Plan Administrator and Plan Participants  
Fieldtex Products, Inc. Retirement Savings Plan

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of Fieldtex Products Inc. Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Fieldtex Products Inc. Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fieldtex Products Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fieldtex Products Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fieldtex Products Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedule Required by ERISA***

The supplemental Schedule of Assets Held for Investment Purposes at End of Year - December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of Fieldtex Products Inc. Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 30, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

#### NOTE A: DESCRIPTION OF THE PLAN

The following description of the Fieldtex Products, Inc. Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### General

The Plan is a defined contribution plan covering all eligible employees of Fieldtex Products, Inc. (the “Company”) who meet the eligibility requirements defined below. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

##### Participant requirements

##### Contributions

Participants may contribute up to 15% of pretax annual compensation, as defined in the Plan, not to exceed maximum limits established by the IRS. The Company makes matching contributions of 37% of the first 3% of compensation deferred by a participant. The Company may, at its discretion, contribute and allocate to eligible Participants' accounts a discretionary amount as determined by the Company. For the years ended December 31, 2021 and 2020, the Company made matching contributions of \$55,822 and \$52,195, respectively. For the years ended December 31, 2021 and 2020, the Company did not make a discretionary contribution.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a Principal LifeTime fund closest to the participant's normal retirement age until changed by the participant.

##### Vesting

Participants are immediately vested in their contributions and actual earnings thereon. Employer contributions vest 25% per year beginning with the completion of one years of service. Participants are 100% vested after four years of service.

##### Participant accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution and (b) Plan earnings or losses. Participants direct all investment contributions into various investment options offered by the plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

NOTES TO FINANCIAL STATEMENTS, Cont'd

DECEMBER 31, 2021 AND 2020

NOTE A: DESCRIPTION OF THE PLAN, Cont'd

Payment of benefits

Upon retirement, death or disability, a participant's entire vested account balance will be distributed in the form of a lump-sum or substantially equal payments. In addition, lump-sum distributions may be made, with participant consent, upon separation from service or participant's attainment of age 59 ½. On separation of service, a participant may request early payment of benefits or defer receipt of a distribution in accordance with Plan provisions. Partial withdrawals or installments are only permitted for required minimum distributions. If a participant no longer employed by the Company holds an account balance greater than \$5,000, they may elect to keep their monies in the Plan until retirement. If the participant's account is between \$1,000 and \$5,000, the funds will be automatically rolled into a Principal IRA unless specified otherwise by the participant. If the participant's account is less than \$1,000, the Plan will distribute the entire balance as soon as practicable after termination of employment.

Forfeitures

Forfeited amounts can be used to pay administrative expenses of the Plan or reduce employer contributions. There was an unallocated forfeiture balance of \$6 at December 31, 2021. There was an unallocated forfeiture balance of \$5 at December 31, 2020. The Plan used \$960 to offset employer contributions during 2021.

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment valuation and income recognition

Investments of the Plan are reported at fair value as determined by Principal. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for fair value disclosures.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Historical cost is used to determine the net appreciation of investments, as reported by the Plan's custodian.

Payment of benefits

Benefits paid to participants are recorded when paid.

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Cont'd

Administrative expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Use of estimates in the preparation of financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions.

Subsequent events

The Plan has conducted an evaluation of potential subsequent events occurring after the statement of net assets available for benefits date through July 19, 2022, which is the date the financial statements are available to be issued. No subsequent events requiring disclosure were noted.

NOTE C: FAIR VALUE MEASUREMENTS

Accounting principles generally accepted in the United States of America ("GAAP") establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quote prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value under GAAP are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS, Cont'd

DECEMBER 31, 2021 AND 2020

NOTE C: FAIR VALUE MEASUREMENTS, Cont'd

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual funds:* Valued at the closing price reported on the active market on which the individual fund is traded.

*Guaranteed interest account:* Valued based on the value that will be paid when the funds are withdrawn prior to their maturing and reflects a surrender charge.

The Guaranteed interest account provides a guaranteed interest rate for a specified period of time as determined, or allowed, by the Plan. The rate credited is the rate in effect on the day when each deposit is directed to the account. All rates credited during the 12-month 'deposit year' are averaged into a single composite rate which is the same as the plan year. The Guaranteed interest accounts promise contract value for a benefit event (termination, death, disability and retirement); however, there is a possible surrender charge when funds are withdrawn prior to their maturity. Thus the Guaranteed interest accounts are considered non-benefit responsive.

*Common collective trusts:* Valued on the basis of the relative interest of each participating investor (including each participant) in the fair value of the underlying net assets of the common collective trusts. The Principal Stable Value Z Class fund seeks to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile, and liquidity for benefit responsive plan or participant payments. The fund primarily consists of a diversified portfolio of Stable Value Investment Contracts (Investment Contracts) issued by life insurance companies, banks and other financial institutions, the performance of which may be predicated on underlying fixed income investments. The principal value of these assets is designed to remain stable regardless of stock and bond market fluctuations.

*Pooled separate accounts:* Unit value calculated based on the net asset value ("NAV") of the underlying investments or pool of securities.

The Plan utilized the net asset value (NAV) reported by the pooled separate accounts as a practical expedient for determining the fair value of the investment. These investments are redeemable at NAV under the original terms of the subscription agreements and operations of the underlying funds on demand. There are no unfunded commitments. In addition, the Plan is under no obligation to make additional investments in the pooled separate accounts, but may do so at any time. However, it is possible that these redemption rights may be restricted or eliminated by the funds in the future in accordance with the underlying fund agreements.

