Re: Required communications between Marcum and Those Charged with Governance

Dear Mrs. Woods:

In accordance with auditing standards generally accepted in the United States of America ("GAAS"), Marcum LLP ("Marcum" or the "Firm"), as auditors of The Morganti Group, Inc. 401 (k) Profit Sharing Plan (the "Plan"), is required to determine that certain matters related to the conduct of our audit are communicated to the body or individuals (including management) charged with governance (hereafter referred to as the "Those Charged with Governance"). GAAS requires the auditor to ensure that Those Charged with Governance receive additional information regarding the scope and results of the audit that may assist them in overseeing the financial reporting and disclosure process, for which management is responsible.

1. The Auditors' Responsibility under U.S. Generally Accepted Auditing Standards

Marcum is responsible to communicate the auditors' responsibilities under GAAS.

We have audited the financial statements of The Morganti Group, Inc. 401 (k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2021 and we issued our report thereon dated August 29, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated May 6, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

2. Planned Scope and Timing of the Audit

The auditor should communicate an overview of the planned scope and timing of the audit. This communication may assist Those Charged with Governance in better understanding the consequences of the auditor's work for their oversight activities, discussing with the auditor issues of risk and materiality, and identifying any areas in which they may request the auditor to undertake additional procedures. Such communication may also assist the auditor in better understanding the Plan and its environment. Nevertheless, the auditor maintains sole responsibility to determine the overall audit strategy and the audit plan, including the nature, timing and extent of procedures necessary to obtain sufficient appropriate audit evidence.

We conducted our audit consistent with the planned scope and timing we previously communicated to you. We would be pleased to meet with you to further discuss any of the following matters at your request:

- *The allocation of responsibilities between Those Charged with Governance and management.*
- *The Plan's objectives and strategies, and the related business risks that may result in material misstatements.*
- *Matters you have identified that warrant particular attention during the audit, and any areas where you request additional procedures to be undertaken.*

- *Significant communications with regulators.*
- *Other matters you believe are relevant to the audit of the financial statements.*
- *The attitudes, awareness, and actions of Those Charged with Governance concerning (a) the Plan's internal control and its importance in the Plan, including how Those Charged With Governance oversee the effectiveness of internal control and (b) the detection or the possibility of fraud.*
- *The actions of Those Charged with Governance in response to developments in financial reporting, laws, accounting standards, corporate governance practices, and other related matters.*
- *The actions of Those Charged with Governance in response to previous communications with the auditor.*

3. Qualitative Aspects of the Plan's Significant Accounting Policies

The auditor should discuss the auditors' judgments about the quality, not just the acceptability, of the Plan's accounting principles as applied in its financial reporting, including the ramifications of alternative methods. The auditor should also discuss the initial selection of, and changes in, significant accounting policies, including the application of new accounting pronouncements. The discussion should be open and frank and generally should include such matters as consistency of the Plan's accounting policies and their application, and the clarity and completeness of the Plan's financial statements, which include related disclosures. The discussion should include items that have a significant impact on the representational faithfulness, verifiability and neutrality of the accounting information included in the financial statements. Particular emphasis should be placed on those policies and principles that are deemed critical. Critical accounting policies are those that are the most important to the portrayal of the Plan's financial condition and results and require management's most difficult, subjective or complex judgments.

There are no specific matters that we believe should be communicated to you. However, we would be pleased to meet with you at your convenience to discuss your significant accounting policies. Since the primary responsibility for establishing the Plan's accounting principles rests with management, such a discussion should generally include the Plan's management as a participant.

4. Management Judgments and Significant Accounting Estimates

Those Charged with Governance should be informed about the process used by management in formulating particularly sensitive accounting estimates and about the basis for the auditor's conclusions regarding the reasonableness of those estimates. Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimates affecting the financial statements are fair value measurements. Management's estimate of the fair value of investments is based on observable input to determine the appropriate level to classify certain investment balances. We evaluated the key factors and assumptions used to develop the fair value measurements and determined that it is reasonable in related to the basic financial statements taken as a whole.

5. Financial Statement Disclosures

Those Charged with Governance should be informed about sensitive or otherwise significant financial statement disclosures. GAAP mandates many specific disclosures, and also requires that a complete set of financial statements include all other disclosure necessary to assure the financial statements are not misleading. The determination of appropriate disclosure requires significant judgment by management.

