INDEPENDENT AUDITOR'S REPORT

To the Dallas Nephrology Associates
401(k) Profit Sharing Plan and Participants

Report on the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Dallas Nephrology Associates 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Dallas Nephrology Associates 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dallas Nephrology Associates 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dallas Nephrology Associates 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to

issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dallas Nephrology Associates 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dallas Nephrology Associates 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of schedule of assets (held at end of year) for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

General

The Plan is a defined contribution profit sharing plan sponsored by Dallas Nephrology Associates (the “Company”). The Plan, as amended, was established effective July 1, 1982 and was effective as of that date. Massachusetts Mutual Life Insurance Company (“Mass Mutual”) serves as the plan record-keeper and custodian. Effective September 8, 2020, Mass Mutual’s retirement plan business was acquired by Empower Retirement. Reliance Trust Company serves as the Plan trustee.

The financial statements were approved for issue on August 29, 2022, which is the date the financial statements are available to be issued.

Plan amendments

The Plan was amended effective January 1, 2021 which amended the deferral elections from quarterly to monthly, and vesting for the employer match and profit sharing from a six year graded vesting schedule to a three year vesting schedule.

The Plan was amended effective December 31, 2019, to adopt the provisions of the Bipartisan Budget Act of 2018 which includes appropriate retroactive dates with respect to provisions for the appropriate laws. The provisions include changes to hardship withdrawal requirements. Participants are no longer required to suspend salary deferrals after the receipt of a hardship distribution.

Eligibility

Generally, the Plan covers all eligible employees of the Company who elect to participate. Employees are eligible to contribute upon completion of a six month period of service and attainment of at least 21 years of age. The Plan entry dates are the first day of the month coinciding with or next following date after the employees satisfy the Plan’s minimum age and service requirements.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021

NOTE A – DESCRIPTION OF PLAN

401(k) provisions

Contributions are by salary reduction and are at the employee's discretion within the limits imposed by the 401(k) provisions of the Plan and the applicable Internal Revenue Code sections. The Plan also allows for rollovers from other plans. The participant accounts are "participant directed accounts."

Salary deferral

The Plan is a defined contribution plan wherein participants elect to reduce their compensation and have such reductions contributed to the Plan on their behalf. Participants may elect to contribute up to 75% of their compensation to the Plan on a pre-tax basis or on an after-tax Roth basis subject to procedures established by the plan administrator. The term "compensation" for calculation of deferral shall be total taxable wages or salary including any salary deferrals made to the Plan.

The maximum contributions allowed by the Internal Revenue Service was \$19,500 for the years 2021 and 2020, respectively. Participating employees are eligible to make catch-up contributions under the Plan provided the participating employees have attained or will attain the age of 50 before the close of the year. The amount of catch-up contributions allowed by the Internal Revenue Service was \$6,500 for 2021 and 2020, respectively. The catch-up contributions are excluded in calculating the employer match contribution.

Contributions

Discretionary employer 401(k) matching and profit sharing contributions are determined on an annual basis by the Board of Directors of the Company and are at the discretion of the Board of Directors within the limits imposed by the Plan documents and the applicable Internal Revenue Code sections.

Each participant may have a maximum of two loans outstanding at any time. The maximum term of any loan is five years, or ten years if the loan is to acquire a primary residence. The rate of interest is

equal to the prime rate plus 1/2%. The loans are secured by the balance in the participant's account. Principal and interest is paid ratably through payroll deductions. Participant loans are valued at cost.

Termination

Although it has not expressed intent to do so, the Company has the right under the Plan to terminate the Plan at any time. Upon termination, the Board of Directors may elect to distribute to each participant, or his or her beneficiary, the proportionate share of the Plan's assets as determined by the individual account balances on the date of termination, or continue the existence of the trust for the purpose of paying benefits as they become due under the terms of the Plan. In addition, upon termination of the Plan, the participants' vested interest in employer contributions shall be 100%.

Payment of benefits

Distributions of participants' account balances occur only upon retirement, death, hardship, in-service distribution upon attainment of age 59 1/2 or other termination of employment. A participant or participant's beneficiary may receive distributions in a lump-sum distribution of cash, transfer to an individual retirement account, or a fixed installment option over a fixed period.

If a participant's total vested account balance under the Plan is \$1,000 or less as of the distribution date, the entire vested balance will be distributed to the participant in a lump sum even if they do not consent to a distribution. If a participant's total vested account balance under the Plan is \$1,000 to \$5,000 as of the distribution date, the entire vested balance will be rolled over to an IRA selected by the Plan Administrator.

Investing options

Upon enrollment in the Plan, a participant may direct employee contributions in any of the mutual fund investment options listed in Note C. Participants may change their investment options at any time. In addition, a participant may request a reallocation of both the existing account and future contribution allocations or a rebalancing of the participant's existing account.

Funding policy

It is the policy of the Plan sponsor to remit the employee contributions as soon as administratively possible, but no later than 15 business days after the date of payroll. Typically, the employee contributions are submitted within five business days after a payroll

date or the next business day if the date after the payroll date is a holiday. The employer contribution is made annually within nine months of the Plan's year end.

