Independent Auditor's Report

Board of Trustees
The MidwestHR, LLC
401(k) and Profit Sharing Plan
Westchester, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of The MidwestHR, LLC 401(k) and Profit Sharing Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of The MidwestHR, LLC 401(k) and Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The MidwestHR, LLC 401(k) and Profit Sharing Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The MidwestHR, LLC 401(k) and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The MidwestHR, LLC 401(k) and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of The MidwestHR, LLC 401(k) and Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 22, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations under ERISA.

The MidwestHR, LLC 401(k) and Profit Sharing Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 1: Description of the Plan

The following description of The MidwestHR, LLC 401(k) and Profit Sharing Plan (Plan) provides only general information. The Plan is sponsored by Midwest HR, LLC and is made available to adopting employers. Interested parties should refer to the plan document and Participating Employers' Adoption and Acceptance Agreement (PEAAA) for a more complete description of the Plan's provisions.

General

The Plan is a multiple-employer defined contribution profit sharing and 401(k) plan covering the employees of Participating Employers (Employer) who have attained the eligibility requirements as set forth by each Employer in their PEEAA. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA), as amended by subsequent legislation.

During 2021 and 2020, the Plan had net transfers in of \$411,583 and \$1,517,684, respectively, as a result of Employer's adopting or withdrawing from the Plan.

Contributions

The Plan is funded by voluntary pre-tax and post-tax contributions of participants and discretionary matching and profit sharing contributions of the Employer as set forth in the PEEAA. Eligible employees can elect to contribute to the Plan pre-tax and/or Roth after-tax deferrals of their compensation, as defined by the Plan, through regular payroll deductions, subject to limitations imposed by the Internal Revenue Code.

Participants may also roll over amounts representing distributions from other qualified employee benefit plans. Participants who have attained age 50 before the plan year are eligible to make additional pre-tax contributions, also known as "catch-up" contributions.

Investment Options

Participants direct their salary deferral contributions and the Employer's contributions into a variety of investment funds made available and determined by the plan administrator. Participants may change their investment options at any time.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer's discretionary matching contributions and, if any, an allocation of profit sharing contributions and an allocation of plan earnings. Plan earnings are allocated to the participant's accounts in direct proportion to their respective account balances, based on the performance of the participant's investment selections. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

The MidwestHR, LLC 401(k) and Profit Sharing Plan

Notes to Financial Statements

December 31, 2021 and 2020

Notes Receivable From Participants

Participants are permitted to take loans from the Plan at a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. The loans are collateralized by the borrowers' respective vested account balances and bear interest at the prime interest rate plus 1%. Principal and interest are paid through payroll deductions over a period not to exceed five years, unless for the purchase of a primary residence. Interest rates range from 4.25% to 6.50% at December 31, 2021.

In April 2020, the Employer adopted the *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for loan relief to 1) delay certain required loan repayments for one year and 2) increase loan limits to the lesser of \$100,000 or 100% of the participant's vested balance for coronavirus-related loans. The CARES Act provided for the increased loan limit for coronavirus-related loans issued from March 27, 2020 through September 22, 2020. The one-year suspension of loan repayments applied to qualified participants' loan payments due between March 27, 2020 and December 31, 2020. Following the suspension period, these loans were re-amortized over the remaining period of the loans, plus the suspension period.

Vesting

Participants are immediately fully vested in participant and rollover contributions, plus actual earnings thereon. Vesting provisions for the employer contributions are set forth in the PEAAA.

Forfeited Accounts

Forfeitures of nonvested account balances are used to pay plan administrative expenses or reduce Employer contributions. There were \$45,177 and \$57,411 of forfeitures available for future use at December 31, 2021 and 2020, respectively. During 2021 and 2020, no forfeitures were used to reduce Employer contributions. During 2021 and 2020, \$14,024 and \$13,183, respectively, of forfeitures were used to offset plan administrative expenses.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant will receive a lump-sum payment equal to the value of his or her vested account balance.

In April 2020, the Employer implemented CARES Act provisions for coronavirus-related distributions (CRD). Through December 30, 2020, qualified participants were permitted to take a CRD of up to \$100,000 from the Plan. Participants who took a CRD had the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020.

