INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
The World Group Savings and Investment Plan
Cleveland, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of The World Group Savings and Investment Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Charles Schwab Trust Bank, the trustee of the Plan, a qualified institution, as of and for the year ended December 31, 2021, stating that the certified investment information, as identified in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The supplemental schedule as listed in the table of contents as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

THE WORLD GROUP SAVINGS AND INVESTMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020 and Year Ended December 31, 2021

NOTE A - DESCRIPTION OF PLAN

The following description of The World Group Savings and Investment Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of World Shipping, Inc. (Plan Sponsor and Plan Administrator) and its subsidiaries, ContainerPort Group, Inc.; UWL, Inc.; and World Distribution Services LLC (collectively, the Company) who are age eighteen or older with the exception of those employees who work less than 1,000 hours in a Plan year. Employees are immediately eligible upon employment with participation commencing on the first day of the following month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act) passed in December 2019 and delayed the commencement date for required minimum distributions. A written amendment to the Plan to reflect this operational change will be adopted at a later date in accordance with applicable laws and Internal Revenue Service (IRS) guidance.

The Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) passed in March 2020 and allowed certain eligible participants to receive coronavirus-related distributions, increased loan limits, and suspended required minimum distributions. Effective April 15, 2020, the Plan was amended to permit these options in accordance with applicable laws and IRS guidance.

Contributions

Effective July 1, 2021, the Plan was amended to increase the maximum limit participants may elect to defer from 25% up to 75% of their compensation as defined by the Plan on either a pre-tax or after-tax basis. The Plan also provides for catch-up contributions for participants who reach the age of fifty by the end of the Plan year. Employees who have not declined participation in the Plan in writing or completed a salary deferral agreement as of the date of their eligibility to participate in the Plan will be automatically enrolled in the Plan with a pre-tax deferral rate of 6% of eligible compensation and their contributions invested in a designated fund until changed by the participant. All participants with less than a 10% deferral rate at December 31 are subject to an increase of 1% per year up to a maximum of 10%. Employees who have previously enrolled in the Plan, but are not currently participating, and employees who have elected to not participate in the Plan as of December 31 will be automatically enrolled in the Plan annually with a pre-tax deferral rate of 1% of eligible compensation. Their contributions are invested in a designated fund until changed by the participant, unless declined by the participant by December 31. The Plan provides for the acceptance of rollover contributions from other plans qualified under the Internal Revenue Code (the Code). The Plan provides for a discretionary employer matching contribution for each participant, which was 100% of a participant's contributions up to a maximum of 6% of a participant's eligible compensation for 2021. Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

Notes to Financial Statements

December 31, 2021 and 2020 and Year Ended December 31, 2021

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as an allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based upon participant account earnings, compensation, specific participant transactions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their deferral and rollover contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contributions is based on years of continuous service at a rate of 20% per year after one full year of credited service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, subject to certain Department of Labor and IRS requirements. Notes receivable terms range from 1 - 5 years or up to 15 years for the purchase of a primary residence. Notes receivable are secured by the vested balances in the participants' accounts and bear interest at rates from 5.25% to 7.50% at December 31, 2021. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits

Upon attaining age 59½, participants still in-service may elect to receive distributions of their elective deferrals, rollover contributions, and vested Company matching contribution amounts. Participants may elect to receive distributions from voluntary after-tax contributions at any time. Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or substantially equal installments. If the value of the vested benefits credited to the participant's account is \$1,000 or less at the time of the termination, the entire amount will be automatically distributed to the participant without the participant's consent. In the event of a mandatory distribution of amounts greater than \$1,000 but not exceeding \$5,000, the entire amount will be distributed in the form of a direct rollover to an individual retirement account as designated by the Plan Administrator.

Active participants may make hardship withdrawals of their deferral and rollover account balances, subject to Plan provisions.

Forfeited Accounts

Forfeitures are used to reduce future employer contributions. Unallocated forfeiture balances as of December 31, 2021 and 2020 were \$1,317 and \$9,385, respectively. In 2021, employer contributions were reduced by \$336,200 from forfeited non-vested accounts.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note D for discussion of fair value measurements.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make repayments on a note receivable and the Plan Administrator deems the note receivable to be uncollectible, the balance on the note receivable from the participant is reclassified to benefits paid to participants.

