**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

Trustees  
U.S. Digital Corp. Profit Sharing Retirement Plan

**Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements**

We have performed an audit of the financial statements of U.S. Digital Corp. Profit Sharing Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion on the 2021 financial statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all

material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion on the 2021 financial statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the 2021 financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the 2021 financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other matters**

##### *2021 supplemental schedules required by ERISA*

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedule that agreed to or

is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedule, we evaluated whether the 2021 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Auditor's report on the 2020 financial statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 17, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **U.S. Digital Corp. Profit Sharing Retirement Plan**

### **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2021 and 2020**

#### **NOTE 1 - PLAN DESCRIPTION**

The following brief description of the U.S. Digital Corp. Profit Sharing Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan was adopted on July 1, 1997 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The trustees of the Plan are responsible for oversight of the Plan. Effective December 16, 2015, the Plan transferred all plan assets from a former custodian to Standard Insurance Company ("The Standard"). At that time, the Plan adopted The Standard's Volume Submitter Plan Document.

#### ***General***

The Plan is a defined contribution retirement plan maintained for the benefit of all eligible employees of U.S. Digital Corporation (the "Company"). Employees are eligible to make elective deferrals of a portion of their compensation and receive employer matching contributions after completion of two consecutive months of service and the attainment of age 21. Employees also become eligible for a profit-sharing contribution after completing one year of service with the Company.

#### ***Plan Amendments***

There were no plan amendments in the current year.

#### ***Contributions***

Employees may voluntarily contribute up to 100% of their eligible compensation limited to the maximum annual 401(k) deferral prescribed by the Internal Revenue Code ("IRC"). The maximum annual deferral for 2021 was \$19,500. Participants age 50 and over were eligible to make additional catchup contributions of up to \$6,500 in 2021. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers). Participants are permitted to make contributions on a before-tax or after-tax basis.

Any deferrals in excess of applicable Internal Revenue Service ("IRS") limits are distributed to the participants in accordance with the terms of the Plan and are included in "Excess Contributions" in the Statements of Net Assets Available for Benefits, and "Participants Contributions" in the Statement of Changes in Net Assets Available for Benefits.

The Company may make discretionary matching contributions to the Plan. During the year ended December 31, 2021, the Company matched 100% of eligible employee salary deferral contributions made during a payroll period up to 5% of each employee's eligible compensation for that payroll period.

Additional employer profit-sharing contributions may be contributed to the Plan at the discretion of the Company. Profit-sharing contributions are allocated to participants' accounts in the same proportion that each participant's compensation plus compensation in excess of the Social Security taxable wage base ("Excess Compensation") bears to the total compensation plus Excess Compensation of all eligible participants.

The maximum amount which can be allocated to a participant in this step is 5.7% of compensation plus Excess Compensation. If after the first step of the allocation process, there still remains a portion of the contribution that has not yet been allocated, the remainder will be allocated to the participants in the same proportion that each participant's compensation bears to the total compensation of all participants. The Company did not elect to make additional profit-sharing contributions to the Plan for the year ended December 31, 2021.

**U.S. Digital Corp. Profit Sharing Retirement Plan**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**December 31, 2021 and 2020**

***Vesting***

Participants are immediately vested in their elective contributions plus actual earnings thereon. Participants are vested in employer contributions plus actual earnings thereon at a rate of 20% after one year of credited service and 20% per year of credited service thereafter. A participant is fully vested after five years of credited service, or upon death, disability, or normal retirement age.

***Participant Accounts***

A separate account is maintained for each participant which is credited with the participant's contributions, allocations of employer contributions, and an allocation of plan earnings. Allocations of plan earnings is based upon participants' account balances. Allocations of matching contributions is based on participants' elective deferral contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of their contributions and the employer contributions into various investment options offered by the Plan. The investment options comprise a cross-section of equity, bond and balanced mutual funds, and a stable value fund. Participants may change their investment options daily.

***Notes Receivable from Participants***

Participants may borrow from their accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance, reduced by their highest outstanding loan balance during the 12-month period prior to the date of the loan. The loans are secured by the vested balance in the participant's account or the participant's personal residence and bear interest at a rate equal to the prime rate at the time the loan is issued, plus 1%.

Interest rates range from 3.25% to 5.5% on loans outstanding at December 31, 2021 and 2020. Participants are allowed one loan in any consecutive 12-month period. Loans are only permitted for the purchase of a primary residence, with loan repayment terms of up to 30 years. Principal and interest payments are collected through bi-weekly payroll deductions.

***Benefits Paid to Participants***

On attainment of age 59½, termination of service, retirement, death, or disability, a participant with a vested account balance of \$1,000 or more may generally elect to receive a lump-sum amount equal to the entire vested account balance, substantially equal periodic installments of the vested account balance, partial withdrawal of no less than \$1,000, or retain their vested interest in the Plan. Participants with a vested account balance less than \$1,000 will receive a lump-sum distribution. Benefit payments must commence by April 1 of the calendar year after the calendar year in which participants attain age 72.

