The Administrative Committee
California Nurses Association 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of California Nurses Association 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of California Nurses Association 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of California Nurses Association 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about California Nurses Association 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of California Nurses Association 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about California Nurses Association 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

The Administrative Committee
California Nurses Association 401(k) Retirement Plan

We were engaged to audit the accompanying statement of net assets available for benefits of California Nurses Association 401(k) Retirement Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by VOYA Retirement Insurance and Annuity Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

CALIFORNIA NURSES ASSOCIATION

401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 1. DESCRIPTION OF THE PLAN:

The following description of the California Nurses Association 401(k) Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions. VOYA Retirement Insurance and Annuity Company is the custodian of the Plan assets.

General:

The Plan is a multi-employer defined contribution plan established by the California Nurses Association (the Organization) under the provision of section 410(a) of the Internal Revenue Code, which includes a qualified cash or deferred arrangement as described in section 401(k) of the Internal Revenue Code, for the benefit of eligible employees of the Organization, and National Nurses United. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility:

All permanent employee of the Organization and National Nurses United are eligible to participate in the Plan, including employees covered by a collective bargaining agreement. Temporary employees, leased employees and independent contractors are not eligible to participate in the Plan. Employees are immediately eligible to participate upon hire.

Contributions:

Participation in the Plan is voluntary and each year participants may elect to defer a percentage of their compensation as defined by the Plan. The deferral percentage is subject to the maximum annual limit determined by the Internal Revenue Service. The maximum annual amount that can be contributed to a 401(k) arrangement as an elective deferral, that is, as a pre-tax contribution, is \$19,500 for 2021 and 2020. Individuals age 50 or older by the end of the plan year are allowed to make additional contributions to a 401(k) plan, in excess of the standard limits. Such additional contributions will be limited to the lesser of a specified dollar amount \$6,500 in 2021 and 2020, or the participant's compensation for the year reduced by the participant's other elective deferrals.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and one benefit responsive investment as investment options for participants.

Participant accounts:

Each participant's account is credited with the participant's contribution and allocations of the Plan investment earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account value.

Vesting:

Participants are immediately 100% vested in their contributions plus actual earnings thereon.

Investment options:

Upon enrollment in the Plan, a participant may direct the investment of his or her account balance into the various investment funds offered under VOYA Retirement Insurance and Annuity Company, the asset custodian and asset manager of the Plan.

**CALIFORNIA NURSES ASSOCIATION
401(k) RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 1. DESCRIPTION OF THE PLAN (Continued):

Investment options (continued):

VOYA Retirement Insurance and Annuity Company has certified that the accounting policies of the VOYA Investment Funds are in accordance with the accounting principles generally accepted in the investment company industry. VOYA's certification applies to all investment assets and transactions, including employee deferrals, participant loans and distributions, and income and expenses.

Notes receivable from participants:

Participants may borrow from their fund accounts a minimum of \$1,000. The maximum amount is the lesser of one-half of the vested account balance or \$50,000 reduced by the highest outstanding loan balance in the account during the prior twelve-month period. For the purpose of the above limitation, plan loans include all loans from all plans maintained by the Employer and any Related Employer.

Loan terms are for five years with level payments made at least quarterly. Loans for the purpose of purchasing a primary residence may be repaid over a 30-year period.

The loans are secured by the vested balance in the participant's account and bear a reasonable rate of interest as determined by the Plan Administrator based on the prevailing interest rates charged by persons in the business of lending money for loans, which would be used under similar circumstances. Principal and interest is paid ratably through payroll deductions and the participant may make additional payments directly to VOYA.

Payment of benefits:

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over his or her life in the form of an annuity. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Terminated participants' accounts with balances less than \$5,000 will be automatically distributed to the participant or to an individual retirement plan designated by the Plan Administrator.

Forfeited accounts:

At December 31, 2021 and 2020, forfeited accounts totaled \$665 and \$659, respectively. These accounts may be used to pay plan administrative expenses and to reduce future employer contributions. For the year ended December 31, 2021, no payments were made from the forfeited account for administrative expenses.

Basis of accounting:

The financial statements of the Plan are prepared using the accrual method of accounting using accounting principles generally accepted in the United States of America.

**CALIFORNIA NURSES ASSOCIATION
401(k) RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Investment valuation and income recognition:

Investments are generally included in the financial statements at fair value as reported to the Plan by VOYA Retirement Insurance and Annuity Company. Shares are stated at quoted market value. Gains and losses on investments are recognized in the period in which the appreciation or depreciation occurs. The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in fair value of investments, which consists of the net realized gains or losses and unrealized appreciation or depreciation on those investments.

As described in professional accounting standards, investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. However, under FASB ASU2015-12, the amount presented as contract value is now presented at fair value.

In addition, investments measured at fair value using net asset value (NAV) as a practical expedient are no longer categorized within the fair value hierarchy.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Purchases and sales:

Purchases and sales of securities are recorded on trade date basis. Dividends are recorded when received.

Payment of benefits:

Benefit payments are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Date of management's review:

Subsequent events were evaluated through August 2, 2022, which is the date the financial statements were available to be issued.

CALIFORNIA NURSES ASSOCIATION

401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 3. NATURE OF ESTIMATES:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosure. Accordingly, actual results could differ from those estimates.

