MERCHANTS AUTOMOTIVE GROUP, LLC 401(k) PLAN

**FINANCIAL STATEMENTS
AND SUPPLEMENTAL SCHEDULE**

December 31, 2021 and 2020

With Independent Auditor's Report

INDEPENDENT AUDITOR'S REPORT

To the Plan Committee and Participants
Merchants Automotive Group, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Merchants Automotive Group, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020; the related statement of changes in net assets available for benefits for the year ended December 31, 2021; and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified by a qualified institution agreed to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Merchants Automotive Group, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Merchants Automotive Group, LLC 401(k) Plan's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on as test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Merchants Automotive Group, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Merchants Automotive Group, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented of additional analysis and is not a required part of the financial statements but is supplementary information required by the Departments of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. MERCHANTS AUTOMOTIVE GROUP, LLC 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

1. Description of Plan

The following description of Merchants Automotive Group, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established for the benefit of the employees of Merchants Automotive Group, LLC (the Company). The Plan was originally established on September 1, 1998. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Automatic Deferral

The Plan features an automatic deferral provision. Upon hire, employees are automatically enrolled on the date of employment, unless otherwise elected, at the deferral contribution rate of 6%. Contributions are automatically invested in a designated balanced fund until changed by the participant.

Plan Amendments

The Plan was amended effective June 7, 2021, to remove the minimum age requirement for participation.

The Plan was amended effective June 7, 2021, to modify the definition of compensation to exclude all payments in connection with the Plan sponsor's stock appreciation rights agreements.

The Plan was amended effective November 19, 2021, to change the Plan name from Merchants Automotive Group, Inc. 401(k) Plan to Merchants Automotive Group, LLC 401(k) Plan.

Contributions

Each year, participants may elect to contribute a portion of their eligible compensation, as defined in the Plan on a pre-tax or after-tax (ROTH) basis up to the maximum allowable under federal tax limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants may revoke salary deferral elections at any time or make any other modifications on the first day of any payroll period.

The Company contributes a matching contribution calculated as follows: 100% of the first 1% and 50% of the next 5% of a participant's pre-tax savings contributions. The contribution period for purposes of calculating the amount of matching employer contributions is based on the plan year rather than the pay periods. Additional amounts in the form of employer non-elective profit-sharing contributions or other employer contributions may be contributed

at the option of the Company's Board of Directors and are allocated in the ratio that each eligible participant's compensation bears to total compensation paid for the contribution period. There were no additional contributions in 2021. Contributions are subject to certain limitations.

Rollover contributions are subject to conditions stated in the Plan and in the appropriate sections of the Code.

Participant Accounts

Each participant's account is credited with the participant's contribution, the matching contributions, and Plan earnings or losses and is charged with an allocation of any administrative expenses paid by the plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. The Company's safe harbor contributions are also immediately vested.

Vesting in the Company's matching and discretionary contributions and employer non-elective profit-sharing contributions and other employer matching contributions, plus actual earnings thereon, is based on years of continuous service, as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	25%
2	50%
3	75%
4	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Borrowing terms generally range from one to five years. Notes for which the proceeds are used to purchase a primary residence may have terms longer than five years but cannot extend beyond the borrowing participant's normal retirement age, as defined. The notes are secured by the vested balances in the participants' accounts and bear interest at fixed rates of prime plus 1%. Interest rates range from 4.25% to 6.5% at December 31, 2021. Principal and interest are paid ratably through payroll deductions.

If a participant with an outstanding balance terminates employment with the Company and any related parties, the outstanding principal and interest on such note shall continue to be payable in accordance with the provisions of the note.

MERCHANTS AUTOMOTIVE GROUP, LLC 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Investment Options

All contributions to the Plan are invested in various investment options at the election of the participants. Each participant selects the funds to which contributions will be allocated. Investment options may be changed an unlimited number of times and at any time during the year.

Plan Expenses

The Company pays certain administrative expenses on behalf of the Plan, except for administrative costs of mutual funds and loan processing fees, which are paid by the Plan. Also, in accordance with the fee agreement, certain fees incurred by the Plan for investment management services are included in investment income on the statement of changes in net assets available for benefits as they are paid through revenue sharing, rather than direct payment.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are reported as a liability with a corresponding reduction to contributions. There were no amounts contributed to the Plan from highly-compensated employees in excess of the IRS-approved limit as of December 31, 2021 and 2020.