***Forfeited Accounts***

Forfeitures of terminated participants' nonvested accounts will first be used to restore past forfeitures, and then pay administrative expenses of the Plan, and lastly to reduce employer contributions. During 2021, there were \$21,305 forfeitures of nonvested accounts. Forfeitures of \$21,305 were used to pay administrative expenses for the year ended December 31, 2021. There were no unused forfeiture balance as of December 31, 2021 and 2020, respectively.

**U.S. Digital Corp. Profit Sharing Retirement Plan**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**December 31, 2021 and 2020**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting***

The financial statements of the Plan are prepared using the accrual method of accounting.

***Investment Valuation and Income Recognition***

Investments held by the Plan are stated at fair value, with the exception of the Plan's interest in a fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is accrued as earned. Net appreciation or depreciation in fair value is the net gain or loss on disposition of investments plus the net unrealized increase or decrease in fair value during the year of investments held at year end.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan's administrator deems the participant to be in default, the participant's loan balance is reduced and a benefit payment is recorded.

***Contributions***

Employer and participant contributions are accrued by the Plan in the year in which they are withheld from compensation or become obligations of the Company. Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability, with a corresponding reduction to contributions. There were no 2021 excess contributions.

***Administrative Expenses***

Administrative expenses may be paid by the Company. Expenses not paid by the Company are deducted from investment earnings before allocation to participants' accounts. Expenses of loan administration, distributions, and transfers are allocated solely to that participant's account. In addition, certain expenses of plan administration, including computer services, professional fees, office supplies and payroll expenses of administrative and clerical personnel, are provided by the Company without charge to the Plan.

***Payment of Benefits***

Benefits are recorded when paid.

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") and the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA requires the Plan administrator to make estimates and assumptions that affect the reported amounts of plan assets and liabilities, additions and deductions during the reporting period, and disclosure of contingent assets and liabilities at the date of the financial statements. Accordingly, actual results may differ from those estimates.

**U.S. Digital Corp. Profit Sharing Retirement Plan**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**December 31, 2021 and 2020**

**NOTE 3 - CERTIFIED INFORMATION**

The Plan administrator elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Under this provision of ERISA, investment information and related activity certified as accurate and complete by a qualified institution need not be subjected to independent audit. The Plan administrator has obtained certifications from Charles Schwab Trust Bank, as trustee of the Plan, that the following information included in the Plan's financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value and contract value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Plan transactions related to investment income, securities transactions and interest income on notes receivable from participants for the year ended December 31, 2021.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021.

Accordingly, at the request of the Plan administrator, the Plan's independent certified public accountants performed no procedures on information and related activity, other than to agree the information to the trust statements certified by the Plan's trustee.

**NOTE 4 - FAIR VALUE MEASUREMENTS**

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**U.S. Digital Corp. Profit Sharing Retirement Plan**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**December 31, 2021 and 2020**

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual funds:* Valued at the daily quoted Net Asset Value ("NAV") of shares held by the Plan at year end.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

| Assets                                          | Measurements at Reporting Date Using   |                             |                               | Total         |
|-------------------------------------------------|----------------------------------------|-----------------------------|-------------------------------|---------------|

**NOTE 5 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY**

The Plan provides a stable value investment option issued by Standard Insurance Company through the Standard Stable Asset Fund ("SAF") that simulates the performance of a guaranteed investment contract. The contributions are maintained in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is declared quarterly and cannot be less than 1.5%.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Examples of such events include withdrawals prompted by certain events (e.g., spin-offs, divestitures, corporate

relocations, layoffs, retirement incentive programs, partial or total plan terminations, or the liberalization of plan withdrawal or transfer rules). The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

**NOTE 6 - INCOME TAX STATUS**

The Plan document is a volume submitter defined contribution plan sponsored by Standard Retirement Services Inc. In an opinion letter dated March 31, 2008, the IRS stated that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS**

The Plan's stable assets investment is in a stable value investment option issued by Standard Insurance Company. Standard Insurance is the recordkeeper for the Plan, therefore these transactions qualify as party-in-interest transactions.

**NOTE 8 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan is terminated, all participants will become fully vested in employer contributions allocated to their account.

**NOTE 9 - RISKS AND UNCERTAINTIES**

The Plan provides for investment options that are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits and therefore participants' account balances.

In March 2020, the World Health Organization declared COVID-19, the disease caused by the novel coronavirus, a pandemic, which started to and continues to spread throughout the United States of America. As a result of the COVID-19 pandemic, the Plan experienced market volatility. Management is actively monitoring the Plan's investment strategy based on the continuing uncertainties of COVID-19. As of December 31, 2021, there was not a material impact on the Plan, due to the pandemic.
