INDEPENDENT AUDITOR'S REPORT

Plan Trustees
East West Tea Company, LLC 401(k) Plan
Eugene, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of East West Tea Company, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT, CONTINUED

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT, CONTINUED

Auditor's Responsibilities for the Audit of the 2021 Financial Statements, continued

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 5, 2021, we indicated that a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of East West Tea Company, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT, CONTINUED

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT, CONTINUED

Auditor's Responsibilities for the Audit of the 2021 Financial Statements, continued

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 5, 2021, we indicated that a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

EAST WEST TEA COMPANY, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Note 1 - Description of the Plan

The following description of the East West Tea Company, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) defined contribution plan covering substantially all employees of East West Tea Company, LLC (the "Plan Sponsor" or the "Company"), who are not nonresident aliens, interns or employees of affiliated employers and who become eligible the first day of the month coinciding with or next following their hire dates. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's trustees are responsible for oversight of the Plan, determine the appropriateness of the Plan's investment offerings and monitor investment performance.

Contributions

A participant may elect to contribute up to the maximum allowed under the Internal Revenue Code (IRC), which was \$19,500 in 2021, each year instead of receiving that amount in cash. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions of \$6,500 in 2021. Participants may also contribute amounts representing distributions from other qualified plans (rollover). The amount deferred will not be subject to income tax until it is actually distributed to the participant. The amount deferred is, however, subject to Social Security tax at the time of deferral. Participants may also contribute after-tax Roth elective deferrals to the Plan, as allowed by the IRC. The participant may change his/her deferral election each pay period.

The Plan is a safe harbor 401(k) plan. The Company may contribute safe harbor nonelective contributions of 3% of participants' eligible compensation regardless of employment on the last day of the Plan year. The Company may also contribute separate nonelective profit sharing contributions at its discretion. Both of these contributions were made for 2021 and are included in employer contributions receivable in the statements of net assets available for benefits.

Investment Elections

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants have the opportunity to change their investment combinations on a daily basis. The accounts of employees who do not choose among these options are automatically invested in the Principal LifeTime Hybrid Target Date Funds.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's contribution, as well as allocations of Plan earnings, and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. The loans are secured by the balance of the participant's account and bear interest at a rate commensurate with rates charged by commercial lenders for loans made under similar circumstances. The interest rates on outstanding loans at December 31, 2021 range from 5.25% to 7.50%. Principal and interest are paid ratably through bi-weekly payroll deductions.

Vesting

Participants are vested immediately in their contributions and employer safe harbor contributions plus actual earnings thereon. Employer profit sharing contributions earned on or before January 1, 2007 vest equally over three years. All unvested profit sharing contributions have been forfeited through distribution or the 5-year break in service and no unvested balances remain as of December 31, 2021.

EAST WEST TEA COMPANY, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Note 1 - Description of the Plan, continued

Forfeited Accounts

As of December 31, 2021, there were no forfeited non-vested accounts (\$2,582 at December 31, 2020). These accounts are used to reduce employer contributions. Forfeitures of \$2,582 were used in 2021 to offset the contribution receivable that existed at December 31, 2020.

Payment of Benefits

Benefits equal to the vested value of participants' accounts are payable upon retirement, termination, permanent disability or death. Partial or full withdrawal of participants' account balances are also available under certain circumstances described in the Plan agreement. Depending on the circumstances, participants may be able to elect lump sum or installment payments. Vested account balances less than \$5,000 upon termination may be distributed without the Participant's consent in a lump-sum.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. The Plan's Board of Trustees determines the Plan's valuation policies using information provided by the Plan's Trustees. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees associated with processing a transaction for an individual account are deducted directly from the participant's account. Fees for record keeping are deducted from participant accounts. Investment related expenses are included in net appreciation in fair value of investments.

