Profit Sharing Plan Committee
Bingaman & Son Lumber, Inc. Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Bingaman & Son Lumber Inc. Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statement comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of, and for the year then ended December 31, 2021, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Bingaman & Son Lumber Inc. Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bingaman & Son Lumber Inc. Profit Sharing Plan's ability to continue as a going concern for one year from issuance.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bingaman & Son Lumber Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bingaman & Son Lumber Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to, or is derived from, the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Bingaman & Son Lumber Inc. Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BINGAMAN & SON LUMBER, INC. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

1. Description of the Plan and summary of significant accounting policies:

The following description of the Bingaman & Son Lumber, Inc. (the Company) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a profit sharing plan with 401(k) provisions and is subject to ERISA. Plan investments are participant directed.

Eligibility:

The Plan covers all employees who have completed one year of service and have worked a minimum of 1,000 hours during the Plan year.

Contributions:

Eligible participants may elect to contribute up to 100% of their annual compensation. No more than the Internal Revenue Service (IRS) permissible amount may be contributed in any Plan year. Participants direct the investment of their accounts into various options offered by the Plan. Additionally, if participants do not provide direction for their investment of participant contributions, the Plan will invest these contributions in a Principal target date fund that is the closest match for their expected dates of retirement. The employer may make a matching contribution up to 4% of compensation.

The employer may also contribute to the Plan, for each Plan year, an amount determined by its Board of Directors at their sole discretion.

Other contributions include qualified rollover contributions. These other contributions include proceeds from cashed out Plan purchased life insurance policies, which the participant has elected to contribute the surrendered cash value to the Plan.

Automatic enrollment and automatic increase:

The Plan contains an automatic contribution arrangement whereby pre-tax deferral contributions are automatically deferred at 4% of annual compensation. The arrangement applies to new employees as they become eligible to participate in the Plan. For those participants that are automatically enrolled, their deferral amount shall increase by 1% each January 1 thereafter, up to an 8% maximum.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

(with comparative information at December 31, 2020)

1. Description of the Plan and summary of significant accounting policies (continued):

Participant accounts:

Each participant's account is credited or charged with the participant's contribution, the employer's matching contribution and an allocation of the employer discretionary contribution, Plan earnings or losses, life insurance premiums and forfeitures. Allocations are based on participants' earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants who are also participants in the ESOP and who are eligible to diversify their ESOP account, may transfer their diversification amounts to their 401(k) account. There were no ESOP plan transfers in 2021.

Forfeitures:

Forfeitures from nonvested accounts are used to pay certain administrative expenses of the Plan and can also be used to offset employer matching contributions of the Plan sponsor at its discretion. The balance in the forfeiture account at December 31, 2021 and 2020 was \$1,375 and \$1,170, respectively. Forfeitures used to offset administrative expense totaled \$1,844 and \$5,389 in 2021 and 2020, respectively. There were no forfeitures used to offset employer contributions in 2021 or 2020.

Vesting:

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of service. Participants with less than one year of service are 10% vested in the remainder of the accounts, and after two years of service they are 20% vested in the remainder. After three years of service, they are 40% vested, and after four years of service they are 60% vested. A participant is 100% vested after five years of credited service.

Insurance contracts:

Participants were formerly able to elect to have their contributions fund life insurance policies at their discretion. Premiums paid for life insurance contracts are considered distributions and are, therefore, excluded from Plan assets because the purchase of these contracts transfers the obligation to pay the benefits and the related risks to the insurance company. These life insurance policies are no longer offered to new participants.

BINGAMAN & SON LUMBER, INC. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

1. Description of the Plan and summary of significant accounting policies (continued):

Payment of benefits:

On termination of service, including death or disability, benefits are payable in a lump sum equal to the value of the vested interest in the participant's account. At the participant's request, retirement benefits may be paid at a date later than the date of retirement, but not beyond the date the participant reaches 70 1/2 years of age. Benefits are also payable in the event of certain hardship cases.

Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, all participants would become 100% vested in their accounts.

Basis of presentation:

The accompanying financial statements have been prepared on an accrual basis and present the net assets available for benefits and changes in those net assets.

Use of estimates:

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make certain estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the changes in net assets during the reporting period. Accordingly, actual results could differ from those estimates.

