INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Plan Participants
The Inspirational Network 401(k) Benefit Plan
Indian Land, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of The Inspirational Network 401(k) Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets Held at End of Year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter—Auditor’s Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020 and related statement of changes in net assets available for benefits for the year ended December 31, 2020 (collectively, the 2020 financial statements). As permitted by 29 CFR 2520.103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the trustee. Our audit report, dated September 23, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the trustee were presented in compliance with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

THE INSPIRATIONAL NETWORK 401(k) BENEFIT PLAN

Notes to the Financial Statements

December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN:

The following description of The Inspirational Network 401(k) Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers substantially all full-time employees of The Inspirational Network (the Company) who are age 21 or older and have been employed with the Company for a period of three months. Employees are automatically eligible for the employer match, if any, upon enrollment in the Plan. The Inspirational Network investment committee is responsible for the oversight of the Plan. The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan Sponsor's board of directors.

CONTRIBUTIONS

Participants may contribute between 1% and 100% of their annual compensation, up to a maximum of \$19,500 in 2021 and \$19,500 in 2020. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company matches employee contributions on a discretionary basis, as determined by the Company's board of directors. For the plan years ended December 31, 2021 and 2020, the Company matched 100% of the first 2% of each participant's compensation contributed and 50% of the next 4% of compensation contributed.

Each participant's account is credited with the participant's contribution, allocations of the Company's matching contributions, Plan earnings or losses, and administrative expenses. Allocations of earnings and losses and administrative expenses for each fund are based on the participant's account balance, as defined. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's account.

INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant directs the investment of all contributions into various investment options offered by the Plan. Currently, the Plan offers 26 investment options to participants. In addition, participants also have the option to invest in self-managed brokerage accounts.

Upon eligibility, employees are automatically enrolled in the Plan at a 6% of compensation deferral rate. Employees have the option to modify contribution rates or reduce to 0%.

Notes to the Financial Statements

December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN, continued:

VESTING

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in employer-matching contributions is based on years of service. A participant is 100% vested when he or she attains normal retirement age, which is defined in the description as age 65. Prior to normal retirement age, a participant's interest in the employer contributions vests 20% after two years of service, increasing 20% each succeeding year until fully vested after six years of service.

PARTICIPANT LOANS

The Plan allows participants to borrow from their vested interest accounts. Such loans are treated as notes receivable from participants on the statements of net assets available for benefits. As of December 31, 2021 and 2020, the Plan had participant loans with principal balances totaling \$271,053 and \$308,404, respectively. Interest income from participant loans is credited directly to the individual account of the applicable participant. For the plan years ended December 31, 2021 and 2020, interest rates were 3.25% to 5.5%. When loans are deemed to be uncollectible, they are reclassified as taxable distributions.

PAYMENTS OF BENEFITS

Distributions from the Plan may be made upon proper application by a participant for retirement, death (in which case the payment is made to the beneficiary) or employment termination, as specified in the Plan document.

HARDSHIP WITHDRAWALS

Withdrawals for financial hardship are permitted provided they are for an immediate and significant financial need, and the distribution is necessary to satisfy that need. Employees are required to fully use the Plan loan program before requesting a hardship withdrawal.

FORFEITURES

Benefit payments to terminated employees partially vested in the Plan include their vested portion of employer contributions. The non-vested portions of terminated participants' account balances forfeited are reallocated to active participants' accounts based on current salaries. At December 31, 2021 and 2020, non-vested accounts totaled \$350 and \$294, respectively. For the Plan years ended December 31, 2021 and 2020, \$0 and \$2,366 of forfeited account balances were applied to participant accounts, respectively.

2. SIGNIFICANT ACCOUNTING POLICIES:

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

Notes to the Financial Statements

December 31, 2021 and 2020

2. SIGNIFICANT ACCOUNTING POLICIES, continued:

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants represent participant loans and are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments, except for fully benefit responsive investment contracts, are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements and Note 5 for a discussion of fully benefit-responsive investment contracts.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain administrative expenses of the Plan are paid by the Company.

