INDEPENDENT AUDITORS' REPORT

To the Participants and Administrator of
The Timken Diamond Chain Savings and Investment Retirement Plan for Bargaining Associates
North Canton, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of The Timken Diamond Chain Savings and Investment Retirement Plan for Bargaining Associates (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for twelve months from the date of this report.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 23, 2021, we indicated that (a) because of the significance of the information we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE TIMKEN DIAMOND CHAIN SAVINGS AND INVESTMENT RETIREMENT PLAN
FOR BARGAINING ASSOCIATES
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of The Timken Diamond Chain Savings and Investment Retirement Plan for Bargaining Associates (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. Copies of the Plan document are available from the Plan Administrator, The Timken Company (the "Company").

General

The Plan is a defined contribution plan covering all union employees of the former Diamond Chain, Inc. ("Diamond Chain"), which was acquired by the Company. The Plan Administrator is responsible for the day-to-day administration and operation of the Plan and has full discretionary authority to interpret the Plan, including its terms. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Great West Trust Company, LLC is the trustee for the Plan and the Plan has adopted the Great West Trust Company Defined Contribution Prototype Plan. Effective July 16, 2021, the Plan's adoption agreement was amended and restated and the provisions of that Plan that were impacted are disclosed below.

Eligibility

Effective July 16, 2021, an employee becomes eligible to contribute to the Plan upon the first day of the month after reaching one month of service. Prior to this date, eligibility to contribute to the Plan was obtained upon reaching 90 days of service. Service is credited based on the employee's start date with Diamond Chain. Eligible employees may become participants immediately on the date on which eligibility requirements are met.

Contributions

Each year, participants may contribute up to 50% of pretax annual compensation, as defined in the Plan, not to exceed the limits of the Internal Revenue Code. In addition, participants who have attained age 50 before the end of the Plan year are eligible to make catchup contributions, which are also subject to the Internal Revenue Service ("IRS") limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans, referred to as rollovers.

The Plan Sponsor makes matching contributions of 100% of each participant's contributions, up to a maximum of 2% of eligible compensation. Matching contributions totaled \$118,676 for the year ended December 31, 2021. The matching contribution amount is included in The Timken Company contributions on the Statement of Changes in Net Assets Available for Benefits. Contributions are subject to certain limitations imposed by the Internal Revenue Code.

The Plan Sponsor also makes a non-elective contribution equal to 3% of the participant's eligible compensation per payroll period. Non-elective contributions totaled \$205,877 for the year ended December 31, 2021. The non-elective contribution amount is included in The Timken Company contributions on the Statement of Changes in Net Assets Available for Benefits.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Plan's Sponsor's contributions, and an allocation of Plan earnings. The participant's account is charged with an allocation of administrative expenses. Allocations are proportionally based on the value of account balances or as an equal dollar amount based on the number of participants in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participant contributions, plus actual earnings thereon, are vested immediately. Participants are vested in the Plan Sponsor's contributions, plus actual earnings thereon, based on years of continuous service. A participant becomes 100% vested after five years of service.

Investment Options

Upon enrollment in the Plan, a participant may direct all contributions to selected investments as made available and determined by the Plan Administrator. Investment options are generally intended to be long-term investments suitable for retirement savings and not designed to accommodate frequent exchanges by participants. The Plan Administrator and/or the entities that provide investments and administrative services to the Plan may adopt procedures to discourage frequent investment transactions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loan terms range up to ten years as established by the Plan Administrator at the time of the loan. The loans initiated under the Plan bear interest at the prime rate at the time the loans were made plus 1%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon disability or termination of service with the Company, participants having a vested account balance greater than \$1,000 are given the option of (i) transferring their account balance to another plan, (ii) receiving a lump-sum amount equal to the vested balance of their account, (iii) receiving installment payments of their vested assets over a fixed year of time not to exceed their estimated life expectancy, or (iv) leaving their vested account balance in the Plan. Participants having a vested account balance less than \$1,000 receive a lump-sum amount equal to their vested account balance. Participants electing to leave their vested assets in the Plan may do so until age 70-1/2, after which time the lump-sum or installment distribution options would apply. Participants are also able to receive partial or total distributions of their vested accounts upon attainment of age 59-1/2 without regard to the source of funds in their accounts.

Hardship withdrawals are allowed for participants incurring an immediate and severe financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the IRS and a participant must exhaust all available loan options and distributions prior to requesting a hardship withdrawal.

