Board of Directors
Hinckley Management Group, LLC 401(k) Plan

We have audited the financial statements of Hinckley Management Group, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) for the year ended December 31, 2021 and we will issue our report thereon dated August 4, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Ascensus Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated June 7, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note A to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2021. We noted no transactions entered into by the plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial and communicate them to the appropriate level of management. There were no material misstatements identified that were adjusted or remained uncorrected.

Disagreements with Management

For purposes of this letter, a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Internal Control

Except as discussed in the following paragraph, in planning and perform our audit of the financial statements of the Plan as of and for the year ended December 31, 2021 in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Ascensus Trust Company that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified deficiencies in internal control that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statement will not be prevented, or detected and corrected on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies in the Plan's internal control to be significant deficiencies:

August 4, 2022

- The Plan's management is responsible for ensuring the financial statements are prepared in accordance with accounting principles generally accepted in the United States of America. Although the Plan's financial statements were prepared by the audit team, the audit team cannot be considered to be a part of the Plan's internal control, which includes preparing the Plan's financial statements. While it is simply not cost beneficial for the plan this size to recruit and retain personnel with sufficient experience and skill in accounting and financial reporting to adequately address these deficiencies in the internal control, you should be aware of this condition.
- The limited number of office personnel prevents a proper segregation of duties necessary to provide for the prevention and detection of potential financial statement or plan compliance errors. The Board of Directors should be aware of this situation and realize that their most effective control lies in their knowledge of matters relating to the Plan's operations and the impact these matters have on the Plan's financial statements and related disclosures. Management should constantly strive to segregate duties and responsibilities to the greatest extent possible.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention. As part of our discussions we noted the following:

- We noted that documentation is not retained from employees declining participation in the plan upon receiving notice of eligibility. We recommend retaining signed documentation for all participants declining participation.

This information is intended solely for the use of the Board of Directors and management of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

DSB RockIsland

Independent Auditor's Report

Plan Administrator and Trustees
Hinckley Management Group, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Hinckley Management Group, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Hinckley Management Group, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hinckley Management Group, LLC 401(k) Plan ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hinckley Management Group, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hinckley Management Group, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4(j) – Schedule of Assets (Held at End of Year) for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Hinckley Management Group, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 1, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

1. Basis of Presentation

The accompanying financial statements of Hinckley Management Group, LLC 401(k) Plan (the Plan) have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America.

2. Valuation of Investments

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date.

Purchases and sales are recorded on the trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net change in fair value includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan presents, in the statement of changes in net assets available for benefits, the net change in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

3. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

4. Participant Direction of Investments

Subject to the provisions of the Plan, a participant has the right to direct the investments of the balance in their accounts in the specific investment funds made available by the Plan administrator. At December 31, 2021 and 2020 all investments were participant directed.

5. Payment of Benefits

Benefits are recorded when paid.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

6. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

NOTE B - DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan operates as a Single Employer Plan. The other employers participating in the Single Employer Plan as part of a controlled group, where Hinckley Management Group, LLC is the lead sponsor, are: ALN Donuts, C&P Donuts Inc., DLCG Donuts Inc., JN Donuts, Inc., and SMB Donuts Inc. The employers listed above will collectively be referred to as the Employer, hereafter.

The Plan is a defined contribution plan established on January 1, 2018 covering substantially all employees of the Employer. An employee is eligible for participation upon reaching age 21 and completing 1,000 or more hours of service in the 12-month period following their hire date, or if 1,000 hours or more of service is completed in a given Plan year. As amended July 1, 2021, an eligible employee may become a participant on the next entrance date, which is first of every month.

The Employer is responsible for appointing an administrator and trustee for the Plan. The trustee has discretionary powers in executing investment transactions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code ("IRC").

2. Contributions

The Plan allows participants to contribute up to 100% of their eligible compensation, as defined in the Plan, subject to limits imposed by the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions as allowed by the IRC. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE B - DESCRIPTION OF THE PLAN – CONTINUED

2. Contributions - Continued

The Employer's qualified safe harbor matching contribution is required in the amount of 100% of the participants' deferral, up to 5% of the participants' eligible compensation. During 2021, Employer safe harbor contributions totaled \$103,153.

The Employer may also make discretionary profit sharing contributions. During 2021, the Employer did not make any such contributions.

3. Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Employer's safe harbor matching and discretionary profit sharing contribution and (b) investment income earned less any administrative expenses. Allocations are based on participant compensation or account balances, as defined.

