## **Report of Independent Auditors**

401(k) Investment Committee  
Cenlar Capital Corporation:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of Cenlar Capital Corporation 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes (collectively referred to as the “financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Other Matters**

### *Supplemental Schedules Required by ERISA*

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021, (referred to as the “supplemental schedule”), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the financial statements of the Plan as of and for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the investment information certified by a qualified institution. In our report dated August 31, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on those financial statements, and (b) the form and content of the information included in those financial statements other than that derived from the certified investment information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan Trustees are responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Trustees.

**B) Eligibility**

An employee is eligible to participate in the Plan if they are at least 21 years of age and may enter the Plan on the first day of the month following their 21<sup>st</sup> birthday or date of hire.

**C) Contributions**

The amount participants can contribute to the Plan is subject to an annual limit of the lesser of 60% of eligible compensation or \$19,500 for 2021 and 2020 for participants under age 50, or \$26,000 in 2021 and 2020 for participants age 50 or older. Excess contributions above Plan limits are refunded to participants.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Participants are eligible to receive employer-matching contributions after one year of service. Cenlar Capital Corporation (Company) matches 100% of a participant's contribution up to 3% of compensation and 50% of a participant's contribution for the next 2% of compensation up to a maximum match based on an annual compensation limit. The annual compensation limit was \$290,000 in 2021 and \$285,000 in 2020. The maximum match was \$11,600 in 2021 and \$11,400 in 2020.

**D) Funding**

Employee contributions are funded through bi-weekly payroll deductions, and employer matching is determined and funded monthly.

**E) Participant Accounts**

Each participant's account is credited with the participant's contributions and Company matching contributions as well as allocations of the Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**F) Vesting**

Participants are fully vested at all times in their contributions and Company contributions and earnings or losses thereon.

H) Payment of Benefits

Distributions of vested benefits normally are made upon a participant's retirement, death or permanent disability and are recorded when paid. Distribution of vested benefits may be made to terminated employees prior to the date such amounts would normally be distributed; however, such earlier distribution is at the election of the terminated employee. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in their account or annual or more frequent installments over a period of time.

I) Plan Termination

Although it has not expressed any intent to do so, the Company has reserved the right to terminate the Plan, to reduce or cease contributions at the discretion of the Company's Board of Directors, or to amend the Plan at any time and in any respect. In the event the Plan should terminate, each Participant affected by such termination shall have a vested interest in his/her account of 100 percent. The Plan Administrator will facilitate the distribution of account balances in single lump sum payments to each Participant in accordance with Plan provisions until all assets have been distributed by the Trustee. Each Participant in the Plan upon Plan termination will automatically become 100% vested in his/her account balance.

J) Notes Receivable from Participants

Participants in the Plan are eligible to borrow from their vested Plan account. Two types of loans are permitted and they include:

1. General-purpose loans – these loans may be used for any allowable purpose and must be repaid within five years.
2. Principal residential loans – these loans are available only for the purchase of the participant's principal residence and must be repaid within a period of ten years.

CENLAR CAPITAL CORPORATION

NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2021 AND 2020

The maximum amount of the aggregate of all loans outstanding to a participant is the lesser of:

- a. \$50,000 or reduced in accordance with the Plan provisions; or
- b. 50% of the participant's account.

The loans are secured by the balance in the participant's account and bear interest. The interest rate for notes receivable from participants is the prime rate plus one percent at the time of granting of the loan. The interest rate on outstanding notes receivable from participants ranged from 4.25% to 6.50%. Principal and interest is paid ratably through monthly payroll deductions.

K) Withdrawals

During employment, Plan participants are allowed to withdraw all or a portion of their vested account balance provided they attained the age of 59 ½ or they qualify for a financial hardship. A financial hardship withdrawal will prevent participant contributions to the Plan for a six month period.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

A) Basis of Presentation

The accompanying financial statements of the Cenlar Capital Corporation 401(k) Savings Plan (the Plan) have been prepared on an accrual basis and present the net assets available for benefits and changes in those net assets.

B) Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C) Administrative Expenses

Except for participants' transaction charges, the administrative expenses of the Plan are generally paid by the plan sponsor, Cenlar Capital Corporation (the Company). Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net (depreciation) appreciation of fair value of investments.