The most sensitive disclosures affecting the Plan's financial statements was Note 4 – Fair Value Measurements.

The financial statement disclosures are neutral, consistent and clear.

6. Significant Difficulties Encountered During the Audit

Serious difficulties encountered in dealing with management that related to the performance of the audit are required to be brought to the attention of Those Charged with Governance.

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

7. Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, which could be significant to the Plan's financial statements or the auditors' report. However, a disagreement does not include a difference of opinion based on incomplete facts or preliminary information that is later resolved.

There were no such disagreements.

8. Management Consultations with Other Accountants

When the auditor is aware that management has consulted with other accountants about significant accounting or auditing matters, the auditors' views about the subject of the consultation should be communicated to Those Charged with Governance.

To our knowledge, no such consultations were made by management.

9. Fraud or violations of Laws and Regulations

Those Charged with Governance should be adequately informed of fraud or violations of laws and regulations coming to the auditor's attention during the course of the audit.

There were no fraud or violations of laws and regulations that came to our attention during the course of our audit.

10. Communicating Internal Control Related Matters

Any significant deficiencies or material weaknesses related to the design of controls or implementation of controls coming to the auditors' attention during the audit should be communicated to Those Charged with Governance.

Our consideration of internal control was for the limited purpose described in item # 1 above and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be material weaknesses and other deficiencies that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected on a timely basis.

During our audit, we noted that the Plan does not employ an individual with the necessary qualifications to prepare a complete set of financial statements and related footnotes in accordance with generally accepted accounting principles. Marcum has assisted the Plan in preparing its financial statements. Management continues to make all management decisions and performs all management functions. Additionally, management has designated an individual who possess suitable skill, knowledge, and experience to oversee our services.

Such individual is responsible for the results of the services, and maintains control and monitors such services. We have concluded that the assistance in the preparation of the Plan's financial statements is a significant deficiency that we have identified as a material weakness.

In addition, the Plan document states that the employer match amounts are determined yearly by the Board of Directors. Per discussion with management the Board has not formally met in the past few years to set the employer match amount, but instead has left the match at the same balance as prior years. We view this as a significant deficiency and recommend that the Board document annually the matching balance and also discuss

investment expenses to meet the fiduciary standard, as well as maintain a full set of meeting minutes.

11. Independence

In order to issue an auditors' report, Marcum must be independent from the Plan in accordance with professional standards. The auditor may choose to communicate circumstances or relationships, such as financial interests, business or family relationships or nonaudit services provided or expected to be provided, that in the auditors' judgment may reasonably be thought to bear on independence, and that the auditor gave significant consideration to in reaching the conclusion that independence has not been impaired.

There are no matters identified that impair our independence.

This report is intended solely for the information and use of the management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Marcum LLP

INDEPENDENT AUDITORS' REPORT

To The Plan Administrator and Plan Participants of
The Morganti Group, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of The Morganti Group, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H - Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 18, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of The Morganti Group, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a profit sharing, savings and investment defined contribution plan established for the purpose of providing retirement benefits to eligible employees of The Morganti Group, Inc. and affiliated entities (the Company or Employer). The Plan has also been adopted by the Company's subsidiaries: Morganti Florida, Inc. and Morganti Texas, Inc. (the Subsidiaries). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

ADMINISTRATION

The Plan's sponsor is the Company. The Plan is administered by a benefits committee (the Plan Administrator) comprised of certain employees of the Company. The Plan Administrator is responsible for oversight of the Plan. The Company's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan Administrator. The Plan's trustee is Fidelity Management Trust Company (the Trustee).

ELIGIBILITY

All employees of the Company and the Subsidiaries (excluding those covered by a collective bargaining agreement) are eligible to become a participant in the Plan on the first working day in January, April, July and October, as defined, after such employee has completed 3 months of service and attained the age of 21.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS

EMPLOYEE CONTRIBUTIONS

Participants may elect to contribute any pre-tax or post-tax (Roth) dollar amount or percentage (up to 75%) of eligible compensation, as defined in the Plan (elective deferrals). Participants who are at least age 50 before the end of the plan year may make catch-up contributions. Participants may not contribute more than the maximum allowed by the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified plans (Rollover Contributions).