Payment of Benefits

The Plan provides for participants to withdraw their funds at any time upon attainment of the normal retirement age as stated in the Plan document. Such withdrawals are based on the vested amount in the participant's account as of the valuation date coinciding with or immediately after the participant's retirement date. The Plan agreement provides for withdrawals in the event of death, disability, hardship, termination, or early retirement. The Plan allows for in-service withdrawals once the participant reaches age 59 ½. Benefits may be also paid under various annuity options. Vested account balances greater than \$1,000 and up to \$5,000 may be automatically distributed to an individual retirement account (IRA) on the participant's behalf upon termination of employment unless the participant elects a direct distribution to an eligible retirement plan. Vested account balances of \$1,000 or less may be automatically distributed to the participant in a lump sum on the participant's behalf upon termination of employment.

Forfeited Accounts

When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account, as defined by the Plan, represents a forfeiture. Forfeitures can be used first to pay administrative expenses under the Plan, if so directed, or to reduce matching contributions. Nonvested employer contributions are forfeited by participants who cease employment for any reason. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$4,732 and \$2,703, respectively. These accounts would be used to reduce

future employer contributions. Also, in 2021, employer contributions were reduced by \$39,757 from forfeited nonvested accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). As of December 31, 2021 and 2020, all employee and employer contributions for the Plan years had been remitted to the Plan.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Committee determines the Plan's valuation policies utilizing information provided by the investment trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at the unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

MERCHANTS AUTOMOTIVE GROUP, LLC 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain investment-related expenses are included in net appreciation of fair value of investments.

Date of Management's Review of Subsequent Events

The Plan's management has evaluated subsequent events through August 19, 2022, the date the financial statements were available to be issued. There were no subsequent events requiring adjustments to the financial statements or disclosures.

3. Information Prepared and Certified by the Plan Trustee

The plan administrator has elected the method of compliance permitted under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee of the Plan has certified that the following data included in the financial statements and supplemental schedule is complete and accurate:

- Investment totals as shown in the Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020.
- Notes receivable from participants as shown in the Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020.
- Investment income as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.
- The Schedule of Assets (Held at End of Year) at December 31, 2021.

4. Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs are not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2021 and 2020.

MERCHANTS AUTOMOTIVE GROUP, LLC 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value at the End of the Reporting Period		
	Level 1	Level 2	Total
December 31, 2021			
Money market funds	\$ 1,076,073	\$ -	\$ 1,076,073
Mutual funds	61,827,434	-	61,827,434
Total assets in hierarchy	<u>\$ 62,903,507</u>	<u>\$ -</u>	62,903,507

Total investments at fair value			<u>\$ 63,804,512</u>
December 31, 2020			
Money market funds	\$ 1,207,869	\$ -	\$ 1,207,869
Mutual funds	48,373,758	-	48,373,758

Stable value collective trust fund at net asset value ^(a)			881,148
Total investments at fair value			<u>\$ 50,462,775</u>

- (a) In accordance with Accounting Standards Update 2015-07, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

MERCHANTS AUTOMOTIVE GROUP, LLC 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	<u>Fair Value</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
December 31, 2021:			
Stable value collective trust fund	\$ 901,005	Daily	12 months
December 31, 2020:			
Stable value collective trust fund	\$ 881,148	Daily	12 months

5. Related-Party and Party-in-Interest Transactions

Certain Plan investments are managed by Fidelity, the trustee as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions. The Plan uses a number of service providers. Such parties are considered parties-in-interest under ERISA. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would immediately become 100% vested in their employer contributions.

7. Tax Status

The Plan is subject to ERISA and certain provisions of the Code. The Plan has not obtained a separate determination letter from the IRS stating that the Plan was in compliance with the applicable requirements of the Code. The Plan is relying on the IRS approval of the standardized prototype plan that it is utilizing. The IRS has opined and informed the third-party administrator by a letter dated March 31, 2014, that the prototype plan was designed in accordance with applicable sections of the Code. Although the Plan has been amended since the most recent ruling, the plan administrator believes that the Plan is designed and is currently operated in compliance with the applicable requirements of the Code and believes that the Plan, as amended, is qualified and tax exempt.

GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Notes to Financial Statements

December 31, 2021 and 2020

8. Risks and Uncertainties

The Plan invests in various investment options. These investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to Schedule H of Form 5500:

	December 31,	
	2021	2020
