## **INDEPENDENT AUDITOR'S REPORT**

To: The Plan Administrator and Participants

**Insko Distributing, Inc. Profit Sharing and 401(k) Retirement Plan**

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of **Insko Distributing, Inc. Profit Sharing and 401(k) Retirement Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **INDEPENDENT AUDITOR'S REPORT (continued)**

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

## **INDEPENDENT AUDITOR'S REPORT (continued)**

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at year end) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To: The Plan Administrator and Participants

### **Insko Distributing, Inc. Profit Sharing and 401(k) Retirement Plan**

We were engaged to audit the accompanying statement of net assets available for plan benefits of **Insko Distributing, Inc. Profit Sharing and 401(k) Retirement Plan** (the "Plan"), as of December 31, 2020, and the related notes to the financial statement.

### **Management's Responsibility for the Financial Statement**

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

### **Basis for Disclaimer of Opinion**

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Delaware Charter Guarantee & Trust Company, d/b/a Principal Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

### **Disclaimer of Opinion**

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

### **Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement**

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

# INSCO DISTRIBUTING, INC. PROFIT SHARING AND 401(k) RETIREMENT PLAN

## NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

### (1) Description of the plan

Effective October 14, 2014, Insko Southwest, Inc. adopted the Insko Distributing, Inc. Profit Sharing and 401(k) Retirement Plan (the “Plan”) to provide retirement benefits for all eligible employees. The Plan was amended as of September 28, 2021. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

#### General

The Plan is a defined contribution plan covering all participants of Insko Southwest, Inc. and its subsidiary Insko Distributing, Inc. (collectively known as the “Employer”), who have completed 90 days of service and age twenty-one (21) years or older at enrollment date. Eligible employees can enter the Plan on the first day of the Plan month coinciding or next following the date requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

#### Trustee and administration

The Plan’s assets are held by Principal Trust Company (“Principal”), the trustee of the Plan and are invested through participant-directed accounts in various mutual funds or other investments offered by the trustee. Duties of the trustee include, among others, recordkeeping, receiving and investing cash contributions and investment income and making payments from the Plan funds as directed by the participants and the Plan administrator.

Administrative functions are performed by officers or employees of the Company. Certain administrative services and costs are incurred by the Company without cost to the Plan. No officer or employee of the Company receives compensation from the Plan.

#### Contributions

The Plan permits eligible employees, through salary deferral election, to make annual contributions, on or before-tax or Roth basis, of their eligible compensation subject to the Internal Revenue Code (“IRC”) limit of \$19,500 for 2021. Participants who have attained 50 years of age before the end of the Plan year are eligible to make catch-up contributions of up to \$6,500 for 2021. Participants are also allowed to contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Plan also provides for discretionary matching and profit sharing contributions. For the year ended December 31, 2021, the Company elected to make matching contributions equal to 100% of the employee’s elective salary deferral up to a maximum of 5% of eligible compensation.

During 2021, the Company made no profit sharing contributions.

#### Participant accounts

Each participant’s account is credited with the participant’s contributions and allocations of the Employer’s contributions, Plan earnings, and forfeitures. Participant accounts are charged with an allocation of Plan losses and administrative expenses that are paid by the Plan. Allocations are based on participant compensation, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

#### Investments

Upon enrollment in the Plan, a participant may direct the allocation of their contributions and Company contributions among various investment funds offered by the Plan's trustee. Each participant can choose to deposit all contributions in one fund or allocate the investment among several funds in any whole percentages. The funds are invested in a broad range of stocks and bonds with varying risks. The allocation of investment income for each of the investment options is based on the ratio that each participant's account balance bears to the total account balance of all eligible participants.

#### Participant loans receivable

Under provisions of the Plan, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loan fund. Generally, loan terms may not exceed five years unless the loan is for the purchase of a primary residence, in which case the Plan administrator may permit a longer repayment term. The loans are collateralized by the vested balance in the participant's accounts and bear interest at either the prime rate of interest that is published in the Wall Street Journal or a rate of return commensurate with the prevailing interest rate charges on similar loans. Interest rates on participant loans outstanding as of December 31, 2021 and 2020 ranged from 4.25% to 6.50%. Principal and interest are repaid ratably through periodic payroll deductions.

#### Payment of benefits

On termination of service, a participant who has a vested interest in their account which is less than or equal to \$5,000 shall receive a lump sum or a deferred annuity equal to the vested interest of their account. Participants who have a vested interest in their account which exceeds \$5,000 may elect to leave their account balance in the Plan or receive a single or partial lump sum payment equal to the vested interest of their account.

Under the terms of the Plan, participants who attain retirement age or become totally disabled prior to their retirement date will receive all amounts credited to their accounts. Upon the death of the participant while actively employed, the distribution is made in accordance with the participant's previous direction. All participants will receive their account balance in a lump sum equal to the vested interest of their account.

## NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

### (1) Description of the plan (continued)

#### Withdrawals

Participants may make early withdrawals from any part of their vested account resulting from elective deferral contributions, matching contributions, discretionary contributions and additional contributions under the hardship provision of the Plan. A participant may make unrestricted withdrawals of the vested interest of their accounts on or after age 59 1/2.

#### Forfeitures

Forfeitures are used to pay administrative expenses during the year with forfeitures remaining at the end of the Plan year being available for discretionary allocation to participant accounts in the same manner as Employer contributions. As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$0 and \$6,388, respectively. During 2021, \$6,106 in additional contributions were funded and allocated to Plan participants from these accounts.

