INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees,
The Causeway Family of Auto Dealerships Profit Sharing 401(K) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of The Causeway Family of Auto Dealerships Profit Sharing 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of The Causeway Family of Auto Dealerships Profit Sharing 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Causeway Family of Auto Dealerships Profit Sharing 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Causeway Family of Auto Dealerships Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Causeway Family of Auto Dealerships Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, schedule H, line 4i – schedule of assets (held at end of year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of The Causeway Family of Auto Dealerships Profit Sharing 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 16, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. PLAN DESCRIPTION

The following brief description of The Causeway Family of Auto Dealerships Profit Sharing 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant directed, defined contribution plan qualifying under section 401(k) of the Internal Revenue Code ("IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established on July 1, 1991 for the purpose of providing eligible employees of The Causeway Family of Auto Dealerships (the "Company") and their beneficiaries funds for retirement. The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

Eligibility

All employees, except for collectively bargained employees, are eligible to participate once they are age twenty-one or older and reached a minimum of 1,000 service hours. Once the eligibility requirement is met, the employee may join the Plan on the first day of the following month.

Employee Contributions

An employee participating in the Plan may annually contribute through payroll deductions pre-tax amounts, not exceeding the limits determined by the Internal Revenue Code and may contribute amounts representing distributions from other qualified plans. Any participant, age 50 or over, may make an additional "catch-up" contribution as determined by the Internal Revenue Code.

Employer Contributions

The Company's management may annually elect to make an employer discretionary matching contribution. The Company may also annually elect to make an employer profit sharing contribution. The profit-sharing contribution is allocated based upon the ratio of the participant's compensation for the Plan year to the total compensation for the Plan year of all participants entitled to share in the contribution. Additionally, an employee must be employed on the last day of the Plan year to be eligible to receive an allocation. For the year ended December 31, 2021, the Company elected to make an employer discretionary matching contribution equal to 100% of employee contributions to a maximum of 3% of the employee's compensation. The Company elected not to make any profit-sharing contribution in 2021. For the year ended December 31, 2021, the Company contribution totaled \$231,690.

Participant Accounts

Individual accounts are established for each participant. The Plan offers a variety of shares in pooled separate accounts with varying investment options. Each participant's account is credited with the participant's pre-tax contributions, the Company contributions, if any, and the proportionate share of dividends, interest and investment gains (losses) since the preceding valuation date. The participant's account is reduced by withdrawals, losses on investments, allocation of administrative expenses and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The Causeway Family of Auto Dealerships Profit Sharing 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants automatically vest in their employer contributions upon becoming disabled or upon death while employed by the company. All other sources vest as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

A participant's "vested percentage" is based on vesting hours of service. A participant earns and accumulates a year of vesting for each 1,000 hours of continuous service within the Plan year. For employees for whom the employer does not maintain hourly records, vesting is determined using the equivalency method as described in the Plan document. With respect to the Company contributions, any unvested portion of his/her account shall be forfeited at termination.

Distributions and Withdrawals

Prior to age 59-1/2, distributions and withdrawals are not permitted from the Plan except in the instances of hardship, death, disability or termination of employment. Hardship withdrawals must be submitted to the Plan administrator in writing. After attaining age 59-1/2, participants may elect to withdraw an amount equal to any whole percentage not to exceed 100% of the participant's vested account for any reason. In the event of termination of employment, a participant shall receive, as a lump-sum distribution, his/her participant contributions and earnings thereon and vested Company matching contributions and earnings thereon.

Forfeited Accounts

Forfeitures can be used to reduce employer contributions or to reduce Plan expenses at the discretion of the employer. As of December 31, 2021 and 2020, the Plan had \$0 and \$1,306 of forfeited accounts, respectively. The amount used from the forfeiture account was \$1,530 during the year ended December 31, 2021.

