## INDEPENDENT AUDITOR'S REPORT

August 25, 2022

To the Trustees of  
Bast Hatfield Construction, LLC Savings and Retirement Plan:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Bast Hatfield Construction, LLC Savings and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Bast Hatfield Construction, LLC Savings and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bast Hatfield Construction, LLC Savings and Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bast Hatfield Construction, LLC Savings and Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

## INDEPENDENT AUDITOR'S REPORT

(Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bast Hatfield Construction, LLC Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bast Hatfield Construction, LLC Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

(Continued)

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of Bast Hatfield Construction, LLC Savings and Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 17, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021

---

### 1. THE PLAN

The following description of the Bast Hatfield Construction, LLC Savings and Retirement Plan (Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan covering substantially all employees of Bast Hatfield Construction, LLC and its Affiliates ("Bast Hatfield" or "Company") who have at least 1,000 hours of service and are age twenty-one or older. The plan entry date is the earlier of the first day of the plan year or the first day of the seventh month of the plan year coinciding with or next following the date the eligibility requirements are satisfied. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### Contributions and Contributions Receivable

All employees subject to certain qualifications are eligible to participate in the 401(k) portion of the savings and retirement plan. Employees can elect to defer from 1% up to 100% of their eligible compensation, subject to certain limitations, to their 401(k) accounts. Rollover contributions from other plans and certain IRA's are permitted.

The employer may make profit sharing or matching contributions for eligible employees. The amount of these contributions, if any, is determined annually by the Board of Directors of Bast Hatfield in its sole discretion each year. The employer is not required to make any profit sharing or matching contributions for any year. In addition, participants terminated during the year are not eligible for the employer contributions.

For 2021, the employer declared a matching contribution of 8.60% of eligible 401(k) deferrals. For 2021, the employer also authorized a profit sharing contribution of \$1,007,307, \$7,307 of which was funded through forfeitures. For 2020, the employer declared a matching contribution of 11.11% of eligible 401(k) deferrals. For 2020, the employer also authorized a profit sharing contribution of \$1,016,597, \$16,597 of which was funded through forfeitures.

At December 31, 2021 and 2020 the details of the employer portion of the contributions receivable were as follows:

|                                        | <u>2021</u>         | <u>2020</u>         |
|----------------------------------------|---------------------|---------------------|
| Employer profit sharing                | \$ 1,000,000        | \$ 1,000,000        |
| Employer match                         | <u>30,000</u>       | <u>30,000</u>       |
| Total employer contribution receivable | <u>\$ 1,030,000</u> | <u>\$ 1,030,000</u> |

#### Participant Accounts

Each participant's account is credited with an allocation of (a) the employee's contributions, (b) the Company's contribution, (c) Plan earnings/(losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings/losses or account balances, as defined. The entitled benefit is the participant's account balance subject to vesting.

## **1. THE PLAN (Continued)**

### **Forfeited Accounts**

Forfeitures are used to offset the employer contributions. For the years ended December 31, 2021 and 2020, forfeited amounts from non-vested accounts totaled \$8,156 and \$12,957, respectively. As of December 31, 2021 and 2020, the balance of forfeited non-vested accounts available to be used to reduce future employer contributions was \$8,162 and \$17,155, respectively.

### **Vesting**

Vesting in the companies' contributions, including profit sharing and the 401(k) match, plus earnings/losses thereon, is based on years of continuous service. A participant is 100 percent vested after six years of credited service. Participants are immediately vested in their voluntary contributions plus actual earnings/losses thereon.

### **Investment Options**

Upon enrollment in the Plan, participants may direct up to 100% of their compensation into twenty-eight (28) different fund options through regulated investment companies. Participants may elect any desired incremental allocation of the offered fund options. Individual account performance is a result of the investment election choices made by the participant. Participants may change their investment options daily.

### **Payment of Benefits**

On termination of service, a participant will receive an amount equal to the value of the participant's vested interest in his or her account in a qualified joint and survivor annuity, if married, or a life annuity, if not married, unless an alternative form of payment is elected. Alternative forms of payment include lump-sum payment in cash, the purchase of a different form of annuity, or installments over a period of not more than the participant's (or the participant and their beneficiary's) assumed life expectancy.

### **Administrative Expenses**

The majority of Plan administrative expenses are paid by the Plan. The primary administrative expenses incurred for 2021 was investment advisory/management fees and professional fees.

### **Hardship Distributions**

Hardship distributions may be made from a participant's accumulated salary deferrals to satisfy certain qualified immediate and heavy financial needs.

### **Notes receivable from Participants**

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan transactions are treated as a transfer from the investment funds to the notes receivable from participants' fund. Loans are amortized over a period not to exceed 5 years unless intended for the purchase of a principal residence. The loans are secured by the vested balance in the participant's account and bear interest at a reasonable rate of interest, as determined by the plan administrator. Principal and interest is paid ratably through payroll deductions, which cannot be less frequently than quarterly. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### **Basis of Accounting**

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America.

### **Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

### **Investment Valuation and Income Recognition**

Investments are stated at fair value based upon quoted market prices for mutual funds and money market fund. Changes in the current value of investments, including unrealized and realized gains and losses on assets sold during the year, are reflected in the statement of changes in net assets available for benefits as appreciation or depreciation in the fair value of investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

### **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

The United States is presently in the midst of a pandemic related to a virus, commonly known as Novel Coronavirus (COVID-19). As a result of COVID-19, there has been a heightened market risk and volatility associated with the pandemic, and this could materially affect participants' account balances and the amounts reported in the financial statements. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

### **Payment of Benefits**

Benefits to terminated participants are recorded when paid.

### **Financial Instruments Measured at Fair Value**

The Plan has financial instruments which are recorded at fair value in the accompanying statements of net assets available for benefits. The Plan makes estimates regarding the valuation of assets and liabilities measured at fair value in the financial statements. These assets and liabilities include the investments in mutual funds and a money market fund.

### **Fair Value Measurement - Definition and Hierarchy**

The Plan uses various valuation techniques in determining fair value and classifies into a three level hierarchy based on the nature of the inputs. Level 1 valuations are based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Level 2 valuations are based on inputs, other than quoted prices included within Level 1 that are observable either directly or indirectly. Level 3 valuations are based on inputs that are unobservable and significant to the overall fair value measurement. The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Financial Instruments Measured at Fair Value (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Money Market Fund:* Valued at fair value based on published market prices as of the close of business on the last business day of the Plan year, which represent the NAV of the shares held by the Plan and as such are generally categorized as Level 1.

*Mutual Funds:* Valued based on the quoted market price of the investments.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As of December 31, 2021 and 2020, the Plan was provided asset classifications by the Plan trustee, Matrix Trust Company.

At December 31, 2021, the Plan's investments are measured at fair value on a recurring basis and are valued as follows:

## 3. PARTY-IN-INTEREST TRANSACTIONS

The Plan allows participants of the Plan to invest in a money market fund, which is managed by Matrix Trust Company, the trustee of the Plan. Therefore, transactions amongst this account qualify as party-in-interest transactions, which are exempt from prohibited transaction rules.

The Plan has allowed employees who are participants to receive notes receivable under specific circumstances. As such, transactions between the participants with these notes receivables and the Plan qualify as party-in-interest transactions as well.

## **6. TAX STATUS**

The Plan is designed from a prototype plan offered by FIS Business Systems, LLC. The Plan has not applied for its own determination letter.