Forfeitures

If a participant terminates before being fully vested in Plan benefits, they are entitled to receive a distribution of the vested benefits. The non-vested benefits will be forfeited in accordance with terms of the Plan. Forfeitures may be used to reduce future Plan Sponsor contributions or to pay Plan expenses. Forfeited non-vested accounts totaled \$42,003 and \$29,314, at December 31, 2021 and 2020, respectively.

Coronavirus Aid, Relief and Economic Security (CARES) Act

On March 11, 2020, the World Health Organization declared the COVID-19 outbreak a global pandemic. Following this declaration, the U.S. Federal government passed the "Coronavirus Aid, Relief, and Economic Security ("CARES") Act" on March 27, 2020. The CARES Act allowed eligible plan participants to request penalty-free distributions of up to \$100,000 before December 31, 2020 for qualifying reasons associated with the COVID-19 pandemic, permitted plan sponsors to increase the limit for plan loans, permitted suspension of loan payments due through December 31, 2020, and permitted individuals to stop receiving 2020 required minimum distributions. The Plan implemented these changes during 2020.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes and supplemental schedules. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefit payments are recorded when paid. No amounts were allocated to accounts of persons who have elected to withdraw from the Plan but were not yet paid as of December 31, 2021 and 2020.

Contributions

Participant contributions and Plan Sponsor matching contribution are recorded in the year in which the participant contributions are withheld from amounts paid. Plan Sponsor non-elective contributions are recorded in the year in which the applicable payroll period ended. All participant and Plan Sponsor contributions are participant-directed.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Administrative expenses include fees related to the administration of certain recordkeeping functions and are charged directly to the participant's account. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value and are invested in the Master Trust Agreement for The Timken Company Defined Contributions Plans ("Master Trust"), which was established for the investment of assets of the Plan and the six other defined contribution plans sponsored by the Company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Subsequent Events

The Plan has evaluated subsequent events through June 23, 2022, the date the financial statements were available to be issued.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 103(a)(3)(C) for the year ended December 31, 2021 and permitted by ERISA 29 CFR 2520.1 03-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure for the year ended December 31, 2020. Accordingly, Great West Trust Company, LLC has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

	2021	2020
Investments, at fair value	\$ 2,230,813	\$ 1,676,510
Notes receivable from participants	\$ 74,090	\$ 81,386
Interest income on notes receivable from participants	\$ 3,165	\$ 3,917
Net appreciation from The Master Trust Agreement for The Timken Company Defined Contribution Plans	\$ 211,062	\$ 224,093

NOTE 4 – INVESTMENTS

The Plan's assets are held in the Master Trust and are commingled with assets of other benefits plans sponsored by the Plan Administrator.

Each participating plan's interest in the investment funds (i.e., separate accounts) of the Master Trust is based on account balances of the participants and their elected investment funds. The Master Trust assets are allocated among the participating plans by assigning to each plan those transactions (primarily contributions, benefit payments, and plan-specific expenses) that can be specifically identified and by allocating among all plans, in proportion to the fair value of those assets assigned to each plan, income and expenses resulting from the collective investment of the assets of the Master Trust. The Plan's ownership percentage in the Master Trust as of December 31, 2021 and 2020 was 0.2% and 0.1%, respectively.

NOTE 5 – FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

- Level 1: Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.
- Level 2: Inputs, other than quoted prices, in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:
 - Quoted prices for similar assets and liabilities in active markets;

THE TIMKEN DIAMOND CHAIN SAVINGS AND INVESTMENT RETIREMENT PLAN
FOR BARGAINING ASSOCIATES
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

- Quoted prices for identical or similar assets or liabilities in markets that are not active;
- Observable inputs, other than quoted prices, that are used in the valuation of the asset or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals);
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3: Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based the lowest level input that is significant to the fair value measure in its entirety. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

The following is a description of the valuation methodologies used for assets measured at fair value:

- *Cash and cash equivalents and registered investment companies*: Valued based on quoted market prices reported on the active market on which the individual securities are traded.
- *Common stock fund*: The Timken Company and Timken Steel Stock Funds participate in units and are valued on the closing price of each company's common shares traded on a national securities exchange.
- *Common collective funds*: Valued using the net asset value ("NAV") based on the fair value of the underlying investments held by the fund less its liabilities.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

December 31, 2021

NOTE 6 – INCOME TAX STATUS

The prototype plan the Plan has adopted received an opinion letter from the IRS dated March 31, 2014 as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by the Plan. As disclosed in Note 1, the Plan has subsequently been amended and restated and the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