EAST WEST TEA COMPANY, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Note 2 - Summary of Significant Accounting Policies, continued

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

On March 11, 2020, the World Health Organization characterized the outbreak of the coronavirus (COVID-19) as a global pandemic and recommended actions for containment and mitigation. The Employer is actively monitoring the impact of the COVID-19 pandemic, which will likely impact the global economy including the Plan and the market price of Plan assets. The extent of the COVID-19 impact to the Plan will depend largely on future developments, along with any new information that may emerge regarding the severity of the pandemic and the actions taken by government authorities to mitigate the spread of the virus, among other factors, all of which are highly uncertain and cannot be accurately predicted.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was enacted providing \$2.2 trillion of economic stimulus relief to address the market conditions due to COVID-19. The CARES Act provides immediate and temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distribution of benefits, withdrawals and participant loans. These provisions include, but are not limited to, penalty-free withdrawals of up to \$100,000 or 100 percent of the participant's vested balance before December 31, 2020 for qualifying reasons associated with the COVID-19 pandemic, increased limits for participant loans, deferrals of loan payments for up to one year, and temporarily waiving the required minimum distributions through 2020. The provisions of the CARES Act may be effective and utilized immediately, prior to amending the plan document. The Plan has adopted some of the CARES Act provisions relating to required minimum distributions and hardship withdrawals.

Subsequent Events

The Plan has evaluated subsequent events through September 9, 2022, which is the date these financial statements were available to be issued. Events, if any, are disclosed within the notes to these financial statements. Effective January 1, 2022 employees are eligible to participate immediately upon their date of hire.

Economic uncertainties have arisen in 2022 which have resulted in significant volatility in the investment markets, resulting in a substantial decline in the value of the investments. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

Note 3 - Information Certified by Custodian

The Plan's investments are held by Ascensus Trust Company, the Custodian of the Plan. Investment decisions are made at the direction of the participants. The investments are credited for earnings thereon and charged for withdrawals and expenses as charged by the Custodian. The Plan Administrator has obtained a certification from the Custodian as of December 31, 2021 and 2020 and for the year ended December 31, 2021 that the following information provided to the Plan Administrator by the Custodian is complete and accurate:

- Investments, at fair value
- Notes receivable from participants
- Net appreciation in fair value of investments
- Interest on notes receivable from participants

Note 4 - Fair Value Measurements

Fair value is the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

The Plan follows a fair value hierarchy to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Three levels of inputs may be used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Registered Investment Companies (Mutual Funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust (CCT): The Plan has an investment in the Morley Stable Value Fund which is a CCT fund that invests in conventional, synthetic, and separate account investment contracts issued by life insurance companies, banks, and other financial institutions. Characteristics of these contracts allow for their principal value to remain stable regardless of the volatility of the financial markets. The investment is composed primarily of benefit-responsive investment contracts that are valued at the net asset value (NAV) of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. The practical expedient will not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Note 4 - Fair Value Measurements, continued

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 12,734,257	\$ -	\$ -	\$ 12,734,257
Total investments in the fair value hierarchy	\$ 12,734,257	\$ -	\$ -	12,734,257
Investment measured at NAV				446,963
Total investments at fair value				\$ 13,181,220

Investments at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 10,337,359	\$ -	\$ -	\$ 10,337,359
Total investments in the fair value hierarchy	\$ 10,337,359	\$ -	\$ -	10,337,359
Investment measured at NAV				71,817
Total investments at fair value				\$ 10,409,176

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The inputs used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable value collective trust fund	\$446,963	N/A	Daily	12 months
December 31, 2020	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable value collective trust fund	\$71,817	N/A	Daily	12 months

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 6 - Tax Status

The Internal Revenue Service (IRS) has determined and informed the Plan's volume submitter sponsor by an opinion letter dated March 31, 2014, that the Volume Submitter Profit Sharing Plan with CODA sponsored by Pension Planners Northwest, which has been adopted by the Plan, is acceptable pursuant to section 401 of the IRC and in compliance with the applicable requirements of the IRC. The Plan has not requested its own determination letter from the IRS. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements at December 31, 2021. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 - Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds and money market accounts managed by Ascensus Trust Company. Transactions with this entity qualify as party-in-interest transactions. For the year ended December 31, 2021, fees paid by the Plan for investment management and recordkeeping services was \$18,155.
