Independent Auditors' Report

To the Administrative Committee
MBH Architects 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of MBH Architects 401(k) Profit Sharing Plan, and employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of MBH Architects 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MBH Architects 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MBH Architects 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MBH Architects 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MBH Architects 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held for investment as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MBH ARCHITECTS 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 1. PLAN DESCRIPTION:

The following description of the MBH Architects 401(k) Profit Sharing Plan is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General:

The Plan is commonly known as a Code Section 401(k) profit sharing plan. Employees are eligible to defer a portion of their compensation after completing one month of service. Upon meeting eligibility criteria, employees will be automatically enrolled in the Plan with an initial pre-tax deferral contribution of 5%. Employees are eligible to receive employer contributions after completing one year of service. The 401(k) arrangement is available to all employees who are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Profit sharing contributions to the Plan are determined by MBH Architects (the Company) on an annual basis. MBH Architects made contribution of \$500,000 to the 401(k) Profit Sharing Plan for the year ended December 31, 2021.

The maximum annual amount that can be contributed to a 401(k) arrangement as an elective deferral, that is, as a pre-tax contribution, is \$19,500 for 2021 and 2020. Individuals age 50 or over by the end of the plan year are allowed to make additional contributions to a 401(k) plan, in excess of the standard limits. Such additional contributions will be limited to \$6,500 in 2021 and 2020.

The Plan also permits Roth deferrals.

Rollover:

The rollover "contribution" was rolled over from the qualified plans maintained by a new employee's prior employers.

Participant accounts:

Each participant in the Plan has a segregated account. The objective of the Plan provisions is to afford each participant, within reasonable administrative limits, wide flexibility in selecting investments for the participant's account. All investments are participant-directed. Each participant account is credited with the participant's contribution and allocation of: a) the Company's contribution, and b) Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting:

Participants are 100% immediately vested in their deferral contributions. Participants are subject to vesting under the profit-sharing plan. Participants are vested in increments of 20% for each year after one year of employment. After year two, employees are 20% vested. After six years, employees are 100% vested.

MBH ARCHITECTS 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 1. PLAN DESCRIPTION (Continued):

Payment of benefits:

Participant accounts are available for withdrawal at the participant's death, retirement, total disability, age 59 1/2, or termination of employment with the Company. Participants who qualify for benefits and withdrawals are entitled to a lump-sum distribution of his or her vested account balance.

Notes receivables from participants:

Under the terms of the Plan, participants may borrow from their account, a minimum of \$1,000 up to a maximum of \$50,000 or 50% of the participant's account balance, whichever is less. The loans are secured by the balance in the participant's account. Loans bear a fixed rate of interest determined on the date of advance. The interest rate on notes receivable from participants as of December 31, 2021 was 5.25%. Principal and interest are paid ratably through payroll deductions.

Forfeitures:

Forfeitures are retained in the Plan and may be used to pay plan expenses or to reduce amounts otherwise required to be contributed to the Plan. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$13,369 and \$6,155, respectively. For the year ended December 31, 2021, \$6,155 from forfeited nonvested accounts were used to pay plan expenses.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Method of accounting:

The financial statements are presented on the accrual basis of accounting.

Cash equivalents:

Cash equivalents are considered to be short-term, highly liquid investments with original maturities of three months or less.

Investment valuation and income recognition:

Investments are generally included in the financial statements at fair value as reported to the Plan by the trustee. Shares are stated at quoted market value. Gains and losses on investments are recognized in the period in which the appreciation or depreciation occurs. The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in fair value of investments, which consists of the net realized gains or losses and unrealized appreciation or depreciation on those investments.

As described in the Professional Accounting Standards, investment contracts held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contract because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

MBH ARCHITECTS 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of benefits:

Benefits are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation in the fair value of investments.

Date of management's review:

Subsequent events were evaluated through August 4, 2022, which is the date the financial statements were available to be issued.