D) Valuation of Investments and Income Recognition

The Plan's investments are reported at fair value. Mutual funds are stated at fair value based on current market quotations. Collective trust funds are stated at fair value using the net asset value per share of the investment. See Note 5 for further discussion of fair value measurements. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded when earned.

E) Notes Receivable from Participants

CENLAR CAPITAL CORPORATION  
401(k) SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2021 AND 2020

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

F) Risks and Uncertainties

The Plan invests in certain investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Plan Benefits.

The Plan's investments may directly or indirectly include securities with contractual cash flows, such as asset backed securities, collateralized mortgage obligations and commercial mortgage backed securities. The value, liquidity and related income of these securities are sensitive to changes in economic conditions, real estate values and delinquencies and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

G) Payment of Benefits

Payment of benefits are recorded when paid. At December 31, 2021 there were no balances elected for withdrawal or payment.

H) Related-Party Transactions

Fidelity Investments (Fidelity) is the trustee as defined by the Plan and therefore is a party in interest. Notes receivable from participants and certain Plan investments managed by Fidelity qualify as related party transactions.

I) Recent Accounting Pronouncements

In August 2018 the Financial Accounting Standards Board ("FASB") issued Accounting Standard Update ("ASU") 2018-13, Fair Value Measurement (Topic 820) Disclosure Framework - Changes to the Disclosure Requirement for Fair Value Measurement. ASU 2018-13 improves the disclosure requirements for fair value measurements. The guidance is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. The adoption of this ASU in 2020 did not have a material impact on the Plan's disclosures.

In July 2018, the FASB issued ASU 2018-09, Codification Improvements, which, among other things, amends an illustrative example of a fair value hierarchy disclosure to indicate that a certain type of investment should not always be considered to be eligible to use the net asset value per share practical expedient. Also, it further clarifies that an entity should evaluate whether a readily determinable fair value exists or whether its investments qualify for the net asset value per share practical expedient in accordance with ASC 820, Fair Value Measurement. The guidance is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. The adoption of this ASU in 2020 did not have a material impact on the Plan's disclosures.

**NOTE 3: FEDERAL INCOME TAXES**

The underlying volume submitter plan has received an advisory letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the plan is qualified under Section 401 of the Internal Revenue Code (the Code) and, therefore, the related trust is tax-exempt. The plan administrator has determined that it is eligible to, and has chosen to, rely on the current IRS volume submitter advisory letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 4: INVESTMENTS**

The Plan's investments are held in a trust administered by the Trustee. A complete listing of the Plan's investments as of December 31, 2021 is included in the Supplemental Schedule—Schedule H, Line 4i—Schedule of Assets (Held at End of Year).

**NOTE 5: FAIR VALUE MEASUREMENT**

The Plan follows FASB ASC Topic 820, *Fair Value Measurement and Disclosures*, which defines fair value, establishes a framework for measuring fair value, and requires disclosures about fair value measurements.

Fair Value is the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

CENLAR CAPITAL CORPORATION  
401(k) SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2021 AND 2020

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common collective trust funds:* represents fair value units owned by the Plan at NAV based upon the underlying investments of the fund less liabilities as valued by the issuer of the fund divided by the units outstanding. There are no redemption restrictions.

As required, the level in the fair value hierarchy within which the fair value measurement of the asset or liability in its entirety is classified is based on the lowest level input that is significant to the fair value measurement in its entirety. The following table sets forth the plan investment assets at fair value by level within the fair value hierarchy as of December 31, 2021 and 2020:

| Assets at Fair Value as of December 31, 2021 |                |              |         |                |
|----------------------------------------------|----------------|--------------|---------|----------------|
|                                              | Level 1        | Level 2      | Level 3 | Total          |
| Investments at fair value:                   |                |              |         |                |

| Common/collective trust funds                | -              | 7,671,169    | -       | 7,671,169      |

| Assets at Fair Value as of December 31, 2020 |                |              |         |                |
|----------------------------------------------|----------------|--------------|---------|----------------|
|                                              | Level 1        | Level 2      | Level 3 | Total          |
| Investments at fair value:                   |                |              |         |                |
| Mutual Funds                                 | \$ 113,117,849 | \$ -         | \$ -    | \$ 113,117,849 |
| Common/collective trust funds                | -              | 7,926,682    | -       | 7,926,682      |
| Total assets at fair value                   | \$ 113,117,849 | \$ 7,926,682 | \$ -    | \$ 121,044,532 |

