Independent Auditor's Report

To the Plan Administrator
Therapy Specialists 401(k) Plan
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Therapy Specialists 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of August 1, 2021 (in liquidation), and the related statement of changes in net assets available for benefits for the period then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period ended August 1, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Liquidation Basis of Accounting

As described in Note 6 of the financial statements, the Plan sponsor merged the Plan into the HealthPRO-Heritage 401(k) Plan effective August 1, 2021. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting used to determine the amounts at which investments are stated, from the ongoing plan basis in presenting the 2020 financial statements to the liquidation basis used in presenting the 2021 financial statements. Our opinion is not modified with respect to this matter.

Management's Responsibility for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the

financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of delinquent participant contributions is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Therapy Specialists 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 10, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Therapy Specialists 401(k) Plan

Notes to Financial Statements

August 1, 2021

Note 1 – Description of plan

The following description of Therapy Specialists 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan. Employees of Susan J. Harris, Inc. DBA Therapy Specialists (the "Company") become eligible to participate in the Plan on the Plan entry date immediately following the date the employee completes three months of service, providing they are at least twenty-one years of age and they are not subject to a collective bargaining agreement or a non-resident alien.

Contributions

Each year participants may contribute their eligible compensation, as defined in the Plan document, up to the annual limit allowed by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make discretionary matching contributions equal to a percentage of the participant's contributions subject to overall compensation limitations. Participants are eligible to share in the Company discretionary matching contributions if they elected to make employee contributions and are employed with the plan sponsor at the last day of the year. There were no discretionary matching contributions for the year ended December 31, 2021.

In addition, the Company may make a discretionary nonelective contribution. For the year ended December 31, 2021 the Company did not make a discretionary nonelective contribution.

Rollover contributions

The Plan provides for rollover contributions, which represent contributions by participants from other tax qualified retirement plans. The maximum amount of a participant's rollover contribution is not affected by the limits otherwise applicable to participant contributions.

Participant accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution, and (b) Plan earnings, and charged with an allocation of administrative expenses. The contributions are allocated within each participant account based upon the participant's investment elections. All amounts in participant accounts are participant-directed. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferral contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is based on years of service. A year of service is obtained upon completion of at least 1,000 hours of service. A participant vests in Company contributions at the rate of 20% per year beginning in year two and is 100% vested after six years of credited service.

Note 1 – Description of plan (continued)

Notes receivable from participants

Participants may borrow from their fund accounts a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the vested balance in the participant's account and bear a reasonable rate of interest, which is commensurate with local prevailing rates of commercial U.S. banks and are determined at the time the note is made. Note transactions are treated as transfers to (from) the investment funds from (to) a participant's note receivable. Note terms cannot exceed five years, unless the note qualifies as a residential mortgage in which case a note term may qualify for a period up to twenty years.

Principal and interest are paid ratably through payroll deductions. Notes to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant notes receivable are reclassified as distributions based upon the terms of the plan document. Plan management has evaluated the collectability of notes receivable from participants and, because they are secured by the participants' accounts, an allowance has not been recorded.

Payment of benefits

Benefits are payable to participants or designated beneficiaries upon retirement, termination, death, hardship, disability, or in-service if the participant has attained age 65. Distributions may be paid in a lump-sum amount equal to the value of the participant's vested interest in his or her account, payments over a fixed period, or they may be rolled over into another plan or an individual retirement account.

Hardship withdrawals

Participants may withdraw their elective deferral contributions in the event of hardship as defined by the Plan agreement.

Administrative expenses

The Plan's recordkeeper fees are paid directly by the Plan, and all other administration costs of the Plan are paid by the Company.

Forfeitures

Upon termination of employment, the unvested portion of a participant's Company contribution account is forfeited. Forfeitures of matching contributions are available to reduce future Company matching contributions. There were no forfeited accounts available at August 1, 2021.

Note 2 – Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Note 2 – Summary of accounting policies (continued)

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Adoption of new accounting standard

In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2018-13, "Fair Value Measurement (Topic 820): Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement". The ASU amends certain disclosure requirements in ASC 820. The ASU removes disclosure of the amount and reason for transfers between Level 1 and Level 2 of the fair value framework and adds certain disclosures for recurring Level 3 fair value measurements. The Plan adopted the new standard effective January 1, 2020. The adoption of ASU 2018-13 did not have a significant impact on the Plan's financial statement disclosures.

Subsequent events

Management evaluates events occurring subsequent the date of the financial statements in determining the accounting for and disclosure of events that affect the financial statements. Subsequent events were evaluated through August 22, 2022, which is the date the financial statements were available to be issued.

Note 3 – Information prepared and certified by trustee

The following is a summary of the information included in the accompanying financial statements and supplemental information, which was prepared by or derived from information prepared and furnished to the Plan Administrator by the trustee, Great-West Trust Company, LLC, at August 1, 2021 and December 31, 2020 and for the period ended August 1, 2021. The Plan Administrator has obtained certification from the trustee that such information is complete and accurate.

Note 4 – Fair value measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

The Plan exempts investments measured using the net asset value practical expedient in ASC 820, Fair Value Measurement, from categorization within the fair value hierarchy. The Stable value fund is measured at net asset value and therefore is exempt from fair value categorization.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the period ended August 1, 2021 are reported in net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

There were no plan assets as of August 1, 2021. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Fair Value Measurements Using:	
	Quoted Price in Active Markets for Identical Assets (Level 1)	
	Fair Value	
<u>December 31, 2020</u>		
Mutual funds	\$ 10,328,567	\$ 10,328,567
Total assets in the fair value hierarchy	10,328,567	10,328,567

Note 5 – Income tax status

The Plan document is a Great-West Trust Company Defined Contribution Volume Submitter Plan and Trust with an Internal Revenue Service (IRS) opinion letter dated March 31, 2014, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax exempt.

The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. The Plan's annual return / report of employee benefit plan filings for the past three years are subject to examination by tax authorities and may change upon examination.

Note 6 – Plan merger

During 2021, the Plan sponsor was sold and effective August 1, 2021, the Plan merged with the HealthPRO-Heritage 401(k) Plan, a Fidelity Volume Submitter Defined Contribution Plan. On August 1, 2021, plan assets of \$10,745,268 in cash were received by Fidelity Investments as reflected on the statement of net assets available for benefits.

Note 7 – Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 8 – Related party and party-in-interest transactions

Great-West Life & Annuity Insurance Company, the Plan's recordkeeper, is a party in interest in accordance with the definition provided by the Employee Retirement Income Security Act of 1974 (ERISA). During the period ended August 1, 2021, fees totaling \$52,146 were paid by the Plan to Great-West Life & Annuity Insurance Company.

Note 9 – Prohibited transactions

Participant contributions of \$682 were withheld from participants pay during April 2021 but were not remitted to the Plan's trust within the time required by the Department of Labor. The lost earnings on participant contributions were calculated based on interest rates determined by the Internal Revenue Code and were remitted to the HealthPRO-Heritage 401(k) Plan in August 2022.
