RTL Networks Retirement Savings Plan Trustees

We have audited the financial statements of RTL Networks Retirement Savings Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) for the year ended December 31, 2021. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan ("investment information") by Securian Financial, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplementary schedules, and reading the disclosures relating the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America ("US GAAP"). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with US GAAP. Professional standards required that we provide you with information about our responsibilities under auditing standards generally accepted in the United States of America ("US GAAS"), as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 1, 2022. Professional standards also required that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during the year ended December 31, 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

- Management's estimates of the fair values of investments are based on the assumptions disclosed in Note 3.

We evaluated the key factors and assumptions used to develop the estimate of the fair values of investments in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were:

- The disclosures of the fair values of investments in Note 3 and of risks and uncertainties in Note 6 are considered to be sensitive to the users of the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. There were no such misstatements.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. There were no such findings.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the Plan’s financial statements or a determination of the type of auditor’s opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards with management each year prior to retention as the Plan’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

ERISA-Required Supplementary Schedules

Our responsibility for the ERISA-required supplementary schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplementary schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL’s *Rules and Regulations for Reporting and Disclosure* under ERISA, and whether the information in the supplementary schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Internal Controls

In planning and performing our audit of the financial statements of the Plan as of and for the year ended December 31, 2021, in accordance with US GAAS, we considered the Plan’s internal control over financial reporting (“internal control”) as a basis for designing audit procedures that are appropriate in the circumstances and for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan’s financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described above and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified.

Other matter:

Although not considered material weaknesses or significant deficiencies in internal control over financial reporting, we observed the following matter and offer the following as constructive suggestions for the consideration of management as part of the ongoing process of modifying and improving accounting controls and the financial and administrative practices and procedures.

- During our review of the forfeiture account, we noted that there were no forfeitures applied during the current year, with forfeiture balances outstanding from prior years. The IRS requires that forfeitures be used or allocated for the plan year in which they arise or, in appropriate circumstances, the following plan year, and therefore the forfeiture balance as of December 31, 2020, should have been allocated during the year. We recommend that plan management review the forfeiture account on a regular basis to verify that forfeitures are being used or allocated.

This information is intended solely for the use of the trustees and is not intended to be, and should not be, used by anyone other than this specified party.

Sincerely,

BiggsKofford, P.C.

RTL Networks Retirement Savings Plan

Colorado Springs, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have audited the accompanying financial statements of RTL Networks Retirement Savings Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("Investment Information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("Qualified Institution"), provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a Qualified Institution as of and for the year ended December 31, 2021, stating that the certified Investment Information, as described in Note 3 to the 2021 Financial Statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified Investment Information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("US GAAP").
- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("US GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of the report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified Investment Information, except for obtaining and reading the certification, comparing the certified Investment Information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified Investment Information to assess whether they are in accordance with the presentation and disclosure requirements of US GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 Financial Statements as a whole are presented fairly, in all material respects, in accordance with US GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2021 Supplementary Schedules Required by ERISA

The supplementary information, as identified in the table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 Financial Statements. The supplementary information, other than that agreed to or derived from the certified Investment Information, has been subjected to the auditing procedures applied in the audit of the 2021 Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 Financial Statements or to the 2021 Financial Statements themselves, and other additional procedures in accordance with US GAAS. For supplementary information that agreed to or is derived from the certified Investment Information, we compared such information to the related certified Investment Information.

In forming our opinion on the supplementary information, we evaluated whether the supplementary information, other than the information agreed to or derived from the certified Investment Information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary information, other than the supplementary information agreed to or derived from the certified Investment Information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA.
- The supplementary information related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 5, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplementary schedules, and (b) the form and content of the information included in the financial statements and supplementary schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

RTL NETWORKS RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN

The following description of RTL Networks Retirement Savings Plan ("Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established on January 1, 2014, and amended and restated on October 1, 2020, covering eligible employees of RTL Networks, Inc. ("Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

The Plan is available to all employees, excluding leased employees, regardless of age or service period. The entry date for eligible participants is the first day of the month following obtaining eligibility.

Contributions

Deferral contributions cannot exceed certain limits as set forth by the Internal Revenue Code ("IRC") (\$19,500 in 2021 and 2020; \$26,000 for employees age 50 or older in 2021 and 2020). The Internal Revenue Service ("IRS") adjusts this limitation each year as necessary for cost-of-living increases. Participants may change their contribution percentage throughout the year and may cease making contributions at any time.

Participants are eligible to defer on an after-tax basis through regular payroll deductions up to 100 percent of eligible compensation as Roth 401(k) deductions. Provided requirements are met, withdrawals of contributions and any earnings are tax-free to the participant. A participant's combined pre-tax and after-tax contributions cannot exceed the maximum annual amount allowed by law. The Plan allows for employer contributions in accordance with prevailing wage laws determined by the U.S. Department of Labor.

