INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
Third Coast Bank, SSB 401(K) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Third Coast Bank, SSB 401(K) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the "2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT, continued

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT, continued

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedules, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The financial statements of the Plan as of and for the year ended December 31, 2020, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Newport Trust Company, the trustee of the Plan. Their report, dated October 13, 2021, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

THIRD COAST BANK, SSB 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of the Third Coast Bank, SSB (the "Company") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, established on January 1, 2009, last amended July 21, 2020, is a defined contribution plan covering generally all employees of Third Coast Bank, SSB and Third Coast Commercial Capital, Inc (collectively, the "Company") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

In May 2020, the Plan was amended whereby the Heritage Bank 401(k) Plan was merged into the Plan effective May 18, 2020. Investments totaling \$931,692 were liquidated and transferred to the Plan on the effective date.

Administration

Newport Trust Company (the "Trustee") serves as the Plan's trustee. Newport Group, Inc. (the "Recordkeeper") serves as the Plan's recordkeeper and third-party administrator.

Eligibility

All employees of the Company, except for union, leased, and nonresidential alien employees, are immediately eligible to participate in the Plan upon hire.

Contributions

The Plan provides for voluntary pre-tax and Roth participant contributions expressed as a percentage of the participant's eligible compensation. Contributions cannot exceed the limitation (\$19,500 in both 2021 and 2020) set forth in Section 402(g) of the Internal Revenue Code ("IRC"). Participants may make catch-up contributions (pre-tax contributions that exceed the annual elective deferral limit) during any calendar year ending on or after the participant's 50th birthday. A participant's total catch-up contribution is limited to a maximum of \$6,500 in both 2021 and 2020.

The Company adopted the Safe Harbor Provision of the IRC. The Plan provides for a mandatory Safe Harbor contribution on behalf of each participant in the amount equal to 100% of the participant's elective deferrals that do not exceed 3% of the participant's eligible compensation, as defined in the Plan document, for the Plan year, plus 50% of the participant's elective deferrals that exceed 3% of the participant's eligible compensation, but do not exceed 5% of the participant's eligible compensation. The Plan, as amended, provides that the Safe Harbor contributions be deposited into the Third Coast Bank, SSB Employee Stock Ownership Plan. The Company may also make discretionary employer match and discretionary profit sharing contributions as described in the Plan Document. The Company did not make a discretionary employer match or discretionary profit sharing contribution in 2021 or 2020.

Vesting

Participants are immediately vested at 100% in their pre-tax and Roth contributions, rollover contributions, discretionary employer match contributions, and discretionary profit sharing contributions plus actual earnings.

Participant Accounts

Each participant's account is credited with the participant's contribution, an allocation of Plan earnings/losses, the employer's discretionary match and discretionary profit sharing contribution, if any, and administrative expenses. Allocations are based on participant contributions, participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Participants direct the allocation of their account balance in any of several investment options. Participants can change their investment options among the various investment funds either through direct transfers from one fund to another or by changing the percentage allocation of future contributions.

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 from their fund accounts up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000. The loans are made for terms not to exceed five years unless the loan is used to acquire a principal residence, in which case, the administrator may permit a longer repayment term. Repayments of principal and interest are credited to the funds in which the participant's deferrals and discretionary employer match contributions are invested.

Principal and interest are paid ratably through payroll deductions. The maximum number of loans that a participant may have outstanding at any one time is one. All notes receivable shall bear a reasonable rate of interest as determined by the Plan administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. Interest rates on outstanding loans ranged from 4.25% to 7.25% and 4.50% to 7.25% during the years ended December 31, 2021 and 2020, respectively.

Pursuant to the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") that was signed into law on March 27, 2020, the Plan allowed participants to take Coronavirus-related loans. Coronavirus-related loans permitted qualified participants to borrow up to the lesser of \$100,000 or 100% of a participant's vested balance. As part of the CARES Act, if elected by participants, loan repayments due between March 27, 2020 and December 31, 2020 could be delayed for up to one year while still accruing interest.

Benefit Payments

Participants are eligible for distributions of their vested account balances upon the event of death, disability, retirement, termination of employment, hardship, or the attainment of age 70½. In-service withdrawals are permitted on or after participants attain age 59 ½ in accordance with Plan provisions.

