INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees,
Food Circus Super Markets, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Food Circus 401(k) 2021 (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

2021 Supplementary Schedule Required by ERISA

The supplementary schedule, schedule H, line 4i - schedule of assets (held at end of year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 23, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Food Circus Super Markets, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF PLAN

The following brief description of the Food Circus Super Markets, Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan qualifying under Section 401(k) of the Internal Revenue Code (“IRC”) and subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was established for the purpose of providing eligible employees of Food Circus Super Markets, Inc. (the “Employer” or the “Sponsor”) and their beneficiaries, retirement, disability and/or death benefits.

Eligibility

An employee of the Employer becomes an eligible participant in the Plan following their date of hire subject to the completion of 6 months of service to the Employer, and the attainment of 21 years of age. The Plan excludes employees covered by a collective bargaining agreement and non-resident aliens who received no U.S. sourced income. Participants’ entry dates for the Plan are the first day of each month of the Plan year. A participant is eligible for the Employer profit sharing contribution after the completion of 1 year of service, the attainment of 21 years of age and must be employed on the last day of the Plan year.

Participant Contributions

After 6 months of employment, eligible employees are automatically enrolled at an initial pre-tax deferral rate of 3% of compensation unless they elect otherwise. A participant in the Plan may annually contribute through payroll deductions up to 75% of pretax annual compensation, limited by the amounts determined by the Internal Revenue Service (“IRS”), and may also transfer in amounts representing distributions from other qualified plans. Any participant, age 50 and over, may make an additional “catch-up” contribution as determined by the IRS. Participants are automatically enrolled in the Plan with a 3% deferral unless they opt out or change their deferral rate. Deferral rates for participants who are automatically enrolled are increased annually on the first day of the Plan year by 1% up to a deferral limit of 5%. Participants direct the investment of their contributions into various investment options offered by the Plan. A participant may suspend contributions at any time or may increase or decrease their level of participation weekly.

Employer Contributions

The Employer makes a safe harbor matching contribution equal to 100% of the first 3% of the participant’s eligible compensation and 50% of the next 2% of the participant’s eligible compensation contributed to the Plan. The Employer may also make a discretionary profit-sharing contribution to the Plan to be allocated to all eligible participants who meet the service requirements as defined in the Plan. Employer profit sharing contributions will be allocated to eligible participants in the same proportion that the annual compensation of the participant bears to the annual compensation of all participants at the end of any given Plan year. No profit-sharing contribution was made for the year ended December 31, 2021.

Participant Accounts

Individual accounts are established for each participant. The Plan offers a variety of mutual funds and a guaranteed interest account, with varying investment objectives as investment options. Each participant’s account is credited with the participant’s pre-tax contributions, the Employer contributions, if any, and the proportionate share of dividends, interest, and investment gains since the preceding valuation date. The participant’s account is reduced by withdrawals, losses on investments, fees, and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

December 31, 2021 and 2020

Vesting

The Employer's safe harbor matching contributions and profit-sharing contributions are 100% vested after the completion of three years of service based upon the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	0%
2	0%
3	100%

A participant is always 100% vested in his or her own deferred salary contribution and rollover contributions from other qualified plans to the Plan and related earnings thereon, but with respect to the Employer matching and profit-sharing contributions, any unvested portion of his or her account shall be forfeited at termination and applied to the Employer matching contribution or used to pay the Plan's administrative expenses.

Retirement Benefits

Participants may choose to have their benefit distributed to them in one of the following ways:

- In a lump-sum payment of cash.
- By the purchase of a non-transferable annuity over the lifetime of the participant or the joint lifetime of the participant and a designated individual; or
- On an installment basis with a minimum payment each year which is based on a period not to exceed the life expectancy of the participant or his or her spouse.

Death Benefits

The beneficiary of any participant with accrued benefits in the Plan is entitled to 100% of such benefits. Death benefits may be distributed in one of the following ways:

- In a lump-sum payment (as defined in the Plan agreement) payable no later than five years after the date of the participant's death.
- As an annuity payable to the designated beneficiary with distribution of the death benefit commencing no later than one year after the date of the participant's death; or
- As an annuity payable to the participant's surviving spouse (as a designated beneficiary) over the spouse's lifetime with distribution of the death benefit commencing no later than the date the participant would have attained 70-1/2 years of age.

Hardship Benefits

The Plan allows for "hardship withdrawals" of participants' benefits based upon any of the following criteria:

- To pay all or a portion of the cost of purchase, construction, improvement, or preservation of a house occupied or to be occupied by the participant.
- To pay all or a portion of the cost of education of the participant or any dependent.
- To pay all or a portion of any unusual expense incurred by the participant because of illness, accident, or disability of the participant or any dependent; or
- To meet any severe and undue financial hardship of the participant or any dependent.

Notes Receivable From Participants

The Plan allows for loans to be extended to participants for any purpose. All loans are considered a direct investment of the participant and payments of principal and interest are credited to the participant's account. The participant may borrow from his or her account a maximum equal to the lesser of \$50,000 or 50% of their vested account balance and a minimum of \$1,000. Interest is charged at 1% above prime rate at the time a loan is issued (as defined in the Plan agreement). Restrictions and repayment terms are described in the Plan Document. The loans bear interest at a range of 4.25%-6.50%. Principal and interest are paid ratably through weekly payroll deductions.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained under the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Valuation of Investments and Income Recognition

Certain investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are discussed in the Fair Value Measurements note (Note 4).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Guaranteed interest account investment contracts are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of net assets available for benefits attributable to fully benefit-responsive investment contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Administrative Expenses

The expenses necessary to administer the Plan, including but not limited to, retaining necessary professional assistance from an attorney, an accountant, an actuary or an investment advisor, are paid by either the Employer or the Plan. The fees paid by the Plan amounted to \$55,237 during the year ended December 31, 2021. Further, certain expenses related to the Plan's investments have been offset with net investment income. All other expenses were paid by the Employer.

