INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Intervala LLC 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Intervala, LLC 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section-

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Intervala, LLC 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Intervala, LLC 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Intervala, LLC 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Intervala, LLC 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year), as of December 31, 2021 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified

investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Intervala, LLC 401(k) Retirement Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 15, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INTERVALA, LLC 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Intervala LLC 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a contributory defined contribution plan covering all employees of Intervala LLC. (the "Company"). Employees are eligible to participate in the Plan upon completion of 90 days of service and attaining age 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is a John Hancock LLC Defined Contribution Pre-Approved Plan.

Effective in 2020, the Plan was amended to include employees of Varitron, Inc. and Princeton Technology Corporation who became employees of Intervala, LLC due to acquisition. Employees of Varitron, Inc. were eligible for participation in the Plan on March 19, 2020 and Princeton Technology Corporation on July 1, 2020. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the "Cares Act") which changes the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, distributions, and delay the commencement date for required minimum distributions. The optional features with this act are currently being assessed but has not been formally adopted to date. Written amendments to the Plan to reflect these operational changes were adopted as of January 1, 2022 in accordance with applicable law and IRS guidance.

Contributions - Participants may contribute up to the lesser of the annual limitation (\$19,500 for 2021 and 2020), or 100% of their eligible compensation as defined in the Plan document. Elective deferrals that are not designated as Roth contributions will be pre-tax elective deferral contributions. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Additional discretionary contributions to the Plan can be made at the discretion of the Company. During 2021 and 2020, the Company made no such discretionary contributions.

All participants who have attained age 50 before the close of the Plan year are eligible to make additional elective deferrals in accordance with, and subject to the limitations of, Code Section 414(v). The maximum additional elective deferral for 2021 and 2020 is limited to \$6,500.

The annual addition (which includes employee, employer contributions, and forfeitures) that may be contributed or allocated to a participant's account under the Plan for any limitation year shall not exceed the lesser of \$58,000 and \$57,000 for 2021 and 2020, respectively, as adjusted for increases in the cost of living under Code Section 415(d), or 100% of the participant's compensation within the meaning of Code Section 415(c)(3), for the limitation year.

Participant Accounts - Each participant's account is credited with the participant's and the Company's contributions and an allocation of (a) Plan income and losses, (b) forfeitures, if

INTERVALA, LLC 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

applicable, and (c) administrative expenses. Income and losses are allocated to the participant's account at the end of each day. The allocation of each participant's income and losses for each day is based on the participant's account balance at the beginning of that day.

Investment Options - Participants may invest their voluntary contributions, rollover contributions and the Company's contributions, plus actual earnings thereon into any of the investment options maintained by John Hancock Life Insurance Company (the "Custodian"). The participants may change their investment elections for new contributions and existing balances daily.

Vesting - Participants are immediately vested in their voluntary contributions, rollover contributions plus actual earnings thereon. The Company's contributions of each participant's account are subject to the following vesting requirements:

<u>Period of Service</u>	<u>Percent Vested</u>
Less than 1 years	0%
1 years	20%
2 years	40%
3 years	60%
4 years	80%
5 years	100%

A completed year of service equates to 1,000 hours of service completed by the participant in the vesting computation period. When a participant withdraws from the Plan prior to becoming fully vested, the non-vested portion of the participant's account is forfeited and is used to reduce future employer contributions or plan administrative expenses. Upon death or total and permanent disability, a participant will become 100% vested in the employer discretionary contributions.

Payment of Benefits - A participant who has attained age 59½, has incurred a hardship (as defined in the Plan document), or has become disabled may receive a distribution from the Plan. The Plan may also make a distribution upon termination of service or death. Upon termination of service, if the participant's account balance is \$1,000 or less, and the participant does not make an election, payment will automatically be made as a lump-sum payment less applicable withholding taxes. If the participant's account balance is more than \$1,000 but not more than \$5,000, and the participant does not elect either to receive or roll over the distribution, then the Company may roll over the distribution into an Individual Retirement Account ("IRA"). If the participant's account exceeds \$5,000, the participant may elect to either (a) receive an immediate lump-sum payment (b) leave the account balance in the Plan until such time as the participant decides to withdraw the account balance. If the participant is a 5% owner, the Plan is required to make a distribution of the participant's account balance on the required beginning date, which is April 1 following the year in which the 5% owner attains the age 70½. For all other participants, the required beginning date is April 1 following the year in which the participant attains the age of 72 or terminates employment with the employer, if later.

INTERVALA, LLC 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Notes Receivable from Participants - The Plan document allows participants to borrow, subject to certain restrictions, against their vested account balance at the request of the participant. The minimum note that a participant may take is \$1,000. The total of such notes from the Plan to a participant will not exceed the lesser of the following amounts:

- (a) \$50,000, reduced by the highest outstanding loan balance in the previous 12 months or
- (b) An amount equal to 50% of any participant's current vested interest in his/her account.