Changes in a participant's deferral percentage for future contributions may be made at any time during the Plan year. Reallocation of participant investment accounts among the investment options may be made at any time during the Plan year.

4. Vesting

Participants immediately vest in their contributions and Employer qualified safe harbor matching contributions plus earnings thereon. Participants vest in Employer discretionary profit sharing contributions plus earnings thereon at a rate of 20% after two years of service with an additional 20% per year thereafter until the employee is 100% vested after six years of service as defined by the Plan. A participant is also 100% vested due to reaching normal retirement age, death or disability.

5. Forfeited Accounts

Forfeited accounts are used to defray the cost of administrative expense of the Plan or reduce future Employer discretionary profit sharing contributions. As of December 31, 2021 and 2020, the balances of unapplied forfeitures of non-vested accounts is \$0. Administrative expenses paid from forfeitures were \$0 during the year ending December 31, 2021.

Hinckley Management Group, LLC 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE B - DESCRIPTION OF THE PLAN – CONTINUED

6. Payment of Benefits

Upon termination of service due to death, disability, retirement or termination of employment, a participant may receive a lump sum distribution equal to the participant's vested account balance. Participants with account balances of \$1,000 or less are subject to involuntary lump sum distributions.

Hardship distributions are permitted for participants with qualifying purpose or need. In a hardship withdrawal under the Plan, participants may distribute funds attributable to pre-tax elective deferrals or Employer discretionary profit sharing contributions.

7. Notes Receivable from Participants

Notes receivable from participants are permitted up to the lesser of one-half of their vested balance or \$50,000 for each participant. The minimum loan amount is \$1,000. The loans must bear a fixed interest rate equal to prime rate plus 1% for a term not to exceed five years unless the loan is used for the purchase of the employee's primary residence. Loans used for the purchase of an employee's primary residence may be repaid within a period of no more than 30 years. Participants are limited to one outstanding note at any given time. The notes are secured by the balance in the participant's account. Principal and interest is paid ratably through payroll deductions.

8. Risks and Uncertainties

The Plan is comprised of investments in a combination of mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

NOTE C - INFORMATION PREPARED AND CERTIFIED BY ASCENSUS TRUST COMPANY

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Ascensus Trust Company as of December 31:

	2021	2020
Mutual funds	\$ 1,319,900	\$ 885,375
Collective trust funds	26,595	17,307
Participant loans	12,402	14,258
Investment and participant loan interest income	193,639	134,383

NOTE D – FAIR VALUE MEASUREMENTS

Accounting Standards Codification (“ASC”) 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Hinckley Management Group, LLC 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE D – FAIR VALUE MEASUREMENTS - CONTINUED

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

December 31, 2021 and 2020

NOTE E – FEDERAL INCOME TAXES

The Plan, established on January 1, 2018 has adopted a Prototype Non-Standardized Profit Sharing Plan with a cash or deferral arrangement of Ascensus, Inc. The prototype sponsor obtained its latest advisory letter dated March 31, 2014, which stated that the Plan, as then designed, was in accordance with applicable section of the IRC. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator and the Plan's tax counsel believe that the Plan was qualified and the related trust is tax-exempt as of the financial statement date. There were no reconcilable differences between the financial statements and the Form 5500 as of December 31, 2021 and 2020, and for the year ended December 31, 2021.

The Plan's policy is to evaluate the likelihood that any uncertain tax positions will prevail upon examination based on the extent to which those positions have substantial support within the Internal Revenue Code and Regulations, Revenue Rulings, court decisions, and other evidence. The federal income tax returns of the Plan are subject to examination by the IRS, generally for three years after they were filed.

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

Ascensus Trust Company is the trustee of the Plan and is the third party administrator.

Merrill Lynch, Pierce, Fenner and Smith (Merrill Lynch), holds the Plan's investments and executes Plan transactions involving investments under their control as requested. Merrill Lynch also serves as the investment advisor for the Plan.

NOTE G – ADMINISTRATIVE EXPENSES

The Plan pays administrative expenses that consist primarily of administrative fees to the third party administrator. The Plan also pays all other administrative expenses, such as professional fees, to the extent not paid by the Employer on behalf of the Plan. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses.

NOTE H - PLAN TERMINATION

The Employer has the right under the Plan to reduce, suspend, or discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE H - PLAN TERMINATION - CONTINUED

On February 10, 2022, the Company's Board of Directors approved the termination of the Hinckley Management Group, LLC 401(k) Plan. As a result, all participant balances became fully vested. Assets will be distributed to employees on or before December 31, 2022.

NOTE I – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through August 4, 2022, the date which the financial statements were available to be issued.
