Independent Auditor's Report

To the Board of Directors
Insurance Institute for Highway Safety
Highway Loss Data Institute
Arlington, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Insurance Institute for Highway Safety Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Insurance Institute for Highway Safety Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Insurance Institute for Highway Safety Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Insurance Institute for Highway Safety Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Insurance Institute for Highway Safety Retirement Plan's ability to continue as a going concern for a reasonable period of time.
- Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.
- Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplementary Schedule Required by ERISA

The supplementary Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matters (Continued)

2021 Supplementary Schedule Required by ERISA (Continued)

In our opinion,

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Insurance Institute for Highway Safety Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 22, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INSURANCE INSTITUTE FOR HIGHWAY SAFETY RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN

The following description of Insurance Institute for Highway Safety Retirement Plan (the Plan, formerly Insurance Institute for Highway Safety Annuity Plan), provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Insurance Institute for Highway Safety and its affiliate, Highway Loss Data Institute (referred to collectively as the Institute). Beginning January 1, 2009, the Plan is subject to the requirements of the Employee Retirement Income Security Act (ERISA).

Prudential Insurance Company of America and Prudential Trust Company (collectively Prudential) have been the custodians since the Plan's inception. In October 2007, plan management elected to add Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal) as another custodian of the Plan (collectively, the custodians). All current employee and employer contributions are being deposited with Principal. Former and current employees had the option of keeping their funds with Prudential or transferring their funds to Principal. In October 2007, \$11,706,279 was transferred from Prudential to Principal. All active participant loans were transferred to Principal. If a former employee had funds remaining with Prudential, their loan remained with Prudential.

Contributions

Each year, employees may elect to make salary reduction contributions to the Plan, subject to certain limitations. The Institute contributes 10 percent of each full-time employee's annual base compensation. Contributions may be subject to certain limitations.

Participant Accounts

Each participant's account is credited with the Institute's contributions and the salary reduction contributions, if any. The accounts are also credited with investment results and charged for withdrawals and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's separate account.

Vesting

A participant is 100 percent vested at all times in the total value of his or her separate account.

Notes Receivable from Participants

Participants may borrow from their individual accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50 percent of the value of the balance in their account or \$50,000, reduced by the highest outstanding loan balance during the one-year period ending on the day before the loan is made. Loan terms range from one to five years, or longer, in the case of a loan used to acquire a principal residence. The loans are secured by the balance in the participant's account. Certain loan provisions were implemented for 2020 under the CARES Act (see Note 6). The loans bear interest at a rate established from time to time the custodians.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN (CONTINUED)

Investment Options

Upon enrollment in the Plan, a participant may direct that contributions and salary reduction amounts be placed in a variety of investment options. The options at Prudential include a guaranteed interest account and mutual funds. Contributions made to the Plan through September 2007 were deposited with Prudential under Contract GA-5438. Certain participants also have separate account balances under Contract GA-2067 with Prudential. No new contributions were made to Contracts GA-5438 or GA-2067 after September 2007. The investments are managed by Prudential Insurance Company of America. Participants are advised to read the prospectus for the Prudential Series Fund, Inc., which describes the investment objectives of the portfolios currently available, and the sales charges, management fees, and expenses. For the mutual funds offered under the Plan, participants are advised to refer to each fund's separate prospectus.

The options at Principal include a fixed income guaranteed option account and mutual funds. Participants are advised to read the prospectus from Principal Financial Group which describes the investment objectives of the portfolios currently available, and the sales charges, management fees, and expenses.

Payment of Benefits

In general, a participant may commence receiving benefits following application to Prudential or Principal provided that no amounts in a participant's individual account, attributable to salary reduction contributions made (and any earnings thereon) after December 31, 1988, may be distributed prior to the participant's attainment of age 59½, termination of employment, disability, or death. Hardship withdrawals are permitted based on guidelines specified by the plan agreement.

Field Assistance Bulletin (FAB) 2009-02

On July 20, 2009, the Employee Benefits Security Administration issued Field Assistance Bulletin (FAB) 2009-02, addressing the application of certain Form 5500 and Form 5500-SF annual reporting requirements to tax-sheltered annuity programs described in Section 403(b) of the Internal Revenue Code [403(b) plans]. FAB stated that, for purposes of the plan's annual reporting and related audit requirements, an annuity contract or custodial account does not need to be treated as part of the plan or as plan assets if it meets the certain conditions. Accordingly, there are certain accounts excluded in the Insurance Institute for Highway Safety Retirement Plan. The investment income and distributions related to such accounts have also been excluded in the accompanying statements of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

INSURANCE INSTITUTE FOR HIGHWAY SAFETY RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

The Plan allows participants to borrow from their account balances. If a participant fails to make required loan payments, the loan balance is treated as a defaulted balance and continues to be carried on the records by Prudential and Principal until a distribution event occurs. A distribution event would include death, retirement, or termination of employment. Form 5500, for tax reporting purposes, shows defaulted loan balances when a participant fails to make required payments as a taxable distribution.