### (2) Summary of significant accounting policies

#### Basis of statement presentation

The accompanying financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

#### Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Investment valuation and income recognition

Investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan has investment holdings in a fixed interest investment fund that invests primarily in non-benefit responsive contracts issued by Principal. The statements of net assets available for plan benefits present the fixed income option fund under the Principal general account at fair value within the total investments of the Plan. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to pay a specified interest rate that is guaranteed to the Plan. The contract does not permit the issuer to terminate the agreement prior to the scheduled maturity date. As of December 31, 2021, the interest rates ranged from 0.88% to 1.66%. The contracts are included in the financial statements at fair market value as certified by the trustee.

#### Participant loans receivable

Loans to participants are reported as participant loans receivable at the unpaid principal balance plus any accrued but unpaid interest.

#### Payment of benefits

Benefit are recorded when paid.

## NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

### (2) Summary of significant accounting policies (continued)

#### Federal income tax

GAAP provides detailed guidance for the financial statement recognition, measurement and disclosure of uncertain tax positions recognized in an entity's financial statements and requires an entity to recognize the financial statement impact of a tax position when it is more likely than not that the position will be sustained upon examination. The Plan administrator believes that all significant tax positions utilized by the Plan will more likely than not be sustained upon examination. As of December 31, 2021, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations are from the year 2018 forward (with limited exceptions). Tax penalties and interest, if any, would be accrued as incurred and would be classified as tax expense in the statement of changes in net assets available for plan benefits.

#### Subsequent events

The Plan has evaluated subsequent events through June 27, 2022, the date financial statements were available to be issued. No subsequent events occurred which would require adjustment or disclosure to the financial statements as of December 31, 2021.

### (3) Information certified by the trustee

The Plan administrator has elected the method of annual reporting compliance in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as amended (ERISA). The assets of the Plan are held by the trustee. Accordingly, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

- a. Investments and participant loans receivable, as shown in the statements of net assets available for plan benefits as of December 31, 2021 and 2020.
- b. Investment activity, as shown in the statement of changes in net assets available for plan benefits for the year ended December 31, 2021.
- c. The information in the supplemental schedule of assets (held at year end) as of December 31, 2021.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and the supplemental schedule.

### (4) Fair value measurements

GAAP provides the framework for measuring fair value and expands disclosures about fair value measurement. The Plan categorizes its fair value measurements into a three-level fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

## NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

### (4) Fair value measurements (continued)

The three levels of the fair value hierarchy are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
  - Quoted prices for similar assets and liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020:

#### Pooled separate accounts

Valued at the net asset value of shares held by the Plan as reported to the Plan by the insurance company. The net asset values are based on the cumulative fair value of the investments in which the pooled separate account invests which may include mutual funds, common stocks, fixed securities, or commercial paper. As of December 31, 2021 and 2020, respectively, none of the pooled separate accounts had unfunded commitments and redemptions were on a daily basis with no redemptions notices required.

#### Registered investment companies

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

#### Guaranteed investment contracts

Valued at the amount plan participants would receive currently if they were to withdraw or transfer funds within the Plan prior to their maturity for an event other than death, disability, termination or retirements. This fair value represents contract value adjusted to reflect current market interest rates only to the extent such market rates exceed crediting rate. There are no unfunded commitments. The significant unobservable input is the discount (interest) rate used.

## NOTES TO FINANCIAL STATEMENTS

### (5) Fair value measurements (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

|                                 | 2021                 |                      |             |                   |

## NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

### (6) Related-party transactions and party-in-interest transactions

Certain Plan investments are shares or units of pooled separate accounts managed by the trustee as defined by the Plan and, therefore, these qualify as party-in-interest transactions. In addition, certain Plan investments are guaranteed investment contracts managed by Principal. The Plan has participant loans receivable as of December 31, 2021 and 2020. As a result, these investments, the participant loans and all related transactions qualify as party-in-interest transactions. These transactions are exempt from being prohibited transactions by ERISA.

Fees paid by the Plan to the trustee and the third-party administrator for administrative services amounted to \$7,884 for the year ended December 31, 2021.

### (7) Plan termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants would become 100% vested in Employer contributions and allocated earnings.

### (8) Tax status

Effective October 12, 2014, the Plan adopted a restated standardized form of a prototype plan sponsored by Principal. The restated prototype plan received approval and a favorable determination letter from the Internal Revenue Service as to the prototype plan's qualified status as of March 31, 2014, and that the Plan is designed in accordance with applicable sections of the IRC.

Effective January 2, 2020, the Plan was amended to change the service requirement for employee deferrals and the employer match formula. The amendment had no effect on Plan benefits or net assets.

Effective September 28, 2021, the Plan was amended to comply with the tax cuts and jobs act, the bipartisan budget act of 2018 and final regulations relating to hardship distributions. The amendment had no effect on net assets.

Although the Plan has been amended since receiving the determination letter, the Employer believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

### (9) Risks and uncertainties

Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global outbreak of the Coronavirus ("COVID-19"), which was declared a pandemic by the World Health Organization in March 2020, has led to significant volatility in financial markets. The ultimate impact of COVID-19 on the Plan, which may be material, is uncertain and will depend on future developments.
