Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued (or within one year after the date that the financial statements are available to be issued when applicable).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year), as of and for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Edible Arrangements, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan was established effective January 1, 2002, and restated effective December 1, 2016. The Plan is a defined contribution plan covering all employees of Edible Arrangements, LLC and affiliated employers (collectively referred to as the “Company”) who are at least 21 years of age and are regularly scheduled to work more than 1,000 hours per year. Part-time, temporary, and seasonal employees, as defined, and residents of Puerto Rico are excluded from participating in the Plan. Employees of the Company may enroll in the Plan immediately following eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective January 1, 2022, the Plan was modified to exclude bonuses and commissions from allowable compensation.

Contributions

Each year, participants may contribute up to 75% of pre-tax compensation, not to exceed statutory limitations as set by law, as defined in the Plan document. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants who have obtained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes a safe harbor match in an amount not to exceed 100% of the first 3% of a participant’s compensation and 50% of the next 2% of a participant’s compensation.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, any Company safe harbor contributions, and an allocation of Plan earnings. Allocations are based on the participant’s account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Notes Receivable from Participants

Participants are able to borrow from their accounts at a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Each participant is limited to one outstanding note receivable at a time. The notes receivable were secured by the balance in the participants’ accounts and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Interest rates range from 4.25% to 6.50% for notes receivable outstanding at December 31, 2021. Principal and interest is paid ratably through payroll deductions over a period not to exceed five years, except for notes receivable that were used to purchase a primary residence in which case the notes receivable term may have exceeded five years.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their contributions and safe harbor contributions, plus actual earnings thereon. In the event of termination due to death, total and permanent disability or normal retirement, participants shall become 100% vested in the Company non-safe harbor matching portion of their account.

For all other participants, vesting in the Company profit sharing and non-safe harbor matching portions of their account is based on credited years of service, as defined by the Plan, according to the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
0	0%
1	33%
2	66%
3 or more	100%

Payment of Benefits

A participant's contributions and employer contributions may be withdrawn upon retirement (on or after the attainment of normal retirement age 65), termination of employment, disability, or death. Participants may elect to have distributions paid in a lump-sum or installments. Hardship withdrawals are permitted under the plan. The Plan automatically distributes terminated participants' account balances if the vested balance is less than \$5,000.

Plan Expenses

Certain administrative and other expenses of the Plan are paid by the Plan as provided in the Plan agreement. Certain other administrative expenses of the Plan are paid by the Company. Investment fees are paid by the Plan in the form of reductions of net investment income earned by the Plan participants.

Forfeitures

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$20,868 and \$20,447, respectively. Forfeitures are used to pay administrative expenses and reduce future safe harbor contributions. Forfeited accounts were not used during 2021 to pay administrative expenses or reduce safe harbor contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan were prepared using the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board ("FASB"). The FASB sets accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Risks and Uncertainties

The Plan provides for various investment options. These investments are exposed to various risks, such as interest rate, prepayment, market and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near-term could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

At December 31, 2021 and 2020, two investments held by the Plan comprised approximately 41% and 42%, respectively, of the Plan's total investments at fair value.

Subsequent Events

Management has reviewed subsequent events through the date of this report, which is the date the financial statements were available to be issued.

NOTE 3 – INVESTMENTS (Unaudited)

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust, the trustee, has provided certification that the financial information included in the financial statements and supplemental schedules as of December 31, 2021 and 2020 and for the year ended December 31, 2021 provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income included in the accompanying financial statements as of and for the year ended December 31, 2021 and 2020 and the supplemental schedules for the year ended December 31, 2021 is covered by such certifications and has not been audited by independent auditors.

NOTE 4 – FAIR VALUE MEASUREMENTS

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation

techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities & Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Common Collective Trust Funds

The Plan holds a common collective trust fund, the Reliance MetLife Stable Value Series Fund. The Plan's interests in the common collective trust funds are based on information reported by the investment advisor using the audited financial statements of the common collective trust funds at year end. The investment income is allocated to participants based on their proportionate share of the net assets of the fund. Units of the stable return fund are valued at NAV based on the last reported sales price of the underlying investments held.

The tables below represent fair value measurement hierarchy of the Plan investment assets at fair value as of December 31, 2021 and 2020:

	2021			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 10,502,335	\$ -	\$ -	\$ 10,502,335

	2020			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 7,999,197	\$ -	\$ -	\$ 7,999,197

Total Fair Value Investments	<u>\$ 7,999,197</u>	<u>\$ 253,516</u>	<u>\$ -</u>	<u>\$ 8,252,713</u>

NOTE 5 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. These parties include investment advisory, recordkeeping and accounting services.

Certain Plan investments were managed by Reliance Trust. Reliance Trust is the trustee of the Plan and therefore these transactions qualified as party-in-interest. Notes receivable from participants were also defined by ERISA as party-in-interest transactions.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**EDIBLE ARRANGEMENTS, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 7 – TAX STATUS

The Plan is based on the ADP, LLC Defined Contribution Prototype Plan and Trust Agreement, which received a favorable opinion letter from the Internal Revenue Service, dated July 16, 2014, stating the Plan and related trust were designed in accordance with the provisions of the Internal Revenue Code ("IRC"). Accordingly, the trust's net investment income is exempt from income taxes. The Plan has been amended since receiving the opinion letter. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 8 – OPERATIONAL FAILURE

During 2020, it was determined that certain participants were not allowed to contribute to the Plan from certain compensation received that met the Plan's definition of eligible compensation. In the aggregate, management has deemed this an insignificant operational failure, allowing for correction under the Self-Correction Program ("SCP"). In 2021, the Plan Sponsor calculated the participant's contributions, matching contributions and Plan earnings as a result of the operational error totaling \$27,408 and contributed the funds from the Plan Sponsor's general assets.

NOTE 9 – DELINQUENT PARTICIPANT CONTRIBUTIONS

During 2021, employee withholdings of \$973 were not remitted within the appropriate time period by the Company. These transactions constituted prohibited transactions as defined by ERISA. The Company remitted \$108 of the late employee withholdings during 2021 and plans to remit the remaining late employee withholdings and lost earnings to the Plan during 2022, but elected not to do so through the Voluntary Fiduciary Correction Program ("VFCP") given the immaterial amount.
