Independent Auditors' Report

To the IMCO General Construction Davis-Bacon 401(k) Plan and Participants

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

I have performed an audit of the financial statements of IMCO General Construction Davis-Bacon 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In my opinion, based on my audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material

respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

I conducted my audit in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of my report. I am required to be independent of IMCO General Construction Davis-Bacon 401(k) Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about IMCO General Construction Davis-Bacon 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of IMCO General Construction Davis-Bacon 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about IMCO General Construction Davis-Bacon 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

My audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial

statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedules, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

I was engaged to audit the 2020 financial statements of IMCO General Construction Davis-Bacon 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed me not to perform and I did not perform any auditing procedures with respect to the information certified by a qualified institution. In my report dated August 16, 2021, I indicated that (a) because of the significance of the information that I did not audit, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, I did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

IMCO General Construction Davis-Bacon 401(k) Plan

Notes to the Financial Statements

A. Description of Plan

The following description of the IMCO General Construction (Company) Davis-Bacon 401(k) Plan (Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the plan's provisions:

1. *General.* The plan has two components to it; (1) a defined contribution plan covering all full-time employees of IMCO General Construction Inc. and Axiom Constructors, (collectively "the Company") who have six months and 500 hours of service and are age 21 or older, and (2) a prevailing wage Company contribution formula not subject to any minimum age or service requirements, pursuant to the Davis-Bacon Act or any state or municipal "prevailing wage" law or ordinance. The Plan is subject to the provisions of ERISA. The Board of Trustees is responsible for oversight of the Plan.
2. *Contributions.* Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Prevailing wage contributions are at an hourly rate prescribed for fringe benefits pursuant to respective publicly funded contracts entered into by the Company. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may also make matching and profit-sharing contributions at the discretion of the Company's board of directors. Prevailing wage contributions are at an hourly rate prescribed for fringe benefits pursuant to each Federal, State, County, or Publicly funded contract entered into by the Company. Contributions are subject to certain Internal Revenue Service (IRS) limitations.
3. *Participant Accounts.* Each participant's account is credited with the participant's contribution and Company prevailing wage contributions, as well as allocations of the Company's discretionary matching and profit-sharing contributions, if any and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. *Vesting.* Participants are vested immediately in their contributions and Company prevailing wage contributions, plus actual earnings thereon. Vesting in the Company's discretionary matching and profit-sharing contributions is based on years of continuous service. A participant is 100 percent vested after 6 years of credited service.
5. *Notes Receivable from Participants.* Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates of 4.25% to 6.5% which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through monthly payments.
6. *Payment of Benefits.* On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account. Hardship withdrawals are permitted by the Plan and are available from all participant contributions that are 100% vested.
7. *Forfeited Accounts.* On December 31, 2021 and 2020, forfeited non-vested accounts totaled \$5,542 and \$12,032, respectively. These accounts can be used to pay Plan expenses or reduce future Company contributions to the Plan. Also, in 2021 \$15,216 of Plan expenses were paid from forfeited nonvested accounts.

B. Summary of Accounting Policies

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021, or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

IMCO General Construction Davis-Bacon 401(k) Plan
Notes to the Financial Statements

B. Summary of Accounting Policies (continued)

Subsequent Events

The plan has evaluated subsequent events through June 30, 2022, the date the financial statements were available to be issued.

On April 1, 2022, the Plan was restated and amended, effective January 1, 2022, which includes the following changes:

Employees are eligible to make elective deferral contributions and receive matching and profit-sharing contributions from the Company who have two months of service and are age 18 or older.

Participants are 100 percent vested in the Company's discretionary matching and profit-sharing contributions after 3 years of credited service.

C. Certified Investments

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Minnesota Life Insurance Company (Minnesota Life) the custodian of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of the investment information and the notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the supplemental schedule of assets (held at end of year) as of December 31, 2021.

IMCO General Construction Davis-Bacon 401(k) Plan **Notes to the Financial Statements**

D. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include. • quoted prices for similar assets or liabilities in active markets. • quoted prices for identical or similar assets or liabilities in inactive markets. • inputs other than quoted prices that are observable for the asset or liability; and • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used on December 31, 2021 and 2020.

Pooled separate accounts: The Plan's interest in the pooled separate accounts is valued at the NAV practical expedient of the underlying investments. The practical expedient would not be used if it is determined to be probable that the funds would sell their investments for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

The following table summarizes investments for which fair market value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<i>December 31, 2020</i>	<i>Fair Value</i>	<i>Unfunded commitments</i>	<i>Redemption frequency</i>	<i>Redemption notice period</i>
Pooled separate accounts	\$16,415,480	n/a	Daily	10 days

E. Guaranteed Investment Contract with Insurance Company

The Guaranteed Portfolio Fund represents a benefit-responsive guaranteed investment contract with Minnesota Life. Contributions are maintained in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer and are reviewed quarterly for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract meets the fully benefit-responsive contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Minnesota Life, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, (5) premature termination of the contract.. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

Notes to the Financial Statements

F. Related-Party Transactions and Party in Interest Transactions

Certain Plan investments are shares of pooled separate accounts managed by Minnesota Life. Minnesota Life is the custodian as defined by the Plan and, therefore, these transactions qualify as exempt party in interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments because they are paid through revenue sharing rather than a direct payment. The Plan made direct payments to the third-party administrator of \$28,446 and \$6,500 to the Plan auditor which were not covered by revenue sharing. The Plan Sponsor pays directly any other fees related to the Plan's operations.

The Company is a party in interest to the Plan. However, there are no transactions with the Company other than the payment of certain administrative expenses to the Plan. These transactions qualify as exempt party in interest transactions.

G. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

H. Tax Status

Effective January 1, 2015, the Plan adopted a Volume Submitter 401(k) Profit Sharing Plan with CODA. Minnesota Life, the sponsor of this prototype plan, obtained its latest Internal Revenue Service (IRS) determination letter on March 31, 2014, in which the IRS stated that the form of the Plan, as then designed, was following the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

On April 1, 2022, the Plan was restated and amended, effective January 1, 2022, which includes the following changes:

The Plan adopted a Non-Standardized Pre-Approved Profit-Sharing Plan with CODA. CCH Incorporated, the sponsor of this prototype plan, obtained its latest Internal Revenue Service (IRS) opinion letter on June 20, 2020, in which the IRS stated that the form of the Plan, as then designed, was in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

I. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Notes to the Financial Statements

J. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements on December 31, 2021 and 2020, to Form 5500:

	2021	2020
Net assets available for benefits per the financial statements	\$ 21,091,159	\$ 17,943,592
Employee contributions receivable	-	-
Employer contributions receivable	(56,752)	(97,883)
Net assets available for benefits per the Form 5500	\$ 21,034,407	\$ 17,845,709

The following is a reconciliation of employer and participant contributions received per the financial statements for the year ended December 31, 2021, to Form 5500:

	Employer Contributions	Participant Contributions
Contributions per the financial statements	\$ 374,552	\$ 998,045
Add: Contributions receivable at December 31, 2020	97,883	-
Less: Contributions receivable at December 31, 2021	(56,752)	-
Contributions received per Form 5500	\$ 415,683	\$ 998,045

Amounts from employer and participant contributions are recorded on the Form 5500 in the year the custodian receives them.