The MidwestHR, LLC 401(k) and Profit Sharing Plan

Notes to Financial Statements

December 31, 2021 and 2020

Administrative Expenses

Administrative expenses incurred by the Plan for professional services are charged directly to participant accounts.

Revenue Sharing

The Plan recognizes the income from revenue-sharing agreements when received. During 2021 and 2020, the Plan received \$28,406 and \$16,216, respectively, of revenue-sharing which was used to pay expenses for professional and investment management and advisory services. At December 31, 2021 and 2020, there were no remaining revenue-sharing funds available to offset future plan expenses.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value).

The pooled separate accounts held are valued at net asset value (NAV) of units held as a practical expedient to estimate fair value. The NAV of the pooled separate accounts is based on the fair value of the underlying investments held by each fund less its liability. There are no participant redemption restrictions for these investments and participant redemptions are allowed daily. A redemption notice period is applicable only at the plan level. There are no unfunded commitments at December 31, 2021 and 2020.

The Plan's investment in a guaranteed interest contract is fully benefit-responsive and is reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive

The MidwestHR, LLC 401(k) and Profit Sharing Plan

Notes to Financial Statements

investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains or losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received ratably through payroll deductions. Determination as to when participant loans are considered in default and reclassified as distributions is based on the terms of the plan document.

Benefit Payments

Benefit payments are recorded when paid.

Note 3: Certification of Plan Trustee

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Transamerica Life Insurance Company, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020
- Investment income components and interest income on notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020
- Investment information and notes receivable from participants included in the accompanying supplemental schedule of assets (held at year end) as of December 31, 2021

The Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related information included in the financial statements and ERISA-required supplemental schedule.

The MidwestHR, LLC 401(k) and Profit Sharing Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 4: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 5: Party-in-Interest Transactions

Certain plan investments are managed by Transamerica Partners, an affiliate of Transamerica Life Insurance Company, the trustee, as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for certain investment management services are included in the net appreciation in the fair value of the investments. During 2021 and 2020, the Plan also made direct payments for administrative expenses of \$116,018 and \$127,564, respectively, before the effect of revenue-sharing amounts of \$28,406 and \$16,216, respectively. The Employer provides certain administrative services at no cost to the Plan.

The terms of the Plan permit loans to participants under certain conditions. These loans, which are party-in-interest transactions, are permitted under ERISA.

Note 6: Income Tax Status

The Plan operates under a non-standardized pre-approved profit sharing plan sponsored by Transamerica Retirement Solutions LLC. The plan has been filed with the appropriate agency and the sponsor has obtained an opinion letter dated June 30, 2020, from the Internal Revenue Service stating that the volume submitter plan constitutes a qualified plan under Section 401 of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt as of the financial statement date.

Note 7: Plan Termination

Although it has not expressed any intention to do so, the plan administrator has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of plan termination, participants become fully vested in their entire account balance.

The MidwestHR, LLC 401(k) and Profit Sharing Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 8: Investment Contract With Insurance Company

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

The investment in the general account, the Transamerica Stable Value Option Fund, is considered fully benefit-responsive with a contract value equal to its fair value. Transamerica maintains the contributions in a general account. It invests primarily in guaranteed investment contracts, money market investments and other cash equivalents. The investments are credited with earnings on underlying investments and charged for plan withdrawals and administrative expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The value of the investment is not guaranteed and is subject to the claims paying ability of Transamerica. The plan administrator does not believe that any events would likely limit the Plan's ability to transact at contract value. There are no reserves against the contract for credit risk of the contract issuer or otherwise.

Interest is credited, based upon the daily balance, at a rate that is the daily equivalent of the effective annual rate of interest applicable for the six-month period. The guaranteed rate of interest shall not change during the six-month period for which it is effective. There is no stated minimum or maximum interest rate for the Stable Value Option.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

Note 9: Late Deposits

The Department of Labor (DOL) has established certain maximum timeframes by which participant contributions must be deposited into the participant's account. The DOL considers late deposits to be prohibited transactions. During 2019, the Plan engaged in prohibited transactions related to late deposits of employee contributions totaling \$7,135. The plan sponsor has corrected these deposits during 2020.

Subsequent events have been evaluated through September 1, 2022, which is the date the financial statements were available to be issued.