Participants are automatically enrolled in the Plan (unless they opt out) and automatic deferrals of 4% are deducted from their compensation beginning as soon as administratively feasible after meeting the eligibility required for participant contributions.

MATCHING EMPLOYER CONTRIBUTIONS

The Company may make a discretionary matching contribution. For the year ended December 31, 2021, the Company has agreed to contribute on behalf of each employee participant 50 percent of the first 4 percent of the participant's payroll period compensation that a participant contributes to the Plan, not to exceed \$2,200.

The Company, however, reserves the right to adjust the matching contribution upward or downward in any plan year, or to eliminate the contribution completely at its sole discretion. During the year ended December 31, 2021, the Company contributed \$94,176 in matching contributions.

NON-ELECTIVE EMPLOYER CONTRIBUTION

The Company may make a discretionary profit sharing contribution. The discretionary profit sharing contribution allocation would be based on the ratio that each participants' compensation bears to the total of such compensation of all participants. Participants must complete 500 hours of service and be employed at year end to receive such allocation. No such contribution was made for the year ended December 31, 2021.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, the Company's matching and non-elective contributions and an allocation of the Plan's earnings (losses). Allocations are based on participant account balances, as defined. The accounts are charged for any withdrawals, distributions, and an allocation of administrative expenses. Should an employee withdraw from the Plan before he or she is fully vested, the non-vested portion of his or her account is forfeited. All forfeitures are reallocated to remaining participants in accordance with the terms of the Plan. When the participant attains his or her normal retirement age, or in the event of death or disability, the participant becomes 100 percent vested in the Company's matching contributions, non-elective contributions, and interest earned thereon.

VESTING

Participants are vested immediately in their contributions plus actual earnings thereon. The participant is vested in the Employer's matching contributions depending on the number of years of service as follows:

Years of Service	Vesting Percentage
Less than two years	0%
Two but less than three years	20%
Three but less than four years	40%
Four but less than five years	60%
Five but less than six years	80%
Six or more years	100%

PAYMENT OF BENEFITS

When a participant is entitled to a distribution on account of retirement, death, disability or termination of employment, such distribution is made in either a lump sum or in equal cash payments over a period not to exceed the participant's life expectancy or joint life expectancies of the participant and his or her spouse. Any participant who has authorized salary reduction contributions may withdraw all or a portion of such contributions in the event of extreme financial hardship, as defined by the Plan, and approved by the Plan Administrator.

401(K) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

FORFEITURES

If a participant is not 100 percent vested on his or her termination date, the Employer portion of the participants' entire account will be forfeited. All amounts forfeited may be used to offset future Company contributions. Forfeitures of terminated non-vested account balances that were used to reduce Employer contributions during the year ended December 31, 2021 were \$39,878. The outstanding forfeiture balance as of December 31, 2021 and 2020 was \$13,561 and \$25,404, respectively.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of (i) 50 percent of the participant's account balance or (ii) \$50,000 (reduced by any loan repayments during the prior year). Loan terms shall not exceed 5 years unless the loan proceeds are used to acquire a principal residence, for which the term cannot exceed 10 years. The loans are secured by the balance in the participant's account and bear interest at a rate of 4.25 to 6.00 percent, which is commensurate with local, prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

USE OF ESTIMATES

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect certain reported amounts of additions to and deductions from net assets available for benefits and disclosure of contingent assets and liabilities and changes therein. Actual results could differ from those estimates.

401(K) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan agreement. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded at December 31, 2021 and 2020.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, Trustee, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. All gains and losses (realized and unrealized) are reported in the net appreciation (depreciation) in fair value of investments on the accompanying statement of changes in net assets available for benefits.

ADMINISTRATIVE EXPENSES

The Plan pays administrative expenses to the extent that the Company does not pay them. Personnel and facilities of the Company have been used by the Plan for accounting and other activities at no charge to the Plan. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events for potential recognition and disclosure through August 29, 2022 the date the financial statements were available to be issued. No subsequent events were identified requiring recognition or disclosure in the financial statements.

