Lester Glenn Auto Group 401(k) Plan

Management Report
December 31, 2021

August 29, 2022

To the Trustees of the Lester Glenn Auto Group 401(k) Plan

Dear Trustees:

We have issued our Independent Auditors' Report on the financial statements of the Lester Glenn Auto Group 401(k) Plan as of and for the year ended December 31, 2021. In addition, this report provides a summary of certain communications in connection with the audit of the 2021 financial statements as required by professional standards. We would be happy to discuss this report with you at your convenience.

This report is intended solely for management, those in charge of governance of the Plan and others within the sponsoring organization and should not be used by anyone other than these individuals.

Respectfully submitted,

WithumSmith+Brown, PC

Current Professional Standards require that we make certain communications to Plan management and the audit committee relative to the Plan's internal control over financial reporting in certain participant compliance matters that come to our attention. Such communications would include:

- Internal control matters, including matters which are defined under professional standards as significant deficiencies and material weaknesses (*See definitions and audit engagement considerations*).
- Results of certain participation and planned testing to determine whether the plan has been in compliance with DOL regulations during the plan year in the areas tested.

Objectives, Responsibilities and Limitations Regarding Internal Control and Reporting Internal Control Matters in this Letter:

- **Our Responsibilities** – To consider the Plan's internal control over financial reporting. To use this consideration solely to design audit procedures, which will support our expressed opinion regarding the financial statements. To communicate to management and the audit committee matters that come to our attention during the audit that we considered to be either a significant deficiency or a material weakness. These terms are specifically defined by the standards of the profession.
- **Limitations of Our Assessment of Internal Control** – Our assessment is not designed to express an opinion on the effectiveness of internal control. Accordingly, we express no such opinion. Further, we have only communicated such matters that came to our attention during the audit.

AUDITOR AND MANAGEMENT RESPONSIBILITIES

The following was addressed in our engagement letter to the Plan:

Management Responsibilities	Auditor Responsibilities
Overall responsibility for the fair presentation of the financial statements	To provide reasonable, but not absolute assurance as to whether the financial statements are free of material misstatement
Provide accurate, complete and truthful representations to the auditors during the engagement as required by Professional Standards	To gain a requisite understanding of the Plan's system of internal control to better plan and conduct the audit engagement
To establish appropriate internal controls to keep the financial statements free of material misstatement, including intentional misstatements caused by fraud	To perform tests in accordance with Professional Standards set for employee benefit plans
To provide auditors with access to all personnel and relevant plan information.	To communicate significant matters related to our audit relevant to those charged with governance
Our audit of the financial statements does not relieve the Plan trustees or Plan management of its respective responsibilities.

Term	Definition
Control Deficiencies	Control deficiencies are identified conditions that do not allow management or its employees in the normal course of performing their assigned functions to prevent or detect misstatements (or DOL rule violations) on a timely basis. Control deficiencies can result from a design issue (i.e. the control is not properly developed or is missing a control objective) or is not operating appropriately. Three types of control deficiencies are significant deficiencies, material weaknesses or less severe control deficiencies, hereafter referred to as other matters. The severity of the deficiency is based on the potential for misstatement and not just on the actual identified misstatement.
Material Weakness (M)	A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements or individual participant's account (or other DOL violation) will not be prevented, or detected and corrected on a timely basis.
Significant Deficiency (S)	A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those in charge of governance.
Other Matters (O)	These are matters that came to our attention that we have concluded are less severe than a material weakness or significant deficiency.

COMMUNICATIONS OF INTERNAL CONTROL RELATED MATTERS

With respect to the Participant Testing Results and Other Communications as identified herein, we advise you of the following:

- These matters represent matters related to the Plan's internal controls and our observations identified herein do not express an opinion related to the effectiveness of such internal controls.
- This audit engagement is performed in accordance with Section 103(a)(3)(c), as permitted by Department of Labor regulation 29 CFR 2520.103-8. Our engagement does not express an opinion of the effectiveness of internal controls.
- Our consideration of internal control may not necessarily identify all significant deficiencies or material control weaknesses.