Payment of Benefits

Benefits are recorded when paid.

Forfeited Accounts

At December 31, 2021 and 2020, the Plan had \$3,928 and \$3,543, respectively, of forfeited non-vested accounts. Forfeitures can be used to reduce the Employer matching contribution or used to pay the Plan's administrative expenses at the request of the Employer. No forfeitures were utilized to reduce Employer matching contributions or to pay administrative expenses in 2021.

Food Circus Super Markets, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

3. INFORMATION CERTIFIED BY THE AGENT FOR THE TRUSTEE (UNAUDITED)

No auditing procedures were performed by the independent auditor as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the agent for the trustee. Based on information provided and certified by Ascensus Trust Company, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, for the years ended December 31, 2021 and 2020.

The following information as of and for the years ended December 31, was prepared from reports by the agent for the trustee:

	<u>2021</u>	<u>2020</u>
Investments, at contract value	\$ 402,142	\$ 436,894
Investments, at fair value	10,954,595	9,538,122
Notes receivable from participants	<u>45,734</u>	<u>70,075</u>
	<u>\$ 11,402,471</u>	<u>\$ 10,045,091</u>
 Net appreciation in fair value of investments	 \$ 1,471,823	
Interest and dividends from investments	\$ 101,730	
Interest on notes receivable from participants	\$ 3,267	

4. FAIR VALUE MEASUREMENTS (UNAUDITED)

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Food Circus Super Markets, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

There were no transfers between Levels 1, 2 and 3 for the periods presented.

Mutual Funds: Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 10,954,595</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,954,595</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 9,538,122</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,538,122</u>

5. PLAN INTEREST IN GUARANTEED INTEREST ACCOUNT (UNAUDITED)

The Plan has invested in the MetLife Group Annuity Contract No. 25053 (the "Fund") which invests in underlying assets and entered into a wrapper contract issued by a third-party. The Fund is a synthetic investment contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The following represents the contract value of the investment contract held by the Plan.

	<u>2021</u>	<u>2020</u>
Synthetic investment contract	<u>\$ 402,142</u>	<u>\$ 436,894</u>

Food Circus Super Markets, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

In a synthetic investment the Plan owns the underlying assets of the synthetic investment contract. A synthetic investment contract includes a wrapper contract, which is an agreement for the wrap issuer, such as a bank or insurance company, to make payments to the Plan in certain circumstances. The wrapper contract typically includes certain conditions and limitations on the underlying assets owned by the Plan. Synthetic and traditional investment contracts are designed to accrue interest based on crediting rates established by the contract issuers.

The synthetic investment contract held by the Plan includes a wrapper contract that provides a guarantee that the credit rate will not fall below 0%. Cash flow volatility (for example, timing of benefit payments) as well as asset underperformance can be passed through to the Plan through adjustments to future contract crediting rates. Formulas are provided in each contract that adjusts renewal crediting rates to recognize the difference between the fair value and the book value of the underlying assets. Crediting rates are reviewed quarterly for resetting.

The Plan's ability to receive amounts due in accordance with the fully-benefit responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under the contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code,
2. Premature termination of the contracts,
3. Plan termination or merger,
4. Changes to the Plan's prohibition on competing investment options,
5. Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Those events may be different under the contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines,
2. A breach of material obligation under the contract,
3. A material misrepresentation,
4. A material amendment to the agreements without the consent of the issuer.

6. PLAN TERMINATION

The Employer intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend, or terminate the Plan at any time by resolution of its Board of Directors. In the event of termination of the Plan, all amounts credited to participants' accounts shall be 100% vested and non-forfeitable. All participants shall receive a total distribution of their accounts as described in the Plan. Any amount in the forfeiture account upon termination, which has not been applied to reduce the Employer contribution, shall be allocated on a pro rata basis to the participants' accounts.

Food Circus Super Markets, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

7. PARTY IN INTEREST TRANSACTIONS

The Plan paid fees for administrative services of \$55,237 to the record keeper in 2021. Further, certain expenses related to the Plan's investments have been offset with net investment income. These transactions qualify as party in interest transactions. Notes receivable from participants qualify as exempt party in interest transactions.

8. INCOME TAX STATUS

The Plan adopted a prototype non-standard profit sharing plan. By letter dated June 30, 2020, the Internal Revenue Service has determined that the Prototype Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Service. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020 there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements.

9. RECONCILIATION TO FORM 5500

Following is a reconciliation of the net assets available for benefits as of December 31, 2021 and 2020 and the changes in net assets available for benefits for the year ended December 31, 2021 to amounts reported in Form 5500:

	2021		2020
	Net Assets Available for Benefits	Changes in Net Assets Available for Benefits	Net Assets Available for Benefits
Per financial statements	\$ 11,402,471	\$ 1,415,855	\$ 9,986,616
Excess contributions	-	(58,475)	58,475

Per Form 5500	<u>\$ 11,405,022</u>	<u>\$ 1,356,521</u>	<u>\$ 10,048,501</u>

10. EXCESS CONTRIBUTION LIABILITY

The Plan failed the IRC Actual Deferral Percentage ("ADP") compliance test of employee contributions for the year ended December 31, 2020. The Plan corrected the failures by returning the excess contributions to the highly compensated employees in the following year. The refunds included income allocable to the excess contributions. As of December 31, 2020, the excess contributions payable was \$58,475.

11. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events occurring after the statement of net assets available for benefits date through the date of September 7, 2022, the date for which the financial statements were available to be released. Based upon this evaluation, the Plan has determined that no subsequent events have occurred that require disclosure in or adjustment to the financial statements.
