INDEPENDENT AUDITORS' REPORT

Board of Trustees
Bassenian Lagoni
401k Profit Sharing Plan
Newport Beach, CA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of **Bassenian Lagoni 401k Profit Sharing Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of **December 31, 2021**, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of 2021 **Bassenian Lagoni 401k Profit Sharing Plan** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended **December 31, 2021**, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of **Bassenian Lagoni 401k Profit Sharing Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Bassenian Lagoni 401k Profit Sharing Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Board of Trustees
Bassenian Lagoni
401(k) Profit Sharing Plan

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Bassenian Lagoni 401k Profit Sharing Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Bassenian Lagoni 401k Profit Sharing Plan's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of **Schedule H, Line 4(i)-Assets Held at Year End** are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of **Bassenian Lagoni 401k Profit Sharing Plan**. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1 - PLAN DESCRIPTION AND BASIS OF PRESENTATION

The following description of the Bassenian Lagoni 401(k) Profit Sharing Plan (the “Plan”), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions, which are available from the plan administrator.

Eligibility and Coverage

The Plan was established on June 1, 1985 and amended on January 1, 2022. The Plan is a defined contribution 401(k) profit sharing plan covering all eligible employees of Bassenian Lagoni, Inc. (the “Plan Sponsor”) who have met the eligibility requirement (completed one month of service and are 21 years or older (with the exception of part-time employees whose service is 1,000 hours or less, and temporary, project-based, or seasonal employees)). Once eligible, participants may begin deferring a portion of their compensation into the Plan on the entry date or on the first feasible payroll after the deferral request. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 401(a) of the Internal Revenue Code (IRC).

Contributions

Employees – Employees can contribute up to \$19,500 of pre-tax compensation for calendar years 2021 and 2020, as defined in the Plan subject to certain Internal Revenue Service limitations or 100% of the participants eligible earnings (whichever is less). Participants ages 50 or older may elect to defer additional amounts (called “catch-up” contributions) to the Plan. The maximum “catch-up” contribution that can be made is \$6,500 for calendar years 2021 and 2020. The additional deferral for the catch-up contributions can be made regardless of any other limitations on the amounts that can be deferred to the Plan.

Employer – The Company may also match participant contributions in an amount set by the Company. For the year ended December 31, 2021, the Company’s matching contribution was approximately 20% of the employee’s elective deferrals. Matching contributions of \$152,930 were made to the Plan for the year ended December 31, 2021. In addition, the Company, at its option, may contribute a portion of its current profits. For the year ended December 31, 2021, the Company elected to make no profit sharing contributions through the Plan’s forfeiture account.

All contributions made on a participant’s behalf are deposited in the trust and allocated among the investment funds in accordance with the participant’s investment elections. A participant may elect to transfer investments from any investment fund to any other investment fund on a daily basis. The plan currently offers various mutual funds, money market funds, self-directed brokerage accounts, and collective trusts as investment options for participants.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and allocations of the Plan Sponsor’s contributions, profit-sharing contribution, and plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1 - PLAN DESCRIPTION AND BASIS OF PRESENTATION (Continued)

Notes Receivable From Participants

Notes receivable from plan participants are valued at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses have been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan payments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. Loans that are considered uncollectible are treated as deemed distributions and therefore there is no allowance for uncollectible loans. In response to the COVID-19 outbreak, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law March 27, 2020. The CARES Act includes mandatory provisions including the delay of loan repayments of up to one year for participants who elect to do so.

Participants may borrow from their fund accounts a minimum amount of \$1,000 and a maximum amount equal to the lesser of \$50,000 or 50% of their non-forfeitable account balance. Loan repayment terms shall be no greater than five years except when loan proceeds are used for the buying, building, or substantially rehabilitating of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at a rate determined by the Plan Sponsor based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. At December 31, 2021 and December 31, 2020, outstanding loans totaling \$134,442 and \$124,244, respectively, had interest rates ranging from 4.25% to 6.0%. Principal and interest is paid bi-weekly over the term of the loan through payroll deductions.

Payment of Benefits

The Plan provides for the payment of benefits to the participant (or, if applicable, the beneficiary) at retirement, disability, death, financial hardship, or termination of employment. In-service distributions are also available to those participants who are disabled or are age 59½ or older. Participants who qualify for retirement benefits and withdrawals will receive their benefits as a lump sum in cash or in installment payments over single or joint life expectancy or 50% survivor annuities. The benefit to which a participant is entitled is the benefit that can be provided solely from the participant's vested account balance. Participants who separate from service and have vested account balances of \$5,000 or less are subject to an administrative lump sum distribution.