PARTICIPANT TESTING RESULTS

Area Tested	Issue Noted	Withum Recommendation
<u>Definition of compensation</u> – We tested whether the plan being operated in accordance with the plan documents.	0	We noted the Holiday Cash is being excluded from the calculation which is not in accordance with the plan document. We recommend to make appropriate plan amendments or there should not be any exclusions.
<u>Eligibility</u> – For employees selected for testing, determined that they were eligible to join the plan or had properly declined enrollment.	0	We noted that the plan does not use opt out forms. We recommend implementing opt out forms as doing such provides documented evidence that employees are aware of their eligibility to participate in the plan but have decided not to.

DEFINITION AND DUTIES OF A FIDUCIARY

Who is a Fiduciary?	• Anyone who has discretionary authority or control over the management of the plan. • A Fiduciary assumes personal liability regarding plan participants and/or their beneficiaries. • A Fiduciary's title and function lend to fiduciary standing in the plan.
What are a Fiduciary's core responsibilities?	• To maintain a written plan document in accordance with ERISA • To follow the written plan document • To make decisions for the plan solely on behalf of the participants • To manage the plan in a prudent manner • To minimize risk of asset loss through diversification of assets • To monitor and control plan expenses
How can a Fiduciary prove they are meeting their Fiduciary responsibilities?	• Maintain written evidence of the decisions made with regards to the plan. • Oversee the documentation - If you didn't document it, it's hard to prove that you did it.

FIDUCIARY BEST PRACTICES CHECKUP

Fiduciary Responsibility	No Issue Noted	Issue Noted	Withum Recommendation
<u>Monitoring Plan Investments</u> - We inquired of management and/or the plan trustees regarding their process for monitoring the plan's investments, including: - Quarterly or annual monitoring of the plan's investment offerings against an appropriate benchmark. - Replacing an investment that is under performing or is deemed to be no longer appropriate for the plan. - Educating plan participants on investment options within the plan. - Diversifying investment options within the plan. - Maintaining minutes to the meetings of the plan trustees as evidence of decisions made at the meetings.		O	We noted that the plan trustees meet with an investment custodian, but do not retain minutes to these meetings. As a best practice, we recommend maintaining minutes to support the items discussed and decisions made at these meetings. Such minutes would provide documented evidence that the trustees are meeting their fiduciary responsibilities.
<u>Monitoring Plan Expenses</u> – We inquired of management and/or the plan trustees regarding their process for monitoring the plan's expenses, including: - Minimizing expenses to defray the costs of the plan and its investments. - Evaluating the plan's investment options to determine if other share classes are available at a lower price point. - Documenting in writing the cost/ benefit analysis performed when a more expensive option is elected.		O	See comment above regarding maintaining meeting minutes.

REQUIRED COMMUNICATIONS

Matter to Be Communicated	Comments
Significant Accounting Estimates — Accounting estimates are an integral part of the financial statements prepared by management and are based on management’s current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management’s current judgments.	The most sensitive accounting estimates affecting the financial statements is the fair value of investments.
Significant Financial Statement Disclosures — Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users.	The most sensitive disclosures affecting the Plan’s financial statements relate to the fair value of investments.
Supplementary Information — We made certain inquiries of management and evaluated the form, content, and methods of preparing the supplementary information to determine that the information complies with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.	There were no additional matters that are not included in this report.

REQUIRED COMMUNICATIONS

Matter to Be Communicated	Comments
<i>Independence</i> – Auditor independence is a cornerstone of the auditing profession and is one of five significant elements of the Firm’s system of quality control. Accordingly, we feel that this communication to you must include a discussion of significant matters.	• Plan management is responsible for all bookkeeping for the Plan. • We are not permitted to make any management decisions on behalf of the Plan. • Withum must adhere to independence rules with respect to unpaid fees for prior services. In that regard, we periodically review our outstanding accounts receivable to determine that such receivables are within those periods acceptable by Professional Standards. In the event that the age of such receivables extends beyond those periods, we are required by Professional Standards to suspend work until our independence can be restored.
<i>Representation Letter</i> – In accordance with Professional Standards, we are required to obtain a letter from Plan management, which includes representations made as part of the conduct of our audit.	A copy of a representation letter was provided to management for their completion and signature.