NOTE 3 – CERTIFICATION OF INVESTMENT INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by the Trustee. This information has not been audited by the Plan's independent auditors. The certification does not apply to the notes receivable from participants or interest income on notes receivable from participants.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities.

**THE MORGANTI GROUP, INC.
401(K) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by levels within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Investment Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,119,937	\$ --	\$ --	\$ 9,119,937

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

	Investment Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 8,513,239	\$ --	\$ --	\$ 8,513,239
Total assets in the fair value hierarchy	\$ 8,513,239	\$ --	\$ --	8,513,239
Collective trust - stable value fund measured at NAV (a)				716,381
Investment assets at fair value				\$ 9,229,620

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

For the years ended December 31, 2021 and 2020, there were no transfers between levels 1 and 2 and no transfers in or out of level 2 or 3.

The following summarizes investments measured at fair value based on NAV per share as follows at December 31, 2021 and 2020:

Fund Name	Fair Value		Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
	2021	2020			
Union Bond and Trust Morley Stable Value	\$ 694,072	\$ 716,381	\$ --	Daily	n/a

NOTE 5 – CORRECTIVE DISTRIBUTIONS PAYABLE

During the years ended December 31, 2021 and 2020, the Plan failed certain nondiscrimination tests. As a result, refunds of excess contributions are required to be paid out to participants in order for the Plan to meet compliance testing requirements. An accrual was made for this excess contribution of \$20,891 and \$508 at December 31, 2021 and 2020, respectively, and was paid subsequent to the year end.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their account balances.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

During the year ended December 31, 2021, there were transactions involving the investment of Plan assets in investment funds maintained under the custody of the Trustee, a party-in-interest as defined in Section 3(14) of ERISA. Additionally, the Plan extends loans to participants, who are considered parties-in-interest. Further, personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the Plan. These transactions are exempt from the prohibited transaction rules.

NOTE 8 – TAX STATUS

The Internal Revenue Service informed the Company by an opinion letter dated June 30, 2020, that the Plan and related trust were designed in accordance with the applicable regulations of the IRC. The Plan is required to operate in conformity with the IRC to maintain its qualified status. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – RISKS AND UNCERTAINTIES

INVESTMENTS

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Re: Required communications between Marcum and Those Charged with Governance

Dear Mrs. Woods:

In accordance with auditing standards generally accepted in the United States of America ("GAAS"), Marcum LLP ("Marcum" or the "Firm"), as auditors of The Morganti Group, Inc. 401 (k) Profit Sharing Plan (the "Plan"), is required to determine that certain matters related to the conduct of our audit are communicated to the body or individuals (including management) charged with governance (hereafter referred to as the "Those Charged with Governance"). GAAS requires the auditor to ensure that Those Charged with Governance receive additional information regarding the scope and results of the audit that may assist them in overseeing the financial reporting and disclosure process, for which management is responsible.

1. The Auditors' Responsibility under U.S. Generally Accepted Auditing Standards

Marcum is responsible to communicate the auditors' responsibilities under GAAS.

We have audited the financial statements of The Morganti Group, Inc. 401 (k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2021 and we issued our report thereon dated August 29, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated May 6, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

2. Planned Scope and Timing of the Audit

The auditor should communicate an overview of the planned scope and timing of the audit. This communication may assist Those Charged with Governance in better understanding the consequences of the auditor's work for their oversight activities, discussing with the auditor issues of risk and materiality, and identifying any areas in which they may request the auditor to undertake additional procedures. Such communication may also assist the auditor in better understanding the Plan and its environment. Nevertheless, the auditor maintains sole responsibility to determine the overall audit strategy and the audit plan, including the nature, timing and extent of procedures necessary to obtain sufficient appropriate audit evidence.