The Plan's policy is to exclude deemed loan amounts from plan assets on the statements of net assets available for benefits. In 2021 and 2020, loans deemed distributed to participants for tax reporting purposes totaled \$19,809 and \$25,420, respectively. Notes receivable from participants as of December 31, 2021 and 2020, totaling \$447,183 and \$403,893, respectively, includes only active loans.

Investment Valuation and Income Recognition

The Plan's investments at fair value include shares of registered investment companies (mutual funds) that are valued at quoted market prices of shares held by the Plan at year end. The Plan's guaranteed interest account and fixed income guaranteed option are valued at contract value. Notes receivable from participants are valued at cost which approximates fair market value.

Purchases and sales of securities are recorded on a trade-date basis. Interest revenue is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation include the Plan's gains and losses on investments bought and sold as well as held during the year and are recognized in the financial statements in the period in which such changes occur.

Contributions

For the year ended December 31, 2021, employer contributions totaled \$1,207,126, which include \$962,253 received from Insurance Institute for Highway Safety and \$244,873 from Highway Loss Data Institute.

INSURANCE INSTITUTE FOR HIGHWAY SAFETY RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions (Continued)

For the year ended December 31, 2020, employer contributions totaled \$1,158,969, which include \$926,940 received from Insurance Institute for Highway Safety and \$232,029 from Highway Loss Data Institute.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Plan administrative expenses typically include items such as recordkeeping, participant website access, participant statements, plan compliance services, and financial professional services. The Plan's administrative expenses are paid by either the Plan or the Employer, as provided in the plan agreement.

3. INFORMATION CERTIFIED BY THE PLAN CUSTODIANS

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Prudential Insurance Company of America and Prudential Trust Company (collectively Prudential) and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal), the custodians of the Plan, have certified that the information related to investments included in the accompanying financial statements and supplementary schedule is complete and accurate.

	2021	2020
Investments, at Fair Value	\$ 59,644,147	\$ 49,902,441
Investments, at Contract Value	4,970,912	5,950,669

Investment Gain		
Net Appreciation in Fair Value of Investments	\$ 7,846,841	\$ 6,852,919
Investment Interest and Dividends	814,905	716,240
Total Investment Change	\$ 8,661,746	\$ 7,569,159

4. FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification (ASC) 820-10 No. 157, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

INSURANCE INSTITUTE FOR HIGHWAY SAFETY RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

4. FAIR VALUE MEASUREMENTS (CONTINUED)

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There were no required Level 2 or Level 3 inputs.

The following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2021 and 2020.

Registered Investment Companies (Mutual Funds): Valued at quoted market prices of the shares held by the Plan on the last business day of the plan year.

The following tables set forth the Plan's assets at fair value as of December 31, 2021 and 2020:

	Fair Value	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
<u>December 31, 2021</u>				
Mutual Funds	\$ 59,644,147	\$ 59,644,147	\$ -	\$ -
Total Investments at Fair Value	\$ 59,644,147	\$ 59,644,147	\$ -	\$ -
<u>December 31, 2020</u>				
Mutual Funds	\$ 49,902,441	\$ 49,902,441	\$ -	\$ -
Total Investments at Fair Value	\$ 49,902,441	\$ 49,902,441	\$ -	\$ -

5. FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACTS

Prudential Guaranteed Interest Account

The Plan's investment in Prudential's guaranteed interest account (contract) offered by Prudential Insurance Company of America is a fully benefit-responsive contract. Amounts contributed to the contract are deposited in Prudential's general account. The Prudential general account is invested in investment grade fixed-income securities having short- to intermediate-term maturities. The majority of the investments are made in private placement bonds, mortgage loans, and publicly traded securities such as U.S. Treasury bonds, mortgage-backed securities, and corporate bonds.

Because the guaranteed interest account is a fully benefit-responsive contract, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value represents deposits made to the contract, plus earnings at guaranteed credit rating less withdrawals and fees. Under the group annuity insurance contract, participants may ordinarily direct permitted withdrawals or transfers of all or a portion of their account balance at contract value within reasonable time frames. The fair value represents the estimated proceeds that would have been paid had the contract been discontinued as of the plan year end date. The fair value is calculated multiplying the contractual market value adjustment (MVA) by the contract value. The MVA is based on a standard formula which approximates the change in market value of a bond given a change in the rate environment. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Fair value equaled contract value as of December 31, 2021 and 2020. Accordingly, fair value and contract value were \$2,610,193 and \$3,185,562 at December 31, 2021 and 2020, respectively.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

5. FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACTS (CONTINUED)

Prudential Guaranteed Interest Account (Continued)

When establishing interest crediting rates, Prudential considers many factors, including current economic and market conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the insurer's general account. These rates are established without the use of a specific formula. The minimum credit rate under the contract is 3.00%. The average earnings yield shown is calculated by dividing the earnings credited to the Plan on the last day of the plan year by the end of the plan year fair value and then annualizing the result.