The Company may make a matching contribution and profit-sharing contribution equal to a discretionary percentage that is determined by management of the Company. For the year ended December 31, 2021, the discretionary match was 33 percent of the participant's contribution not to exceed 6 percent of the employee's eligible compensation. The total non-elective employer contributions for 2021 were \$109,441.

See independent auditor's report.

RTL NETWORKS RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN (CONTINUED)

Contributions (continued)

Rollover contributions transferred from other qualified retirement plans or from individual retirement accounts are accepted, as permitted by the Plan.

Participant accounts

Each participant's account is credited with the participant's contributions and an allocation of the Company's contributions and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their account is based upon years of continuous service. A participant is 100% vested after five years of credited service.

Notes receivable from participants

Participants may borrow from their accounts in amounts from a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the participant's account balance and bear interest at 4.25% per annum. The term is a maximum of five years, unless the note is for the purchase of a primary residence. Participants may not have more than one note outstanding at any time (two if one is for the purchase of the participant's primary residence). Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are reclassified as distributions based upon the terms of the plan document.

Payment of benefits

Upon attainment of normal retirement age, disability, death or termination of employment, distributions may either be a single distribution of the entire vested balance or partial lump sum for balances greater than \$1,000 or, if elected by the participant, periodic installments over any period not exceeding the remaining life expectancy of the participant and/or the participant's designated beneficiary. The participant's account is distributed to the participant or, in the event of death, to the participant's designated beneficiary. As of December 31, 2021, there were no benefit claims payable.

See independent auditor's report.

RTL NETWORKS RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN (CONTINUED)

Forfeitures

Forfeitures can be used to reduce employer contributions. Forfeitures must be used in the plan year following the plan year in which the forfeiture occurs. Unallocated forfeitures as of December 31, 2021 totaled \$54,166.

Plan termination

Although it has not expressed an intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balances.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared using the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("US GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation

The Plan's investments are stated at fair value except as noted below. The fully benefit-responsive unallocated contract is valued at contract value. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

See independent auditor's report.

RTL NETWORKS RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment valuation (continued)

The pooled separate accounts are valued at net asset value per share ("NAV") (or its equivalent) of the funds, which is based on the fair value of the funds' underlying assets. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policy utilizing information provided by the investment advisors, including the appointment of investment managers and the monitoring of the performance of the Plan's investment funds. There are no redemption restrictions or unfunded commitments on these investments.

Income recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

Financial instruments

The Plan's financial instruments include investments, fully benefit-responsive investment contracts, and notes receivable from participants. Investments are reported at net asset value and fully benefit-responsive investment contracts are reported at contract value. The recorded values of notes receivable from participants approximate fair value as the notes are carried at cost and are based upon future principal and interest payments discounted at prevailing interest rates for similar instruments. All other financial instruments approximate fair values based on their short-term nature.

See independent auditor's report.

RTL NETWORKS RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Tax status

The Plan, as adopted, is a volume submitter plan, which does not require an application for a determination letter from the Internal Revenue Service ("IRS"). The volume submitter plan has received a favorable notification letter from the IRS. The Plan has not individually sought its own determination letter.

US GAAP requires plan management to evaluate income tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the income tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

Subsequent events

Management evaluated subsequent events through the date of the attached independent auditor's report, the date these financial statements were available to be issued.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The following information included in the accompanying financial statements and supplementary schedule was obtained from data that has been prepared and certified as complete and accurate by Securian Financial as of and for the years ended December 31,:

4. INVESTMENT CONTRACTS

The Plan has a benefit-responsive investment contract with MN Life Insurance Co. MN Life Insurance Co. maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Interest is credited on contract balances using a single portfolio rate approach. Under this methodology, a single interest rate is applied to all contributions made to the product, regardless of the timing of those contributions. Interest crediting rates are reviewed on a semiannual basis for resetting but may not be less than 1.50% per annum. When establishing interest crediting rates for this product, MN Life Insurance Co. considers many factors, including current economic and market conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the issuer's general account.

Certain events may limit the ability of the Plan to transact at contract value with the insurance company. Such events include the following: (i) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provision, (iii) bankruptcy of the plan sponsor or other plan sponsor events (e.g., divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan, or (iv) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator believes that the occurrence of any such events, which would limit the Plan's ability to transact at contract value with participants, is not probable. There are no events that allow the issuer to terminate the contract and that require the plan sponsor to settle an amount different than contract value paid either within 90 days or over time.

5. PARTIES IN INTEREST

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons. The Company and several participants, as a result of ownership and/or being officers or directors of the Company, are deemed to be parties in interest. The third-party administrator and trustees are also parties in interest. There were no prohibited transactions with parties in interest during the years ended December 31, 2021 and 2020.

See independent auditor's report.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

6. RISKS AND UNCERTAINTIES

Investments in general are exposed to risks, including interest rate, market and credit risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

The notes receivable from participants are secured by the participants' account balances, and the plan administrator considers risk to be minimal since the loans are fully collateralized.
