To the Plan Administrator and Participants of the
**L&L Products, Inc. Employees'
Profit Sharing Plan and Trust**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the L&L Products, Inc. Employees' Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the 2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion on the 2021 Financial Statements (Continued)

- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the L&L Products, Inc. Employees' Profit Sharing Plan and Trust and to meet our ethical responsibilities in accordance with the ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the L&L Products, Inc. Employees' Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the L&L Products, Inc. Employees' Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the L&L Products, Inc. Employees' Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matters (Continued)

2021 Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the L&L Products, Inc. Employees' Profit Sharing Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 22, 2021, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

EMPLOYEES' PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note 1 - Description of the Plan

General

The Plan is a defined contribution profit sharing plan that was established on July 1, 1977 by L&L Products, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The following description of the Plan is provided for general information purposes only. Participants should refer to the Summary Plan Description or the Adoption Agreement, including amendments thereto, for a complete description of the Plan's provisions.

Administration

The Plan Sponsor and named Plan Administrator is L&L Products, Inc. The Plan Administrator is responsible for oversight of the Plan. The Plan Administrator has formed an Investment Committee which includes Company officers and members of the human resources department. The Investment Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance and fees with the support of the Plan's Investment Advisor, Retirement Funding Advisors. The Plan's Trustee and investment Custodian is State Street Bank and Trust Company (SSBT). The Investment Custodian holds all of the Plan's assets. SSBT has contracted with Transamerica Retirement Solutions to provide certain trustee services including executing all of the Plan's transactions. The Company has also retained Transamerica Retirement Solutions to provide participant recordkeeping and administration services.

Eligibility

The Plan covers all employees of the Company, except those who are covered by a collective bargaining agreement, non-resident aliens, interns, leased employees, and independent contractors. All eligible employees may begin participating in the Plan upon completing three months of service with the Company, with the entry date being the first day of the month coinciding with or next following completion of the eligibility requirements.

Contributions to the Plan

Each year, employees may elect to contribute a portion of their pre-tax annual compensation, as defined in the plan document, up to the maximum amount allowed by law, to their accounts through payroll withholdings. The Plan also allows employees to make after-tax Roth contributions. Employees who have attained age 50 before the end of the year are eligible to make 'catch-up' contributions. Employees may also contribute amounts representing distributions from other defined benefit or defined contribution plans (rollovers).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note 1 - Description of the Plan (Continued)

Contributions to the Plan (Continued)

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled at a deferral rate of 5% unless they affirmatively elect not to participate. Auto-enrollment contributions are invested in the Plan's Qualified Default Investment Alternative until changed by the employee.

The Company has adopted a flexible Safe Harbor option. This election must be made every year and is subject to Board approval. For the year ended December 31, 2021, the Company made Safe Harbor contributions on behalf of eligible employees equal to 5% of those employees' eligible compensation. Compensation for Plan purposes is limited to \$290,000 for 2021. For the year ended December 31, 2021, total Safe Harbor contributions to the Plan amounted to \$2,575,316. The eligibility requirement for the employer Safe Harbor contributions is one year of service with a minimum of 1,000 hours for the first year and a minimum of 1 hour of service thereafter. Employees do not have to be employed on the last day of the Plan year to be eligible; however, an employee must have received compensation from the Plan Administrator (employer) to be entitled to allocations of Safe Harbor contributions.

The employer may also make an additional discretionary contribution to each eligible employee based on a uniform per capita dollar amount. These annual employer contributions to the Plan are determined at the discretion of the Board of Directors. An additional contribution in the amount of \$2,512,293 was made for the year ended December 31, 2021. Eligibility requirements to receive the additional discretionary contribution are equivalent to that of the Safe Harbor eligibility requirements.

Employees direct the investment of both their individual contributions plus their share of employer contributions into the various investment options offered by the Plan. The Company's contributions are allocated in the same manner as that of the employee's elective contributions.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and employer contributions as well as Plan earnings. Participant accounts are charged directly for recordkeeping and investment advisory fees, and credited for fund revenue sharing, based on the investment options held in their accounts. See Note 2 for a discussion of revenue sharing, fees, and expenses. Participants are entitled to the benefit that can be provided from the participant's vested account.

L&L PRODUCTS, INC.
EMPLOYEES' PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note 1 - Description of the Plan (Continued)

Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50 percent of their vested account balance, subject to certain Department of Labor and IRS requirements. The loans are secured by the balance in the participant's account. The loan interest rate is set at the prevailing prime rate plus 1%. Principal and interest is paid ratably through payroll deductions each pay period.

Payment of Benefits

On termination of service, participants with vested account balances of \$1,000 or less are subject to involuntary cash-outs, in which automatic distribution of their account balance will occur without direct consent unless they elect a rollover. Participants whose vested account balances of \$5,000 or less are subject to automatic rollover requirements. Participants whose vested account balances exceed \$5,000 may elect a lump sum distribution, periodic equal installment payments, a partial withdrawal, or a rollover of their account balance to another qualified account. Additionally, they may also elect to defer the distribution of their Plan balance. Participants who elect to have their benefit payments deferred continue to share in allocations of investment income and losses, but do not share in subsequent allocations of employer contributions. Special rules apply to distributions due to death, disability, and retirement. Participants should refer to the full plan document for details.

