INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Management
Healthier You, Financial Wellness 401(k) Plan
Rochester, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Healthier You, Financial Wellness 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Healthier You, Financial Wellness 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Healthier You, Financial Wellness 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Healthier You, Financial Wellness 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Healthier You, Financial Wellness 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Other Matter — Supplemental Schedule Required by ERISA (Continued)

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Healthier You, Financial Wellness 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 31, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HEALTHIER YOU, FINANCIAL WELLNESS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Plan Description and Summary of Significant Accounting Policies

The following description of the Healthier You, Financial Wellness 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering substantially all employees of Titan Development and Investments, Inc. and Avra Hospitality, LLC. (collectively, the Plan Sponsor); which are all members of a controlled group of corporations. The Plan originally became effective January 1, 2007, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was last amended and restated effective January 1, 2021.

Administration - The Plan is administered by Titan Development and Investments, Inc., the Plan Sponsor. The Plan Sponsor has discretion over the Plan. The Custodian of the Plan's assets is Nationwide Trust Company, FSB dba Nationwide Life Insurance Company (the Custodian). The Custodian executes Plan transactions based upon direction from the Plan's administrator and the Plan's participants.

Participation – To be eligible for the Plan, employees must be at least twenty-one years of age and have half a year of service with 500 hours. Entry dates begin on the first day of the Plan quarter for employee deferrals and on the first day of the seventh month of the Plan Year for employer contributions after the completion of the initial requirements.

Contributions – Contributions to the Plan include salary reduction, rollover contributions, and catch-up contributions authorized by participants, and safe harbor matching, discretionary matching and nonelective profit sharing contributions made by the Plan Sponsor.

Each participant may authorize the Plan Sponsor to contribute into the Plan salary reduction contributions up to the limits prescribed by law after meeting the eligibility requirements noted above. Participants are also eligible for safe harbor matching contributions at that time. To be eligible for discretionary employer matching contributions and employer nonelective profit sharing contributions, a participant must complete a full year of service.

Each participant's employer makes safe harbor matching contributions, and may make discretionary contributions for all participants who were active participants at any time during the Plan Year. Safe harbor matching contributions of \$201,186 and \$186,807 were made to the Plan for 2021 and 2020, respectively.

Participant Accounts - Each participant's account is updated to include the participant's contribution and an allocation of (a) the Employer's matching contributions, (b) plan earnings (losses), and (c) plan expenses, as applicable. The Plan uses a daily valuation system for each participant's individually-directed account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

HEALTHIER YOU, FINANCIAL WELLNESS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. Plan Description and Summary of Significant Accounting Policies (Continued)

The Plan provides for participants to direct the funds in which their account balances are invested. The participants' funds are invested in various pooled separate and guaranteed investment accounts held by the Custodian.

Vesting - Participants are immediately vested in their contributions, safe harbor matching contributions, if any, and rollover contributions plus actual earnings thereon. Participants who entered the Plan prior to March 1, 2015 become fully vested in employer contributions after 5 years of service (20% vesting for each year of service). Full vesting for the employer discretionary matching and employer discretionary profit sharing contributions for all other participants occurs after 6 years of service. A participant is also fully vested in their account upon reaching age 65, upon death or upon permanent disability. Termination of employment for participants who become eligible after March 1, 2015 before any of the above occurs activates the following vesting schedule for the matching and profit sharing portions of their accounts:

<u>Full Years of Employment</u>	<u>Vested Percentage</u>
0-2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Benefits - On termination of service, disability, death, retirement or reaching normal retirement age, participants or their beneficiaries, as applicable, are eligible to receive a distribution in an amount equal to their vested account balance. If the participants' vested account balance is less than \$1,000, the Plan will distribute their vested account balance in a lump-sum payment with or without the participant's authorization. If the participant's account is between \$1,000 and \$5,000, the Plan Sponsor will roll the vested account balance into an Individual Retirement Account (IRA) in the participant's name. The IRA will not remain as part of the Plan. If the participants' vested account balance exceeds \$5,000, the participant may elect to take a lump-sum distribution, distribute their account balance in substantially equal payments over time, or to leave their vested account balance in the Plan.

The recently adopted CARES Act provision for the Plan year 2020 allows participants under the age of 59 ½ to withdraw up to \$100,000 from their account balances in the Plan if affected by the Coronavirus during 2020. The amount distributed can be recontributed to the participant's account in the Plan within three years of the distribution.

Plan Termination - Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

1. Plan Description and Summary of Significant Accounting Policies (Continued)

Basis of Accounting

The financial statements are prepared on the accrual basis from the financial records supplied by Nationwide Life Insurance Company, the Custodian.

Employer contributions are recorded as receivable at the time of their approval by the Board of Directors of the Company. Employee contributions are recorded as receivable as soon as the contributions can be isolated from the general assets of the company and before they have been received by the Plan.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion on fair value measurements.

All purchases and sales of securities have been recorded on a trade-date basis. Income is recorded as earned. The increase or decrease in the fair value of investments represents the net difference between the current value of securities held at the beginning of the year or cost of securities purchased during the year and the current value of securities held at the end of the year.

Benefit Payment

Benefit payments are recorded upon distribution to participants.

Expenses

Expenses of maintaining the Plan are paid by the Plan Sponsor and the Plan. Administrative expenses paid by the Plan are included in the statement of changes in net assets available for benefits.