Note 4. SIGNIFICANT CONCENTRATIONS OF CREDIT RISK:

The Plan's investments are held in a trust fund administered by the VOYA Retirement Insurance and Annuity Company. The Plan provides for various investment options in any one of a combination of mutual funds that invest in stocks, bonds, fixed income securities and other investment securities. These investments are exposed to various risks, such as credit, interest rate and market. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 5. INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED):

In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the custodian and trustee certified information regarding the cost and fair value of all investments and notes receivable from participants transactions held at December 31, 2021 and 2020 and investment and notes receivable from participants transactions entered into during the years then ended, which were used in preparation of the accompanying financial statements and supplemental schedule.

Note 6. FAIR VALUE MEASUREMENTS:

The professional accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means.
---------	---

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
---------	---

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

CALIFORNIA NURSES ASSOCIATION 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 6. FAIR VALUE MEASUREMENTS (Continued):

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Benefit responsive investments: Valued based on the crediting rate communicated to the Plan and credited daily. Any market value adjustment or surrender charge will be based on the formulas and schedules in the contract (See Note 9).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021

**CALIFORNIA NURSES ASSOCIATION
401(k) RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 7. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. The Employer has not made contributions in several years, and as a result, Plan participants are already 100% vested in their accounts.

Note 8. INCOME TAX STATUS:

The Internal Revenue Service has determined and informed the Organization by a letter dated October 3, 1995, that the Plan and related Trust, as designed by VOYA Retirement Insurance and Annuity Company, are in accordance with the applicable sections of the Internal Revenue Code.

The Plan has been amended since receiving the determination letter. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Accordingly, the Plan Administrator and the Plan Sponsor believe that the Plan is qualified, and its related trust is exempt from current income taxes.

Note 9. BENEFIT RESPONSIVE INVESTMENTS:

The Plan entered into a benefit-responsive investment contract with VOYA Retirement Insurance and Annuity Company (VOYA). VOYA maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by VOYA, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The VOYA Fixed Account is intended to be a long-term investment for participants seeking stability of principal. The assets supporting it are invested by VOYA with this goal in mind. Therefore, VOYA may impose restrictions on the ability to move funds into or out of this investment option or among investment options in general. These restrictions have enabled VOYA to provide stable credited rates which historically have not varied significantly from month to month despite the general market's volatility in new money interest rates.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 3.0 percent through December 31, 2021. Such interest rates are reviewed on a yearly basis for resetting.

CALIFORNIA NURSES ASSOCIATION
401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 9. BENEFIT RESPONSIVE INVESTMENTS (Continued):

Certain events limit the ability of the plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the plan's ability to transact at contract value with participants are probable of occurring.

Note 10. ADMINISTRATIVE COSTS:

Certain administrative functions are performed by officers or employees of the Organization. No such officer or employee receives compensation from the Plan. In addition to the Trustee fees, certain audit and accounting fees were paid by the Company. Total fees paid the by the Plan were \$3,725 for the year ended December 31, 2021. These transactions qualify as party-in-interest transactions, which are exempt from the ERISA prohibited transaction rules.

Note 11. COVID-19 IMPACT:

As a result of the spread of COVID-19 coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment market. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

Note 12. CARES ACT PROVISIONS:

The Plan has adopted the following benefit plan provisions of the March 2020 Coronavirus Aid, Relief, and Economic Security Act (CARES Act):

- Added an in-service withdrawal option for coronavirus-related distributions of up to \$100,000. Participants may repay all or a portion of distributions within three years, and repayments will not count towards annual contribution limits. Distributions under this option will not have tax withheld, and for those under 59 ½, will not be subject to a 10% early withdrawal penalty.
- Increased limit on coronavirus -related loans to \$100,000 (from \$50,000) or 100% (from 50%) of the present value of the participant's vested benefit, during a 180-day period from March 27, 2020 through September 30, 2020.
- Waived required minimum distributions otherwise due to be made in 2020

E-SIGNATURE AUTHORIZATION
for
California Nurses Association 401k Retirement Plan
94-0362060/001
For Plan Year 01/01/2021 through 12/31/2021

I/We, the undersigned, understand that a 5500 Series filing for the plan listed above must be prepared, electronically signed and electronically transmitted to the EBSA Electronic Filing Acceptance System (EFAST).

I/We authorize Hicks Pension Services to electronically sign the 5500 Series filing on my/our behalf and to transmit that signed form to EFAST on or before the filing due date.

I/We understand that by granting this authority:

- A manually signed and dated Form 5500 that has been provided must be returned to Hicks Pension Services before they can begin the electronic filing process. I/We will retain a copy of this manually signed form and any schedules and attachments in the plan records.
 - Hicks Pension Services will not be responsible for any late filing penalty assessed under ERISA should I/we not return the manually signed and dated Form 5500 prior to the filing due date.
- An electronic copy of the manually signed and dated Form 5500 showing my/our signatures will be included in the electronic filing and will be posted by the EBSA to the Internet for public disclosure.
- Hicks Pension Services will maintain a copy of this written authorization in its records.
- Hicks Pension Services will notify all signers about any inquiries and correspondence it receives about this filing from EFAST, EBSA, IRS or PBGC.
- Hicks Pension Services shall not be deemed to be a plan fiduciary with respect to this plan solely on account of providing the electronic signature and filing of the 5500 for the plan year listed above.