Notes Receivable from Participants

The Plan allows for a maximum of two loans to be extended to each participant for financial hardship or financial needs. All loans are considered a direct investment of the participant, and payments of principal and interest are credited to the participant's account. The minimum a participant may borrow is \$1,000, and the maximum, including the outstanding balance of existing Plan loans, is 50% of their vested account balance, not to exceed \$50,000. The loans bear interest at rates ranging from 4.25% to 6.50% with maturities through 2026. Principal and interest are paid ratably through weekly payroll deductions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Causeway Family of Auto Dealerships Profit Sharing 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Administrative Expenses

The expenses necessary to administer the Plan, including but not limited to, retaining necessary professional assistance from an attorney, an accountant, an actuary or an investment advisor are paid by the employer or through excess forfeitures. All expenses except for account maintenance fees, transaction fees and investment fund management fees have been paid by the employer and are excluded from these financial statements. Investment related fees are reflected in net investment income and are not readily determinable. Participants are charged service fees for any loan and distribution transactions they request. For the year ended December 31, 2021, the Plan paid administrator fees of \$10,780.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Risks and Uncertainties

The Plan invests in various funds. Those funds are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain funds, it is at least reasonably possible that changes in the values of the funds will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2020 excess contributions to the applicable participants prior to March 15, 2021.

3. INVESTMENTS

Fair Value Measurements

The Financial Accounting Standards Board established a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The Causeway Family of Auto Dealerships Profit Sharing 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for periods presented in these financial statements.

Pooled Separate Accounts: Units held in pooled separate accounts are valued based at the net asset value ("NAV") of the shares held by the Plan at year end, which is based on the unit prices quoted by the fund, representing the fair value of the underlying investment. The pooled separate accounts seek to achieve earnings comparable to the earnings of the underlying mutual fund investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts, at NAV*	\$ -	\$ -	\$ -	\$ 13,228,792
Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts, at NAV*	\$ -	\$ -	\$ -	\$ 11,107,369

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy.

The Causeway Family of Auto Dealerships Profit Sharing 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth a summary of the Plan's investments for which fair value is estimated using the net asset value per share as of December 31:

	<u>2021</u>	<u>2020</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Other Redemption Restrictions</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	<u>\$ 13,228,792</u>	<u>\$ 11,107,369</u>	<u>\$ -</u>	Immediate	None	None

4. INFORMATION CERTIFIED BY EMPOWER AND MASS MUTUAL (UNAUDITED)

No auditing procedures were performed by the independent auditors as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by Great-West Life & Insurance Company as attorney-in-fact for Talcott Resolution Life Insurance Company, except for comparing such information with information reported in the financial statements. Based on information provided and certified by the custodian, there are no fixed income obligations, leases or debt instruments in default or deemed uncollectible, as defined by ERISA, for the years ended December 31, 2021 and 2020.

The following information as of December 31, 2021 and 2020 and for the year ended December 31, 2021 was prepared from reports certified by the custodian:

	<u>2021</u>	<u>2020</u>
Investments at fair value	\$ 13,228,792	\$ 11,107,369
Notes receivable from participants	\$ 200,857	\$ 274,514
Net appreciation in fair value of investments	\$ 1,870,148	
Interest on notes receivable from participants	\$ 12,722	

5. PLAN TERMINATION

It is currently the intention of the employer to permanently maintain the Plan. However, the Company reserves the right to terminate, suspend or completely discontinue contributions to the Plan at any time. Upon termination, partial termination or complete discontinuance of contributions under the Plan, all participants become fully vested in their individual accounts.

6. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Following is a reconciliation of the net assets available for benefits as of December 31, 2021 and 2020, and the changes in net assets available for benefits for the year ended December 31, 2021 per these financial statements to amounts reported in Form 5500.

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 13,429,649	\$ 11,376,528
Excess contributions payable	<u>-</u>	<u>5,355</u>
Net assets per Form 5500	<u>\$ 13,429,649</u>	<u>\$ 11,381,883</u>
Change in net assets available for benefits per the financial statements	\$ 2,053,121	
Less: Prior year excess contributions payable	<u>(5,355)</u>	
Change in net assets available for benefits per Form 5500	<u>\$ 2,047,766</u>	

7. TAX STATUS

The Company adopted a Prototype Standardized 401(k) Plan which received a favorable opinion letter from the Internal Revenue Service on March 31, 2014. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts managed by Great West Life & Annuity Insurance Company, in its capacity as administrative service provider for contracts issued by Talcott Resolution Life Insurance Company. Talcott Resolution Life Insurance Company is the custodian of the Plan, and therefore, these transactions qualify as party-in-interest transactions. In addition, the Plan paid transactions fees of \$10,780 for the year ended December 31, 2021. Notes receivable from participants qualify as exempt party-in-interest transactions.

9. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events occurring after the statement of net assets available for benefits date through the date of September 2, 2022, the date for which the financial statements were available to be released. Based upon this evaluation, the Plan has determined that no subsequent events have occurred which require disclosure in or adjustment to the financial statements.

Fee and Compensation Disclosure Report

Please refer to the plan's ERISA Section 408(b)(2) Disclosure materials, including the 408(b)(2) Disclosure Statement(s), Investment Option Disclosure(s), Service Agreement and Contract Amendments and 408(b)(2) Disclosure Statement Change Notices (the "408(b)(2) Disclosure Materials") previously delivered to you. You can also access copies of your 408(b)(2) Disclosure Materials through your MassMutual plan sponsor portal or you can contact your account manager for assistance.

The 408(b)(2) Disclosure Materials and this document, together, can assist a plan administrator ("you") in completing the Form 5500 Schedule C¹ by identifying different types of services and the different types of compensation paid with respect to the product utilized by your plan.

As permitted under the Schedule C rules, compensation is disclosed in the attached report as an actual dollar amount, an estimate or a formula or rate.

- Where an actual dollar amount of compensation is disclosed, no further notation regarding compensation calculations is generally provided.
- Where an estimate of the compensation amount is disclosed, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount.
- Where a formula or rate is provided to report compensation, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount. This formula or rate may be disclosed to describe the compensation to which it applies under the Schedule C rules. Alternatively, for purposes of Schedule C disclosure or in connection with your fiduciary review of the compensation paid with respect to the services, products and investment options utilized by the plan, you may calculate and disclose an actual or estimated dollar amount by multiplying the rate by the total assets to which it applies.

Please note that, unless otherwise indicated in the descriptions contained in this report, direct compensation is presented on a plan year basis 01/01/2021 - 12/31/2021 and indirect compensation is presented on a calendar year basis ending 12/31/2021.

This report includes compensation actually paid to or by MassMutual within the indicated plan year as part of your MassMutual-serviced product. *(Note: If the plan year period or plan year end indicated in this Schedule C reporting package is incorrect, please notify your MassMutual customer service representative immediately).* This report does not include amounts deducted from plan assets and paid to third parties (other than MassMutual). In addition, the report does not include compensation related to investments held by the plan that are not serviced on our recordkeeping system. You should contact your other service providers for reportable compensation information. You may also receive information on the compensation reported here from other service providers as is described below.

Please note that we have provided suggested service codes (based on the information in our records) with respect to services provided through our product. Please review all Schedule C and other Form 5500 materials with your experienced benefits counsel and other professionals to determine the most appropriate codes for your plan. In addition, please note that because plans with fewer than 100 participants (as of the beginning of the plan year) are generally not required to file Schedule C, you should refer to the instructions provided by the IRS for Schedule C and/or review the applicability of Schedule C to your plan with your experienced tax/benefits counsel, to determine whether it is necessary for the plan to report the information contemplated by this report.

Please contact your MassMutual Service Team should you require additional information regarding the compensation paid to or by MassMutual with respect to your plan.

Information provided in this document and related materials we provide are not intended to be and shall not be deemed tax advice, tax form preparation services, legal advice, advice to plans regarding compliance with ERISA reporting compliance, or accounting or other professional services. As described above, the information contained in this report may not cover all of the compensation received by the plan's service providers. We strongly encourage you to review all Schedule C and other Form 5500 materials with experienced benefits counsel and other professionals.

¹Please refer to the Schedule C of the Form 5500 and its instructions (available at: <http://www.dol.gov/ebsa/5500main.html>), and please confer with experienced benefits counsel and other professionals, to determine the applicability of Schedule C to your plan.

Important Note: On December 31, 2020, Empower Retirement acquired the retirement business of Massachusetts Mutual Life Insurance Company ("MassMutual"). Following an initial transition period, Empower Retirement will become the sole administrator of this business. If the Plan utilizes an insurance product and the contract was issued by MassMutual, this material is being provided to you by Great-West Life & Annuity Insurance Company, affiliated with Empower Retirement, with respect to Empower Retirement's role as the administrator of this business, on MassMutual's behalf and pursuant to a Power of Attorney granted to Great-West Life & Annuity Insurance Company by MassMutual. If the Plan utilizes an insurance product and the contract was issued by Talcott Resolution Life Insurance Company ("Talcott", formerly named Hartford Life Insurance Company) and formerly administered by MassMutual, this material is being provided to you by Great-West Life & Annuity Insurance Company, affiliated with Empower Retirement, with respect to Empower Retirement's role as the administrator of this business pursuant to a Power of Attorney granted to Great-West Life & Annuity Insurance Company by Talcott. Empower Retirement refers to the products and services offered by Great-West Life & Annuity Insurance Company ("GWLA") and its subsidiaries, including Empower Retirement, LLC. Neither Great-West Life & Annuity Insurance Company nor Empower Retirement is affiliated with MassMutual, Talcott or their respective affiliates.

