## INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of  
The 401(k) Retirement Plan for Permanent  
Non-Bargaining Unit Employees of the  
Roaring Spring Blank Book Company

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The 401(k) Retirement Plan For Permanent Non-Bargaining Unit Employees of The Roaring Spring Blank Book Company, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The 401(k) Retirement Plan For Permanent Non-Bargaining Unit Employees of The Roaring Spring Blank Book Company's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements sections—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103 (a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The 401(k) Retirement Plan For Permanent Non-Bargaining Unit Employees of The Roaring Spring Blank Book Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate where there are conditions or events considered in the aggregate, that raise substantial doubt about The 401(k) Retirement Plan For Permanent Non-Bargaining Unit Employees of The Roaring Spring Blank Book Company's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of The 401(k) Retirement Plan For Permanent Non-Bargaining Unit Employees of The Roaring Spring Blank Book Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, that are conditions or events, considered in the aggregate, that raise substantial doubt about The 401(k) Retirement Plan For Permanent Non-Bargaining Unit Employees of The Roaring Spring Blank Book Company's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charges with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### **Supplemental Schedules Required by ERISA**

The supplemental Schedule of Assets (Held at Year End), year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to be a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of The 401(k) Retirement Plan For Permanent Non-Bargaining Unit Employees of The Roaring Spring Blank Book Company. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ROARING SPRING BLANK BOOK COMPANY  
401(K) RETIREMENT PLAN FOR PERMANENT NON-BARGAINING UNIT EMPLOYEES  
NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2021 AND 2020

**NOTE 1 – DESCRIPTION OF PLAN**

The following description of the 401(k) Plan for Permanent Non-Bargaining Unit Employees of the Roaring Spring Blank Book Company (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General:** The Plan is a non-standardized defined contribution 401(k) plan covering those permanent non-bargaining unit employees of the Roaring Spring Blank Book Company who have completed 4 months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974.

In January 2020, a division of the Plan Sponsor was sold. As a result, the Plan did not experience a partial plan termination as defined by the Internal Revenue Service. A partial plan termination may occur if a significant percentage of the Plan participants are terminated because of an action taken by the Plan Sponsor. If a partial plan termination occurs, full vesting is required for the affected participants.

In May 2020, the Plan Sponsor suspended the discretionary employer match.

**Contributions:** The Plan permits employee salary deferral contributions of 1% to 50% of their compensation up to \$19,500 plus any catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, stocks, bonds and a stable pooled fund as investment options for participants. The Company makes a non-elective contribution equal to 3% of each eligible employee's compensation.

**Participant Accounts:** Each participant's account is credited with the participant's contribution and allocations of the company's contribution, plan earnings, realized and unrealized investment gains and losses and forfeitures of terminated participants' nonvested accounts. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting:** Participants are immediately vested in their contributions and company non-elective contributions plus investment earnings thereon. Vesting in the Company's matching contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service.

**Payment of Benefits:** On termination of service for any reason, a participant receives a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Vested accounts of separated participants included in investment balances as of December 31, 2021 and 2020 were \$4,212,988 and \$4,897,119, respectively.

**Forfeited Accounts:** At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$5,793 and \$7,659, respectively. Forfeitures will be used to restore participant's accounts, offset Plan expenses, and reduce future employer contributions. Forfeitures are allocated to the participants' accounts in proportion to each participant's salary deferrals for the year. Forfeited amounts totaling \$0 and \$2,132 were reinstated back into the Plan during 2021 and 2020, respectively.

YEARS ENDED DECEMBER 31, 2021 AND 2020

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting:** The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates:** The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**Investment Valuation and Income Recognition:** Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor and trustees. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Investment income is recorded on the accrual basis. Net appreciation(depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

The Plan's investment alternatives include mutual funds, unit trusts, and other investments within a Personal Choice Retirement Account. The Personal Choice Retirement Account is a self-directed brokerage account. The Plan values these securities, based on exchange listed price quotations, NAV provided by the fund manager, or third-party pricing services. Purchases and sales are recorded on a trade-date basis.

**Contributions:** Contributions from employees are recorded as they are withheld from participant wages.

**Benefit Payments:** Benefit payments are recorded when paid.

**Expenses:** Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

**COVID-19 Pandemic:** In March 2020, the World Health Organization declared the COVID-19 outbreak as a pandemic which led to a significant negative impact on the global economy and triggered volatility in financial markets for the first half of 2020. As the global markets recovered in the second half of 2020, the uncertainty of another wave of the pandemic impacting the markets could cause negative volatility to the Plan investments in subsequent periods.

The Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was passed by the U.S. Senate in March 2020. Section 2202 of the CARES Act provides for expanded distribution options and favorable tax treatments for up to \$100,000 of COVID-19 related distributions. The Plan has adopted certain measures included in the CARES Act which allow qualified participants to receive coronavirus-related distributions without penalty and delay repayments of any new or outstanding loans for up to one year.

**Date of Management's Review of Subsequent Events:** Subsequent events were evaluated through August 5, 2022, which is the date of financial statement issuance. Effective January 24, 2022, in-service withdrawals at age 59 ½ are permitted under the Plan.

**NOTE 3 – TAX STATUS**

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the determination letter, the plan administrator and the plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the plan is qualified and the related trust is tax-exempt.

Management is aware of an operational error that occurred in 2020 that if not properly corrected could be treated by the IRS as a qualification failure. Management corrected the issue in 2021 to ensure that the Plan will continue to be qualified. A preliminary analysis by the plan sponsor quantified the effect of the issue to be immaterial to the financial statements therefore, no adjustment was made.

The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes the plan is no longer subject to income tax examinations for years prior to 2018.

**NOTE 5 – RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS**

Certain Plan investments are managed by Transamerica. Transamerica is the recordkeeper for the Plan and, therefore, these transactions qualify as party in interest transactions. In addition, the Plan holds investments managed by State Street Bank & Trust Company, the trustee and custodian, which also qualifies as party-in-interest transactions.

**NOTE 6 – PLAN TERMINATION**

Although there has not been any expressed intent to do so, Roaring Spring Blank Book Company has the right at any time to terminate the Plan. Upon complete termination, assets of the Plan are to be distributed to the participants.

**NOTE 7 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

**NOTE 8 – FAIR VALUE MEASUREMENTS**

Fair Value Measurements in accordance with current accounting standards establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements). When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

*Level 1*

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

*Level 2*

Fair values determined by Level 2 inputs consist of observable inputs other than quoted prices for identical assets or liabilities (Level 1). These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

**NOTE 8 – FAIR VALUE MEASUREMENTS (CONTINUED)**

The following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2021 and 2020:

**Mutual Funds:** Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Self-Directed Brokerage Accounts:** Accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices.

**Common Collective Trust:** Valued at the NAV of units held. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions may occur daily.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:
