INDEPENDENT AUDITORS' REPORT

To the Trustees of the
Keenan, Hopkins, Suder & Stowell Contractors, Inc. 401(k) Plan and Trust
Anaheim, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Keenan, Hopkins, Suder & Stowell Contractors, Inc. 401(k) Plan and Trust (the "Plan"), and employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020 and the related statement of changes in net assets available for benefits for the year then ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Keenan, Hopkins, Suder & Stowell Contractors, Inc. 401(k) Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Keenan, Hopkins, Suder & Stowell Contractors, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Keenan, Hopkins, Suder & Stowell Contractors, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Keenan, Hopkins, Suder & Stowell Contractors, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matters (continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Keenan, Hopkins, Suder & Stowell Contractors, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 17, 2021, we indicated that (*a)* because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and *(b)* the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Keenan, Hopkins, Suder & Stowell Contractors, Inc. 401(k) Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan, covering all eligible employees of Keenan, Hopkins, Suder & Stowell Contractors, Inc. ("Plan Sponsor"). Employees must be at least 21 years of age, must have completed one month of employment and cannot be covered under a collective bargaining agreement to be eligible participants. The Plan was established by the Plan Sponsor on January 1, 1998, to provide retirement income for its employees, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 as amended ("ERISA").

2. Contributions

The Plan is a contributory plan whereby participants may contribute, on a tax-deferred basis up to 90% of their pre-tax annual salary, not to exceed the maximum deferral limits set by the Internal Revenue Code ("IRC") Section 402(g)(1). Participants age 50 or older may elect to defer an additional "catch-up" contribution to the Plan for 2021. In addition, participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Plan Sponsor may make discretionary matching contributions to the Plan, based on the pro rata relationship of the amounts deferred for the year. Matching contributions are made solely at the discretion of the Plan Sponsor's Board of Directors. For the year ended December 31, 2021, no matching contributions were made.

The Plan Sponsor may also make discretionary contributions to the Plan in the form of a profit-sharing contribution. The profit-sharing contribution is allocated to each participant's account that is employed on the last day of the Plan year, and is paid for more than 1,000 hours of service, prorated on the basis on individual compensation over total eligible compensation. Profit sharing contributions will be made solely at the discretion of the Plan Sponsor's Board of Directors. There were no such contributions for the year ended December 31, 2021.

3. Investment Options

Participants may direct their contributions and any Plan Sponsor contributions as desired, in a variety of investment options held by the custodians. Participants can change their investment options daily.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

4. Participant Accounts

Each participant's individual account is credited with participant contributions, the Plan Sponsor's contributions, and an allocation of the Plan's investment earnings/losses thereon. Allocation of Plan investment earnings is based on the participant's account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

5. Vesting

Participants are immediately vested in their own contributions and actual earnings/losses thereon. Vesting in the Plan Sponsor's employer matching and profit-sharing contributions, and earnings thereon are based on years of continuous service.

Vesting in the Plan Sponsor's matching contributions and profit-sharing accounts is based on years of continuous service as follows:

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

6. Benefit Payments

Upon termination of service, a participant is entitled to receive their vested account balance. In the event of reaching normal retirement age, permanent disability, or in the event of death, a participant or a participant's beneficiary is entitled to receive 100% of their account balance. Distributions are paid either as a lump-sum payment or in installments over a period of time, depending on limitations based on the participant's account balance and the status of the employee. In addition, participants may receive distributions upon attaining age 50 or for financial hardship if certain criteria are met.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

7. Forfeitures

Participants, who terminate employment with the Plan Sponsor with less than 100% vesting, forfeit a portion of their account. These forfeitures may be used to pay plan administrative expenses, reduce the employer matching contribution, or reallocation as an additional contribution of the employer matching or profit sharing. For the year ended December 31, 2021, a total of $5,838 in forfeitures were utilized to pay administrative expenses. Forfeited, non-vested accounts were immaterial to the financial statements as of December 31, 2021 and 2020, respectively.

8. Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to 50% of their vested account balance, with a minimum of $1,000 and a maximum loan of up to $50,000. Loan terms are up to a maximum of 5 years, unless for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear a reasonable interest rate. The interest rate is fixed for the duration of the loan repayment period. Payments of principal and interest must be paid on a level amortization schedule through payroll deductions made not less than quarterly.

9. Plan Termination

Although they have not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan at any time be resolution of its Trustees subject to the provisions of ERISA. In the event of Plan termination, the respective accounts of the participants under the Plan shall become fully vested and nonforfeitable.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Presentation

The accompanying financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

2. Plan Administration

The Plan sponsor is the Plan administrator. The Plan administrator is responsible for carrying out the duties imposed under ERISA.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

3. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Sponsor to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. The Plan Sponsor believes that the estimates utilized in preparing its financial statements are reasonable and prudent. Actual results could differ from these estimates.

4. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines valuation policies utilizing information provided by the custodians. See note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Change in fair value of investments includes the Plan's gains and losses on investment bought and sold, as well as held during the year.

5. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Sponsor deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

6. Risks and Uncertainties

The Plan provides for investments in various investment securities which, in general, are exposed to various risks such as interest rate, credit and overall market volatility. Further, due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such change could materially affect the participants' account balances and the amounts reported in the financial statements.

7. Payment of Benefits

Benefits are recorded when paid.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

8. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

9. Subsequent Events

The Plan's management evaluated all events and transactions that occurred after December 31, 2021 through August 24, 2022, the date the Plan financial statements were available to be issued.

The Plan was restated effective as of January 1, 2022 in order to comply with regulatory and legislative changes.

NOTE C - INVESTMENTS AND CERTIFICATION BY THE CUSTODIANS

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors' not to perform any auditing procedures with respect to the following information certified by Principal Trust Company, Principal Life Insurance Company, and Principal Global Investors Trust Company, the custodians of the Plan, as complete and accurate, except for comparing such information certified by the custodians to information included in the Plan's financial statements and supplemental schedule:

- Investments reflected in the accompanying Statements of net assets available for benefits as of December 31, 2021 and 2020
- Net investment income reflected in the accompanying Statement of changes in net assets available for benefits for the year ended December 31, 2021
- Investments reflected in the Schedule of assets (held at end of year)

NOTE D - FAIR VALUE MEASUREMENTS

Fair value framework provides a hierarchy that prioritizes the inputs used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement).

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

The three levels of the fair value hierarchy under the framework are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts: Valued at the net asset value ("NAV") of the pooled separate accounts. The NAV is a readily determinable fair value and is the basis for current transactions. The NAV of the pooled separate account is calculated in a manner consistent with GAAP for investment companies and is determinative of the fair value and represents the price at which the Plan would be able to initiate a transaction. Participant transactions (purchases and sales) may occur daily, but are generally limited to one transfer per 30-day period. There are no unfunded commitments.

Registered investment companies: Valued at the daily closing price as reported by the fund. Investments held by the Plan are open-end investments that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The investments held by the Plan are deemed to be actively traded.

Collective trust fund: Valued at the NAV of units of a collective trust. The NAV is a readily determinable fair value and is the basis for current transactions. The NAV of the collective trust unit is calculated in a manner consistent with GAAP for investment companies. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments.

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. Redemption for all investments, if currently eligible, is daily.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021:

	Level 1	*Level 2*	*Level 3*	*Total*
Assets in the fair value hierarchy:				
Registered investment companies	$ 2,733,275	$ -	$ -	$ 2,733,275
Pooled separate accounts	11,810,046	-	-	11,810,046
Collective/Collective trust	441,947	-	-	441,947
Investments at fair value	$14,985,268	$ -	$ -	$14,985,268

Assets at Fair Value as of December 31, 2020:

	Level 1	*Level 2*	*Level 3*	*Total*
Assets in the fair value hierarchy:				
Registered investment companies	$ 1,759,996	$ -	$ -	$ 1,759,996
Pooled separate accounts	9,838,935	-	-	9,838,935
Collective/Collective trust	1,148,678	-	-	1,148,678
Investments at fair value	$12,747,609	$ -	$ -	$12,747,609

NOTE E - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds, pooled separate accounts, or collective trusts are managed by The Principal Life Insurance Company ("Principal"). Principal is the custodian and recordkeeper under contractual arrangements with the Plan's Trustees, and therefore, these transactions qualify as party-in-interest transactions.

The Plan also invested in notes receivables from participants. As a result, these investments and all transactions relating to these investments were with parties-in-interest.

These transactions are exempt from being prohibited transactions under ERISA.

NOTE F - INCOME TAX STATUS

The Internal Revenue Service ("IRS") issued its latest determination letter on March 31, 2014, which stated that the volume submitter plan and its underlying trust qualify under Sections 401(a) and 401(k) of the Internal Revenue Code and therefore are exempt from federal income taxes. The Plan has been amended since receiving the determination letter. However, in the opinion of the Plan administrator, the Plan and the underlying trust are currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code and thus are tax-exempt as of the financial statement date. Administration errors, if any, that are insignificant or operational in nature, are handled by the Plan administrator in accordance with the applicable IRS correction policies. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan had taken uncertain positions that are more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
