McKeever Enterprises, Inc. 401(k) Retirement Plan
Independence, Missouri

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements

We have performed an audit of the financial statements of McKeever Enterprises, Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion On The 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion On The 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section of our report. We are required to be independent of McKeever Enterprises, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about McKeever Enterprises, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The 2021 Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of McKeever Enterprises, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about McKeever Enterprises, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter

2021 Supplemental Schedule Required By ERISA

The supplemental schedule of assets held at end of year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report On The 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of McKeever Enterprises, Inc. 401(k) Retirement Plan as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report, dated July 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MCKEEVER ENTERPRISES, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 And 2020

1. Description Of The Plan

The following description of the McKeever Enterprises, Inc. 401(k) Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, with a 401(k) provision, covering all employees of McKeever Enterprises, Inc. (the Company) who have accrued one year of service and have worked at least 1,000 hours from date of hire to the anniversary date of hire, and have attained the minimum age of 21. Participants who have at least 1,000 hours of service during the Plan year are eligible for the Safe Harbor Matching Contribution as well as a discretionary additional matching contribution. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Company administers the Plan and certain owners of the Company are the trustees.

Contributions

Participants may elect to defer up to 50% of eligible compensation to the Plan, subject to certain Internal Revenue Service (IRS) limitations. The Company is required to make a Safe Harbor Matching Contribution. The Company matches 100% of employee contributions up to 3% of the participant's eligible compensation and an additional 50% of the next 3% of eligible compensation. The Company may also make additional discretionary profit sharing contributions; however, no such contributions were made in 2021 or 2020. All employees who are eligible to make elective deferrals under this Plan and who have attained age 50 prior to the close of the Plan year shall be eligible to make catch-up contributions in accordance with, and subject to, the limitations of Section 414(v) of the Internal Revenue Code (IRC).

The Plan allows employee rollover contributions of pre-tax elective salary deferrals from other qualified plans.

MCKEEVER ENTERPRISES, INC. 401(k) RETIREMENT PLAN

Notes To Financial Statements *(Continued)*

Vesting

Participants are immediately vested in their voluntary contributions and safe harbor contributions plus actual earnings thereon. The portion of the participants' accounts attributable to the Company's discretionary contributions vests based on years of service, as defined as at least 1,000 hours of service during the Plan Year, as follows:

<u>Years Of Service</u>	<u>Vesting Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching and profit sharing contributions, and an allocation of Plan earnings and is charged with an allocation of administrative expenses. Assets are valued daily. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment Of Benefits

On termination of service, an employee may elect to receive cash equal to the value of his/her account either in a lump-sum payment or in installments.

Distributions may be made upon retirement. Normal retirement age is a participant's 65th birthday. Early retirement is defined as the anniversary date coinciding with or next following the date on which a participant attains age 55 and has completed at least 6 years of service in which the participant has obtained 1,000 hours of service per year. Subject to the Plan's restrictions, participants may withdraw all or a portion of their vested account balances while remaining employed.

MCKEEVER ENTERPRISES, INC. 401(k) RETIREMENT PLAN

Notes To Financial Statements *(Continued)*

Notes Receivable From Participants

Participants may borrow from their accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Loans used for purchase of a residence must be repaid over a period not exceeding 15 years and all other loans must be repaid within five years. Loans are secured by the vested balance in the participant's account and bear interest at the Wall Street Journal prime rate plus two percent. Principal and interest are paid ratably through weekly payroll deductions.

Investment Options

Upon enrollment in the Plan, a participant may direct his/her contributions to be deposited into a diversified portfolio of funds offered by the Plan. Participants may change their investment options at any time.

Forfeitures

Any nonvested portion of a participant's account that is forfeited by the participant is utilized to reduce the Company's subsequent contributions or to cover Plan expenses. Company contributions to the Plan were reduced by \$0 and \$361 of forfeitures for the years ended December 31, 2021 and 2020, respectively. Forfeited nonvested balances totaled \$1,782 as of December 31, 2021. There were no forfeited nonvested balances as of December 31, 2020.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

CARES Act

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security, or CARES Act was passed into law. The CARES Act outlines special rules for use of retirement funds for those affected by COVID-19 that temporarily allow for the following: tax-favored withdrawals, increased loan limits to \$100,000, suspension of repayment of loans for up to a year, and delay of minimum required distributions. The Plan adopted the provisions. These provisions expired on December 31, 2020.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Estimates And Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Payment Of Benefits

Benefits are recorded when paid.

Investment Valuation And Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Investment income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Net change in fair value of investments represents the difference between the aggregate fair value of investments at year end and the values at the beginning of the year, and includes any realized gains and losses in shares that were bought and sold during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan Agreement.

3. Certified Financial Information

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the years ended December 31, 2021 and 2020, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information certified by Empower Retirement (Empower) as of December 31, 2021 and for the period beginning May 4, 2021 and ending December 31, 2021 and Alerus Financial, N.A. (Alerus) as of December 31, 2020 and for the period beginning January 1, 2020 and ending May 4, 2021 and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Empower and Alerus that the information provided to the Plan Administrator related to the following information is complete and accurate to the best of their knowledge and belief. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets as of December 31:

	<u>2021</u>	<u>2020</u>
Investments - at fair value		
Mutual funds	\$ 15,658,651	\$ 18,669,934
Fixed annuity contract	796,326	—
Common/collective trusts	7,295,961	2,710,699

Empower and Alerus also certified to the completeness and accuracy to the best of their knowledge and belief related the following investment gains and interest income on notes receivable from participants for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Net change in fair value of investments	\$ 1,794,977	\$ 3,009,431
Dividend and interest income	797,695	500,252
Interest income on notes receivable from participants	19,820	20,572

4. Fair Value Measurements

The Plan utilizes an established framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

MCKEEVER ENTERPRISES, INC. 401(k) RETIREMENT PLAN

Notes To Financial Statements *(Continued)*

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended investment companies that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Fixed Annuity Contract

Valued at the daily reported value for fixed annuity contract calculated by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

Common/Collective Trusts

Valued at the unit value or NAV of units of the individual common/collective trusts. The NAV, as provided by the trustee of each of the invested funds, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. All of the common/collective trusts held by the Plan file an annual report on Form 5500 as direct filing entities.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

MCKEEVER ENTERPRISES, INC. 401(k) RETIREMENT PLAN

Notes To Financial Statements (Continued)

The following table sets forth by level, within the fair value hierarchy, the investments of the Plan as of December 31, 2021:

	Level 1	Level 2	Level 3	Total

Notes To Financial Statements *(Continued)*

5. Plan Termination

Although it has not expressed intent to do so, the Company has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event that the Plan is terminated, participants will be 100% vested in their accounts.

6. Tax Status

The Company adopted a defined contribution pre-approved plan in May 2021. The sponsor of the pre-approved plan obtained its latest opinion letter dated June 30, 2020, in which the IRS stated that the pre-approved plan, as then designed, was in compliance with the applicable requirements of the IRC, and therefore, not subject to tax.

Prior to May 2021, the Company had adopted a volume submitter profit sharing plan. The sponsor of the volume submitter obtained its latest opinion letter dated March 15, 2016, in which the IRS stated that the volume submitter form of plan, as then designed, was in compliance with the applicable requirements of the IRC, and therefore, not subject to tax.

The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

7. Party In Interest Transaction

Certain employees have outstanding loans with the Plan as of December 31, 2021 and 2020. These loans are considered party in interest transactions and are allowable under ERISA guidelines.

8. Risks And Uncertainties

The Plan utilizes various investment instruments, including mutual funds and common/collective trusts. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and overall market volatility.