We conducted our audit consistent with the planned scope and timing we previously communicated to you. We would be pleased to meet with you to further discuss any of the following matters at your request:

- The allocation of responsibilities between Those Charged with Governance and management.*
- The Plan's objectives and strategies, and the related business risks that may result in material misstatements.*
- Matters you have identified that warrant particular attention during the audit, and any areas where you request additional procedures to be undertaken.*

- *Significant communications with regulators.*
- *Other matters you believe are relevant to the audit of the financial statements.*
- *The attitudes, awareness, and actions of Those Charged with Governance concerning (a) the Plan's internal control and its importance in the Plan, including how Those Charged With Governance oversee the effectiveness of internal control and (b) the detection or the possibility of fraud.*
- *The actions of Those Charged with Governance in response to developments in financial reporting, laws, accounting standards, corporate governance practices, and other related matters.*
- *The actions of Those Charged with Governance in response to previous communications with the auditor.*

3. Qualitative Aspects of the Plan's Significant Accounting Policies

The auditor should discuss the auditors' judgments about the quality, not just the acceptability, of the Plan's accounting principles as applied in its financial reporting, including the ramifications of alternative methods. The auditor should also discuss the initial selection of, and changes in, significant accounting policies, including the application of new accounting pronouncements. The discussion should be open and frank and generally should include such matters as consistency of the Plan's accounting policies and their application, and the clarity and completeness of the Plan's financial statements, which include related disclosures. The discussion should include items that have a significant impact on the representational faithfulness, verifiability and neutrality of the accounting information included in the financial statements. Particular emphasis should be placed on those policies and principles that are deemed critical. Critical accounting policies are those that are the most important to the portrayal of the Plan's financial condition and results and require management's most difficult, subjective or complex judgments.

There are no specific matters that we believe should be communicated to you. However, we would be pleased to meet with you at your convenience to discuss your significant accounting policies. Since the primary responsibility for establishing the Plan's accounting principles rests with management, such a discussion should generally include the Plan's management as a participant.

4. Management Judgments and Significant Accounting Estimates

Those Charged with Governance should be informed about the process used by management in formulating particularly sensitive accounting estimates and about the basis for the auditor's conclusions regarding the reasonableness of those estimates. Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimates affecting the financial statements are fair value measurements. Management's estimate of the fair value of investments is based on observable input to determine the appropriate level to classify certain investment balances. We evaluated the key factors and assumptions used to develop the fair value measurements and determined that it is reasonable in related to the basic financial statements taken as a whole.

5. Financial Statement Disclosures

Those Charged with Governance should be informed about sensitive or otherwise significant financial statement disclosures. GAAP mandates many specific disclosures, and also requires that a complete set of financial statements include all other disclosure necessary to assure the financial statements are not misleading. The determination of appropriate disclosure requires significant judgment by management.

The most sensitive disclosures affecting the Plan's financial statements was Note 4 – Fair Value Measurements.

The financial statement disclosures are neutral, consistent and clear.

6. Significant Difficulties Encountered During the Audit

Serious difficulties encountered in dealing with management that related to the performance of the audit are required to be brought to the attention of Those Charged with Governance.

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

7. Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, which could be significant to the Plan's financial statements or the auditors' report. However, a disagreement does not include a difference of opinion based on incomplete facts or preliminary information that is later resolved.

There were no such disagreements.

8. Management Consultations with Other Accountants

When the auditor is aware that management has consulted with other accountants about significant accounting or auditing matters, the auditors' views about the subject of the consultation should be communicated to Those Charged with Governance.

To our knowledge, no such consultations were made by management.

9. Fraud or violations of Laws and Regulations

Those Charged with Governance should be adequately informed of fraud or violations of laws and regulations coming to the auditor's attention during the course of the audit.

There were no fraud or violations of laws and regulations that came to our attention during the course of our audit.

10. Communicating Internal Control Related Matters

Any significant deficiencies or material weaknesses related to the design of controls or implementation of controls coming to the auditors' attention during the audit should be communicated to Those Charged with Governance.

Our consideration of internal control was for the limited purpose described in item # 1 above and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be material weaknesses and other deficiencies that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected on a timely basis.

During our audit, we noted that the Plan does not employ an individual with the necessary qualifications to prepare a complete set of financial statements and related footnotes in accordance with generally accepted accounting principles. Marcum has assisted the Plan in preparing its financial statements. Management continues to make all management decisions and performs all management functions. Additionally, management has designated an individual who possess suitable skill, knowledge, and experience to oversee our services.

Such individual is responsible for the results of the services, and maintains control and monitors such services. We have concluded that the assistance in the preparation of the Plan's financial statements is a significant deficiency that we have identified as a material weakness.

