INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
Fremont Beef Company Retirement Savings Plan
Fremont, Nebraska

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Fremont Beef Company Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 31, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

RETIREMENT SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

1. Description of Plan

The following description of the Fremont Beef Company Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of its provisions.

- A. General. The Plan is a defined contribution plan covering all employees of the Plan Sponsor, Fremont Beef Company (the Company or Employer), who have six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- B. Contributions. Participants may contribute a percentage of their annual pay, as defined in the Plan, not to exceed limitations set by the Internal Revenue Service, through either pre-tax or after-tax Roth contributions. Participants aged fifty and older by the end of the calendar year may contribute catch-up contributions. Participants may also contribute rollover contributions from other qualified plans. The plan operates under a Qualified Automatic Contribution Arrangement. This arrangement requires the following:
- Eligible participants will have an automatic and minimum salary deferral of 3% with automatic increases of 1% annually up until the participant defers 6% unless they affirmatively elect not to participate in the Plan.
 - The Company will match participant deferrals by 100% of the first 1% of deferrals, and 50% of the next 5% of deferrals.

Participants direct the investment of their contributions and company matching contributions into various investment options offered by the Plan.

- C. Participant Accounts. Each participant account is credited with the participant's contribution and the Company matching contributions, Plan earnings or losses, and is charged with an allocation of administrative expenses. Plan earnings or losses and administrative expenses are allocated based on participant account balances to the total Plan balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- D. Vesting. Participants are immediately vested in their individual contributions and related earnings or losses. Employer matching contributions will vest with the employee 50% after one year of service and 100% after two years of service, so a participant is fully vested after two years of credited service as defined by the Plan.
- E. Forfeited Accounts. Forfeited balances of non-vested accounts are used to either pay Plan administrative expenses or reduce future Company contributions. There were no significant forfeiture balances outstanding as of December 31, 2021 and 2020 or used during 2021 and 2020.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2021 AND 2020

1. Description of Plan – Continued

- F. Payment of Benefits. On separation of service, if the vested account is greater than \$5,000, the participant or beneficiary may elect to receive either a lump-sum payment or various forms of annuity payments, as defined in the Plan. The duration of installments may not exceed the participant's life expectancy or the joint life and last survivor expectancy of the participant and his designated beneficiary. Vested accounts of less than \$5,000 are paid in a lump-sum distribution upon separation of service.
- G. Notes Receivable from Participants. Participants may borrow a minimum of \$1,000 up to a maximum equal to fifty percent of their vested account balance or \$50,000, whichever is less. Loan terms range from one to five years. The balance in the participant's account secures the loans. Principal and interest are paid ratably through payroll deductions and bear interest ranging from 4.25% to 6.50%, which are commensurate with local prevailing rates as determined by the trustee.

2. Summary of Accounting Policies and Procedures

- A. Basis of Accounting. The financial statements are prepared on the accrual basis of accounting.
- B. Investment Valuation and Income Recognition. Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

- C. Payment of Benefits. Benefits are recorded when paid.
- D. Use of Estimates. The preparation of financial statement in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- E. Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus accrued interest. Interest is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2021 AND 2020

2. Summary of Accounting Policies and Procedures - Continued

- F. Administrative Expenses. Certain expenses of maintaining the Plan are paid by the Plan, except the Plan Sponsor, at its discretion, may pay for certain administrative costs. Costs directly related to notes receivable from participants are charged to the borrowers' account. Investment related expenses are included in net appreciation of the fair value of investments.
- G. Subsequent Events. Management evaluated transactions and events occurring through September 1, 2022, the date the financial statements were available to be issued, to determine whether any events should be recognized or disclosed in these statements. There were no material transactions or events in the subsequent period requiring disclosure or recognition in the statements.

