AND INDEPENDENT AUDITORS' REPORT

SBNG
CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITORS' REPORT

To Senior Management and Board of Directors of the
Employee Benefit Plan of Project Amistad

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Employee Benefit Plan of Project Amistad, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Employee Benefit Plan of Project Amistad's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in the "Information Prepared and Certified to by Qualified Institution" note to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To Senior Management and Board of Directors of the
Employee Benefit Plan of Project Amistad

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Employee Benefit Plan of Project Amistad and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Employee Benefit Plan of Project Amistad's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

To Senior Management and Board of Directors of the
Employee Benefit Plan of Project Amistad

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Employee Benefit Plan of Project Amistad's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Employee Benefit Plan of Project Amistad's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

To Senior Management and Board of Directors of the
Employee Benefit Plan of Project Amistad

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End-of-Year) are presented for purposes of additional analysis and are not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Employee Benefit Plan of Project Amistad were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution.

Employee Benefit Plan of Project Amistad

Auditor's Report on the 2020 Financial Statements (Continued)

Their report dated October 6, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

EMPLOYEE BENEFIT PLAN OF PROJECT AMISTAD

NOTES TO FINANCIAL STATEMENTS

DESCRIPTION OF PLAN

The following description of the Employee Benefit Plan of Project Amistad (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan was adopted January 1, 2008. The Plan is a defined contribution plan that covers substantially all employees of Project Amistad, Inc. (“the Organization”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Administration – Reliance Trust Company is the Trustee of the Plan. ADP, LLC is the Service Provider of the Plan. TAG Resources, LLC is the 3(16) fiduciary of the Plan. The Plan administrator, an employee of the Organization, administers the Plan. The Board of Directors, appointed by the Organization, provide oversight of the Plan by determining the appropriateness of Plan provisions and investment offerings and monitoring investment performance.

Eligibility – All employees of the Organization, excluding non-resident aliens, who have reached 21 years of age and completed six months of consecutive service are eligible to participate in the Plan. Credited service regarding eligibility, vesting and contribution allocation is given to employees of Project Amistad, Inc.

Contributions – Participants can establish contributions at any level of pre-tax annual compensation allowable under the provisions of the Internal Revenue Code, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 2% of eligible compensation.

The Organization makes a discretionary tiered matching contribution equal to a uniform percentage of each participant’s contributions based on the participant’s months and years of service as seen below. The Organization contributes 100% of participants’ elective deferral, not to exceed the applicable percentage of eligible compensation of the participant.

<u>Months/Years of Service</u>	<u>Matching Percentage</u>
Less than 6 months	0%
6 months but less than 5 years	2%
5 years but less than 10 years	3%
10 years but less than 15 years	4%
15 years or more	5%

DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued) – The Organization may make a discretionary profit-sharing contribution on behalf of each participant eligible to share in the allocation of the contribution. There were no profit-sharing contributions during 2021 made by the Organization.

Participants direct the investment of their contribution, and the Organization's matching and profit-sharing contributions, into various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

Participant Accounts – Each participant's account is credited with the participant's contribution, the Organization's matching and profit-sharing contributions, and an allocation of the Plan's earnings and administrative expenses as applicable. Allocations are based on the participant's proportionate share of units held of the applicable investment options during each Plan year. The benefit to which a participant is entitled is the benefit that can be provided from that participant's vested account.

Vesting – Participants are immediately vested in their contributions and rollovers, if any, plus actual earnings thereon. Vesting in the Organization's matching contributions, plus actual earnings thereon, is according to a graduated schedule based on years of service. Participants are fully vested in these contributions after four years of credited service.

Payment of Benefits – On retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution or a direct rollover equal to the participant's vested account balance. In addition, hardship distributions are permitted if certain criteria are met.

Notes Receivable from Participants – Subject to limitations, a participant may borrow from the vested portion of his or her elective account. The minimum amount of any loan is \$1,000 and the maximum amount is the lesser of one-half of their vested account balance or \$50,000 reduced by the highest outstanding loan balance in the participant's account during the prior twelve-month period. The loans are secured by the balance in the participant's accounts. Up to 50% of a participant's vested account balance may be used as collateral for any loan. Outstanding notes receivable from participants have interest rates ranging from 4.25% to 7.00%. Principal and interest are paid through payroll deductions. Notes receivable from participants are reported at their unpaid balances, plus any accrued, but unpaid, interest. For the year ended December 31, 2021, there were defaulted loans in the amount of \$2,745.