In addition, the Plan document states that the employer match amounts are determined yearly by the Board of Directors. Per discussion with management the Board has not formally met in the past few years to set the employer match amount, but instead has left the match at the same balance as prior years. We view this as a significant deficiency and recommend that the Board document annually the matching balance and also discuss

investment expenses to meet the fiduciary standard, as well as maintain a full set of meeting minutes.

11. Independence

In order to issue an auditors' report, Marcum must be independent from the Plan in accordance with professional standards. The auditor may choose to communicate circumstances or relationships, such as financial interests, business or family relationships or nonaudit services provided or expected to be provided, that in the auditors' judgment may reasonably be thought to bear on independence, and that the auditor gave significant consideration to in reaching the conclusion that independence has not been impaired.

There are no matters identified that impair our independence.

This report is intended solely for the information and use of the management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Marcum LLP

INDEPENDENT AUDITORS' REPORT

To The Plan Administrator and Plan Participants of
The Morganti Group, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of The Morganti Group, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H - Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 18, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of The Morganti Group, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a profit sharing, savings and investment defined contribution plan established for the purpose of providing retirement benefits to eligible employees of The Morganti Group, Inc. and affiliated entities (the Company or Employer). The Plan has also been adopted by the Company's subsidiaries: Morganti Florida, Inc. and Morganti Texas, Inc. (the Subsidiaries). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

ADMINISTRATION

The Plan's sponsor is the Company. The Plan is administered by a benefits committee (the Plan Administrator) comprised of certain employees of the Company. The Plan Administrator is responsible for oversight of the Plan. The Company's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan Administrator. The Plan's trustee is Fidelity Management Trust Company (the Trustee).

ELIGIBILITY

All employees of the Company and the Subsidiaries (excluding those covered by a collective bargaining agreement) are eligible to become a participant in the Plan on the first working day in January, April, July and October, as defined, after such employee has completed 3 months of service and attained the age of 21.

**THE MORGANTI GROUP, INC.
401(K) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS

EMPLOYEE CONTRIBUTIONS

Participants may elect to contribute any pre-tax or post-tax (Roth) dollar amount or percentage (up to 75%) of eligible compensation, as defined in the Plan (elective deferrals). Participants who are at least age 50 before the end of the plan year may make catch-up contributions. Participants may not contribute more than the maximum allowed by the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified plans (Rollover Contributions).

Participants are automatically enrolled in the Plan (unless they opt out) and automatic deferrals of 4% are deducted from their compensation beginning as soon as administratively feasible after meeting the eligibility required for participant contributions.

MATCHING EMPLOYER CONTRIBUTIONS

The Company may make a discretionary matching contribution. For the year ended December 31, 2021, the Company has agreed to contribute on behalf of each employee participant 50 percent of the first 4 percent of the participant's payroll period compensation that a participant contributes to the Plan, not to exceed \$2,200.

The Company, however, reserves the right to adjust the matching contribution upward or downward in any plan year, or to eliminate the contribution completely at its sole discretion. During the year ended December 31, 2021, the Company contributed \$94,176 in matching contributions.

NON-ELECTIVE EMPLOYER CONTRIBUTION

The Company may make a discretionary profit sharing contribution. The discretionary profit sharing contribution allocation would be based on the ratio that each participants' compensation bears to the total of such compensation of all participants. Participants must complete 500 hours of service and be employed at year end to receive such allocation. No such contribution was made for the year ended December 31, 2021.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, the Company's matching and non-elective contributions and an allocation of the Plan's earnings (losses). Allocations are based on participant account balances, as defined. The accounts are charged for any withdrawals, distributions, and an allocation of administrative expenses. Should an employee withdraw from the Plan before he or she is fully vested, the non-vested portion of his or her account is forfeited. All forfeitures are reallocated to remaining participants in accordance with the terms of the Plan. When the participant attains his or her normal retirement age, or in the event of death or disability, the participant becomes 100 percent vested in the Company's matching contributions, non-elective contributions, and interest earned thereon.