4. FAIR VALUE MEASUREMENTS:

The Plan uses appropriate valuation techniques to determine fair value based on inputs available. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs were not available.

The table below presents the level within the fair value hierarchy at which investments are measured at December 31, 2021:

	Fair Value	Fair Value Measurement Using:	
		Active Markets for Identical Assets (Level 1)	Other Significant Observable Inputs (Level 2)
Collective investment trust funds	\$ 17,848,375	\$ -	\$ 17,848,375

	<u>\$ 28,143,750</u>	<u>\$ 10,295,375</u>	<u>\$ 17,848,375</u>

The table below presents the level within the fair value hierarchy at which investments are measured at December 31, 2020:

Notes to the Financial Statements

December 31, 2021 and 2020

4. FAIR VALUE MEASUREMENTS, continued:

Methods and assumptions used by the Plan in estimating fair values are as follows:

Valuation techniques: The fair values of mutual funds and common stock are based on quoted net asset values of the shares held by the Plan at year-end. The fair values of collective investment trust funds are based on quoted net asset values of the shares held by the Plan at year-end or investments in guaranteed investment contracts, security backed contracts and certain money market instruments.

Change in valuation techniques: None.

5. GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANY:

The Plan's Stable Value Fund is a separately managed account within the Plan's trust managed by Reliance Trust Company, whereby the Plan owns the fund's underlying investments. The Plan's investment policy allows the stable value fund to invest in global wraps. Global wrap contracts operate similarly to guaranteed investment contracts. To enable the Plan to realize a specific known value for the assets, if it needs to liquidate them to make benefit payments, global wrap contracts utilize a benefit-responsive "wrapper" contract with a third-party insurance carrier (Metlife) that provides market and cash flow risk protection to the Plan. The wrapper contract enables the Plan to execute participant transaction at contract value without regard to the appreciation or depreciations in the day-to-day value of the underlying assets. These contracts, often referred to as synthetic investment contracts, meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value.

The effective yields on these contracts represent the crediting rate, less the wrapper fee paid to the insurance carrier. Global wraps do not expire as assets are sold or mature; instead, the wrap remains intact and the maturity of the contract is open-ended. The underlying investments are valued at quoted redemption values on the last business day of the Plan's year-end. Contract value represent contributions made under the contract, plus earnings, participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of benefit-responsive guaranteed investment contracts at December 31, 2021 and 2020, was \$4,330,659 and \$4,040,422, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

THE INSPIRATIONAL NETWORK

401(k) BENEFIT PLAN

Notes to the Financial Statements

December 31, 2021 and 2020

6. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

7. TAX STATUS:

The Plan has adopted a prototype plan document sponsored by Principal. The prototype plan document has obtained an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, which states that the plan document satisfies the applicable provisions of the Internal Revenue Code (IRC). The plan administrator timely adopted the prototype plan. The Plan has not received a determination letter specific to the Plan itself; however, the plan administrator believes that the Plan was designed, and is being operated, in compliance with the applicable requirements of the IRC.

8. PARTIES-IN-INTEREST TRANSACTIONS:

Certain Plan investments consist of collective investment trust funds managed by Principal Trust Company, a trustee. Such investments involving a trustee qualify as party-in-interest transactions. The fair value of these investments was \$22,179,034 and \$22,568,650 as of December 31, 2021 and 2020, respectively.

9. RISKS AND UNCERTAINTIES:

The Plan's investments include funds that invest in various types of investment securities and in various companies within various markets. Investment securities are exposed to several risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Plan's financial statements and schedules.

On March 11, 2020, the World Health Organization (WHO) declared the outbreak of a novel coronavirus (COVID-19) as a pandemic, triggering volatility in financial markets and a significant negative impact on the global economy. The full impact of the COVID-19 outbreak continues to evolve as of the report date. Because of the uncertainty, the extent to which the COVID-19 outbreak will financially impact the Plan's operations or its financial results cannot be reasonably estimated at this time.
