INDEPENDENT AUDITOR'S REPORT

To the Trustee and Plan Administrator
of the Moore Industries 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Moore Industries 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Moore Industries 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Moore Industries 401(k) Savings Plan's ability to continue as a going concern within one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Moore Industries 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Moore Industries 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Moore Industries 401(k) Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MOORE INDUSTRIES 401(k) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Moore Industries 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan established by Moore Industries-International, Inc. (the "Employer") under the provisions of Section 401(a) of the Internal Revenue Code ("IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan provides for a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Employer. The plan administrator is responsible for the oversight of the Plan, determines the appropriateness of the plan's investment offerings, and monitors investment performance. Nationwide Trust Company, FSB and Nationwide Life Insurance Company (collectively, the "Trustee") are responsible for the custody and management of the Plan's assets.

2. Eligibility

All employees who are U.S. residents may participate in the Plan. Employees may begin contributing to the Plan upon attainment of 21 years of age and one year of service. Eligible employees may enroll in the Plan on the first day of the month subsequent to meeting the eligibility requirements.

3. Contributions

Participants may elect to contribute, on a tax-deferred basis, up to 70% of their eligible compensation, subject to certain limitations under the IRC. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may direct contributions, as desired, in any of several investments offered by the Trustee or available through the self-directed brokerage account and may change their investment options daily. In addition, through June 14, 2020, the Employer made a non-elective safe harbor contribution in the amount of 3% of each participant's eligible compensation, as defined. Effective June 14, 2020, the Employer may make a discretionary matching contribution as determined by the Employer (see Notes H and I).

The Employer may also make a discretionary profit sharing contribution, based on employees' taxable wage base, for each active and eligible participant, in an amount subject to determination on an annual basis by the Board of Directors of the Employer (see Note J).

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF THE PLAN (Continued)

4. Participant Accounts

Each participant's account is credited with the participant's contributions and the Employer's non-elective safe harbor contribution and matching contribution, as well as allocations of the Employer's discretionary matching and/or profit sharing contribution, if applicable, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

5. Notes Receivable From Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum of 50% of their vested account balance (not to exceed \$50,000 less the highest outstanding loan balance during the prior twelve-month period). The loans are secured by the balance in the participant's account. Participants may have one loan outstanding at any time. All loans shall bear a reasonable rate of interest as determined by the plan administrator based on market rates at the time of issuance. Loans must be paid back within five years of the date of issuance in accordance with terms established by the plan administrator. Loans for the purchase of a principal residence may be paid back over a longer term established by the plan administrator. Loans are due and payable upon the participant's termination of employment with the Employer.

6. Vesting

Employee contributions, Employer qualified safe harbor contributions, rollovers and actual earnings on all such contributions are fully vested at all times. Vesting of Employer matching contributions, Employer discretionary profit sharing contributions and actual earnings thereon, are based upon the participant's years of service with the Employer as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

NOTE A - DESCRIPTION OF THE PLAN (Continued)

7. Benefit Payments

Upon termination of employment with the Employer, a participant may receive a lump sum disbursement if his or her vested account balance is less than \$5,000. For balances greater than \$5,000, the participant is entitled to a lump sum amount or installment payments if required for minimum distributions for IRC purposes. In the event of death or total and permanent disability, a participant's beneficiary or the participant is entitled to the total value of the participant's account. In addition, upon attaining age 59½, participants may receive distributions. Hardship withdrawals are also permitted if certain criteria are met. In addition, during 2020, Coronavirus Aid, Relief, and Economic Security ("CARES") distributions were also permitted if certain criteria were met (see Note I).

8. Administrative Expenses

Certain expenses of maintaining the Plan are paid from the assets of the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation of fair value of investments.

9. Forfeitures

Forfeitures of terminated participants' non-vested accounts will first be utilized to pay plan expenses and then may be applied against future Employer contributions. During the year ended December 31, 2021, no forfeitures were utilized. As of December 31, 2021 and 2020, there was \$13,869 and \$12,752, respectively, of unallocated forfeitures included in net assets available for benefits.

10. Plan Amendments and Termination

Although it has not expressed such intent, the Employer, by action of its Board of Directors, reserves the right, at any time, to amend or terminate the Plan. Upon termination of the Plan, further contributions to the Plan shall cease and all participants who are affected by such termination shall become 100% vested. Net assets available for benefits would be distributed to the participants based on each participant's interest in the Plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

MOORE INDUSTRIES 401(k) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

2. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

3. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Nationwide Fixed Select group annuity contract is not considered fully-benefit responsive and is reported at fair value. The Plan's management determines the Plan's valuation policies utilizing information provided by the Trustee and investment advisor. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

5. Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding increase to deductions from net assets.

6. Benefit Payments

Benefits are recorded when paid.

7. Subsequent Events

Plan management has evaluated subsequent events through August 30, 2022, the date the financial statements were available to be issued.

MOORE INDUSTRIES 401(k) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE C - CERTIFICATION BY TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, all of the investment information, including investment income, included in the accompanying financial statements and supplemental schedule has been certified as complete and accurate by the Trustee of the Plan.

NOTE D - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

MOORE INDUSTRIES 401(k) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Various securities valued at the quoted market prices of shares held at year end.

Group annuity contract: Valued at net participants contributions plus credited interest calculated on quarterly basis compounded daily, less any contingent deferred sales charges, if applicable, and applied market valuation adjustment.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

<u>December 31, 2021</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

MOORE INDUSTRIES 401(k) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE E - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Trustee is a party-in-interest with respect to the Plan. Investments are held with and managed by the Trustee. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing rather than direct payment. Additional fees may be paid directly to the Trustee or other parties-in-interest. Notes receivable and the related interest income are considered related party transactions.

NOTE F - INCOME TAX STATUS

The Internal Revenue Service ("IRS") has issued an opinion letter to the Trustee dated March 31, 2014, that the adopted volume submitter plan and related trust are designed in accordance with applicable sections of the IRC (see Note J). Although the Plan did not seek a favorable determination letter with respect to the initial adoption of the plan document, nor with any plan amendments, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expect to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H - CORRECTION PROGRAM

During 2021, the Employer identified that the Plan was not amended formally to suspend the matching contribution provision for the Plan during 2020. In 2020, the Employer had provided proper notice to all participants and did not realize that the match was not discretionary. The Employer took remedial action and engaged an ERISA attorney to assist with correction under the IRS' Voluntary Correction Program ("VCP") to correct the matter through a retroactive amendment (see Notes A-3 and I). The Employer submitted its VCP request to the IRS in August 2021 and was approved by the IRS in October 2021. There was no impact on the net assets available for benefits.

MOORE INDUSTRIES 401(k) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE I - PLAN AMENDMENTS

Effective April 5, 2020, the Plan implemented the distribution provision of the CARES Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020 (see Note A-7). The required amendment to the plan will be adopted by the final adoption date allowed by the IRS.

Effective June 14, 2020, the Plan was amended to suspend the Safe Harbor matching contribution and implement a discretionary matching provision (see Notes A-3 and H). Participants were provided with the required notification related to this amendment more than 30 days before the effective date.

NOTE J - SUBSEQUENT EVENTS

Effective July 1, 2022, the Employer adopted a non-standardized pre-approved plan offered by the Trustee through a third-party service provider and was restated. In addition, the Internal Revenue Service ("IRS") provided an opinion letter to the third-party service provider dated June 30, 2020, that the restated plan and related trust are designed in accordance with applicable sections of the IRC (see Note F). As part of the restatement, all employer contributions are discretionary (see Note A-3). There were no other material modifications to the provisions of the Plan.