VESTING

Participants are vested immediately in their contributions plus actual earnings thereon. The participant is vested in the Employer's matching contributions depending on the number of years of service as follows:

Years of Service	Vesting Percentage
Less than two years	0%
Two but less than three years	20%
Three but less than four years	40%
Four but less than five years	60%
Five but less than six years	80%
Six or more years	100%

PAYMENT OF BENEFITS

When a participant is entitled to a distribution on account of retirement, death, disability or termination of employment, such distribution is made in either a lump sum or in equal cash payments over a period not to exceed the participant's life expectancy or joint life expectancies of the participant and his or her spouse. Any participant who has authorized salary reduction contributions may withdraw all or a portion of such contributions in the event of extreme financial hardship, as defined by the Plan, and approved by the Plan Administrator.

FORFEITURES

If a participant is not 100 percent vested on his or her termination date, the Employer portion of the participants' entire account will be forfeited. All amounts forfeited may be used to offset future Company contributions. Forfeitures of terminated non-vested account balances that were used to reduce Employer contributions during the year ended December 31, 2021 were \$39,878. The outstanding forfeiture balance as of December 31, 2021 and 2020 was \$13,561 and \$25,404, respectively.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of (i) 50 percent of the participant's account balance or (ii) \$50,000 (reduced by any loan repayments during the prior year). Loan terms shall not exceed 5 years unless the loan proceeds are used to acquire a principal residence, for which the term cannot exceed 10 years. The loans are secured by the balance in the participant's account and bear interest at a rate of 4.25 to 6.00 percent, which is commensurate with local, prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

USE OF ESTIMATES

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect certain reported amounts of additions to and deductions from net assets available for benefits and disclosure of contingent assets and liabilities and changes therein. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan agreement. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded at December 31, 2021 and 2020.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, Trustee, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. All gains and losses (realized and unrealized) are reported in the net appreciation (depreciation) in fair value of investments on the accompanying statement of changes in net assets available for benefits.

ADMINISTRATIVE EXPENSES

The Plan pays administrative expenses to the extent that the Company does not pay them. Personnel and facilities of the Company have been used by the Plan for accounting and other activities at no charge to the Plan. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events for potential recognition and disclosure through August 29, 2022 the date the financial statements were available to be issued. No subsequent events were identified requiring recognition or disclosure in the financial statements.

NOTE 3 – CERTIFICATION OF INVESTMENT INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by the Trustee. This information has not been audited by the Plan's independent auditors. The certification does not apply to the notes receivable from participants or interest income on notes receivable from participants.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities.

**THE MORGANTI GROUP, INC.
401(K) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by levels within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Investment Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,119,937	\$ --	\$ --	\$ 9,119,937

Total assets in the fair value hierarchy	\$ 8,513,239	\$ --	\$ --	8,513,239
Collective trust - stable value fund measured at NAV (a)				716,381
Investment assets at fair value				\$ 9,229,620

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

For the years ended December 31, 2021 and 2020, there were no transfers between levels 1 and 2 and no transfers in or out of level 2 or 3.

The following summarizes investments measured at fair value based on NAV per share as follows at December 31, 2021 and 2020:

Fund Name	Fair Value		Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
	2021	2020			
Union Bond and Trust Morley Stable Value	\$ 694,072	\$ 716,381	\$ --	Daily	n/a

NOTE 5 – CORRECTIVE DISTRIBUTIONS PAYABLE

During the years ended December 31, 2021 and 2020, the Plan failed certain nondiscrimination tests. As a result, refunds of excess contributions are required to be paid out to participants in order for the Plan to meet compliance testing requirements. An accrual was made for this excess contribution of \$20,891 and \$508 at December 31, 2021 and 2020, respectively, and was paid subsequent to the year end.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their account balances.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

During the year ended December 31, 2021, there were transactions involving the investment of Plan assets in investment funds maintained under the custody of the Trustee, a party-in-interest as defined in Section 3(14) of ERISA. Additionally, the Plan extends loans to participants, who are considered parties-in-interest. Further, personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the Plan. These transactions are exempt from the prohibited transaction rules.

NOTE 8 – TAX STATUS

The Internal Revenue Service informed the Company by an opinion letter dated June 30, 2020, that the Plan and related trust were designed in accordance with the applicable regulations of the IRC. The Plan is required to operate in conformity with the IRC to maintain its qualified status. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – RISKS AND UNCERTAINTIES

INVESTMENTS

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