There are not any events that allow the issuer to terminate the contract, and which require the plan sponsor to settle at an amount different than contract value paid either within 90 days or over time.

Principal Fixed Income Guaranteed Option

The Principal Fixed Income Guaranteed Option (contract) is a fully benefit-responsive group annuity contract issued by the Principal Life Insurance Company. The contract guarantees principal and provides a stated credit rate backed by Principal. The rate of interest contractually guaranteed by Principal is credited to participant account balances. This net crediting rate is after the deduction of .65% for fees for administrative and recordkeeping services provided to the Plan. Principal maintains the contributions in a general account. The general account consists of over 6,000 investments, which include corporate bonds, asset-backed securities, commercial real estate mortgages, government bonds, and short-term cash equivalents.

Because the guaranteed investment contract is a fully benefit-responsive contract, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less withdrawals and administrative expense. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. Fair value equaled contract value as of December 31, 2021 and 2020. Accordingly, fair value and contract value were \$2,360,719 and \$2,765,107 at December 31, 2021 and 2020, respectively.

To maintain the contract issuers' promise to pay such withdrawals and exchanges at book value, the contracts subject the fund and its participants to certain restrictions. For example, withdrawals prompted by certain events (e.g. layoffs, early retirement, plan terminations, or changes in laws and regulations) are made at book value. Also, certain investment options offered by the Plan may be deemed by the contract issuers to compete with the contract. The terms of the contract prohibit the participant from making a direct exchange from the fund to such competing funds.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

5. FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACTS (CONTINUED)

Principal Fixed Income Guaranteed Option (Continued)

Instead, the participant must first exchange to a non-competing fund for 90 days. The interest rate is adjusted every six months. If the Plan were to terminate the Principal Fixed Income Guaranteed Option or initiate a transfer of the Plan's interest in the Principal Fixed Income Guaranteed Option, the Plan would be subjected to either a 12-month irrevocable advance notice or a 5% surrender charge, whichever the plan sponsor chooses. A 5% surrender charge will also apply if the cumulative percentage of participant transfers from the contract exceeds 20% of the Plan's interest in the contract during the 12-month period immediately preceding the employer-level surrender of the Plan's interest in the contract. If this scenario occurs, the surrender charge will be billed to the plan sponsor (employer).

6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

COVID-19 Pandemic and CARES Act

The spread of COVID-19 (coronavirus disease) has had a disruptive impact on the daily life and operations of individuals, businesses, and nonprofit organizations around the world. There is uncertainty about financial and economic impacts in all sectors of the economy. The financial markets have experienced significant volatility, and this may continue for an extended period of time. In light of these circumstances, management continues to assess how best to adapt to changed circumstances.

In response to the spread of COVID-19, certain provisions under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) which was signed into law March 27, 2020, and the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) which was signed into law December 29, 2019, were provided for plan sponsors. The provisions are at the discretion of the Plan's management.

The Plan adopted certain provisions under the CARES Act on April 3, 2020, which included increasing the maximum distribution and loan amounts allowed, relief of loan repayment, temporary suspension for 2020 required minimum distributions, and a delay in the minimum required contribution to a single-employer plan until 2021. The Plan will be formally amended for any provisions elected in accordance with applicable law and IRS guidance due by December 31, 2022.

9. RELATED PARTY TRANSACTIONS

Certain plan investments, including mutual funds, a guaranteed interest account and a fixed income guaranteed option, are managed by Prudential Insurance Company of America and Prudential Trust Company (collectively Prudential) and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal), the custodians of the Plan and, therefore, are parties-in-interest. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

INSURANCE INSTITUTE FOR HIGHWAY SAFETY RETIREMENT PLAN

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

10. PLAN TERMINATION

Although it has not expressed any intent to do so, the Institute has the right to terminate the Plan at any time. Upon termination, the value of each participant's individual account will be distributed in accordance with the plan agreement.

11. TAX STATUS

The Plan meets the requirements under the Internal Revenue Code and ERISA to qualify as exempt from federal income taxes. The Plan uses a Principal Financial Group Prototype Basic 403(b) plan approved by the IRS on March 31, 2017, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

The Plan has been amended since receiving the opinion letter. However, the Plan's management believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified.

The Plan's Form 5500, *Annual Return/Report of Employee Benefit Plan*, is open for inspection by the taxing authorities, generally for three years after filing.

12. CONCENTRATION

Investments representing 15% or more of the Plan's net assets as of December 31 are as follows:

	<u>2021</u>	<u>2020</u>
Fidelity 500 Index Fund	\$ 10,630,075 16%	**

** Investment did not represent 15% of the Plan's net assets as of December 31.

13. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of total deductions per the financial statements to total expenses per Form 5500 for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Total Deductions per the Financial Statements	\$ 2,102,854	\$ 1,348,594