Important Note: The information in this document is applicable to the plan prior to transitioning recordkeeping platforms.

Please note that, unless otherwise indicated in the descriptions contained in this report, direct compensation is presented on a plan year basis 01/01/2021 - 12/31/2021 and indirect compensation is presented on a calendar year basis ending 12/31/2021.

Total Direct Compensation Paid **\$10,780.00**

The total amount identified above reflects all fees deducted from plan assets at the plan administrator's direction for the plan year. Service providers which have received portions of these direct fees are listed below, along with the amount of fees they received. Please note that if there is a discrepancy between the total direct fees reported above and the sum of the direct fees reported below, you should contact your other service providers or your plan records to identify the recipient(s) of the fees and any other information relevant to your Schedule C filing.

Recipient: Great-West Life & Annuity Insurance Company ("GWLA") EIN: 84-0467907

Service Codes: 15, 23, 37, 38, 54, 55, 59, 60, 62, 63, 64, 65, 66, 99, 50 (if direct compensation amount reflected below)

Direct Compensation **\$1,280.00**

The total amount identified above reflects fees deducted from plan assets at the plan administrator's direction for the 2021 plan year for the above named recipient. Please review other service providers, below, to determine whether direct fees were also paid to them. Also, please review your records to determine whether other service providers may have received any compensation not reported below (e.g., a reimbursement paid to any plan fiduciary, your employee benefits counsel, or a plan auditor).

Note: Due to system accounting protocols (including 'cash basis' accounting), amounts reported as Direct Compensation and amounts reported as paid to Massachusetts Mutual Life Insurance Company ("MMLIC") are the net result of aggregating direct compensation after the effects of adjustments processed in 2021, some of which may have pertained to prior years.

Please review the detailed breakdown at the end of the report for further information.

Indirect Compensation

Non Monetary Compensation

Please note that items of nonmonetary compensation need to be reported for Schedule A or C (Form 5500) purposes if they exceed certain *de minimus* amounts. Transactions generating nonmonetary compensation may include gifts, gratuities, or certain types of in-kind benefits. In addition, if applicable to the plan, MassMutual agents may qualify for certain forms of non-monetary compensation as a result of the sale of MassMutual contracts. These forms of non-monetary compensation include health, vision, life and disability coverage; matching contributions to 401(k) plans; cash balance and nonqualified pension plan contributions; participation at MassMutual-sponsored conferences based on recognition; and other non-monetary compensation (meals, entertainment, prizes, awards, gifts). If applicable, each plan in the agent's book of business is allocated compensation based on a pro rata basis using the number of plans representing the agent's book of business as of 12/31/2021. Information concerning reportable transactions undertaken between or among non-MassMutual parties may not be available to MassMutual. Please consult with your legal or tax advisors if you have any questions.

Under the variable investment options available through your plan's group annuity contract or funding agreement, contract values are invested in insurance company separate accounts that, in turn, invest in underlying registered investment companies (i.e., mutual funds) and collective investment funds.

The above list includes any investment option held by the plan on at least one month end during the 2021 calendar year. To arrive at an estimate of the dollar amount that MassMutual received from each investment option, multiply the rate of fees received from each investment option by your plan's year-end balance (or if the investment option was liquidated prior to year end, the balance on the liquidation date) and, if applicable, the per participant fee by the number of participants in the investment option at year end (or the liquidation date if earlier). This will be an estimate because your plan's balance and number of participants will vary over the course of the year, so the year-end balance and number of participants may be higher or lower than the daily balance. In addition, these fees are calculated on a daily basis.