The Plan allows for in-service distributions upon attainment of the Plan's normal retirement age (age 59 1/2 for employees hired on or after January 1, 2011, and age 50 for employees hired prior to January 1, 2011) for all deferral contributions, discretionary employer contributions and rollover contributions for any reason. Regardless of an employee's hire date, the participant must reach age 59 1/2 prior to eligibility for in-service distributions for employer Safe Harbor and discretionary contributions made for Plan years beginning January 1, 2011. The Plan also allows for in-service distributions prior to attainment of the Plan's normal retirement age due to financial hardship, as defined in the plan document, from deferral contributions, rollover contributions, and Company contributions made prior to the Plan year beginning January 1, 2011. In-service distributions taken due to financial hardship are only permitted provided that the participant has an outstanding loan at the time of distribution.

Vesting

Participants are 100% vested at all times in both employer and employee contributions.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting. Income from investments is recorded when it is earned. Employee contributions are recorded in the period to which they pertain. Expenses are recorded in the accounting period in which they are incurred.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Collective Trust is valued at fair value using the net asset value as a practical expedient. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make repayments on a note receivable and the Plan Administrator deems the note receivable to be uncollectible, the balance on the participant notes receivable is reclassified to benefits paid to participants.

Note 2 - Summary of Significant Accounting Policies (Continued)

Payment of Benefits

Benefits are recorded when paid.

Revenue Sharing, Fees, and Expenses

Certain mutual funds offered by the Plan provide revenue sharing payments to the Plan's recordkeeper. During 2021, the Plan received \$137,337 in revenue payments included in investment income and paid \$80,975 in investment advisory fees, \$11,512 in accounting and attorney fees, and \$134,044 in administrative fees to the Plan's recordkeeper. Other fees paid by participants amounting to \$10,625 relate to loan initiation and maintenance, distribution, Qualified Domestic Relations orders, and other fees paid to the Plan's recordkeeper. Certain investment related expenses are included in investment income presented in the accompanying statement of changes in net assets available for benefits.

Management fees and operating expenses charged to the Plan for the investments in mutual funds are deducted from income earned on a daily basis.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including August 19, 2022, which is the date the financial statements were available to be issued.

Note 3 - Unaudited Information Certified by the Trustee and Significant Concentrations

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following information has been certified by SSBT as to its completeness and accuracy and was not subjected to any auditing procedures performed by the Plan's independent auditors:

1. All investment balances reflected in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020,
2. All investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021,
3. All investment-related information included in the Supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, and
4. Notes receivable from participants as of December 31, 2021 and 2020 and the related income on notes receivable from participant for the year ended December 31, 2021.

Note 3 - Unaudited Information Certified by the Trustee and Significant Concentrations
(Continued)

Investments representing ten percent or more of the Plan's net assets are considered to be significant concentrations and are as follows as of December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
T. Rowe Price Blue Chip Growth Fund	\$ 25,757,832	\$ 22,718,376
Vanguard Institutional Index Fund	19,606,512	**
Dodge & Cox Income Fund	**	16,472,918

** Did not meet 10% threshold.

Note 4 - Fair Value Measurements

Accounting principles generally accepted in the United States of America establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Note 4 - Fair Value Measurements (Continued)

Fair Value of Investments in Certain Entities that Calculate Net Asset Value Per Share

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020:

	December 31, 2021			
	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective Trust	<u>\$ 13,883,118</u>	N/A	Daily	None
	December 31, 2020			
	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective Trust	<u>\$ 12,473,175</u>	N/A	Daily	None

The following is a description of the valuation methods used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Level 1 Fair Value Measurements

Mutual Funds' fair values are determined by reference to quoted market prices and other relevant information generated by market transactions, and therefore the Company classifies these as Level 1 investments.

Collective Trust

The Collective Trust Fund is not publicly traded and represents a Stable Pooled Fund. Fair value is determined by the underlying assets' daily value as reported by the Wells Fargo Stable Return Fund W using net asset value as a practical expedient.

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

DECEMBER 31, 2021 AND 2020

Note 5 - Party-in-Interest Transactions

Certain Plan investments are managed by State Street Bank and Trust Company and Transamerica Retirement Solutions, who are the Plan's Trustee and recordkeepers, respectively. The Plan Administrator also engages a third-party to provide investment advisory services. Indirect compensation (that is netted against investment income on the statement of changes in net assets available for benefits) was paid to the recordkeeper from total annual operating expenses charged on the balance of fund investments at various percentages, depending on the particular fund. Transactions involving these investments are considered party-in-interest transactions; however, these transactions are not considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan at any time subject to the provisions of ERISA.

Note 7 - Plan Amendment and Tax Status

The Plan is a standardized prototype plan, which was amended and restated effective October 14, 2021. The IRS has determined and informed the Company by letter dated June 30, 2020, that the Plan and related Trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). While the amended and restated plan document has not received an individual IRS determination letter, Plan management believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC and, therefore, that the Plan is qualified under Section 401(a) and that the related Trust is tax-exempt as of December 31, 2021.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2021, the Plan Administrator believes that the Plan has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, the Plan is currently not being examined. The Plan Administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2018.

Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