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## **Report of Independent Auditors**

401(k) Investment Committee  
Cenlar Capital Corporation:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of Cenlar Capital Corporation 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes (collectively referred to as the “financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Other Matters**

### *Supplemental Schedules Required by ERISA*

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021, (referred to as the “supplemental schedule”), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the financial statements of the Plan as of and for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the investment information certified by a qualified institution. In our report dated August 31, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on those financial statements, and (b) the form and content of the information included in those financial statements other than that derived from the certified investment information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan Trustees are responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Trustees.

Excess contributions above Plan limits are refunded to participants.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Participants are eligible to receive employer-matching contributions after one year of service. Cenlar Capital Corporation (Company) matches 100% of a participant's contribution up to 3% of compensation and 50% of a participant's contribution for the next 2% of compensation up to a maximum match based on an annual compensation limit. The annual compensation limit was \$290,000 in 2021 and \$285,000 in 2020. The maximum match was \$11,600 in 2021 and \$11,400 in 2020.

Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**F) Vesting**

H) Payment of Benefits

Distributions of vested benefits normally are made upon a participant's retirement, death or permanent disability and are recorded when paid. Distribution of vested benefits may be made to terminated employees prior to the date such amounts would normally be distributed; however, such earlier distribution is at the election of the terminated employee. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in their account or annual or more frequent installments over a period of time.

I) Plan Termination

Although it has not expressed any intent to do so, the Company has reserved the right to terminate the Plan, to reduce or cease contributions at the discretion of the Company's Board of Directors, or to amend the Plan at any time and in any respect. In the event the Plan should terminate, each Participant affected by such termination shall have a vested interest in his/her account of 100 percent. The Plan Administrator will facilitate the distribution of account balances in single lump sum payments to each Participant in accordance with Plan provisions until all assets have been distributed by the Trustee. Each Participant in the Plan upon Plan termination will automatically become 100% vested in his/her account balance.

J) Notes Receivable from Participants

Participants in the Plan are eligible to borrow from their vested Plan account. Two types of loans are permitted and they include:

1. General-purpose loans – these loans may be used for any allowable purpose and must be repaid within five years.
2. Principal residential loans – these loans are available only for the purchase of the participant's principal residence and must be repaid within a period of ten years.

CENLAR CAPITAL CORPORATION  
401(k) SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2021 AND 2020

The maximum amount of the aggregate of all loans outstanding to a participant is the lesser of:

- a. \$50,000 or reduced in accordance with the Plan provisions; or
- b. 50% of the participant's account.

The loans are secured by the balance in the participant's account and bear interest. The interest rate for notes receivable from participants is the prime rate plus one percent at the time of granting of the loan. The interest rate on outstanding notes receivable from participants ranged from 4.25% to 6.50%. Principal and interest is paid ratably through monthly payroll deductions.

K) Withdrawals

During employment, Plan participants are allowed to withdraw all or a portion of their vested account balance provided they attained the age of 59 ½ or they qualify for a financial hardship. A financial hardship withdrawal will prevent participant contributions to the Plan for a six month period.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

A) Basis of Presentation

The accompanying financial statements of the Cenlar Capital Corporation 401(k) Savings Plan (the Plan) have been prepared on an accrual basis and present the net assets available for benefits and changes in those net assets.

B) Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C) Administrative Expenses

Except for participants' transaction charges, the administrative expenses of the Plan are generally paid by the plan sponsor, Cenlar Capital Corporation (the Company). Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net (depreciation) appreciation of fair value of investments.

D) Valuation of Investments and Income Recognition

The Plan's investments are reported at fair value. Mutual funds are stated at fair value based on current market quotations. Collective trust funds are stated at fair value using the net asset value per share of the investment. See Note 5 for further discussion of fair value measurements. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded when earned.

E) Notes Receivable from Participants

CENLAR CAPITAL CORPORATION  
401(k) SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2021 AND 2020

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

F) Risks and Uncertainties

The Plan invests in certain investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Plan Benefits.