Due to the nature of these investments, changes in market conditions and the economic environment may significantly impact the NAV of the funds and, consequently, the fair value of the Plan's interests in the funds. Furthermore, changes to the liquidity provisions of the funds may significantly impact the fair value of the Plan's interest in the funds.

Pooled separate accounts include various options with a variety of investment strategies. All Plan funds are participant directed into specific investment options.

|                              | <u>Guaranteed<br/>Interest<br/>Account</u> |
|------------------------------|--------------------------------------------|
| Balance at December 31, 2019 | \$ 484,425                                 |
| Purchases                    | 61,384                                     |
| Sales                        | (27,346)                                   |
| Interest                     | 4,309                                      |
| Administrative expense       | <u>(459)</u>                               |
| Balance at December 31, 2020 | \$ 522,313                                 |
| Purchases                    | 39,040                                     |
| Sales                        | (111,805)                                  |
| Interest                     | 1,410                                      |
| Administrative expense       | <u>(973)</u>                               |
| Balance at December 31, 2021 | <u><u>\$ 449,985</u></u>                   |

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

DECEMBER 31, 2021 AND 2020

NOTE D: FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and ERISA-required supplemental schedule that were prepared by the custodian as of and for the years ended December 31, 2021 and 2020, and furnished to the Plan Administrator. The plan administrator has obtained certifications from the custodian, that such information is complete and accurate:

|                                               | <u>December 31,</u> |              |
|-----------------------------------------------|---------------------|--------------|
|                                               | <u>2021</u>         | <u>2020</u>  |
| Investments, at fair value                    | \$ 5,140,661        | \$ 4,405,462 |
| Net appreciation in fair value of investments | 695,135             | 435,856      |
| Interest and dividend income from investments | 33,032              | 4,309        |

All information included in the attached supplemental Schedule of Assets Held for Investment Purposes at End of Year - December 31, 2021, except participant notes receivable.

NOTE E: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants are 100% vested in their accounts and their accounts will be paid to them as provided by the plan document.

NOTE F: TAX STATUS

On March 31, 2014, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualifies under section 401(a) of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the plan itself; however, the Plan administrator and the Plan's tax counsel believe that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to December 31, 2018.

NOTES TO FINANCIAL STATEMENTS, Cont'd

DECEMBER 31, 2021 AND 2020

NOTE G: PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments funds managed by Principal Life Insurance Company, the custodian of the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transactions rules. As described in Note A, the Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party in interest transactions under ERISA.

NOTE H: RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**FIELDTEX PRODUCTS, INC.**  
**RETIREMENT SAVINGS PLAN**

**REQUIRED COMMUNICATIONS LETTER**

**DECEMBER 31, 2021**

MENGEL METZGER BARR & CO. LLP

Certified Public Accountants

July 19, 2022

Plan Administrator  
Fieldtex Products Inc. Retirement Savings Plan

We have audited the financial statements of Fieldtex Products Inc. Retirement Savings Plan as of and for the year ended December 31, 2021, and have issued our report thereon dated July 19, 2022. Professional standards require that we advise you of the following matters related to our audit.

#### **Our Responsibility in Relation to the Financial Statement Audit**

As communicated in our engagement letters dated May 27, 2022, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audits need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audits will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of Fieldtex Products, Inc. Retirement Savings Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

### **Planned Scope and Timing of the Audit**

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

### **Compliance with All Ethics Requirements Regarding Independence**

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

### **Significant Risks Identified**

We have identified the following significant risks:

- The potential for management override of controls.
- The potential for improper revenue recognition.
- Whether contribution calculations are accurate and in accordance with the plan document.
- Whether benefit payments are proper and in accordance with the plan document.

### **Qualitative Aspects of the Plan's Significant Accounting Practices**

#### *Significant Accounting Policies*

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by Fieldtex Products Inc. Retirement Savings Plan is included in Note B to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2021. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

#### *Significant Accounting Estimates*

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments. We have made tests of management's estimates and deemed them to be appropriate.

#### *Financial Statement Disclosures*

The financial statement disclosures are neutral, consistent and clear.

### **Significant Unusual Transactions**

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. No significant unusual transactions were identified as a result of our audit procedures.

### **Identified or Suspected Fraud**

We have not identified or obtained information that indicates that fraud may have occurred.

### **Significant Difficulties Encountered during the Audit**

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

### **Uncorrected and Corrected Misstatements**

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. During our audit, no material uncorrected misstatements were brought to the attention of management by us.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. During our audit, no material corrected misstatements were brought to the attention of management by us.

### **Disagreements with Management**

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to Fieldtex Products Inc. Retirement Savings Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

### **Circumstances that Affect the Form and Content of the Auditor's Report**

For purposes of this letter, professional standards require that we communicate any circumstances that affect the form and content of our auditor's report. No such circumstances were noted during the course of our audit.

### **Representations Requested from Management**

We have requested certain written representations from management, which are included in the management representation letter.

### **Management Consultations with Other Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

## **Other Significant Matters, Findings, or Issues**

In the normal course of our professional association with Fieldtex Products Inc. Retirement Savings Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as Fieldtex Products Inc. Retirement Savings Plan's auditors.

## **Other Information in Documents Containing Audited Financial Statements**

Pursuant to professional standards, our responsibility as auditors for other information in documents containing the Plans' audited financial statements does not extend beyond the financial information identified in the audit report, and we are not required to perform any procedures to corroborate such other information. However, in accordance with such standards, we have made certain inquiries of management and evaluated the form, content, and methods of preparing the supplementary information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audits of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

## **Other Matters**

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This information is intended solely for the use of those charged with governance and management of Fieldtex Products Inc. Retirement Savings Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,
