INDEPENDENT AUDITOR'S REPORT

Plan Administrator
TENA Companies 401(k) Plan
St. Paul, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed and audit of the financial statements of TENA Companies 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H Item 4i as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Plan Administrator
TENA Companies 401(k) Plan
St. Paul, Minnesota

We were engaged to audit the accompanying statement of net assets available for benefits of TENA Companies 401(k) Plan (the Plan), as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. Summary description of Plan: _____

The following description of the TENA Companies (the Company) 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all employees of TENA Companies, Inc. who have completed six months of service and are age twenty-one (21) or older. Following eligibility requirements, the employee is automatically enrolled in the Plan on the first day of the month and 4% of the employee's compensation is withheld unless they decline to participate or change their deferral percentage which can be done at any time. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA). The inception date of the Plan was January 1, 1993. The Plan is periodically amended/restated to stay in compliance with laws and regulations.

The Company is the Plan Sponsor. Reliance Trust Company is the appointed trustee of the Plan. ADP, LLC is the Plan Administrator and provides recordkeeping and reporting services for the Plan.

Contributions:

Each year, participants may contribute up to 86% of eligible compensation, as defined in the Plan, limited to the provisions of Internal Revenue Service. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan allows catch up contributions for eligible employees that have attained the age of 50 before the close of the Plan year. The Company makes contributions equal to 100% of the first 4% of participant's compensation which is deferred as an elective deferral to the Plan.

Participant accounts:

Each participant's account is credited with the participant's contributions and allocations of the Company's Safe Harbor Plan contribution and Plan earnings (losses), and charged with an allocation of investment expenses. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

1. Summary description of Plan (continued):

Vesting:

Participants are immediately vested in their contributions and the Company's Safe Harbor Matching Contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution(s) of their accounts plus actual earnings thereon is based on the following vesting schedule. Participants are fully vested after completion of five years of service, or if they have reached normal retirement age of 65, die, or become disabled. Participants earn a year of service for purpose of vesting upon completion of 1,000 hours of service during the Plan year.

<u>Years of service</u>	<u>Vested percentage</u>
Less than 2 years	0%
2 but less than 3	25%
3 but less than 4	50%
4 but less than 5	75%
5 or more	100%

Notes receivable from participants:

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balances. The loans are secured by the balance in the participant's account and bear interest at a rate ranging from 5.25% to 7.50% which is commensurate with the prime rate published in The Wall Street Journal on the 14th of each month plus two percentage points. Principal and interest is paid ratably through payroll deductions.

Payment of benefits:

On termination of service due to death, disability or retirement, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or, as applicable, in Plan specified installments. For termination of services due to other reasons, a participant may receive the value of their vested interest in his or her account as a lump-sum distribution.

CARES Act:

During 2020, the Plan implemented certain CARES Act provisions to allow for special coronavirus-related distributions. The distribution provisions under the CARES Act allowed qualified individuals to receive coronavirus-related distributions in an aggregate amount up to \$100,000 from the participant's account in the Plan. Coronavirus-related distributions could be taken up to December 31, 2020 and may be repaid within three years of the date of distribution.

2. Summary of significant accounting policies:

Forfeited accounts:

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$347 and \$344, respectively. These accounts will be used to reduce future employer contributions and/or administrative expense and no forfeited accounts were used to reduce employer contributions as of December 31, 2021 and 2020.

Investment options:

A participant may direct employee contributions into any one or more of the Plan Sponsor's pre-determined investment options. Participants may change their investments daily.

Use of estimates:

The preparation of financial statements in accordance with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment valuation and income recognition:

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities, and resulting gain or loss, are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains or losses on investments bought and sold during the year as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make note repayments and the Plan Administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded.

Payment of benefits:

Benefits are recorded when paid.

TENA COMPANIES 401(K) PLAN

(See Independent Auditor's Reports)

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020**2. Summary of significant accounting policies (continued):****Administrative expenses:**

Certain expenses of maintaining the Plan are paid for directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participants account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Concentrations:

At December 31, 2021 and 2020, approximately 41% and 30% of the investments were held in three and two investment funds, respectively.

Subsequent events:

Management has evaluated for subsequent events through August 17, 2022 the date the financial statements were available for issuance.

3. Information Certified by Reliance Trust Company:

The following is a summary of the Plan's asset information as of and for the years ended December 31, 2021 and 2020, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator, by the trustee, related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information related to the following assets:

	<u>2021</u>	<u>2020</u>
Investments, at fair value	\$ 18,550,385	\$ 15,870,158
Notes receivable from participants	222,896	195,051

Reliance Trust Company also certified to the completeness and accuracy of the \$1,064,687 and \$1,842,477 of net appreciation in fair value of investments, \$1,185,819 and \$691,306 of dividends and interest and \$13,181 and \$16,013 of interest income on notes receivable from participants related to the aforementioned assets for the years ended December 31, 2021 and 2020, respectively.

4. Fair value measurement:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Mutual funds are classified as a Level 1 investment.

Common collective trusts: Value based on the contractual terms of the underlying guaranteed investment contracts and provides a daily mil-rate for income accretion. The Fund is measured at net asset value (NAV) as a practical expedient for the shares held by the Plan at year end. While the Fund uses its best efforts to maintain a stable NAV of \$1 per unit; there is no guarantee that the Fund would maintain this value.

TENA COMPANIES 401(K) PLAN

(See Independent Auditor's Reports)

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020**4. Fair value measurement (continued):**

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,902,043	\$ -	\$ -	\$ 16,902,043
Investments measured at NAV, common collective trusts				1,648,342
Total investments at fair value				\$ 18,550,385

	2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 14,543,345</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 14,543,345
Investments measured at NAV, common collective trusts				<u>1,326,813</u>
Total investments at fair value				<u>\$ 15,870,158</u>

5. Tax status:

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated July 8, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Party-in-interest:

Certain transactions occurred within or for the Plan that qualify as party-in-interest transactions. As defined by the US Department of Labor, a party-in-interest includes any fiduciary of the Plan, any party rendering services to the Plan, the employer and certain others.

7. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
