

As of December 31, 2021, and 2020 the Plan's investments measured at fair value on a recurring basis were as follows:

	December 31, 2021			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	\$ <u>11,664,395</u>	\$ <u>-</u>	\$ <u>-</u>	\$11,664,395
Common collective trusts, at net asset value*				<u>11,924,665</u>
				<u>\$23,589,060</u>

	December 31, 2020			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	\$ <u>9,410,691</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 9,410,691
Common collective trusts, at net asset value*				<u>9,669,974</u>
				<u>\$19,080,665</u>

* In accordance with Accounting Standards Update ("ASU") 2015-07, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the fair value of the Plan's assets at the end of each respective period.

NOTES TO FINANCIAL STATEMENTS

**As of December 31, 2021 and 2020 and
For The Year Ended December 31, 2021**

NOTE 4 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

In September 2016, the Plan entered into a benefit-responsive investment contract with MassMutual Retirement Services Core Bond Separate Investment Account (the “SAGIC”). The SAGIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

The contract is included in the financial statements at contract value as reported to the Plan by the SAGIC. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified rate of interest that is guaranteed to the Plan.

Because the separate account guaranteed investment contract is fully benefit-responsive, the contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The average crediting interest rate is calculated by dividing the annual interest credited to the participants during the plan year by the average annual fair value of the investment. The separate account guaranteed investment contract does not allow the crediting interest rate to fall below zero percent. The average crediting interest rate at December 31, 2021 and 2020 was 1.68% and 2.03%, respectively. The average yield credited to participants was 1.68% during the year ended December 31, 2021. The contract value of the SAGIC was \$2,811,254 and \$2,430,064 at December 31, 2021 and 2020, respectively.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) complete or partial termination of the Plan, (2) the establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs. The guaranteed investment contract does not permit the insurance company to terminate the agreement unless the Plan is not in compliance with the investment agreement. The plan administrator does not believe that any events have occurred which would limit the Plan’s ability to transact at contract value with participants are probable of occurring.

NOTES TO FINANCIAL STATEMENTS

**As of December 31, 2021 and 2020 and
For The Year Ended December 31, 2021**

NOTE 5 - TAX STATUS

Effective September 1, 2016, the Plan adopted a Volume Submitter Plan with CODA (“Volume Submitter Plan”) sponsored by Massachusetts Mutual Life Insurance Company (“MassMutual”). The Volume Submitter Plan obtained its latest determination letter on March 31, 2014, in which the IRS stated that the Volume Submitter Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has not requested its own determination letter from the IRS. The plan administrator believes that the Plan is currently designed and being operated in all material respects in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes the Plan is qualified and the related trust is tax exempt. Continued qualification is dependent on the Plan’s future operations.

In accordance with U.S. GAAP, the plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain income tax position that is more-likely-than not to be sustained upon audit by the IRS. An uncertain income tax position will not be recognized if it has less than a 50% likelihood of being sustained. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, and 2020, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability (or asset) or disclosure in the financial statements. The plan administrator does not foresee material changes to the gross uncertain income tax position liability (or asset) of the Plan within the next twelve months.

The Plan is subject to routine audits by the IRS, however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan agreement to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their account balances.

NOTES TO FINANCIAL STATEMENTS

**As of December 31, 2021 and 2020 and

NOTE 7 - SUMMARY OF UNAUDITED INFORMATION

The plan administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified that the following data in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2021, and 2020;
- Total investment income as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021;
- The fair value of the Plan's investments as of December 31, 2021, and 2020, as disclosed in Note 3;
- The contract value of the Plan's investment in the SAGIC as of December 31, 2021 and 2020, as disclosed in Note 4; and
- Schedule I: Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, except promissory notes from participants of \$257,295.

NOTE 8 - RELATED PARTY TRANSACTIONS

The Plan has certain investments that are managed by MassMutual. On December 31, 2020, Empower Retirement acquired the Retirement Business of MassMutual. Great-West Life & Annuity Insurance Company, an affiliate of Empower Retirement, served as the Plan's administrator during the year ended December 31, 2021. Fees paid to Great-West Life & Annuity Insurance Company during the year ended December 31, 2021 amounted to \$23,046. In addition, the Plan has promissory notes from its participants. These transactions are considered to be exempt party-in-interest transactions under the DOL's rules and regulations.

NOTES TO FINANCIAL STATEMENTS

**As of December 31, 2021 and 2020 and
For The Year Ended December 31, 2021**

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan provides for investments in any combination of investments with different investment strategies. These investment funds are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 10 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 29, 2022, the date of issuance of these financial statements, and has determined that there were no events requiring recognition or disclosure in the accompanying financial statements.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.
