Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Spectrum Orthopaedics, Inc. Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Contributions and Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Spectrum Orthopaedics, Inc. Profit Sharing Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

A. DESCRIPTION OF THE PLAN:

The following description of the Spectrum Orthopaedics, Inc. Profit Sharing Plan and Trust provides only general information. Participants should refer to the Plan agreement and Summary Plan Description for a more complete description of the Plan's provisions.

General - The Plan is a profit sharing plan with a salary deferral feature established for the benefit of the employees of Spectrum Orthopaedics, Inc. (Spectrum and Plan Sponsor) and a participating employer, Ohio Specialty Surgical Suites, LLC (OSSS), who have attained the age of 21. To be eligible for nonelective employer contributions and matching employer contributions, employees must also complete one year of service. Prior service of OSSS employees is counted toward eligibility. The Plan is subject to the provisions of ERISA.

Contributions - Each year participants may contribute up to 50% of pretax annual compensation, up to the maximum amount permitted by law and not less than 1% of their compensation, as defined by the Plan. Contributions may be made on a pre-tax basis or on an after-tax basis through a Roth deferral option. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan has an automatic enrollment function for all eligible employees of the Plan Sponsor. Employees of OSSS are excluded from the automatic enrollment function. Each eligible employee enters the Plan at a 3% deferral rate. In addition, the participants who enter the Plan under the automatic enrollment have an automatic escalation function which increase that participant's deferral rate at 1% each year, until the participant reaches a 6% deferral rate. The participant can choose to opt out of the automatic increase and change their deferral rate at any time.

Participants direct the investment of all contributions into certain individual investment options offered by the Plan. All contributions are limited to the maximum allowed as a deduction in accordance with the Internal Revenue Code.

The Plan also provides for a Qualified Automatic Contribution Arrangement (QACA) for employees of Spectrum, unless elected otherwise, and provides for age based funds as the investment default option. As part of the QACA, the Plan Sponsor must make a QACA Nonelective Employer Contribution to each eligible active participant in an equal amount ranging from 3% to 25% of the active participant's compensation. Employees of OSSS are excluded from this nonelective employer contribution. For the year ended December 31, 2021, the Plan Sponsor elected to contribute 3% for the QACA Nonelective Employer Contribution, which totaled \$258,151.

In addition, the Plan Sponsor has the option to make a discretionary profit sharing contribution to employees of Spectrum at varying percentages of the employee's eligible wages. The percentages vary based upon different groupings of employees by the Plan Sponsor. Employees of OSSS are excluded from this profit sharing contribution. The discretionary profit-sharing contribution represents 10.28% of eligible wages for the first group, 2.00% of eligible wages for the second group, and 1.43% of eligible wages for the third group. Total discretionary profit-sharing contributions to employees of Spectrum was \$483,223 in 2021.

The Plan provides that OSSS may make discretionary matching contributions to the employees of OSSS. For the year ended December 31, 2021, OSSS elected to match 100% of the participant's voluntary contributions up to the first 3% of compensation. These matching contributions totaled \$44,001 in 2021.

NOTES TO FINANCIAL STATEMENTS

A. DESCRIPTION OF THE PLAN (CONTINUED):

Participant Accounts - Each participant's account is credited with the participant's contribution, an allocation of the Plan Sponsor's contributions and Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting - A participant is fully vested immediately in elective wage deferrals and amounts rolled over from other plans plus actual earnings thereon. Vesting for employer matching contributions and employer discretionary contributions are based on years of continuous service. A participant is 100% vested after two years of credited service or upon retirement (age 59 ½), disability, retirement or death while employed.

Payment of Benefits - Upon termination of service, a participant having a balance of more than \$1,000 may elect to receive either a lump-sum or monthly distribution or a direct rollover distribution. A participant having less than a \$1,000 balance may take a lump-sum distribution or a direct rollover distribution. If no election is made, a lump sum distribution will automatically be made as soon as reasonably practicable following the date the participant's application for distribution is received by the plan administrator. Non-terminated employees may make withdrawals from their elective deferral account balance as a hardship withdrawal prior to reaching normal retirement age. Hardship withdrawals are subject to additional rules and conditions as outlined in the Plan agreement.