Note 3. NATURE OF ESTIMATES:

The preparation of financial statements in conformity with accounting principles generally accepted in the United State of America requires the Administrative Committee to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Note 4. SIGNIFICANT CONCENTRATION OF CREDIT RISK:

The Plan's investments are held in a trust fund administered by Principal Financial Group.

The Plan provides for various investment options in any one of a combination of mutual funds that invest in stocks, bonds, fixed income securities and other investment securities. These investments are exposed to various risks, such as credit, interest rate and market. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

MBH ARCHITECTS 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 5. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED):

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). As permitted under such election, Principal Trust Company, the trustee of the Plan, certified information regarding fair value and contract value of all investments and notes receivable from participants as of December 31, 2021 and December 31, 2020 and investments and notes receivable from participants transactions entered into during the year ended December 31, 2021, which was used in the preparation of the accompanying financial statements and supplemental schedule.

Note 6. FAIR VALUE MEASUREMENTS:

Professional accounting standards establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority,
- Level 2 inputs consist of quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, and observable inputs other than quoted prices for the assets,
- Level 3 inputs are unobservable and significant to the fair value measurement; these measures have the lowest priority.

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

As of December 31, 2021 and 2020, the Plan's investments consisted of mutual funds with fair values of \$21,029,868 and \$18,385,161, respectively. These investments are valued using Level 1 measures within the fair value hierarchy. There are no plan assets requiring the use of Level 2 and Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value as of December 31, 2021 and 2020.

The Plan's policy is to recognize transfers of investments into or out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2021, there were no transfers of investments into or out of Level 3.

Note 7. BENEFIT-RESPONSIVE INVESTMENT (FIXED INCOME GUARANTEED OPTION):

The Plan entered into a benefit-responsive investment contract with Principal Trust Company. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

MBH ARCHITECTS 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

**Note 7. BENEFIT-RESPONSIVE INVESTMENT (FIXED INCOME GUARANTEED OPTION)
(Continued):**

As described in Note 2, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to benefit-responsive investment. Contract value, as reported to the Plan by Principal Trust Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The fixed income guaranteed option is presented on the face of the statements of net assets available for benefits at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

As of December 31, 2021 and 2020, the Plan had \$219,515 and \$195,957, respectively, in fixed income guaranteed option, a benefit-responsive investment.

Note 8. PLAN TERMINATION:

Although it has not expressed the intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

Note 9. INCOME TAX STATUS:

The Plan obtained a determination letter in which the Internal Revenue Service stated that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Note 10. RELATED PARTY TRANSACTIONS:

Plan investments are held and managed by Principal Trust Company. Principal Trust Company is the trustee as defined by the Plan. Fees paid by the Plan to Principal Trust Company for investment management services amounted to \$9,812 for the year ended December 31, 2021. These transactions qualify as party-in-interest transactions, which are exempt from the ERISA prohibited transaction rules.

Plus prior year receivable	200,000
Less current year receivable	<u>(500,000)</u>
Increase in net assets per the Form 5500	<u><u>\$ 2,655,390</u></u>

Note 12. COVID-19:

As a result of the spread of COVID-19, economic uncertainties have arisen which have resulted in significant volatility in the investment market. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

Note 13. CARES ACT PROVISIONS:

The Plan has adopted the following benefit plan provisions of the March 2020 Coronavirus Aid, Relief, and Economic Security Act (CARES Act):

- Added an in-service withdrawal option for coronavirus-related distributions of up to \$100,000. Participants may repay all or a portion of distributions within three years, and repayments will not count towards annual contribution limits. Distributions under this option will not have tax withheld, and for those under 59 ½, will not be subject to a 10% early withdrawal penalty.
- Increase limit on coronavirus related loans to \$100,000 (from \$50,000) or 100% (from 50%) of the present value of the participant's vested benefit, during a 180-day period from March 27, 2020 through September 30, 2020.
- Waive required minimum distributions otherwise due to be made in 2020.