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees,
The Causeway Family of Auto Dealerships Profit Sharing 401(K) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of The Causeway Family of Auto Dealerships Profit Sharing 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of The Causeway Family of Auto Dealerships Profit Sharing 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Causeway Family of Auto Dealerships Profit Sharing 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Causeway Family of Auto Dealerships Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Causeway Family of Auto Dealerships Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, schedule H, line 4i – schedule of assets (held at end of year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of The Causeway Family of Auto Dealerships Profit Sharing 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 16, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. PLAN DESCRIPTION

The following brief description of The Causeway Family of Auto Dealerships Profit Sharing 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant directed, defined contribution plan qualifying under section 401(k) of the Internal Revenue Code ("IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established on July 1, 1991 for the purpose of providing eligible employees of The Causeway Family of Auto Dealerships (the "Company") and their beneficiaries funds for retirement. The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

Eligibility

All employees, except for collectively bargained employees, are eligible to participate once they are age twenty-one or older and reached a minimum of 1,000 service hours. Once the eligibility requirement is met, the employee may join the Plan on the first day of the following month.

Employee Contributions

An employee participating in the Plan may annually contribute through payroll deductions pre-tax amounts, not exceeding the limits determined by the Internal Revenue Code and may contribute amounts representing distributions from other qualified plans. Any participant, age 50 or over, may make an additional "catch-up" contribution as determined by the Internal Revenue Code.

Employer Contributions

The Company's management may annually elect to make an employer discretionary matching contribution. The Company may also annually elect to make an employer profit sharing contribution. The profit-sharing contribution is allocated based upon the ratio of the participant's compensation for the Plan year to the total compensation for the Plan year of all participants entitled to share in the contribution. Additionally, an employee must be employed on the last day of the Plan year to be eligible to receive an allocation. For the year ended December 31, 2021, the Company elected to make an employer discretionary matching contribution equal to 100% of employee contributions to a maximum of 3% of the employee's compensation. The Company elected not to make any profit-sharing contribution in 2021. For the year ended December 31, 2021, the Company contribution totaled \$231,690.

Participant Accounts

Individual accounts are established for each participant. The Plan offers a variety of shares in pooled separate accounts with varying investment options. Each participant's account is credited with the participant's pre-tax contributions, the Company contributions, if any, and the proportionate share of dividends, interest and investment gains (losses) since the preceding valuation date. The participant's account is reduced by withdrawals, losses on investments, allocation of administrative expenses and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants automatically vest in their employer contributions upon becoming disabled or upon death while employed by the company. All other sources vest as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

A participant's "vested percentage" is based on vesting hours of service. A participant earns and accumulates a year of vesting for each 1,000 hours of continuous service within the Plan year. For employees for whom the employer does not maintain hourly records, vesting is determined using the equivalency method as described in the Plan document. With respect to the Company contributions, any unvested portion of his/her account shall be forfeited at termination.

Distributions and Withdrawals

Prior to age 59-1/2, distributions and withdrawals are not permitted from the Plan except in the instances of hardship, death, disability or termination of employment. Hardship withdrawals must be submitted to the Plan administrator in writing. After attaining age 59-1/2, participants may elect to withdraw an amount equal to any whole percentage not to exceed 100% of the participant's vested account for any reason. In the event of termination of employment, a participant shall receive, as a lump-sum distribution, his/her participant contributions and earnings thereon and vested Company matching contributions and earnings thereon.

Forfeited Accounts

Forfeitures can be used to reduce employer contributions or to reduce Plan expenses at the discretion of the employer. As of December 31, 2021 and 2020, the Plan had \$0 and \$1,306 of forfeited accounts, respectively. The amount used from the forfeiture account was \$1,530 during the year ended December 31, 2021.

Notes Receivable from Participants

The Plan allows for a maximum of two loans to be extended to each participant for financial hardship or financial needs. All loans are considered a direct investment of the participant, and payments of principal and interest are credited to the participant's account. The minimum a participant may borrow is \$1,000, and the maximum, including the outstanding balance of existing Plan loans, is 50% of their vested account balance, not to exceed \$50,000. The loans bear interest at rates ranging from 4.25% to 6.50% with maturities through 2026. Principal and interest are paid ratably through weekly payroll deductions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Causeway Family of Auto Dealerships Profit Sharing 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Administrative Expenses

The expenses necessary to administer the Plan, including but not limited to, retaining necessary professional assistance from an attorney, an accountant, an actuary or an investment advisor are paid by the employer or through excess forfeitures. All expenses except for account maintenance fees, transaction fees and investment fund management fees have been paid by the employer and are excluded from these financial statements. Investment related fees are reflected in net investment income and are not readily determinable. Participants are charged service fees for any loan and distribution transactions they request. For the year ended December 31, 2021, the Plan paid administrator fees of \$10,780.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Risks and Uncertainties

The Plan invests in various funds. Those funds are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain funds, it is at least reasonably possible that changes in the values of the funds will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2020 excess contributions to the applicable participants prior to March 15, 2021.