Investment valuation:

The Plan's investments are stated at fair value as shown in the statements of net assets available for benefits. Mutual funds are stated at quoted market prices. Common collective trusts, other than the Principal Stable Value Fund discussed in greater detail below, and pooled separate accounts are valued using net asset value (NAV) of the respective collective trusts or pooled separate accounts, which are invested in publicly traded securities. NAV is used as a practical expedient to estimate fair value and shares may be redeemed on a daily basis. There is no significant notice period associated with this category.

The Principal Stable Value Fund (the Fund) is a stable value fund, whose primary assets are conventional and synthetic investment contracts. The Fund is stated at the year-end price as determined by the investment trustee. The Fund is valued at NAV of shares held by the Plan at year end and approximates the fair value per the audited financial statements of the Fund at year end.

BINGAMAN & SON LUMBER, INC. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

1. Description of the Plan and summary of significant accounting policies (continued):

Contributions, employer:

Employer contributions are included as additions during the period in which the employer claims the contributions as a deduction for income tax reporting purposes.

Investment income:

Investment income is recorded as earned on the accrual basis.

Benefits to participants:

Benefits are charged to expense during the period when participants receive payment.

Administrative expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

2. Certification of Plan assets and transactions:

The Plan's investments are held by Principal Life Insurance Company, Principal Trust Company and Principal Global Investors Trust Company, the custodians. Investment information disclosed in the accompanying financial statements and schedule of assets held at end of year, specifically investments held at December 31, 2021 and 2020 and net appreciation in fair value of investments and mutual fund dividends for the year ended December 31, 2021 was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the custodians. Principal Global Investors Trust Company authorized Principal Life Insurance Company to certify information on the Principal Stable Value Fund on their behalf.

YEAR ENDED DECEMBER 31, 2021

(with comparative information at December 31, 2020)

3. Fair value measurement:

The Plan ranks investments required to be reported at fair value in a three-level hierarchy for fair value measurements based upon the transparency of inputs to the valuation of an asset. Inputs may be observable or unobservable and refer broadly to the assumptions that market participants would use in pricing the asset. Observable inputs reflect the assumptions market participants would use in pricing the asset based on market data obtained from sources independent of the reporting entity. Unobservable inputs reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset developed based on the best information available in the circumstances. The three levels of the fair value hierarchy are described below:

Level 1 – Quoted prices in active markets for identical investment.

Level 2 – Other significant observable inputs (including quoted prices for similar investments, interest rates, prepayment speeds, credit risk, etc.). The Plan does not hold any Level 2 investments.

Level 3 – Significant unobservable inputs (including the Plan's own assumptions in determining the fair value of investments). The Plan does not hold any Level 3 investments.

See Note 1 for a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

3. Fair value measurement (continued):

Fair value measurements of investments in certain investments that calculate NAV per share as of December 31, 2021 and 2020 are as follows:

<u>2021</u>	<u>Fair value</u>	<u>Unfunded commitments</u>	<u>Redemption term</u>	<u>Redemption value</u>
Common collective trusts	\$ 17,611,145	N/A	Immediate	NAV*
Pooled separate accounts	259,116	N/A	Immediate	NAV*
<u>2020</u>				
Common collective trusts	\$ 15,397,053	N/A	Immediate	NAV*
Pooled separate accounts	43,096	N/A	Immediate	NAV*

* As of the measurement date

4. Income tax status:

Effective November 1, 2013, the Plan trustees adopted the Markley Actuarial Services, Inc. Volume Submitter Profit Sharing Plan with CODA, which is now called The Retirement Advantage (TRA). TRA received a determination letter from the IRS dated March 31, 2014 in which the IRS stated that the Prototype Profit Sharing Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been restated since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

5. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

6. Related party and party-in-interest transactions:

Certain Plan investments are managed by Principal Life Insurance Company, Principal Trust Company and Principal Global Investors Trust Company. These are the custodians as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included in net appreciation in fair value of investments.

7. Concentrations:

Five investments accounted for approximately 71% of total investments at December 31, 2021 and 2020.

8. Subsequent events:

The Plan has evaluated subsequent events through August 31, 2022, the date which the financial statements were available to be issued.