3. Investments

Investments disclosed in the financial statements and supplemental schedule at December 31, 2021 and 2020, were obtained or derived from information supplied by the Plan administrator and certified as complete and accurate by Great-West Life & Annuity Insurance Company ("Great-West"), Great-West Trust Company, LLC, and John Hancock Life Insurance Company (U.S.A.). The following is a summary of the information certified:

	<u>2021</u>	<u>2021</u>
Investments at fair value	\$ 4,616,473	4,150,678
Investments at contract value	174,180	--
Net appreciation in fair value of investments	288,762	557,778
Dividends	248,646	--

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification (ASC) 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**FREMONT BEEF COMPANY
RETIREMENT SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2021 AND 2020

4. Fair Value Measurements - Continued

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts (PSA's): Valued at the net asset value (NAV), based upon the market value of its underlying investments, which may include equities, preferred stock, bonds, real estate, and mutual funds. A PSA NAV is not a publicly quoted price in an active market.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	<u>Investments at Fair Value as of December 31, 2021</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

4. Fair Value Measurements - Continued

In accordance with ASC 820-10 the Plan's PSAs held at December 31, 2020 are measured at NAV per share and should not be classified in the fair value hierarchy. As the Plan previously invests entirely in PSA's measured at NAV, the fair value hierarchy table is not required to reconcile to investments at fair value as presented in the statement of net assets available for benefits at December 31, 2020.

Fair Value of Investments in Entities That Use NAV per Share Practical Expedient

The following table summarizes investments measured at fair value based on the NAV per share practical expedient as of December 31, 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<i>December 31, 2020</i>	<i>Fair Value</i>	<i>Unfunded Commitments</i>	<i>Redemption Frequency (if currently eligible)</i>	<i>Redemption Notice Period</i>
Balanced Pooled Accounts	\$1,238,702	n/a	Daily	n/a
Fixed Pooled Accounts	332,916	n/a	Daily	n/a
International Pooled Accounts	22,208	n/a	Daily	n/a
Growth Pooled Accounts	437,633	n/a	Daily	n/a
Target Date Pooled Accounts	2,119,219	n/a	Daily	n/a

5. Group Annuity Contract with Great-West Life & Annuity Insurance Company

In 2021, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Great-West during 2021 totaling \$174,180 as of December 31, 2021. Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly. The average yield earned by the Plan for the benefit responsive fund can be derived by averaging the quarterly gross interest rates for the fund over the year. The average for 2021 is 0.90%. The guaranteed investment contract allows the Plan sponsor or Great-West to terminate the agreement prior to the scheduled maturity date.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2021 AND 2020

5. Group Annuity Contract with Great-West Life & Annuity Insurance Company - Continued

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options, (3) Plan sponsor events (for example, sale, merger, divestitures, or spin-offs) that cause a significant withdrawal from the Plan, or (4) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

6. Related Party Transactions

Plan investments are managed by Great-West and John Hancock Life Insurance Company (U.S.A.). The Plan made direct payments of approximately \$20,100 and \$29,200 to Great-West and John Hancock in 2021 and 2020, respectively. These transactions, therefore, are party-in-interest transactions.

7. Plan Termination

The Company has the right to reduce, suspend, or discontinue its contributions at any time. Although it has not expressed any intent to do so, the Company could terminate the Plan subject to the provisions of ERISA. In the event of termination, participants become 100% vested in their accounts.

**FREMONT BEEF COMPANY
RETIREMENT SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2021 AND 2020

8. Tax Status

The Plan is a prototype non-standardized plan adopted by the Company on May 13, 2015. On March 31, 2014, the Internal Revenue Service stated this prototype plan adopted by the Company, as then designed, qualifies under Section 401(a) of the Internal Revenue Code. The Plan has not received a determination letter specific to the Plan. Although the Plan has been amended since receiving the advisory opinion, the Plan administrator believes the plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore believes the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by tax authorities. The plan administrator has analyzed the tax positions taken by the plan, and has concluded as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The plan is subject to audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Risks and Uncertainties

The Plan provides for investment options in the form of mutual funds which are exposed to interest rate, market and credit risks. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in the value of investments will occur, and such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.
