Independent Auditor's Report

To the Plan Administrator
Weinbrenner Shoe Company, Inc. Savings Plan for Collectively Bargained Employees
Merrill, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Weinbrenner Shoe Company, Inc. Savings Plan for Collectively Bargained Employees, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Weinbrenner Shoe Company, Inc. Savings Plan for Collectively Bargained Employees's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Weinbrenner Shoe Company, Inc. Savings Plan for Collectively Bargained Employees and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Weinbrenner Shoe Company, Inc. Savings Plan for Collectively Bargained Employees's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Weinbrenner Shoe Company, Inc. Savings Plan for Collectively Bargained Employees's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Weinbrenner Shoe Company, Inc. Savings Plan for Collectively Bargained Employees's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Weinbrenner Shoe Company, Inc. Savings Plan for Collectively Bargained Employees. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

Note 1: Description of Plan

The following description of the Weinbrenner Shoe Company, Inc. Savings Plan for Collectively Bargained Employees (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established January 29, 1988, and was restated effective August 22, 2019. It is a defined contribution plan covering all employees of Weinbrenner Shoe Company, Inc. (the "Plan") who are members of the collective bargaining unit and are not employees who normally work less than six months during a plan year, retail store clerks, or leased employees. Employees are eligible to participate on January 1 or July 1, on or after their six-month employment anniversary. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year participants may contribute pretax compensation or Roth contributions up to the annual maximum allowed by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan.

The collective bargaining agreement negotiated between the Company and representatives of the collective bargaining unit covering employees of the Company requires the Company to make a matching contribution equal to each participant's contribution up to 6% of the participant's base salary. Rollovers are not matched. The Company's matching contribution was \$246,949 for the year ended December 31, 2021.

The Company may also contribute a discretionary nonelective contribution to be determined in its sole judgment with respect to each plan year. This contribution is allocated in proportion to all eligible participants' compensation to each participant who has completed at least 1,000 hours of service during the plan year and is employed by the Company on the last day of the plan year. There were no discretionary nonelective contributions for the year ended December 31, 2021. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Plan's matching contribution, and an allocation of (a) the Plan's discretionary nonelective contribution, and (b) plan earnings (losses), and charged with an allocation of investment management fees. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Weinbrenner Shoe Company, Inc. Savings Plan for Collectively Bargained Employees

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Vesting

Participants are immediately vested in all participant and Company contributions plus actual earnings (losses) thereon.

Notes Receivable From Participants

Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50% of their account balance. Loan terms range from one to five years or longer for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at prime plus 1.00%. Interest rates on existing loans range from 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions.

Effective April 5, 2020, the Plan adopted certain provisions of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") that was signed into law on March 27, 2020, increasing the loan limit for qualified loans from \$50,000 or 50% of the participant's vested balance to \$100,000 or 100% of the vested balance for loans granted from March 27, 2020 until December 22, 2020, and delayed loan repayments for qualifying individuals who had an outstanding loan balance with payments due between March 27, 2020 and December 31, 2020. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable laws and IRS guidance.

Payment of Benefits

Benefits may be paid to a participant or beneficiary upon death, disability, retirement, or termination of employment, as defined in the plan document. The Plan provides for normal retirement at age 65. A participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount, installments, or ad-hoc distributions if the account balance is greater than \$5,000. If the participant's vested account balance does not exceed \$5,000, it can be distributed only in a single lump-sum payment. In addition, hardship distributions out of the participant's elective deferral contributions are permitted if certain criteria are met. The Plan also allows for in-service distributions upon attaining age 59½.

Effective January 1, 2019, the new IRS hardship distribution regulations were implemented to allow participants to have access to earnings on the deferral portion of their account, to eliminate the six-month suspension period subsequent to receiving a hardship distribution, and to eliminate the requirements to exhaust plan loans.

Effective April 5, 2020, the Plan adopted the provision to waive the 10% early distribution penalty tax (for distributions made before age 59½) for coronavirus-related distributions up to \$100,000 per individual as provided for under the CARES Act.

Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable laws and IRS guidance.

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan absorbs plan audit fees and third-party administration fees. The Plan pays investment management fees, which are allocated proportionally to plan participants based on their respective account balances. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participant's account and are included in administrative expenses.

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies (Continued)

Subsequent Events

The Plan has evaluated subsequent events through September 1, 2022, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

Accounting standards provide the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

Notes to Financial Statements

Note 3: Fair Value Measurements (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds. Valued at the net asset value (NAV) of shares held by the Plan at year-end.

Collective trust - Wells Fargo Stable Value Fund J. Fair value of the collective trust fund is estimated using NAV as a practical expedient, exclusive of the adjustment to contract value. The Fund is 100% invested in the Wells Fargo Stable Return Fund G, which invests in investment contracts and security-backed contracts. The fund seeks to provide investors with a moderate level of stable income without principal volatility. The use of NAV as fair value is deemed appropriate because the collective trust funds do not have finite lives, unfunded commitments relating to these types of investments, or significant restrictions on redemptions.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020, respectively:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,186,408	\$ -	\$ -	\$ 6,186,408
Collective trust - Wells Fargo Stable Value Fund J - Measured at NAV				1,223,171
Total investment assets at fair value				\$ 7,409,579

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,873,339	\$ -	\$ -	\$ 5,873,339
Collective trust - Wells Fargo Stable Value Fund J - Measured at NAV				1,155,156
Total investment assets at fair value				\$ 7,028,495

Notes to Financial Statements

Note 4: Information Prepared and Certified by the Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, and interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Great-West Trust Company, LLC ("GWTC"), the Custodian of the Plan.

Note 5: Tax Status

The Plan adopted a nonstandard prototype document with an IRS opinion letter which states the prototype plan document is in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter; however, the plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 6: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Beginning in March 2020, the United States economy began suffering adverse effects from the COVID-19 virus crisis ("CV-19 Crisis"). The Company's operations have not been significantly impacted by the CV-19 Crisis; however, the Company continues to monitor the situation. Negative impact to the Company's results of operations, cash flows, and financial condition, and the ability for the Company to continue to make contributions to the Plan, cannot be reasonably estimated or determined at this time.

Note 7: Plan Termination

Although it has not expressed any intent to do so, the Plan has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Weinbrenner Shoe Company, Inc. Savings Plan for Collectively Bargained Employees

Notes to Financial Statements

Note 8: Related-Party Transactions

Plan investments are managed by the Custodian, as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. Fee incurred and paid by the Plan to its investment advisors, Advised Assets Group, LLC and Whalen Capital, were \$24,409 and \$14,706, respectively, for the plan year ended December 31, 2021.

The Plan also paid administrative fees to GWTC, the Custodian of the Plan, and Corporate Retirement Solutions, LLC ("CRS"), the third-party administrator of the Plan; therefore, these transactions also qualify as part-in-interest transactions. Administrative fees paid to GWTC and CRS were \$3,544 and \$1,046, respectively, for the plan year ended December 31, 2021.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.