The Plan's investments may directly or indirectly include securities with contractual cash flows, such as asset backed securities, collateralized mortgage obligations and commercial mortgage backed securities. The value, liquidity and related income of these securities are sensitive to changes in economic conditions, real estate values and delinquencies and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

G) Payment of Benefits

Payment of benefits are recorded when paid. At December 31, 2021 there were no balances elected for withdrawal or payment.

H) Related-Party Transactions

Fidelity Investments (Fidelity) is the trustee as defined by the Plan and therefore is a party in interest. Notes receivable from participants and certain Plan investments managed by Fidelity qualify as related party transactions.

I) Recent Accounting Pronouncements

In August 2018 the Financial Accounting Standards Board ("FASB") issued Accounting Standard Update ("ASU") 2018-13, Fair Value Measurement (Topic 820) Disclosure Framework - Changes to the Disclosure Requirement for Fair Value Measurement. ASU 2018-13 improves the disclosure requirements for fair value measurements. The guidance is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. The adoption of this ASU in 2020 did not have a material impact on the Plan's disclosures.

In July 2018, the FASB issued ASU 2018-09, Codification Improvements, which, among other things, amends an illustrative example of a fair value hierarchy disclosure to indicate that a certain type of investment should not always be considered to be eligible to use the net asset value per share practical expedient. Also, it further clarifies that an entity should evaluate whether a readily determinable fair value exists or whether its investments qualify for the net asset value per share practical expedient in accordance with ASC 820, Fair Value Measurement. The guidance is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. The adoption of this ASU in 2020 did not have a material impact on the Plan's disclosures.

401(k) SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2021 AND 2020

**NOTE 3: FEDERAL INCOME TAXES**

The underlying volume submitter plan has received an advisory letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the plan is qualified under Section 401 of the Internal Revenue Code (the Code) and, therefore, the related trust is tax-exempt. The plan administrator has determined that it is eligible to, and has chosen to, rely on the current IRS volume submitter advisory letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 4: INVESTMENTS**

The Plan's investments are held in a trust administered by the Trustee. A complete listing of the Plan's investments as of December 31, 2021 is included in the Supplemental Schedule—Schedule H, Line 4i—Schedule of Assets (Held at End of Year).

**NOTE 5: FAIR VALUE MEASUREMENT**

The Plan follows FASB ASC Topic 820, *Fair Value Measurement and Disclosures*, which defines fair value, establishes a framework for measuring fair value, and requires disclosures about fair value measurements.

Fair Value is the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

CENLAR CAPITAL CORPORATION  
401(k) SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2021 AND 2020

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common collective trust funds:* represents fair value units owned by the Plan at NAV based upon the underlying investments of the fund less liabilities as valued by the issuer of the fund divided by the units outstanding. There are no redemption restrictions.

As required, the level in the fair value hierarchy within which the fair value measurement of the asset or liability in its entirety is classified is based on the lowest level input that is significant to the fair value measurement in its entirety. The following table sets forth the plan investment assets at fair value by level within the fair value hierarchy as of December 31, 2021 and 2020:

| Assets at Fair Value as of December 31, 2021 |                |              |         |                |
|----------------------------------------------|----------------|--------------|---------|----------------|
|                                              | Level 1        | Level 2      | Level 3 | Total          |
| Investments at fair value:                   |                |              |         |                |

| Common/collective trust funds                | -              | 7,671,169    | -       | 7,671,169      |
| Total assets at fair value                   | \$ 143,282,627 | \$ 7,671,169 | \$ -    | \$ 150,953,796 |

| Assets at Fair Value as of December 31, 2020 |                |              |         |                |
|----------------------------------------------|----------------|--------------|---------|----------------|
|                                              | Level 1        | Level 2      | Level 3 | Total          |
| Investments at fair value:                   |                |              |         |                |
| Mutual Funds                                 | \$ 113,117,849 | \$ -         | \$ -    | \$ 113,117,849 |
| Common/collective trust funds                | -              | 7,926,682    | -       | 7,926,682      |
| Total assets at fair value                   | \$ 113,117,849 | \$ 7,926,682 | \$ -    | \$ 121,044,532 |

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