Investment Income Recognition

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Participant and employer contributions are recorded and credited to each participant's account when received by the trustee from the Company. Any contributions attributable to the Plan year but not received by the trustee by the last day of the Plan year are recorded as a receivable.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments on the accompanying statement of changes in net assets available for benefits.

THE WORLD GROUP SAVINGS AND INVESTMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020 and Year Ended December 31, 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Company adopted a prototype non-standardized 401(k)/profit sharing plan with a cash or deferred arrangement which received an opinion letter from the IRS dated June 19, 2014, stating that the Plan was designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE C - CERTIFICATION

Investment information and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest, and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021 was obtained by management and agreed to or derived from information certified as complete and accurate by the trustee.

THE WORLD GROUP SAVINGS AND INVESTMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020 and Year Ended December 31, 2021

NOTE D - FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy, which are based upon the inputs used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities (for example, exchange quoted prices).

Level 2 - Inputs to the valuation methodology are observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not sufficiently active to qualify as Level 1, other observable inputs, or inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs to the valuation methodology are significant to the fair value measurement and unobservable (for example, supported by little or no market activity).

Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

The Plan's investments accounted for at fair value as of December 31, 2021 are summarized below:

	Level 1	Total
Mutual funds	\$ 25,457,167	\$ 25,457,167
Self-directed brokerage accounts	2,584,334	2,584,334
Total investments in the fair value hierarchy	<u>\$ 28,041,501</u>	28,041,501
Investments measured at net asset value		<u>22,944,419</u>
Total investments at fair value		<u>\$ 50,985,920</u>

THE WORLD GROUP SAVINGS AND INVESTMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020 and Year Ended December 31, 2021

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan's investments accounted for at fair value as of December 31, 2020 are summarized below:

	Level 1	Total
Mutual funds	\$ 24,149,740	\$ 24,149,740
Self-directed brokerage accounts	2,739,056	2,739,056
Total investments in the fair value hierarchy	<u>\$ 26,888,796</u>	26,888,796
Investments measured at net asset value		<u>19,535,239</u>
Total investments at fair value		<u>\$ 46,424,035</u>

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual funds are valued at the net asset values of shares held by the Plan at year end, as reported on the active markets in which the investments are traded.

Self-directed brokerage accounts primarily consist of mutual funds, unit investment trusts, and common stocks that are valued on the basis of readily determinable market prices.

Common/collective trusts are valued at the net asset values of units held by the Plan at year end. The net asset values, as provided by the trustee, are used as a practical expedient to estimate fair values. The net asset values are based on the fair values of the trusts' underlying assets, less their liabilities. The assets of these trusts are further described in Note E. This practical expedient is not used when it is determined to be probable that a fund will sell the investment for an amount different than the reported net asset value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement as of the reporting date.

THE WORLD GROUP SAVINGS AND INVESTMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020 and Year Ended December 31, 2021

NOTE E - INVESTMENT IN COMMON/COLLECTIVE TRUST FUNDS

The Plan's investments in the Galliard Retirement Income Fund - Fee Class 35; the Schwab Managed Retirement Trust Income Fund; and the Schwab Managed Retirement Trust Funds 2010, 2015, 2020, 2025, 2030, 2035, 2040, 2045, 2050, 2055, and 2060 are common/collective trust funds.

Participants may ordinarily direct permitted withdrawals or transfers of all or a portion of their account balances. A transfer of assets from the Galliard Retirement Income Fund - Fee Class 35 to a competing investment vehicle must first be held in a non-competing investment vehicle for at least ninety days before the transfer to the competing investment vehicle may be effected. Whether an investment vehicle is a "competing investment vehicle" is within the sole discretion of the trustee. The trustee reserves the right to require up to 12 months advance notice for the Plan Sponsor initiated withdrawals.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their total participant account balance.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - RELATED-PARTY TRANSACTIONS AND PARTIES-IN-INTEREST TRANSACTIONS

Parties-in-interest transactions include the investment in funds of the trustee, and related dividend income, interest, and the payment of administrative expenses by the Plan to the trustee. Such transactions are exempt from being prohibited transactions.

Notes to Financial Statements

December 31, 2021 and 2020 and Year Ended December 31, 2021

NOTE I - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through August 23, 2022, the date which the financial statements were available to be issued.

As of August 23, 2022, the Plan's assets decreased in value by approximately 14%, primarily as a result of a decline in market performance due to current market conditions. The total value of Plan assets as of August 23, 2022 was \$47,778,211.