Forfeitures - Discretionary contributions and matching contributions that are forfeited will be used to pay for administrative expenses incurred by the Plan. The portion of forfeitures not used to pay administrative expenses may be used to reduce any employer discretionary or matching contributions. During 2021, approximately \$6,700 was transferred into the forfeiture account and \$19,000 was used to pay administrative expenses. As of December 31, 2021 and 2020, unallocated forfeitures available were approximately \$86,400 and \$98,700, respectively.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the trustee and investment advisors. See Note D for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments purchased and sold, as well as held, during the year.

**SPECTRUM ORTHOPAEDICS, INC.
PROFIT SHARING PLAN AND TRUST**

NOTES TO FINANCIAL STATEMENTS

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events - The Plan has evaluated subsequent events through August 31, 2022, the date the financial statements were available to be issued.

C. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE:

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, benefit payments to participants, and administrative expenses for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

D. FAIR VALUE MEASUREMENTS:

The authoritative accounting guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the authoritative accounting guidance are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs include quoted prices for similar assets or liabilities in active markets or for identical or similar assets or liabilities in inactive markets. Inputs other than quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS

D. FAIR VALUE MEASUREMENTS (CONTINUED):

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 or 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund: Money market accounts are stated at cost, which approximates fair value.

Common / collective trust fund: The common/collective trust fund consists of a stable value fund. The fair values of participation units held in the stable value fund are based on NAV to reflect all fund investments at fair value, including direct and indirect interests in fully benefit-responsive contracts. The stable value fund generally permits redemptions daily. If the fund experiences periods of insufficient liquidity, then the stable value fund may defer honoring any payment request until liquidity is sufficient. The Plan is permitted to redeem investment units at NAV on the measurement date. The NAV is reported to the Plan by the trustee and is used as a practical expedient to estimate fair value in accordance with authoritative accounting guidance.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets as follows:

Assets Measured at Fair Value at December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Total investments at fair value				<u>\$ 19,996,295</u>

The following table set forth additional disclosures of the Plan's investments whose fair value is estimated using NAV per share (or its equivalent) were as follows:

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
<u>December 31, 2021</u>				
Common / collective trust fund *	\$ 562,533	\$ -	Daily	1 day
<u>December 31, 2020</u>				
Common / collective trust fund *	\$ 801,705	\$ -	Daily	1 day

* Investment strategy for these investments, valued using NAV per share, is not being presented since it is a fund that files a form 5500 as a direct filing entity (DFE).

E. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Plan Sponsor has the right in accordance with the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTES TO FINANCIAL STATEMENTS

F. INCOME TAX STATUS:

Effective January 1, 2016, the Plan adopted the Fidelity Management & Research Co. Defined Contribution Volume Submitter Profit Sharing Plan. The volume submitter plan has received an opinion letter dated March 31, 2014, from the Internal Revenue Service (IRS) as to the qualified status. The volume submitter opinion letter has been relied upon by this Plan. Although the Plan has been amended since adoption, the plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code. The plan administrator is not aware of any events that have occurred that might adversely affect the Plan's qualified status. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Effective June 25, 2021, the Plan amended and restated the Plan agreement to adopt the FMR LLC Pre-Approved Defined Contribution Profit Sharing Plan. The pre-approved plan has received an opinion letter dated June 30, 2020, from the IRS as to the qualified status.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

G. TRANSACTIONS WITH PARTIES-IN-INTEREST:

Fidelity Management Trust Company is the trustee of the Plan and holds all of the Plan's investments. Fidelity Management Trust Company is a party-in-interest of the Plan as defined by ERISA Section 3(14), and accordingly investment transactions in the funds are parties-in-interest transactions.

Certain legal and accounting fees and certain administrative expenses relating to the maintenance of participant eligibility records are absorbed by the Plan Sponsor. Other than as described above or pursuant to a trust agreement, the Plan has no agreements or transactions with any parties-in-interest.

H. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

I. DELINQUENT PARTICIPANT CONTRIBUTIONS:

The Plan Sponsor made late participant contributions to the Plan for the years ended December 31, 2021 and 2020 for participants of Spectrum and OSSS. Spectrum is in the process of correcting \$1,000 for a payroll date in 2021. OSSS contributed the late amounts totaling \$4,152 in 2021 for payroll dates in 2021. The Plan Sponsor contributed the late amounts totaling \$28,387 in 2020 for payroll dates in 2020.

Also, a disclosure has been made on Form 5500, Schedule H, Page 4, line 4a that \$32,539 of participant contributions were not made within the time period described in 29 CFR 2510.3-102, which is considered a Section 4975(a) prohibited transaction.

All prohibited transactions for as described herein are pending correction as of the report date.