3. INVESTMENTS

Fair Value Measurements

The Financial Accounting Standards Board established a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The Causeway Family of Auto Dealerships Profit Sharing 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for periods presented in these financial statements.

Pooled Separate Accounts: Units held in pooled separate accounts are valued based at the net asset value ("NAV") of the shares held by the Plan at year end, which is based on the unit prices quoted by the fund, representing the fair value of the underlying investment. The pooled separate accounts seek to achieve earnings comparable to the earnings of the underlying mutual fund investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts, at NAV*	\$ -	\$ -	\$ -	\$ 13,228,792
Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts, at NAV*	\$ -	\$ -	\$ -	\$ 11,107,369

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy.

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth a summary of the Plan's investments for which fair value is estimated using the net asset value per share as of December 31:

	<u>2021</u>	<u>2020</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Other Redemption Restrictions</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	<u>\$ 13,228,792</u>	<u>\$ 11,107,369</u>	<u>\$ -</u>	Immediate	None	None

4. INFORMATION CERTIFIED BY EMPOWER AND MASS MUTUAL (UNAUDITED)

No auditing procedures were performed by the independent auditors as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by Great-West Life & Insurance Company as attorney-in-fact for Talcott Resolution Life Insurance Company, except for comparing such information with information reported in the financial statements. Based on information provided and certified by the custodian, there are no fixed income obligations, leases or debt instruments in default or deemed uncollectible, as defined by ERISA, for the years ended December 31, 2021 and 2020.

The following information as of December 31, 2021 and 2020 and for the year ended December 31, 2021 was prepared from reports certified by the custodian:

	<u>2021</u>	<u>2020</u>
Investments at fair value	\$ 13,228,792	\$ 11,107,369
Notes receivable from participants	\$ 200,857	\$ 274,514
Net appreciation in fair value of investments	\$ 1,870,148	
Interest on notes receivable from participants	\$ 12,722	

5. PLAN TERMINATION

It is currently the intention of the employer to permanently maintain the Plan. However, the Company reserves the right to terminate, suspend or completely discontinue contributions to the Plan at any time. Upon termination, partial termination or complete discontinuance of contributions under the Plan, all participants become fully vested in their individual accounts.

6. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Following is a reconciliation of the net assets available for benefits as of December 31, 2021 and 2020, and the changes in net assets available for benefits for the year ended December 31, 2021 per these financial statements to amounts reported in Form 5500.

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 13,429,649	\$ 11,376,528
Excess contributions payable	<u>-</u>	<u>5,355</u>
Net assets per Form 5500	<u>\$ 13,429,649</u>	<u>\$ 11,381,883</u>
 Change in net assets available for benefits per the financial statements	 \$ 2,053,121	
Less: Prior year excess contributions payable	<u>(5,355)</u>	
Change in net assets available for benefits per Form 5500	<u>\$ 2,047,766</u>	

7. TAX STATUS

The Company adopted a Prototype Standardized 401(k) Plan which received a favorable opinion letter from the Internal Revenue Service on March 31, 2014. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts managed by Great West Life & Annuity Insurance Company, in its capacity as administrative service provider for contracts issued by Talcott Resolution Life Insurance Company. Talcott Resolution Life Insurance Company is the custodian of the Plan, and therefore, these transactions qualify as party-in-interest transactions. In addition, the Plan paid transactions fees of \$10,780 for the year ended December 31, 2021. Notes receivable from participants qualify as exempt party-in-interest transactions.

9. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events occurring after the statement of net assets available for benefits date through the date of September 2, 2022, the date for which the financial statements were available to be released. Based upon this evaluation, the Plan has determined that no subsequent events have occurred which require disclosure in or adjustment to the financial statements.