Notes are repayable over a specified period not to exceed five years. The notes bear interest at a fixed rate. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Forfeited Accounts - At December 31, 2021 and 2020, the forfeited non vested accounts totaled \$2,101 and \$9,950, respectively. These forfeited amounts may be used to reduce future administrative expenses or Company contributions or allocated to participant accounts as an additional employer match. Forfeited amounts were used by the Plan in the amount of \$22,920 and \$0 for the years 2021 and 2020, respectively.

Plan Administrative Expenses - Expenses incurred by the Plan administrator and custodian for their services and costs in administering the Plan may be paid by the Plan or the Company. Transaction charges (for note and benefit payment transactions) are paid by the participant by reducing the balances of those participants initiating the transactions.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting - The accounts of the Plan are maintained on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of additions and deductions in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investments - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Net Appreciation in Fair Value of Investments - The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation in the fair value of its investments, which consist of the realized gains and losses from sales of investments and unrealized appreciation on those investments. The net change in unrealized appreciation in the fair value of investments is determined by the change in fair value from the beginning of the year to the end of the year, or from date of purchase to the end of the year.

Income Recognition - Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date.

INTERVALA, LLC 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Notes Receivable from Participants - Notes receivable from participants is measured at their unpaid principal balance plus any accrued but unpaid interest. Defaulted loans are recorded as a deemed distribution based upon the terms of the Plan document.

New Accounting Pronouncements - During 2021 and 2020, various new Accounting Standard Updates (ASUs) were issued by the Financial Accounting Standards Board (FASB). The Plan Administrator of the Plan has determined, based on their review, that no new accounting pronouncements that were issued are applicable to the Plan. As new accounting pronouncements are released, management will assess if they are applicable, and if they are applicable, their effect will be included in the notes to the financial statements.

3. INVESTMENTS (UNAUDITED)

At December 31, 2021 and 2020, the Plan's investments and executed transactions therein were held by the Custodian. The following is a summary of the Plan's investments that are included in the financial statements and supplemental schedule based on information certified by the Custodian as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

At December 31, 2021 and 2020, the Plan's investments consisted of the following:

Total Investments	<u>\$ 17,091,112</u>	<u>\$ 14,983,943</u>

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$1,975,767 and \$2,432,322 for the years ended December 31, 2021 and 2020, respectively.

The Plan's independent auditors did not perform auditing procedures with respect to investments which were certified by the Custodian at December 31, 2021 and 2020, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) Topic 820, Fair Value Measurements and Disclosures establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

INTERVALA, LLC 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

The Plan's pooled separate accounts are valued at the net asset value ("NAV") of participation units held by the Plan at year end. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

The Plan's investments at fair value, within the fair value hierarchy, are as follows as of December 31, 2021 and 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2021</u>				
Pooled Separate Accounts (a)	\$ <u> - </u>	\$ <u> - </u>	\$ <u> - </u>	\$ <u>17,091,112</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2020</u>				
Pooled Separate Accounts (a)	\$ <u> - </u>	\$ <u> - </u>	\$ <u> - </u>	\$ <u>14,983,943</u>

(a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share practical expedient have been excluded from the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable on to the Plan.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>

NOTES TO FINANCIAL STATEMENTS

5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

6. TAX STATUS

Although the Plan has not requested determination from the Internal Revenue Service ("IRS") as to the Plan's tax exempt status, the restated volume submitter plan from which the Plan was drafted has received a favorable determination letter from the IRS dated March 31, 2014. The Plan has been amended since receiving the determination letter and the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Effective January 1, 2022, the prototype plan from which the Plan was drafted was restated and received a favorable determination letter from the IRS dated June 30, 2020

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Company has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Custodian as defined by the Plan document. Transactions with the Custodian qualify as party-in-interest transactions. Direct fees paid by the Plan for custodian and recordkeeping services were \$114,182 and \$94,274 for the years ended December 31, 2021 and 2020, respectively.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, the accounts of all participants will become fully vested and non-forfeitable, and assets will be allocated to each participant based on his/her respective account balances after payment of all final liquidation or termination expenses, pursuant to the directions of the plan administrator

NOTES TO FINANCIAL STATEMENTS

9. SUBSEQUENT EVENTS

The plan administrator has evaluated subsequent events in accordance with ASC Topic 855, Subsequent Events, through July 29, 2022, which is the date the financial statements were available to be issued. During its evaluation, the following subsequent event items were identified.

As noted in Note 1, the Plan adopted certain requirements by the Cares Act and the SECURE Act on January 1, 2022 to be in accordance with applicable law and IRS guidance.

On February 26, 2022, the Company entered into an asset purchase agreement with E.P.E. Corporation, a New Hampshire Corporation. The employees of E.P.E. Corporation were credited with years of service and were allowed access to the Plan as of May 1, 2022.
