INDEPENDENT AUDITORS' REPORT

To the Administrative Committee
Mississippi Polymers, Inc. Retirement Savings Plan
for Bargaining Unit Employees Plan Number 002
Corinth, Mississippi

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Mississippi Polymers, Inc. Retirement Savings Plan for Bargaining Unit Employees Plan Number 002, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Mississippi Polymers, Inc. Retirement Savings Plan for Bargaining Unit Employees Plan Number 002 and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mississippi Polymers, Inc. Retirement Savings Plan for Bargaining Unit Employees Plan Number 002's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mississippi Polymers, Inc. Retirement Savings Plan for Bargaining Unit Employees Plan Number 002's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mississippi Polymers, Inc. Retirement Savings Plan for Bargaining Unit Employees Plan Number 002's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Mississippi Polymers, Inc. Retirement Savings Plan for Bargaining Unit Employees Plan Number 002. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

MISSISSIPPI POLYMERS INC. RETIREMENT SAVINGS PLAN FOR BARGAINING UNIT EMPLOYEES PLAN NUMBER 002

December 31, 2021

NOTE 1. DESCRIPTION OF THE PLAN

The following brief description of Mississippi Polymers Inc. Retirement Savings Plan for Bargaining Unit Employees Plan Number 002 (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

- A. *General.* The Plan is a defined contribution pension plan covering substantially all hourly employees covered by a collective bargaining agreement between the International Union of the United Steelworkers of America, Local 759 and Mississippi Polymers, Inc. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- B. *Contributions.* Each year, participants may contribute up to the maximum percentage allowable, not to exceed the limits of Code Sections 401(k), 404 and 415 of the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The employer made a non-elective contribution of \$125 per month for the year ended December 31, 2021 for each participant who is active at the end of the month and who has been in active or inactive status for at least fifteen days of the month. The contribution is also made for an employee who was laid off for a period of 24 months or less and returned to work during the year.
- C. *Participant Accounts.* Each participant's account is credited with the participant's contribution, the employer contribution (when applicable) and plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- D. *Vesting.* Elective deferrals and non-elective employer contributions are immediately 100% vested.
- E. *Investment Options.* Upon enrollment in the Plan, a participant may direct contributions in a wide variety of investment options. Participants may change investment elections as they wish using a voice response service and internet service.
- F. *Payment of Benefits.* Upon termination of service with the employer, a participant may elect to receive either a lump-sum amount equal to the value of his or her account or installments over a term certain not to extend beyond the participant's life expectancy or the joint life and last survivor expectancy of the participant and the participant's beneficiary.

NOTES TO FINANCIAL STATEMENTS - (Continued)

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. *Basis of Accounting.* The financial statements of the Plan are prepared using the accrual method of accounting.
- B. *Valuation of Investments.* The Plan's investments are stated at market value, except for fully benefit-responsive investment contracts which are reported at contract value. If available, quoted market prices are used to value investments. If quoted market prices are not available, the custodian estimates the fair value of the asset. See Note 3 for discussion of fair value measurements.
- C. *Participant Loans.* Participants may borrow from their fund accounts up to an amount equal to the lesser of \$ 50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant's loan fund. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator.
- D. *Payment of Benefits.* Benefits are recorded when paid.
- E. *Expenses.* Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of participant loans are charged directly to the participant's account and are included in administration expenses. Investment related expenses are included in net appreciation of fair value of investments.
- F. *Estimates.* The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.
- G. *Forfeitures.* Forfeited accounts totaled \$ 2,518 and \$ 1,911 at December 31, 2021 and 2020, respectively. These accounts will be used to reduce future employer contributions.
- H. *Evaluation of Subsequent Events.* In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through the date of the Independent Auditors' Report, which is the date the financial statements were available to be issued.

NOTE 3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described as follows:

NOTES TO FINANCIAL STATEMENTS - (Continued)

NOTE 3. FAIR VALUE MEASUREMENTS - (Continued)

Level 1. Fair value inputs include unadjusted quoted prices in active markets for identical assets or liabilities and have the highest priority. There were no Plan investments valued using Level 1 inputs.

Level 2. Fair value inputs include significant other observable inputs other than Level 1 inputs such as quoted prices for similar assets, quoted prices in markets that are not active or other observable inputs that can be corroborated by observable market data. The fair value of pooled separate account is unit value which is based on the observable net asset value of the underlying investment. Unit value is the basis for current transactions and redemptions.

Level 3. Fair value inputs include unobservable inputs that are supported by little or no market activity such as pricing models, discounted cash flow methodologies or similar techniques. Level 3 inputs have the lowest priority. There were no Plan investments valued using Level 3 inputs.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021 and 2020.

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	-	\$ 4,453,859	-	\$ 4,453,859
Total assets at fair value	\$ -	\$ 4,453,859	\$ -	\$ 4,453,859

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	-	\$ 4,219,656	-	\$ 4,219,656
Total assets at fair value	\$ -	\$ 4,219,656	\$ -	\$ 4,219,656

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2021 are reported in net appreciation in fair value of investments.

NOTE 4. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan holds a portfolio of investment contracts that comprises a traditional investment contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

NOTES TO FINANCIAL STATEMENTS - (Continued)

NOTE 4. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS - (Continued)

The traditional investment contract held by the Plan is a guaranteed investment. The contract issuer, MassMutual, is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is reset periodically, typically on a quarterly basis. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with MassMutual. Examples of such events include the following:

1. The complete or partial termination of the Plan.
2. Establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs.

The Plan considers that no events are probably of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 6. TAX STATUS

The Company adopted a 401(k) savings plan using a prototype 401(k) plan document. The prototype plan sponsor is Actuarial Services Group, Inc. The Company is relying on the opinion letter as obtained and updated by the sponsor and has not applied for an individual determination letter. The Company believes that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that therefore the plan qualifies under the section 401(a) and the related trust is tax exempt. Therefore no provision for income taxes has been included in the plan's financial statements.

The Plan's Form 5500 information returns are subject to examination by the Department of Labor generally for three years after they are filed. Management has evaluated the tax positions taken, and has not identified any positions that are not more likely than not to be sustained upon examination.

NOTES TO FINANCIAL STATEMENTS - (Continued)

NOTE 7. CERTIFIED INFORMATION

Certain information related to investments and participant loans disclosed in the accompanying financial statements and supplemental schedule, including investments and participant loans held at December 31, 2021 and 2020, and net appreciation of fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Great-West Life & Annuity Insurance Company, the custodian of the Plan.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 9. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments consist of shares of pooled separate accounts managed by Great-West Life & Annuity Insurance Company and investment contracts (described in Note 4) issued by MassMutual. Great-West Life & Annuity Insurance Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the plan for investment management services are included in net appreciation of fair value of the investment, as they are paid through revenue sharing, rather than direct payment. As described in Note 2, the Plan made a direct payment to the third-party administrator of \$2,375 which was not covered by revenue sharing. The Plan Sponsor pays directly any other fees related to the plan's operations.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.
