Workforce Solutions, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Workforce Solutions, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Workforce Solutions, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Workforce Solutions, LLC 401(k) Plan's ability to continue as a going concern for one year after July 29, 2022.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Workforce Solutions, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Workforce Solutions, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified in the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i - schedule of assets held for investment purposes as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such

information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the information in the supplemental schedule, other than the information agreed to or is derived from the certified investment information, is presented, including the form and content, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material aspects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Workforce Solutions, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information was presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WORKFORCE SOLUTIONS, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

NOTE 1: DESCRIPTION OF PLAN

The following description of the Workforce Solutions, LLC (Company) 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a prototype defined contribution plan covering all employees of goVirtual Office, LLC, MBE CPAs, LLP, MBE Wealth Management, LLC, Moy Investments, LLC, MR Klemm Investments, LLC, Payroll Solutions, LLC, Real Estate Management Solutions, LLC, Vinopal Investments, LLC, RWEBER Investments, LLC, JRW Enterprises, LLC, Practice Continuation, RTE, SITAN, GDE Investments, and DTEG6907, LLC who have completed one year of service and who are twenty-one years of age or older. It is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA).

Contributions - Each year, participants may contribute up to 100% of their annual compensation in the form of salary reductions. Maximum participant contributions for 2021 and 2020 were \$19,500 and \$19,500, respectively. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan allows for a safe harbor provision whereby the Company will contribute 100 percent of the first 3 percent of plan compensation that a participant contributes to the plan. The Company will also contribute 50 percent of the next 2 percent of plan compensation that a participant contributes to the plan. Each year, the company may also make a discretionary contribution equal to a percentage of the participant's contribution. No discretionary contributions were made by the Company in 2021 or 2020.

Participant accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) Plan earnings and is reduced by an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their individual contributions plus actual earnings thereon. They are also immediately vested in the safe harbor non-elective contribution portion of their account plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service. A participant also becomes 100% vested upon death, disability, or attainment of normal retirement age.

WORKFORCE SOLUTIONS, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

NOTE 1: DESCRIPTION OF PLAN - CONTINUED

Notes receivable from participants - The plan document includes provisions authorizing loans from the Plan to active eligible participants. The minimum amount of the loan shall be \$1,000. The maximum amount of a participant's loan is determined by the available loan balance restricted to the lesser of \$50,000 or one half of the value of the participant's vested account balance (as of the valuation date immediately preceding the date on which such loan is approved), whichever is less.

All loans are secured by the pledge of the participant's vested account balance, not to exceed the balance of the loans, and are repayable over a period not to exceed five years (except for loans for the purchase of a principle residence) through payroll withholdings unless the participant is paying the loan in full. Notes receivable bear interest at a rate of 4.25 – 6.50 percent, which is commensurate with local prevailing rates as determined by the plan administrator.

Notes receivable from participants are measured at their unpaid principle balance. If a participant terminates employment, the loan is immediately due. A loan is considered to be in default if a participant fails to make all or any part of a required loan repayment by the end of the calendar quarter following the quarter in which such payment was due. Outstanding loan balances in default will be treated as outstanding for purposes of determining any future loan amounts. In the event of default, the outstanding balance of the loan, including accrued interest, will be treated as a deemed distribution subject to federal income tax.

Payment of benefits - On termination of service due to death, disability or retirement, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In-service distributions are also allowed if the participant has reached age 59½. If a participant ceases to be an employee of the Company and his or her account balance is less than \$5,000, the entire vested account balance may be payable to the participant or his or her beneficiaries in a single lump-sum payment. Participant balances in excess of \$5,000 may remain in the Plan until such time the participant elects to receive a distribution. A participant may elect to receive a lump-sum amount or a rollover.

Forfeitures - Participants who terminate their employment and are less than 100% vested in their employer account will forfeit the non-vested portion. Forfeitures are retained in the Plan and used to reduce future Plan administration fees or employer matching contributions. During 2021 and 2020, there were no forfeitures. The forfeited non-vested account balance totaled \$70 and \$69 at December 31, 2021 and 2020, respectively.

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

NOTE 1: DESCRIPTION OF PLAN - CONTINUED

Investment options - Upon enrollment in the Plan, a participant may direct contributions in various account options. In 2021 and 2020, participants could choose from a fixed annuity or various mutual funds offered by Great-West Trust Company, LLC.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of accounting - The Plan's financial statements are presented on the accrual basis of accounting.

Use of estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and revenues and expenses during the reporting period. Actual results may differ from those estimates.

Valuation of investments and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 9 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Payment of benefits - Benefit payments to participants are recorded upon distribution.

Subsequent events - The Plan has evaluated subsequent events through August 15, 2022, which is the date the financial statements were available to be issued.

NOTE 3: PARTY-IN INTEREST TRANSACTIONS

The Plan incurs investment advisory fees and investment management fees that are paid to MBE Wealth Management, LLC. MBE Wealth Management, LLC is a participating employer in the Plan and, therefore, these transactions qualify as related party and party-in interest transactions. Fees paid to MBE Wealth Management, LLC amounted to \$28,001 and \$20,301 for the years ended December 31, 2021 and 2020, respectively. These party-in interest transactions are exempt from the prohibited transactions rules of ERISA.

WORKFORCE SOLUTIONS, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

NOTE 3: PARTY-IN INTEREST TRANSACTIONS - CONTINUED

The Plan incurs expenses related to general administration and record keeping. The Plan pays for certain investment and distribution fees, but the Plan's sponsor pays the remaining expenses and certain accounting fees relating to the Plan.

NOTE 4: CERTIFIED INFORMATION

The plan administrator has elected the method of compliance permitted by 29 CFR 2530.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Trust Company, LLC, the custodian of the plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of assets available for benefits as of December 31, 2021 and 2020, the schedule of assets held for investment purposes as of December 31, 2021, and the related investment activity reflected in the statements of changes in assets available for benefits for the years ended December 31, 2021 and 2020.

NOTE 5: TAX STATUS

The IRS has determined and informed the company by a letter dated March 31, 2014, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the determination letter, the plan administrator and the plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2017.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in employer contributions.

WORKFORCE SOLUTIONS, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

NOTE 7: SEPARATED PARTICIPANTS

At December 31, 2021 and 2020, \$1,373,284 and \$707,901, respectively, of the net assets available for benefits are for those participants who have separated from active service with the Plan Sponsor.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

NOTE 9: FAIR VALUE MEASUREMENTS - CONTINUED

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

General Accounts:

Valued by the daily crediting of interest which is subject to minimum contractual guarantees. The observable inputs used in determining the value include the contract value, credited rate and contractual minimum rates, MVA formula, and the contract surrender charge schedule, if applicable.

Mutual Funds:

Valued at the daily closing price reported by the fund. Mutual funds held by the plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 10,237,428	-	-	10,237,428

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020, respectively.