Pursuant to the CARES Act, participants who were currently receiving required minimum distributions were offered the option to waive their 2020 distribution and participants who were due to receive the first required distribution in 2020 had their distribution automatically waived. The ability to request special waivers with respect to required minimum distributions under the CARES Act ceased as of December 31, 2020. Additionally, the CARES Act permitted Plan participants to take Coronavirus-related distributions ("CRDs"). CRDs of up to \$100,000 were permitted to qualified participants during 2020. Under the provisions of the CARES Act, there is no mandatory tax withholding or withdrawal penalties applicable to CRDs. If elected by participants, CRDs can be reinvested in the Plan, another qualified plan, or IRA over a three-year period. Plans were permitted to adopt any CARES Act provisions immediately provided the Plan Document is retroactively amended on or before December 31, 2022.

If the value of the participant's account balance upon termination is less than \$5,000, and the participant does not consent to a lump-sum distribution, the account balance will be distributed to an individual retirement account for the benefit of the participant at the direction of the Plan administrator.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions to participants are charged directly to the participant's account and are included in administrative expenses.

Forfeitures

Forfeitures are retained in the Plan and may be used to pay Plan expenses and may also be used to reduce future safe harbor, discretionary employer match, or discretionary profit sharing contributions. During 2021 and 2020, no forfeitures were used to pay Plan administrative expenses or reduce safe harbor, discretionary employer match, or discretionary profit sharing contributions. As of December 31, 2021 and 2020, there were \$2,282, respectively in each year, of forfeitures available to be utilized.

THIRD COAST BANK, SSB 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of the financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amount of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes realized gains and losses on investments sold during the year and unrealized appreciation (depreciation) of investments held at the end of the year.

Notes Receivable from Participants

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is accrued as earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant notes receivable are reclassified as distributions based upon the terms of the Plan document. No allowance for loss on uncollectable notes receivable from participants was recorded as Plan management determined that the notes receivable from participants were adequately collateralized.

Benefit Payments

Benefits are recorded when paid.

3. Fair Value Measurements

Accounting Standards Codification ("ASC") 820, *Fair Value Measurement and Disclosures*, ("ASC 820") defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;

THIRD COAST BANK, SSB 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

3. Fair Value Measurements, continued

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

In determining fair value, the Plan uses the market approach, which uses prices and other relevant data based on market transactions involving identical or comparable assets and liabilities.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund: Valued at amortized cost, which approximates fair value.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan administrator believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's assets measured at fair value on a recurring basis as of December 31, 2021 and 2020 are all Level 1.

4. Information Certified by the Trustee (Unaudited)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest income from notes receivable from participant and interest and dividends for the years then ended, was obtained or derived from the information supplied to the Plan administrator and certified as complete and accurate by Newport Trust Company.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

5. Tax Status

The volume submitter plan adopted by the Company received its latest advisory letter dated March 31, 2014, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with applicable requirements of the IRC. The Plan has been amended since receiving the advisory letter. However, the Plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified and the related trust is tax exempt as of December 31, 2021. Therefore, no provision for income taxes has been included in the Plan's financial statements

THIRD COAST BANK, SSB 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

5. Tax Status, continued

Plan management evaluates tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

7. Party-in-Interest Transactions

The Plan issues notes receivable from participants. These transactions qualify as party-in-interest transactions, as defined by ERISA. However, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

8. Delinquent Contributions

During the year ended December 31, 2021, the Company determined that certain employee deferrals and loan repayments aggregating \$94,695 had not been remitted to the Plan in a timely manner, according to DOL regulations. The loss of earnings for the contributions was still being evaluated, but expected to conclude and any earnings processed and deposited to participant accounts in 2022.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2020:

	<u>2020</u>
Net assets available for benefits per financial statements	\$ 9,151,909
Participant contributions receivable	(52,615)
Other	<u>(2)</u>
Net assets available for benefits per Form 5500	<u>\$ 9,099,292</u>

As of the year ended December 31, 2021 there were no differences related to the net assets available for benefits between the Form 5500 and the statement of net assets available for benefits per the financial statements.

The following is a reconciliation of the increase in net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Change in net assets available for benefits		
Per the financial statements	\$ 2,751,572	\$ 3,009,829
Change in participant contributions receivable	52,615	(52,615)
Change in excess contributions payable	<u>2</u>	<u>(2)</u>
Change in net assets available for benefits per Form 5500	<u>\$ 2,804,189</u>	<u>\$ 2,957,212</u>

10. Subsequent Events

Plan management has evaluated subsequent events through September 1, 2022, which is the date the financial statements were issued, and has concluded that there are no significant events to be reported.