CARES Act

The Plan adopted the applicable provisions of the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"), which was signed into law March 27, 2020. The CARES Act took immediate effect and allows for qualifying participants who experience adverse effects due to COVID-19 to take Coronavirus Related Distributions with a repayment or rollover right during the three-year period beginning the day after the distribution date. The CARES Act also permits the Plan to postpone required minimum distributions for one year. The Plan recorded \$0 in CARES Act withdrawals.

Participant loans

Effective April 2020, the Plan suspended participant loan repayments for participants who requested a suspension subject to the CARES Act. Repayments may be halted through December 2020 if requested by a participant. The Plan recorded \$0 in CARES Act participant loan suspensions.

Hardship Withdrawals

Participants may receive hardship withdrawals for reasons of financial hardship. In March 2020, the federal government passed the coronavirus ("COVID-19") Aid, Relief and Economic Security ("CARES") Act. The Plan adopted the provisions to allow participants to take COVID-19 eligible withdrawals under the CARES Act up to \$100,000 without penalty and the Plan granted several participant requests in 2020. The Plan was amended to incorporate these provisions when required.

Forfeitures

Forfeitures are allocated to existing participant's accounts based upon a ratio of the participant's compensation to gross plan compensation. The Company allocated \$5,375 and \$21,476 in forfeitures to participant accounts for the years ended December 31, 2021 and 2020, respectively. The unallocated forfeited nonvested accounts totaled \$3,396 and \$16,651 at December 31, 2021 and 2020, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The summary of significant accounting policies of the Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management, who is responsible for their integrity and objectivity. The accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Basis of accounting

The Plan's financial statements are presented on the accrual basis of accounting in conformity with U.S. generally accepted accounting principles (GAAP).

Use of estimates

The preparation of the financial statements in conformity with GAAP requires plan management to make estimates and assumptions that affect the reported amounts of plan assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's common/collective trust fund investments are valued at their net asset value per unit as a practical expedient as reported by the fund manager of the collective trust. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from the financial statements. Recordkeeping fees and fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

The Company participates in a revenue sharing agreement with the Trustee and the related Plan earnings are deposited in an unallocated funds account. Unallocated funds are used to pay administrative expenses or the Company may elect to allocate the funds to the Plan's participants. During the year ended December 31, 2021 and 2020, the Company used \$57,235 and \$42,530 from the unallocated funds account to pay certain consulting fees, accounting fees, investment advisor fees and legal fees incurred by the Plan. The balance in the unallocated funds account totaled \$18 and \$19 at December 31, 2021 and 2020, respectively.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded at December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

New Accounting Pronouncement

In July 2019, the AICPA Auditing Standards Board issued Statement on Auditing Standard No. 136, Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA (SAS 136). SAS 136 defines certain new performance requirements for an audit of financial statements of employee benefit plans subject to the Employee Retirement Income Security Act of 1974 (ERISA), and changes the form and content of the related auditor's report. SAS 136, as amended, is effective for audits of ERISA plan financial statements for period ending on or after December 15, 2021. Adoption of the standard did not have an effect on the financial statements.

NOTE D – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. The mutual funds are registered with the U.S. Securities and Exchange Commission and are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-Directed Schwab PCRA Brokage Account: Valued at the daily closing price reported by the brokage account.

Stable value collective trust fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at contract value. The investments underlying the common/collective trust fund investments generally include investment grade fixed income investments. If the Plan initiates a full redemption of the collective trust, the

issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. These net asset based investments have been excluded from the fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

NOTE E– BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan offers the Wells Fargo Stable Return Fund (Stable Value Fund), a benefit-responsive investment contract with Wells Fargo, as an investment option. As the Stable Value Fund meets fully benefit-responsive investment contract criteria, it is therefore reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0 percent. The crediting rate is reviewed on an annual basis for resetting. The average yield and crediting interest rates were approximately 1.34% and 2.12% for 2021 and 2020, respectively. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

NOTE G – RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST
TRANSACTIONS

The Plan paid Mass Mutual \$72,096 and \$56,538 in recordkeeping fees for the years ended December 31, 2021 and 2020, respectively. Certain mutual funds offered as investment options under the Plan are managed by Mass Mutual. These transactions are exempt party-in-interest transactions.

Newport Group Consulting provides investment advisory services to the Plan. For the years ended December 31, 2021 and 2020, the direct and indirect compensation paid by the Plan to Newport Consulting Group was \$22,000, respectively. These transactions are exempt party-in-interest transactions.

NOTE G – RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST
TRANSACTIONS

The Plan allows for participant loans. These loans qualify as party-in-interest transactions, however, these transactions are exempt from the prohibited transaction rules.

NOTE H – TAX STATUS

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE I– RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE J – SEPARATED PARTICIPANTS WITH VESTED BENEFITS

There were ten and seven terminated participants with vested benefits of \$1,194,723 and \$552,329 as of December 31, 2021 and 2020, respectively.