Forfeitures

Forfeited nonvested amounts can be used to pay administrative expenses of the Plan or to reduce employer matching contributions. Forfeited nonvested accounts at December 31, 2021 and 2020 totaled \$6. There were no forfeitures during the years ended December 31, 2021 and 2020. There were no forfeited nonvested accounts used during the year ended December 31, 2021. Forfeited nonvested accounts in the amount of \$527 were used to pay plan expenses during the year ended December 31, 2020.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. Plan Description and Summary of Significant Accounting Policies (Continued)

Use of Estimates in Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

2. Financial Information Certified by the Custodian

Nationwide Trust Company, FSB dba Nationwide Life Insurance Company (the Custodian) has provided the Plan Administrator with certifications as to the completeness and accuracy of total investments of the Plan held by the Custodian aggregating \$4,890,715 and \$4,051,987, as of December 31, 2021 and 2020, respectively. The Custodian has also provided certifications regarding the related investment income of \$571,008 and \$561,979 for the years ended December 31, 2021 and 2020, respectively. Such amounts and all related financial data are included in the accompanying financial statements and supplemental schedule of the Plan based on the certifications from the Custodian.

Under the terms of the custodial agreement, the Custodian has non-discretionary authority over Plan assets and maintains investment funds on behalf of the Plan. The Custodian has been granted the authority to make purchases and sales of the investments at the direction of the Company and plan participants and maintains records of all individual participant transactions, participant accounts and transactions for the Plan as a whole.

HEALTHIER YOU, FINANCIAL WELLNESS 401(K) PLAN

3. Fair Value Measurements

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Insurance Company general account: Fair value represents the value the Plan would receive if the various contracts were terminated, which is fair value less any early withdrawal charges, if any. Due to the uncertainty regarding the value of this account at contract termination, fair value may be different than the amount reported.

Pooled separate accounts: Pooled separate accounts are valued based upon the unit values of such pooled accounts held by the Plan at year end. Unit values are based on the fair value of the underlying assets of funds derived from inputs principally from or corroborated by observable market data by correlation or other means, although not based upon quoted prices in an active market. The underlying investments of the pooled separate accounts consist of mutual funds, each of which follows a separate investment strategy. Due to the nature of these pooled accounts, there are no unfunded commitments or redemption restrictions.

HEALTHIER YOU, FINANCIAL WELLNESS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

3. Fair Value Measurements (Continued)

The methods described on the previous page may produce fair values that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables reflect the Plan's investments within the fair value hierarchy:

	As of December 31, 2021			
	Assets Measured at Fair Value	Fair Value Hierarchy Level		
		Level 1	Level 2	Level 3
Pooled Separate Accounts Guaranteed Portfolio Fund	\$ 4,645,580 245,135	\$ 4,645,580	\$	\$ 245,135
Total Investments	\$ 4,890,715	\$ 4,645,580	\$	\$ 245,135

	As of December 31, 2020			
	Assets Measured at Fair Value	Fair Value Hierarchy Level		
		Level 1	Level 2	Level 3
Pooled Separate Accounts Guaranteed Portfolio Fund	\$ 3,824,622 227,365	\$ 3,824,622	\$	\$ 227,365
Total Investments	\$ 4,051,987	\$ 3,824,622	\$	\$ 227,365

The purchases for the Plan's level 3 assets were \$34,658 and \$17,900 for the years ended December 31, 2021 and 2020, respectively. These were the result of investments elected by participants for their contributions (employee and employer) to the Plan. The net transfers related to participant directed transfers of invested assets between accounts for the Plan's level 3 assets were (\$13,489) and \$109,182 for the years ended December 31, 2021 and 2020, respectively.

4. Party-in-Interest Transactions

Transactions resulting in Plan assets being transferred to or used by a related party are considered prohibited transactions under ERISA unless a specific exemption exists. Certain Plan investments and transactions are with pooled separate accounts and a guaranteed investment account that are managed by Nationwide Trust Company, FSB dba Nationwide Life Insurance Company (the Custodian); and therefore, these transactions qualify as party-in-interest transactions. However, the transactions are not considered prohibited transactions as ERISA regulations provide for a specific exemption for such transactions.

Certain employees of the Company provide certain accounting and administrative services for the Plan for which no fees are charged. These transactions are also permitted under ERISA regulations.

5. Tax Status

The prototype plan document utilized by the Plan obtained its latest IRS opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2021, the Plan does not believe that it has taken any tax positions that require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months.

The Plan's informational returns are subject to examination by the appropriate regulatory authorities as of December 31, 2021, and the Plan's federal informational returns generally remain open for a period of three years.

6. Risks and Uncertainties

The Plan offers a number of investment options to participants that are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect amounts reported in the statements of net assets available for benefits and participant accounts.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

7. Insurance Company General Account Group Contract

The Plan offers participants an investment option of an investment contract with Nationwide Life Insurance Company. Nationwide maintains the contributions in an unallocated fund to which it adds interest quarterly. Participants may request a lump sum distribution with a market value adjustment or an installment payout, at book value, over a period of years. Contract value consists of contributions made to the contract plus interest thereon less contract withdrawals. From a contractual standpoint only, the Fixed Select contract is fully benefit responsive under SOP 94-4-1, insofar as the contract does not restrict participant directed exchanges.