Forfeitures

Participants terminating employment with the Company will forfeit any non-vested employer matching contributions. Forfeitures will be used to reduce plan fees and employer matching discretionary contributions. At December 31, 2021 and 2020, unallocated forfeited non-vested accounts totaled \$3,526 and \$12,241, respectively. Forfeitures of \$10,000 were used to reduce plan fees for the year ended December 31, 2021.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting under accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

Investments are stated at fair value as determined by the Newport Trust Company (the “Custodians”) (except for the common collective trust, which is reported at contract value which approximates fair value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The carrying value of interest bearing money market accounts equal their fair value. Increases or decreases in fair value are recognized currently. See note 4 for fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Realized gains or losses on the sale of investments are included with unrealized appreciation or depreciation in the fair value of investments. Interest income is recorded on the accrual basis.

Investment related expenses are included in the net appreciation of fair value adjustments.

Vesting

Participants are immediately vested in their contributions. Vesting in the Company’s matching and profit-sharing contributions is based on years of service. A year of vesting service is defined as any year in which a participant completes 1,000 hours in that year. The following schedule describes the vesting percentages for participants.

	<u>Vested Benefit %</u>
Less than 2 years	0
2 years but less than 3	50
3 years but less than 4	75
4 years or more	100

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results may differ from those estimates.

**BASSENIAN LAGONI
401(k) PROFIT SHARING PLAN**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Risk and Uncertainties

The Plan provides for various investment options in any combination of investment securities. These investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with these securities and the level of uncertainty related to changes in value, it is at least reasonably possible that changes in the various risk factors in the near term would materially affect participants' account balances and the amounts reported in the accompanying financial statements and supplemental schedule.

Administrative Expenses

The expenses related to administration of the Plan. Certain administrative expenses associated with in-service withdrawals, payment of benefits, and participant loan initiations are charged directly against the participant's account. In addition, certain investment related expenses have been offset with investment income and are not readily determinable.

NOTE 3 - INVESTMENTS CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Newport Trust Company has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, dividends and interest, and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investments reflected on the schedule of assets (held at end of year).

NOTE 4 - FAIR VALUE MEASUREMENTS

ASC Section 820, *Fair Value Measurements and Disclosures* which defines fair value, establishes a framework for measuring fair value under current accounting pronouncements that require or permit fair value measurement and enhances disclosures about fair value measurements. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to un-observable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

The standard describes three levels of inputs that may be used to measure fair value:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**BASSENIAN LAGONI
401(k) PROFIT SHARING PLAN**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Common stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Following is a description of the valuation methodologies used for assets measured at Net Asset Value (NAV) as the practical expedient to estimate fair value.

Common/ collective trusts (CCT): Valued at NAV which is based on the fair value of the underlying investments of the CCT, less any liabilities. CCT are composed of a stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Below are the Plan's financial instruments carried at fair value on a recurring basis by the ASC 820 fair value hierarchy levels as of December 31, 2021 and 2020:

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants' rights to their accrued benefits are non-forfeitable.

NOTE 6 - INCOME TAX STATUS

The Plan follows the provisions of Financial Accounting Standards Board's (FASB) Accounting Standards Codification (ASC) 740, *Income Taxes*. ASC 740 prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. The Plan has adopted the provisions of a Prototype 401(k) Profit Sharing Plan. The Plan obtained its latest opinion letter from the Internal Revenue Service dated March 31, 2014, which stated, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and management believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2021. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 1986.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RELATED PARTY TRANSACTIONS

Certain Plan investments and notes receivable from participants are managed by the Newport Trust Company, the trustee of the Plan. Therefore, these transactions along with the 401k auditing firm and Plan Sponsor qualify as party-in-interest transactions. The total party-in-interest fees paid to the 401k auditor and plan trustee were \$8,500 and \$54,028, respectively.

NOTE 8 - CONTINGENCIES DUE TO COVID-19

The Company's operations may be affected by the recent and ongoing outbreak of COVID-19, which was declared a pandemic by the World Health Organization in March 2021. Following the COVID-19 outbreak, the values of investment securities have fluctuated significantly. These economic and market conditions and other effects of the COVID-19 outbreak may continue to adversely affect the Plan. The extent of the adverse impact of the COVID-19 outbreak on the Plan's participants' account balances and the amounts reported on the 2021 Statement of Net Assets Available for Benefits cannot be predicted at this time.

**BASSENIAN LAGONI

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 9 - CORONAVIRUS AID, RELIEF, AND ECONOMIC SECURITY ACT

The Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was passed by the U.S. Senate on March 26, 2020. Section 2202 of the CARES Act permits eligible Plan participants to request penalty-free distributions of up to \$100,000, increase the available loan amount to the lesser of \$100,000 or 100% of the participant's vested account and extend the period for loan repayment for up to one year for qualifying coronavirus-related reasons. These reasons include adverse financial consequences due to being quarantined, furloughed, laid off, having work hours reduced or being unable to work due to a lack of childcare due to COVID-19. The Plan adopted the CARES Act distribution option in the Plan beginning in April of 2020.

NOTE 10 - SUBSEQUENT EVENTS

The Plan Sponsor has evaluated subsequent events through July 31, 2022, the date the financial statements were available to be issued.