Forfeited Accounts – Forfeitures of the Organization's contributions and earnings thereon, resulting from participants leaving the Organization prior to vesting, are retained in a forfeiture account. Forfeitures of Organization contributions may be applied first to the payment of Plan administration expenses and then shall be applied to reduce the contributions of the Organization. The balance in the Plan's forfeiture account was \$984 and \$11 as of December 31, 2021 and 2020, respectively. For the year ended December 31, 2021, \$20,119 was used from the forfeiture account to offset Organization's contributions. There were no amounts used to pay administrative expenses.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared using the accrual method of accounting.

Accounting Estimates – The preparation of the Plan's financial statements in conformity with generally accepted accounting principles in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Mutual funds are stated at fair value as determined by quoted market prices, which represents the net asset value of shares held by the Plan at year-end. Common collective trust funds are stated at fair value, as determined by redeemable measurement date net asset values of the shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Notes receivable from participants are valued at cost, which approximates fair value.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance, plus accrued, but unpaid, interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan document. Management does not believe that the Plan is exposed to any significant credit risk, and no allowance for credit losses has been recorded as of December 31, 2021 and 2020.

As of December 31, 2021 and 2020, there were four loan holders that held loans totaling 74% and one loan holder that held 31%, respectively, of the total loans outstanding. Management does not believe that the Plan is exposed to any significant credit risk, and no allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability, with a corresponding reduction to contributions. Excess contributions payable as of December 31, 2021 was \$9,531. There were no excess contributions payable as of December 31, 2020. For the Plan year ended December 31, 2021, the Plan distributed excess contributions to the applicable participants' accounts in March 2022.

Net Appreciation (Depreciation) in Fair Value of Investments – Net appreciation (depreciation) consists of the unrealized appreciation (depreciation) of the investments and the excess (deficiency) of net proceeds over market value of the related investment at the beginning of the year.

Payment of Benefits – Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses paid by the Organization are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments. For the year ended December 31, 2021, administrative expenses amounting to \$7,425 were paid by the Plan.

INFORMATION PREPARED AND CERTIFIED TO BY QUALIFIED INSTITUTION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End-of-Year), including investments and notes receivable from participants held at December 31, 2021 and 2020, interest, dividends, net appreciation (depreciation) in fair value of investments, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Reliance Trust Company, the Trustee of the Plan.

FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

FASB ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. In general, fair value determined by Level 1 inputs utilize quoted prices (unadjusted) in active markets the Plan has the ability to access for identical assets or liabilities. Fair value determined by Level 2 inputs utilize inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs include quoted prices for similar assets and liabilities in active markets and inputs other than quoted prices observable for the asset or liability, such as interest rate and yield curves observable at commonly quoted intervals. Level 3 inputs are unobservable inputs for the asset or liability, and include situations where there is little, if any, market activity for the asset or liability.

(Continued)

EMPLOYEE BENEFIT PLAN OF PROJECT AMISTAD

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

FAIR VALUE MEASUREMENTS (CONTINUED)

In instances in which the inputs used to measure fair value may fall into different levels of the fair value hierarchy, the level in the fair value hierarchy within which the fair value measurement in its entirety has been determined is based on the lowest level input significant to the fair value measurement in its entirety. The Plan's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the asset or liability.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

		<u>Fair Value Measurements Using:</u>	
		<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Observable Inputs Other Than Quoted Prices (Level 2)</u>
<u>December 31, 2021</u>			
Common collective trust fund	\$ 15,701	\$	\$15,701
Mutual funds	<u>1,310,099</u>	<u>1,310,099</u>	<u> </u>
Total	<u>\$1,325,800</u>	<u>\$1,310,099</u>	<u>\$15,701</u>
<u>December 31, 2020</u>			
Common collective trust fund	\$ 327,969	\$	\$327,969
Mutual funds	<u>1,704,704</u>	<u>1,704,704</u>	<u> </u>
Total	<u>\$2,032,673</u>	<u>\$1,704,704</u>	<u>\$327,969</u>

Level 1 Fair Value Measurements

The fair value of the mutual fund accounts is based on quoted net asset values of the shares held by the Plan at year-end. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Level 2 Fair Value Measurements

The fair value of common collective trust fund is based on redeemable measurement-date net asset values of the shares held by the Plan at year-end, which approximates fair value.

EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by ADP, LLC (“ADP”). ADP is the Service Provider as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

ADP provides certain administrative services to the Plan pursuant to separate Plan service agreement between the Organization and ADP. ADP receives revenue from mutual fund service providers for services ADP provide to the funds. This revenue is used to offset certain amounts owed to ADP for its administrative services to the Plan. If the revenue received by ADP from such mutual fund service providers exceeds the amount owed under the Plan service agreement, ADP remits the excess to the Plan’s trust. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2021, there were no excess amounts. The Plan or Organization may make a payment to ADP for administrative expenses. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Organization for investment management services amounted to \$21,214 for the year ended December 31, 2021.

Reliance Trust Company (“Reliance”), the Trustee of the Plan, charges fees for the trustee services it provides, which may be paid by the Plan or Organization. These transactions qualify as exempt party-in-interest transactions. There were no fees paid by the Plan or Organization to Reliance during the year ended December 31, 2021; however, Reliance is a directed trustee through ADP, and therefore, fees are paid independently by ADP to Reliance through a separate service contract between both parties.

Certain Plan transaction processing and Form 5500 preparation is performed by TAG Resources, LLC (“TAG Resources”). TAG Resources is a 3(16) fiduciary as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. There were no fees paid by the Plan or Organization to TAG Resources during the year ended December 31, 2021; however, TAG Resources, LLC receives payment of fees directly through ADP, and therefore, fees paid to TAG Resources are included in fees paid by the Organization to ADP.

The predecessor auditor of the Plan charged fees for the audit and attest services it provided applicable to the 2020 Plan year, which were paid by the Organization. Fees paid by the Organization for audit fees amounted to \$11,100 for the year ended December 31, 2021.

SBNG, PC, the current auditor of the Plan, charges fees for the audit and attest services it provides, which may be paid by the Plan or Organization. These transactions qualify as exempt party-in-interest transactions. There were no fees paid by the Plan or Organization to SBNG, PC during the year ended December 31, 2021.

The Plan has notes receivable from participants, which are secured solely by a portion of the participants’ vested account balance, in accordance with the Plan document. These transactions qualify as exempt party-in-interest transactions. The balance of notes receivable from participants as of December 31, 2021 and 2020 was \$24,665 and \$30,978, respectively.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

EXEMPT PARTY-IN-INTEREST TRANSACTIONS (CONTINUED)

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NON-EXEMPT PARTY-IN-INTEREST TRANSACTIONS

For the year ended December 31, 2020, the Organization did not remit certain participant contributions to the Trustee in a timely manner based on when the participant contributions were withheld from participant paychecks as required under Department of Labor (DOL) Regulation §2510.3-103. Late 401(k) contributions for the year ended December 31, 2020 were \$12,814.

In August 2021, the Plan submitted an application under the Voluntary Fiduciary Correction Program (VFCP) with the DOL and participant accounts were credited with the amount of investment income that would have been earned had the participant contributions been remitted on a timely basis. Lost earnings of \$45 were credited to participant accounts in August 2021 for participant contributions remitted late to the Plan during the 2020 Plan year. Late contributions for the 2020 Plan year are disclosed in the accompanying supplemental schedule of Schedule H, Line 4a - Schedule of Delinquent Participant Contributions. Late contributions were fully corrected under the VFCP by a letter dated March 25, 2022.

INCOME TAX STATUS

The Plan has not requested determination from the Internal Revenue Service as to the Plan's tax-exempt status. The IRS has determined and informed ADP by a letter dated October 6, 2020, that the volume submitter plan from which the Plan was drafted is designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the letter, Plan management believes that the Plan is designed to operate in accordance with all applicable provisions of the Internal Revenue Code; therefore, management believes that the Plan is qualified and that the related trust is exempt from taxation under the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain tax position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2021, there were no uncertain tax positions. The Plan files a Form 5500. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan is no longer subject to U.S. federal and state income tax examinations by authorities for the years before December 31, 2018.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of investment securities based upon participant requests. Investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

SUBSEQUENT EVENTS

In July 2022, the Plan Sponsor adopted ADP, LLC's restated plan document dated October 6, 2020 as part of cycle 3 restatement. The restated plan document and adoption agreement include significant law changes and amendments since the last restatement as required by the Internal Revenue Service.

Subsequent events were evaluated through August 24, 2022, the date which the financial statements were available to be issued.
